PROXY STATEMENT

Annual Meeting of Stockholders
May 6, 2014

This Proxy Statement is furnished on or about March 25, 2014, to holders of the common stock of Strayer Education, Inc. (the Corporation), 2303 Dulles Station Boulevard, Herndon, Virginia 20171, in connection with the solicitation on behalf of the Board of Directors of the Corporation (the Board) of proxies to be voted at the 2014 Annual Meeting of Stockholders (the Annual Meeting). The Annual Meeting will be held at 8:00 a.m. local time on Tuesday, May 6, 2014, at the Corporation's headquarters located at 2303 Dulles Station Blvd., Herndon, Virginia 20171.

The cost of soliciting proxies will be borne by the Corporation. Copies of solicitation material may be furnished to brokers, custodians, nominees and other fiduciaries for forwarding to beneficial owners of shares of the Corporation's common stock, and normal handling charges may be paid for such forwarding service. Solicitation of proxies may be made by the Corporation by mail or by personal interview, telephone and facsimile by officers and other management employees of the Corporation, who will receive no additional compensation for their services. The Corporation has also retained MacKenzie Partners, Inc. to provide proxy solicitation services for a fee of approximately \$20,000, plus reimbursement of its out-of-pocket expenses.

Any stockholder submitting a proxy pursuant to this solicitation may revoke it at any time prior to the Annual Meeting by giving written notice of such revocation to the Secretary of the Corporation at the Corporation's headquarters at 2303 Dulles Station Blvd., Herndon, Virginia 20171, providing a later dated proxy, or by attending the meeting and voting in person. **Attending the Annual Meeting will not automatically revoke a stockholder's prior proxy.**

We began mailing this proxy statement, the Notice of Annual Meeting of Stockholders and the enclosed proxy card on or about March 25, 2014 to all stockholders entitled to vote. At the close of business on March 10, 2014, there were 10,843,301 shares of the common stock of the Corporation outstanding and entitled to vote at the meeting. **Only common stockholders of record on March 10, 2014 will be entitled to vote at the meeting**, and each share will have one vote.

Voting Information

At the Annual Meeting votes will be counted by written ballot. A majority of the shares entitled to vote will constitute a quorum for purposes of the Annual Meeting. Under the Corporation's By-laws, to be elected at the Annual Meeting, a nominee for election to the Board of Directors

must receive more votes cast for his or her election than votes cast against his or her election. Ratification of the appointment of the Corporation's independent registered public accounting firm, approval of the advisory vote on the compensation of our named executive officers and approval of any other business which may properly come before the Annual Meeting, or any adjournments thereof, will require the affirmative vote of a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of any matter at the Annual Meeting, including the election of directors. Proposals 2 and 3 are advisory only, and as discussed in more detail below, the voting results are not binding.

Proxies properly executed and received by the Corporation prior to the meeting and not revoked, will be voted as directed therein on all matters presented at the meeting. In the absence of specific direction from a stockholder, proxies will be voted for the election of all named director nominees, and in favor of Proposals 2 and 3. If a proxy indicates that all or a portion of the shares represented by such proxy are not being voted with respect to a particular proposal, such non-voted shares will not be considered present and entitled to vote on such proposal, although such shares may be considered present and entitled to vote on other proposals and will count for the purpose of determining the presence of a quorum.

1

The Board of Directors of the Corporation has adopted a corporate governance policy concerning the holdover of any director not elected by a majority vote in an uncontested election. Any director who fails to receive the requisite majority vote would be required to promptly offer his resignation and the Board, following the recommendation of the Nominating and Corporate Governance Committee, would have up to 90 days to decide whether to accept such offer, during which time the director nominee would continue to serve on the Board as a holdover director. A copy of this policy is available on our website at www.strayereducation.com.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE STOCKHOLDERS MEETING TO BE HELD ON MAY 6, 2014**

The proxy statement, Form 10-K and Annual Report to Stockholders are available at www.strayereducation.com/overview.cfm.

PROPOSAL 1

Election of Directors

We are requesting that the stockholders elect a Board of Directors of ten members at the Annual Meeting.

The Nominating and Corporate Governance Committee (the Nominating Committee) considers many factors when evaluating candidates for the Board. The most important are true independence, business savvy, a stockholder orientation, and genuine interest in the Corporation. By true independence we mean the willingness to challenge a forceful, talented CEO and management team with a good track record when something is wrong or foolish. People with this trait are both very valuable and hard to find; they are inevitably of the highest character and integrity. Commercial or business savvy is also crucial without it all the other great traits are of little help. The Board does not have a specific policy regarding diversity. However, the Nominating Committee does strive for the Board to be comprised of directors with a variety of experience and personal backgrounds. The Nominating Committee considers the prospective director's skills, specialized expertise, level of education, business experience, broad-based business acumen, experience at strategy development and policy-setting, and direct ownership of the Corporation's shares. The Nominating Committee focuses on the prospective director's understanding that maintaining the high academic quality of Strayer University is central to maintaining and growing the Corporation's value. (It is perhaps obvious, though worth noting, that the criteria for service on Strayer University's Board of Trustees, while sharing some of the same criteria as the Corporation, are different and that it is important to have some individuals who can sit on both Boards effectively.) Depending upon the current needs of the Board, certain factors may be weighed more or less heavily by the Nominating Committee.

In considering candidates for the Board, the Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board should have the highest character and integrity; a track record of working constructively with others; sufficient time to devote to Board matters; and no conflict of interest that would interfere with performance as a director. In addition, the Nominating Committee believes that the ability of individual Board members to work constructively together is a key element of Board effectiveness.

The Nominating Committee will entertain recommendations from common stockholders that are submitted in writing to the Corporation, provided that such common stockholders (i) beneficially own more than 5% of the Corporation's common stock or (ii) have beneficially owned more than 1% of the Corporation's common stock for at least one year. Stockholders meeting such criteria may recommend candidates for consideration by the Nominating Committee by writing to Mr. Viet D. Dinh, Corporate Secretary, Strayer Education, Inc., 2303 Dulles Station Blvd., Herndon, Virginia 20171, giving the candidate's name, contact information, biographical data and qualifications, as well as any evidence

Edgar Filing: STRAYER EDUCATION INC - Form DEF 14A

that the stockholder satisfies the criteria set forth above. All such recommendations will be treated confidentially and brought to the attention of the Nominating Committee in a timely fashion. The Nominating Committee does not evaluate candidates differently based on who has made the proposal or recommendation.

Once it has been determined that a candidate meets the Board's criteria on paper, there is a selection process which includes, but is not limited to, background and reference checks and interviews with not only the Nominating

2

Committee but other board members, executive management and other professionals such as the Corporation's auditors or outside counsel, as deemed necessary.

Stockholders who wish to formally nominate a director for election at an annual meeting of the stockholders of the Corporation must also comply with the Corporation's By-laws regarding stockholder proposals and nominations. See "Stockholder Proposals" contained in this proxy statement.

It is intended that the votes represented by the proxies will be cast for the election as directors, for a term of one year or until their successors are chosen and qualified, of the persons listed below. **The Board of Directors recommends that stockholders vote for the nominees listed below.** Each of the nominees is currently a director of the Corporation. The following table and text presents information as of the date of this proxy statement concerning persons nominated for election as directors of the Corporation.

The Nominating Committee believes that based on his experience and expertise in financial matters, accounting and audit, and educational management, Mr. Waite should serve as a director of the Corporation.

Mr. J. David Wargo has been President of Wargo and Company, Inc., an investment management company, since 1993. Mr. Wargo is a co-founder and was a Member of New Mountain Capital, LLC, from 2000 to 2008, and was a Senior Advisor there from 2008 to 2011. Director Compensation

Director compensation is designed to:

Ensure alignment with long-term stockholder interests;

Ensure the Corporation can attract and retain outstanding director candidates who meet the criteria outlined in this proxy;

Recognize the time commitments necessary to oversee the Corporation; and

Support the independence of thought required of a good director.

The Nominating Committee reviews non-employee director compensation regularly and resulting recommendations are presented to the full Board for discussion and approval. Current director compensation is as follows:

Annual Retainer. Each eligible director is paid an annual fee of \$150,000. Of this amount, at least 50% (or \$75,000) of the annual fee must be paid in shares of restricted stock of the Corporation. Restricted stock is issued to directors on the date of the Annual Meeting as part of their annual retainer. The restricted shares vest over three years, with one-third of the shares vesting each year on the date of the annual meeting. Directors may choose to receive the remaining 50% of their annual retainer (\$75,000) in either restricted stock or in cash, paid in quarterly installments. In the event any Director retires or resigns from the Board, the Board of Directors may, in its discretion, waive the remaining vesting period(s) for all or any portion of unvested restricted shares, provided that the departing Director has served at least five years on the Board of Directors of the Corporation.

Additional Fees. The Audit Committee Chair and the Presiding Independent Director receive an additional annual fee of \$10,000. Members of the Audit Committee receive an additional annual fee of \$5,000. The Board may also approve additional fees for other board-related service.

Reimbursement of Expenses. Directors are reimbursed for out-of-pocket expenses incurred in connection with their attendance at Board and Committee meetings.

As described above, a significant portion of director compensation is paid in restricted stock to align director compensation with the long term interests of stockholders. While on the Board, non-employee directors receive the same cash dividends on restricted shares as a holder of common stock.

Board Leadership Structure

Our Board is comprised of independent members, as independence is defined under the NASDAQ Listing Standards, along with our Executive Chairman and our Chief Executive Officer. The leadership structure of the Corporation has varied over time as the demands of the business, the composition of the Board, and the ranks of our senior executives changed, and the Board has utilized this flexibility to establish the most appropriate structure at any given time. For the last several years we combined the roles of Chairman of the Board and Chief Executive Officer, but in May of 2013 began to operate with a Chairman of the Board separate from the Chief Executive Officer when Mr. Silberman became Executive Chairman and Mr. McDonnell was named Chief Executive Officer.

In 2013 Dr. Casteen was appointed Presiding Independent Director, who runs the Board in the Chairman's absence. The Presiding Independent Director presides at meetings with the Board of Directors without the Executive Chairman and the CEO present at least quarterly (at each regularly scheduled Board meeting) and solicits candid feedback on the Executive Chairman's and the CEO's performance. The Presiding Independent Director serves as the principal liaison on Board issues between the independent Directors and the Executive Chairman and has the authority to:

Call meetings of the independent Directors,

Ensure the quality, quantity and timeliness of information to the Board, and

Consult and communicate with stockholders.

Risk Oversight

Edgar Filing: STRAYER EDUCATION INC - Form DEF 14A

The Board of Directors is ultimately responsible for the risk management of the Corporation; the CEO is the Chief Risk Officer. The Board reviews and approves all annual budgets, major uses of capital, major projects, and University expansion plans. Two members of the Board of Directors also serve as members of the governing

10

body (The Board of Trustees) of the Corporation's chief asset: Strayer University. The Board of Trustees is made up of nine trustees, including five trustees who are unaffiliated with the Corporation, two trustees who are independent members of the Corporation's Board of Directors, and two trustees who are executive officers of the Corporation. The Board of Directors oversees, but generally defers to the University's Board of Trustees on issues related to academic affairs and quality, including specifically, the rate of the University's growth and expansion.

The Board and its Compensation Committee continually evaluate the Corporation's strategy, activities and in particular compensation policies and practices to protect against inappropriate risk taking. Any compensation program that seeks to pay managers for performance on behalf of owners carries some risk of overzealous performance. But paramount in the Corporation's compensation program is an unwavering requirement that executive conduct conform to applicable legal, regulatory, and ethical business standards. Based on its evaluation and the views of advisors, the Compensation Committee believes that the Corporation's executive compensation program, as described in the Compensation Discussion and Analysis section below, does not encourage inappropriate risk taking and that the Corporation has in place a strong culture, organization structure and compliance policies to manage effectively operational risk.

In addition, the Audit Committee oversees management of financial risk and our Code of Business Conduct, including monitoring conflicts of interest, and the Nominating Committee oversees the Corporation's corporate governance, such as director independence. In performing these functions, each Committee of the Board of Directors has full access to management, as well as the ability to engage advisors. The Board is kept abreast of the Committees' risk oversight and other activities through regular reports by the Committee Chair to the full Board of Directors.

Board Committees

The Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating Committee, each composed entirely of independent directors. The current Committee membership is as follows:

Committee Memberships

Audit	Compensation	Nominating
G. Thomas Waite, Chair	J. David Wargo, Chair	Dr. John T. Casteen, III, Chair
Robert R. Grusky	William E. Brock	Dr. Charlotte F. Beason
Todd A. Milano	Robert L. Johnson	Todd A. Milano

Audit Committee.

For the year ended December 31, 2013, the Audit Committee was composed of Messrs. Wargo (Chair), Milano and Waite until November 15, 2013; thereafter, the Audit Committee was composed of Messrs. The Audit Committee assists the Board in its oversight of the quality and integrity of our accounting, auditing, and reporting practices. The Committee performs a variety of tasks, including being directly responsible for the appointment (subject to advisory stockholder ratification), compensation and oversight of the Corporation's independent registered public accounting firm. The Audit Committee also, among other things, reviews the Corporation's accounting policies and reviews the Corporation's unaudited quarterly earnings releases and periodic filings with the Securities and Exchange Commission (the SEC) that include financial statements, and regularly reports to the Board of Directors. The Audit Committee relies on the expertise and knowledge of management, the internal auditor, and the independent auditors in carrying out its oversight responsibilities.

The Audit Committee has a written charter, which was last amended on February 19, 2014. The Corporation will provide a copy of the Audit Committee charter to any person without charge, upon request. Persons wishing to make such a request should contact Mark C. Brown, Executive Vice President and Chief Financial Officer, 2303 Dulles Station Blvd., Herndon, VA 20171, (703) 561-1600. In addition, the Audit

as an audit committee financial expert, as defined by SEC rules, based on his education, experience and background.

A report of the Audit Committee is included below in this proxy statement.

Compensation Committee.

For the year ended December 31, 2013, the Compensation Committee was composed of Messrs. Coulter (Chair), Brock and Johnson until May 2, 2013; the Compensation Committee was composed of Messrs. The Compensation Committee is responsible for determining compensation policies and practices, changes in compensation and benefits for management, employee benefits and all other matters relating to employee compensation, including matters relating to stock-based compensation, subject to the approval of the Board. The Compensation Committee has the authority to retain and terminate any compensation consultant to be used by it to assist in the evaluation of director and executive compensation. During 2013, approximately \$13,000 was paid to AON Hewitt, Inc. to benchmark compensation for the CEO, COO and CFO positions. The Compensation Committee may form and delegate any of its authority to one or more subcommittees as it deems appropriate. For a discussion of the role of the Executive Chairman and the CEO in determining or recommending the amount or form of executive compensation, see "Compensation Discussion and Analysis" below. The Compensation Committee met three times during 2013.

The Compensation Committee has adopted a written charter, which was last amended on February 19, 2014, and a copy of which the Corporation will provide to any person without charge, upon request. The Board has determined that all of the members of the Compensation Committee are independent, as independence is defined under the NASDAQ Listing Standards. The Board also has determined that all of the members of the Compensation Committee qualify as "non-employee directors" as defined by SEC rules and "outside directors" as defined by the Internal Revenue Code of 1986.

Nominating Committee.

For the year ended December 31, 2013, the Nominating Committee was composed of Mr. Grusky (Chair), Dr. Casteen and Dr. Beason until May 2, 2013; thereafter, the Nominating Committee was composed of Dr. Casteen (Chair), Dr. Beason, and Mr. Milano. The Nominating Committee is responsible for establishing qualifications for potential directors, considering and recommending prospective candidates for Board membership, recommending the Board committee structure, making recommendations as to director independence, developing and monitoring the Corporation's corporate governance principles, and recommending director compensation. Compensation Committee Interlocks and Insider Participation

During fiscal year 2013, the Compensation Committee was composed of Messrs. Coulter (Chair), Brock and Johnson until May 2, 2013; the Compensation Committee was composed of Messrs. Grusky (Chair), Brock and Johnson until November 15, 2013; and thereafter, it was composed of Messrs. Wargo (Chair), Brock, and Johnson. No executive officer of the Corporation served on any board of directors or compensation committee of any other company for which any of the Corporation's directors served as an executive officer at any time during fiscal year 2013.

Attendance at Meetings and Director Independence

The Board of Directors met five times during 2013, including one telephonic meeting. Each Director attended at least 75% of the meetings of the Board and the meetings of the Board Committees on which he or she served as a member in 2013. At each regularly scheduled meeting of the Board, the independent directors met in executive session. The Board's Presiding Independent Director, currently Dr. Casteen, presides at these executive sessions. The Corporation encourages all incumbent directors and director nominees to attend each annual meeting of stockholders. All Directors attended last year's meeting, including some who participated telephonically.

The Board of Directors consists of a majority of independent directors, as independence is defined under the NASDAQ Listing Standards. The Board of Directors has determined that all members of the Board of Directors, except for Messrs. Silberman and McDonnell, are independent under these standards.

Code of Business Conduct

The Board of Directors adopted a Code of Business Conduct in February 2004, meeting the requirements of Section 406 of the Sarbanes-Oxley Act of 2002 and applicable NASDAQ requirements. The Code of Business Conduct was last amended on February 19, 2014, and includes, among other things, provisions prohibiting employees from: insider trading; investing in Corporation-based derivative securities, including options, warrants or similar rights whose value is derived from the value of an equity security; short selling the Corporation's securities; and trading in the Corporation's securities on a short-term basis. The Corporation will provide to any person without charge, upon request, a copy of such Code of Business Conduct. Persons wishing to make such a request should contact Mark C. In the event that the Corporation makes any amendment to, or grants any waiver from, a provision of the Code of Business Conduct that applies to the Corporation's principal executive officer, principal financial officer, principal accounting officer, controller or certain other senior officers and requires disclosure under applicable SEC rules, the Corporation intends to disclose such amendment or waiver and the reasons for the amendment or waiver on the Corporation's website, www.strayereducation.com or, as required by NASDAQ, file a Current Report on Form 8-K with the SEC reporting the amendment or waiver.

Stockholder Communication with Directors

The Corporation has a process for stockholders to send communications to the Board of Directors. Any stockholder that wishes to communicate with the Board of Directors may do so by submitting correspondence in writing to the Board, in care of Viet D. Dinh, Corporate Secretary, Strayer Education, Inc., 2303 Dulles Station Blvd., Herndon, VA 20171, (703) 561-1600. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Stockholder-Board Communication. All such letters must identify the author as a stockholder. All correspondence from stockholders that (i) beneficially own more than 5% of the Corporation's common stock or (ii) have beneficially owned more than 1% of the Corporation's common stock for at least one year will be forwarded to the Board without prior review. In addition, Stockholder-Board communications from all other stockholders will be reviewed by the Chief Executive Officer and the Secretary of the Corporation, and if determined to be appropriate communications will be forwarded to the Board.

Section 16(a) Beneficial Ownership Reporting Compliance

The 1934 Act requires the Corporation's directors, executive officers and 10% stockholders to file reports of beneficial ownership of equity securities of the Corporation and to furnish copies of such reports to the Corporation. Based on a review of such reports, and upon written

representations from certain reporting persons, the Corporation believes that, during the fiscal year ended December 31, 2013, all such filing requirements were met.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Policies and Objectives

In accordance with the Compensation Committee charter, the Corporation employs the following general policies in determining executive compensation:

The Corporation believes that compensation of the Corporation's key executives should be sufficient to attract and retain highly qualified and productive personnel, as well as to enhance productivity and encourage and reward superior performance.

It is the policy of the Corporation that the three primary components of the Corporation's compensation package for officers (salary, profit share, and equity grants) be considered in the aggregate. In other words, the total compensation of our executive officers should be appropriate to their contributions, and the amount of each component should take into account the size of their total compensation package, even if one individual component is larger or smaller than industry average.

Consistent with Department of Education regulations, the Corporation seeks to reward achievement of specific corporate goals by executing a profit sharing plan for the Corporation's senior officers, some of which is paid in cash, and the rest in some form of stock-based compensation with a required vesting period.

The criteria used by the Compensation Committee in deciding whether, or at what level, a profit sharing plan should be funded in any year is whether the Corporation met certain performance objectives set annually by the Board. These assessments are made only after the Compensation Committee receives the Corporation's annual financial statements, audited by the Corporation's independent auditing firm, PricewaterhouseCoopers LLP. Each year the corporate objectives used to determine profit sharing eligibility for executives are chosen by the Board of Directors from criteria which were approved by the stockholders of the Corporation. Criteria were approved most recently by stockholders at its annual meeting on April 26, 2011.

One of the Corporation's guiding principles is that officers and directors think like owners. To this end, the Corporation adopted a requirement that within three years of hiring, promotion or being appointed to the Board, senior officers and members of the Board of Directors own shares equal to the amounts shown in the table below. The Board reviews compliance with this policy consistent with

Edgar Filing: STRAYER EDUCATION INC - Form DEF 14A

historic share ownership, market price fluctuations, and other factors.

Title	Required Share Ownership
Executive Chairman	5x Annual Salary
Chief Executive Officer	5x Annual Salary
Chief Operating Officer	4x Annual Salary
Executive Vice President	3x Annual Salary
Senior Vice President	2x Annual Salary
Board of Directors	3x Annual Retainer

16

In determining compensation levels at the Corporation, the Compensation Committee compares executive compensation at the Corporation to that of nine other publicly traded companies which own education assets. These companies are: Apollo Group, Inc., Bridgepoint Education, Capella Education Company, Career Education Corporation, Corinthian Colleges, Inc., DeVry, Inc., Education Management Corporation, Grand Canyon Education, Inc., and ITT Educational Services, Inc. The Compensation Committee also compares executive compensation at the Corporation to similarly sized companies by revenue, market capitalization, and growth profile which are in other industries.

The Compensation Committee generally tries to set salary targets at or below the midpoint of comparable companies. However, the Compensation Committee tries to set profit sharing targets (both cash and equity) at or above the midpoint of comparable companies. If, in the Board's judgment, the midpoint or upper quartile calculations of the comparable companies yield too high a compensation level, the Board will not match these levels, but instead make reasoned judgments to lower the Corporation's executive compensation to levels it deems more appropriate.

At the 2013 Annual Meeting of Stockholders, approximately 85% of the votes cast were cast in favor of the advisory resolution to approve the 2012 compensation for the Corporation's named executives. The Corporation believes this vote reflected stockholder approval of its overall pay practices and the absence of any practices that stockholders consider problematic. Accordingly, the Compensation Committee generally continued to apply the same principles in determining the amounts and types of executive compensation for 2013. The Compensation Committee values the stockholder feedback provided through the vote, and will continue to consider the results of the vote in the future.

Who Determines Compensation?

In accordance with the Compensation Committee charter, compensation for the Corporation's Executive Chairman and its CEO is determined by the Compensation Committee subject to approval of the Corporation's Board of Directors (excluding the Executive Chairman and the CEO, who are also Directors). In making its determination on Executive Chairman and CEO compensation, the Compensation Committee reviews a number of factors, including but not limited to:

The Corporation's achievement of annual goals and objectives set by the full Board of Directors in the preceding year,

The long term performance of the Corporation, and

CEO compensation level at comparable companies.

For the other named executive officers, the Compensation Committee reviews, approves, and recommends to the full Board compensation based on:

Performance of the executive officers in light of relevant goals and objectives approved by the Compensation Committee and the annual goals and objectives established by the Board in the preceding year,

Executive compensation level at comparable companies, and

The recommendations of the Executive Chairman and the CEO.

The Executive Chairman and the CEO provide recommendations for executive officer compensation (other than themselves) to the Compensation Committee based on a review and analysis of each officer's performance and contributions to the Corporation. While the Compensation Committee considers the recommendations of the Executive Chairman and the CEO with respect to these elements of compensation, the Compensation Committee independently evaluates the recommendations for purposes of making its recommendations to the full Board.

The Compensation Committee meets in the beginning of each year when audited year-end financial statements are available, to consider profit sharing with respect to the just completed fiscal year, consider equity awards, and determine executive officer salaries with respect to the next fiscal year. The Committee meets from time to time during the year as may be required to address compensation and equity grant issues associated with new officer

17

hires and director appointments, as well as, if applicable, making equity grants as long-term compensation and making other determinations or recommendations with respect to employee benefit plans and related matters.

Appointment of Mr. Silberman to Executive Chairman and Promotion of Karl McDonnell to Chief Executive Officer

In February of 2013, the Compensation Committee recommended and the Board of Directors voted to ratify the appointment of Mr. Silberman, then the Corporation's Chief Executive Officer and Chair, to Executive Chairman. Additionally, the Compensation Committee recommended and the Board approved the promotion of Karl McDonnell, the Corporation's then-President and Chief Operating Officer, to the position of Chief Executive Officer. Both the appointment of Mr. Silberman to Executive Chairman and the promotion of Mr. McDonnell to Chief Executive Officer became effective after the annual shareholders' meeting, on May 2, 2013.

Identification and Analysis of 2013 Compensation Programs

During 2013, the Corporation's executive compensation program included salary, profit sharing and long-term compensation in the form of restricted stock awarded under the Corporation's 2011 Equity Compensation Plan.

Salary Salaries for executives other than the Executive Chairman and the CEO are reviewed, approved, and recommended to the full Board annually by the Compensation Committee upon recommendation of the Executive Chairman and the CEO. The Executive Chairman's and the CEO's salaries are specified in their employment agreements (see Employment Agreements with Mr. Silberman and Mr. McDonnell and Potential Payments upon Termination or Change in Control sections below), and are annually reviewed and approved by the Compensation Committee and the full Board of Directors.

Profit Sharing The profit sharing plan for our named executives and other senior executives is funded each year by our Board of Directors upon the recommendation of the Compensation Committee of the Board. In determining whether to recommend such profit sharing, the Compensation Committee determines whether the Corporation has achieved its annual corporate objectives for the year.

As befits a Corporation whose main operating asset is a 122 year old University holding the highest possible academic accreditation, these annual corporate objectives include a number of academic measures such as improvements in student learning outcomes, student retention and continuation rates, advances in faculty hiring and qualifications, development of new academic programs, advances in online education, and increased academic rigor. The annual corporate objectives also include non-financial operational targets such as opening new campuses, securing regulatory approval to operate in new states, securing new corporate and institutional alliance partners and entering into additional academic articulation agreements with other universities and community colleges. Finally, these annual corporate objectives include financial measures, such as revenue, operating margin, operating income, net income, EPS, return on invested capital, and return of capital to owners through dividends and share repurchases. Of course, even if the Corporation achieves all of its academic, operational, and financial objectives in a given year, in the event of any breach in regulatory, legal, or ethical business standards, the Compensation Committee would eliminate the

payment of cash profit sharing for that year.

The Board does not consider movements of the stock price of the Corporation during the year in determining annual compensation. The Board strongly feels that management's responsibility is to create an enduring increase in the intrinsic value of the Corporation. By achieving its annual corporate objectives, the Board feels management will necessarily increase the intrinsic value of the Corporation, and generate sustainable long term increases in stockholders' value. Each year the Board selects those annual corporate objectives from among criteria which were approved by the stockholders of the Corporation, most recently at its annual meeting on April 26, 2011. While the Board believes that each of the various annual corporate objectives is relevant to the determination of executive compensation, the achievement of any one annual corporate objective would not, in and of itself, result in a specific cash profit share amount being paid to our named executive officers. The Corporation believes the achievement of these goals is realistic but not certain.

18

The target profit share in cash for the Executive Chairman and the Chief Executive Officer is 125% of salary and varies for other officers and employees. Only corporate officers are eligible for a profit share distribution in cash. For 2013, the Corporation did not meet financial targets, and profit share in cash distributed was generally reduced by approximately 33% from the prior year. See Summary Compensation and Narrative Disclosure to Summary Compensation Table and Grants of Plan-based Awards Table for more information regarding profit sharing awards for 2013.

Equity-based Compensation Programs As discussed above, the Corporation believes it should, subject to achievement of certain academic, operational, financial, and individual objectives, make annual equity grants in order to retain, motivate, and align the interests of those key executive officers with stockholders.

Equity awards under this program are only made after the Compensation Committee and full Board of Directors have completed their analysis of both corporate and individual performance described in the previous section on profit sharing. For our Chief Executive Officer, we feel that at least 50% of his or her target total annual compensation should be performance-based in the form of equity grants of restricted stock with at least a four year cliff vest.

We view our equity as very valuable and are reluctant to issue it. This means that we only grant restricted stock or stock options to employees and directors as compensation when we believe we are getting fair value (in terms of their service) in return. The Corporation made equity grants in February 2014 (for 2013 performance) only to the highest priority retention targets and pursuant to the Chief Executive Officer's employment agreement. In some instances, these equity grants were above target due to contributions in effectuating our restructuring and increased responsibilities during the year.

Our restricted stock agreements with employees contain clawback provisions. If the Corporation is required to prepare an accounting restatement due to the material noncompliance of the Corporation, as a result of misconduct, with any financial reporting requirement and the employee engaged in that misconduct, knowingly failed to prevent the misconduct, or was grossly negligent in preventing the misconduct, the employee is required to reimburse the Corporation the amount of payment in settlement of the award earned or accrued during the 12-month period following the filing of the financial document that contained information affected by the material noncompliance. In addition, if the Corporation is required to prepare an accounting restatement, then the employee must forfeit any cash or stock received in connection with the award if any amount of the award was explicitly based on the achievement of pre-established performance goals that were later determined, as a result of the accounting restatement, not to have been achieved.

Perquisites and Other Personal Benefits The Corporation does not offer any perquisites. The Corporation does reimburse relocation expenses including tax gross-ups, when applicable. This benefit is offered to any officer hired from a different location to encourage prospective executives to relocate. None of the Corporation's named executive officers received any perquisites or personal benefits during 2013.

Employment Agreements with Mr. Silberman and Mr. McDonnell Robert S. Silberman, the Corporation's Executive Chairman, has an employment agreement with the Corporation which had an initial term of approximately three years (ending on December 31, 2004), and thereafter, automatically extended for successive one-year periods unless either the Corporation or Mr. Silberman provided timely notice to the contrary. Mr. Silberman's employment agreement was amended on May 2, 2013, in connection with his transition from Chief Executive Officer to Executive Chairman. Under the amended agreement, Mr. Silberman's term of employment is six years, and is renewable thereafter for one year terms unless the Corporation or Mr. Silberman provides notice otherwise. The amended agreement provides for a base salary of \$665,000 per annum (subject to annual increases for at least cost of living adjustments). Mr. Silberman is also eligible to receive a target profit share of at least 125% of base salary, for each of the fiscal years during which he is employed,

upon meeting certain corporate and financial goals annually approved by the Board. In the event of termination without cause, the employment contract also provides for the payment of three years base salary, three years of medical benefits and, if such termination is in connection with a change of control or Mr. Silberman resigns after a change of control (as explained below), an amount equal to three times the latest annual profit share award paid to him prior

to the event of termination without cause. In addition, consistent with his original agreement with the Corporation executed in 2001, Mr. Silberman is entitled to a gross-up payment for any excise taxes which may be imposed on termination payments.

The Corporation also entered into an employment agreement on May 2, 2013 with Karl McDonnell, in connection with his promotion to Chief Executive Officer (he did not previously have an employment agreement). Under the employment agreement, Mr. McDonnell's term of employment is six years and is renewable thereafter for one year terms unless the Corporation or Mr. McDonnell provides notice otherwise. Under the agreement Mr. McDonnell will receive a base salary of \$665,000 per annum (subject to annual increases for at least cost of living adjustments). Mr. McDonnell is also eligible to receive a target profit share of 125% of base salary for each fiscal year during which he is employed, upon meeting certain corporate and financial goals annually approved by the Board, and an annual restricted share grant target equivalent to \$2,000,000, awarded at each annual meeting. Mr. McDonnell is not entitled to a gross-up payment for any excise taxes which may be imposed on termination payments.

Retirement and Deferred Compensation Plans The Corporation maintains a retirement plan (the 401(k) Plan) intended to qualify under Sections 401(a) and 401(k) of the Internal Revenue Code of 1986, as amended. The 401(k) Plan is a defined contribution plan that covers all full-time employees of the Corporation of at least 21 years of age. The Corporation, in its discretion, matches employee contributions up to a maximum authorized amount under the plan. In 2013, the Corporation matched 50% of employee deferrals up to a maximum of 3% of the employee's annual salary. The Corporation offers this plan to enable and encourage its employees to save for their retirement in a tax advantageous way. The Corporation also maintains an Employee Stock Purchase Plan (the Employee Purchase Plan). The purpose of the Employee Purchase Plan is to enable eligible full-time employees of the Corporation, through payroll deductions, to purchase shares of its common stock at a 10% discount from the prevailing market price from time to time. The Corporation offers this plan to encourage stock ownership by its employees.

Impact of Tax and Accounting Treatment

Under Section 162(m) of the Internal Revenue Code of 1986, as amended and applicable Treasury regulations, no deduction is allowed for annual compensation in excess of \$1 million paid by a publicly traded corporation to its chief executive officer and the three other highest compensated executive officers (other than the chief financial officer). Under those provisions, however, there is no limitation on the deductibility of qualified performance-based compensation. In general, the Corporation's policy is to maximize the extent of tax deductibility of executive compensation under the provisions of Section 162(m) so long as doing so is compatible with its determination as to the most appropriate methods and approaches for the design and delivery of compensation to the Corporation's executive officers.

Narrative Disclosure to Summary Compensation Table and Grants of Plan-based Awards Table

In setting compensation levels for the named executive officers in 2013, the Board of Directors considered the total value of all three components of executive compensation: salary, profit sharing, and equity grants. Salary levels for the named executive officers in 2013 were set by the Board at a rate designed to be competitive, but at or below the midpoint of a group of peer companies. In 2013, as he has each year since 2008, Mr. Silberman declined his contracted increase in salary. For 2013, Mr. McDonnell also declined his contractual increase in salary. For 2013 our Board adopted a cash profit sharing plan for our senior officers which provides for a target of approximately 5% of pretax operating income to be allocated among the top officers of the University and Corporation, assuming the satisfactory achievement of the corporation's annual objectives. Due to the underperformance on financial objectives, the profit share in cash distributed for 2013 was reduced by approximately 33% from the prior year. In early 2013 the Company awarded restricted stock equity grants for retention purposes to the named executive officers in accordance with our equity based compensation plan described in Identification and Analysis of 2013 Compensation Programs section above.

Potential Payments upon Termination or Change in Control

Mr. Silberman and Mr. McDonnell are the only named executive officers with employment contracts. In the event that Mr. Silberman is terminated by the Corporation without cause, he is entitled to receive a lump sum payment of three years' salary, which is currently equal to \$2.0 million, and all stock awards shall immediately vest. If such termination is in connection with a change in control, or Mr. Silberman resigns for any reason, or without reason, during the thirty day period immediately following the six month anniversary of a change in control, Mr. Silberman is entitled to receive a lump sum payment of three times his annual salary plus three times his latest previous annual profit share award actually paid. (A change in control is defined in the contract as acquisition of more than 50% of the voting stock of the Corporation or the acquisition of combined voting power of the then-outstanding voting securities entitled to vote generally in the election of directors, completion of a merger or other business combination resulting in a change in control of more than 50% of the voting stock of the Corporation, election of a substantially different Board of Directors or approval by stockholders of a complete liquidation or dissolution of the Corporation.) Consistent with the agreement with Mr. Silberman in effect since 2001, Mr. Silberman is entitled to three years of medical benefits (estimated cost of \$45,000), and to a gross-up payment for any excise taxes which may be imposed on termination payments. No excise taxes would have been imposed had there been a termination or change in control at December 31, 2013. The agreement also contains covenants restricting Mr. Silberman from competing with the Corporation for six years after his termination of employment and requires Mr. Silberman to keep confidential the Corporation's proprietary information.

In the event that Mr. McDonnell is terminated by the Corporation without cause, he is entitled to receive a lump sum payment of three years' salary, which is currently equal to \$2.0 million. If such termination is in connection with a change in control, or Mr. McDonnell resigns for any reason, or without reason, during the thirty day period immediately following the six month anniversary of a change in control, Mr. McDonnell is entitled to receive a lump sum payment of three times his annual salary plus three times his latest previous annual profit share award actually paid. (A change in control is defined in the same manner as in Mr. Silberman's employment agreement.) Mr. McDonnell is not entitled to a gross-up payment for any excise taxes which may be imposed on termination payments. The agreement also contains covenants restricting Mr. McDonnell from competing with the Corporation for six years after his termination of employment and requires Mr. McDonnell to keep confidential the Corporation's proprietary information.

26

For all named executive officers, stock options and restricted stock awards made prior to 2013 vest immediately upon the occurrence of a change in control of the Corporation as defined in their respective stock option or restricted stock agreements. Change in control is defined in substantially the same way as in Mr. Silberman's contract. For any stock options and restricted awards made in 2013 and thereafter, the options and awards vest in connection with a change in control only if such change in control results in termination, defined as (1) termination of employment by the Corporation without cause within six months of the effective date of the change in control or (2) the occurrence of a material reduction in the officers' authority, functions, duties or responsibilities which causes the executives' resignation from the Corporation within six months of the effective date of the change in control.

The valuation of the acceleration that would have been made for stock-based awards had there been a change in control at the closing price of \$34.47 of the Corporation's common stock at December 31, 2013 is set forth below. Awards made prior to 2013 would accelerate with only a change in control, and those made in 2013 would accelerate with a change in control plus a termination or constructive termination.

Persons wishing to make such a request should contact Mark C. Brown, Executive Vice President and Chief Financial Officer, 2303 Dulles Station Blvd., Herndon, Virginia 20171, (703) 561-1600. In addition, the Audit Committee charter is available on the Corporation's website, www.strayereducation.com.

4. Perform all other functions required to be performed by an audit committee of a publicly traded or listed company under applicable laws and the rules and regulations, as in effect from time to time, of the SEC and the NASDAQ or any other security exchange on which the company's securities are listed.

The independent auditors are responsible for planning and carrying out a proper audit of the Corporation's annual financial statements, reviews of the Corporation's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures.

In connection with this responsibility, during 2013 the Audit Committee met and held discussions with management five times together with the independent registered public accounting firm. The Audit Committee reviewed and discussed the audited financial statements with management. At least quarterly, as a matter of practice, the Audit Committee, in addition to the agenda with all present, meets separately with management, internal audit, and PricewaterhouseCoopers LLP, and in executive session of itself. Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee reviewed and discussed the consolidated financial statements with management and, independently with PricewaterhouseCoopers LLP. The Committee also discussed with PricewaterhouseCoopers LLP the matters covered by Public Company Accounting Oversight Board Audit Standard AU Section 380, *Communication with Audit Committees*.

During the year 2013, management conducted the documentation, testing and evaluation of the Corporation's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee was kept apprised of the progress of the evaluation and provided oversight during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management and PricewaterhouseCoopers LLP at each regularly scheduled Audit Committee meeting. At the conclusion of the process, management provided the Audit Committee with a report on the effectiveness of the Corporation's internal control over financial reporting. The Audit Committee also reviewed the report of management contained in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 filed with the SEC, as well as PricewaterhouseCoopers LLP's Report of Independent Registered Public Accounting Firm (included in the Corporation's Annual Report on Form 10-K). This report of PricewaterhouseCoopers LLP related to its audit of (i) the consolidated financial statements and (ii) the effectiveness of internal control over financial reporting. The Audit Committee continues to oversee the Corporation's efforts related to its internal control over financial reporting.

The Audit Committee has received from PricewaterhouseCoopers LLP the written disclosures and the letter required by the applicable standards of the Public Company Accounting Oversight Board regarding communications with the Audit Committee concerning the independence of PricewaterhouseCoopers LLP and has discussed with PricewaterhouseCoopers LLP its independence. PricewaterhouseCoopers LLP advised the Committee that there were no disagreements with management regarding the preparation of the Corporation's financial statements or the conduct of the annual audit.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year 2013 be included in the Corporation's annual report on Form 10-K for the year ended December 31, 2013, filed with the SEC, and that PricewaterhouseCoopers LLP be retained as the Corporation's independent registered public accounting firm for the fiscal year 2014.

Business Conduct.

PROPOSAL 3**Advisory Vote on the Compensation of the Named Executive Officers**

This proposal, commonly known as a "Say on Pay" proposal, allows our stockholders to express their opinions regarding the decisions of the Compensation Committee on the prior year's annual compensation to the named executive officers. Stockholders vote, on an advisory basis, to approve, reject or abstain from the compensation of our named executive officers. This vote does not address any specific item of compensation,

Edgar Filing: STRAYER EDUCATION INC - Form DEF 14A

but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices, as disclosed in this proxy statement.

As discussed in the Compensation Discussion and Analysis section of this proxy statement, the objectives of our compensation program are, among other things:

- To ensure compliance with applicable regulatory, legal and ethical business standards,
- To attract and retain highly qualified and productive individuals,
- To reward superior contribution to the long term performance of the Corporation,
- To encourage officers and directors to think like owners and align their interests accordingly.

Your advisory vote will serve as an additional tool to guide the Board of Directors and the Compensation Committee in continuing to align the Corporation's executive compensation with the best interests of the Corporation and its stockholders.

The affirmative vote of a majority of votes cast at the Annual Meeting is required for approval of this proposal. This proposal will be presented at the annual meeting as a resolution in substantially the following form:

RESOLVED, that the compensation paid to the Corporation's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

Although the final vote is advisory in nature and therefore is not binding on us, does not affect past executive compensation, and creates no additional fiduciary obligations, the Board and Compensation Committee intend to consider carefully the voting results of this proposal when making future compensation decisions for our named executive officers.

The Board of Directors believes that our compensation program achieves our objectives outlined above, and therefore recommends a vote for this proposal.

Stockholder Proposals

All stockholder proposals intended to be considered for inclusion in the Corporation's proxy material for the 2015 Annual Meeting of Stockholders must be received by the Corporation no later than November 25, 2014 and must comply with all applicable SEC and other rules.

Under the Corporation's Bylaws, if a stockholder wishes to present an item of proper business at the 2015 Annual Meeting of Stockholders (other than a proposal submitted for inclusion in the Corporation's proxy statement pursuant to SEC rules), the stockholder must give advance written notice to the Corporation's Secretary at 2303 Dulles Station Blvd., Herndon, Virginia 20171, not less than 90 days nor more than 120 days before the first anniversary of the date of this proxy statement. As a result, any notice given by a stockholder pursuant to these provisions in our Bylaws must be received no earlier than November 25, 2014 and no later than December 25, 2014. Such notice must include all of the information required by the Corporation's Bylaws.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected

Edgar Filing: STRAYER EDUCATION INC - Form DEF 14A

stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker.

You may also request an additional proxy statement and annual report by sending a written request to:

Strayer Education, Inc.
Attn: Mark C. Brown
Executive Vice President & Chief Financial Officer
2303 Dulles Station Boulevard
Herndon, Virginia 20171
(703) 561-1600

Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request householding of their communications should contact their brokers.

Other Matters

The Corporation knows of no other matters to be presented for action at the Annual Meeting other than those mentioned above. However, if any other matters should properly come before the meeting, it is intended that the persons named in the accompanying proxy card will vote on such matters in accordance with their best judgment.
