Item 1.01. Entry into a Material Definitive Agreement.

The information required by Item 1.01 is included in Item 2.03 below and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

On December 7, 2018, Columbia Property Trust Operating Partnership, L.P. (the “Operating Partnership”), a wholly-owned subsidiary of Columbia Property Trust, Inc. (the “Company”), amended and restated its Revolving Credit and Term Loan Agreement (the “Credit Agreement”). Columbia Property Trust, Inc. continues to serve as guarantor on the Credit Agreement, which recasts the Company’s existing \$500 million revolving credit facility and \$300 million unsecured term loan, both dated July 30, 2015.

The Credit Agreement provides for (a) a \$650 million unsecured revolving credit facility, with an initial term ending January 31, 2023 and two options to extend such revolving credit facility for 6 months per extension (for a total possible extension option of one year to January 31, 2024) (the “Revolving Credit Facility”), subject to the Operating Partnership paying certain fees and the satisfaction of certain other conditions, and (b) a delayed-draw, \$300 million unsecured term loan, with a term ending January 31, 2024 (the “Term Loan”). Proceeds from the Credit Agreement are to be used for general business and working capital purposes.

Subject to customary conditions, including the absence of any default or event of default (each as defined in the Credit Agreement) and financial covenant compliance, the Operating Partnership has the ability on up to four occasions to increase the existing revolving commitment (the “New Revolving Commitments”) and/or establish one or more new term loan commitments (the “New Term Commitments”, and together with the New Revolving Commitments, the “Incremental Commitments”), by an aggregate amount not to exceed \$500 million for all such Incremental Commitments. Each Incremental Commitment must be in an increment of not less than \$25 million, and no lender shall have any obligation to participate in any Incremental Commitment.

After amending and restating the Credit Agreement on December 7, 2018, the Operating Partnership drew on the Revolving Credit Facility to fully prepay the \$300 million outstanding on the Term Loan without premium or penalty, as provided for in the Credit Agreement. After which, the Operating Partnership has \$479.0 million of outstanding borrowings under the Revolving Credit Facility and no outstanding borrowings under the Term Loan. The Operating Partnership has until December 7, 2019 to draw proceeds on the Term Loan in up to three installments, up to an aggregate of \$300 million.

At the Operating Partnership’s option, borrowings under the Credit Agreement bear interest at either (i) the alternate base rate (as defined in the Credit Agreement) plus an applicable margin based on five stated pricing levels ranging from 0.0% to 0.45% for the Revolving Credit Facility and 0.0% to 0.65% for the Term Loan, (ii) the LIBOR rate (as defined in the Credit Agreement) plus an applicable margin based on five stated pricing levels ranging from 0.775% to 1.45% for the Revolving Credit Facility and 0.85% to 1.65% for the Term Loan, or (iii) the LIBOR daily floating rate (as defined in the Credit Agreement) plus an applicable margin based on five stated pricing levels ranging from 0.775% to 1.45% for the Revolving Credit Facility and 0.85% to 1.65% for the Term Loan, in each case based on the Operating Partnership’s credit rating. Borrowings under the Revolving Credit Facility currently bear interest at the applicable LIBOR rate plus 0.90% based on current credit ratings.

The Credit Agreement contains representations and warranties, financial and other affirmative and negative covenants, events of default and remedies typical for this type of facility. A summary of the financial covenants and related terms, as defined in the in the Credit Agreement follows:

- a) limit the ratio of secured debt to total asset value to 40% or less;
- b) require the fixed charge coverage ratio to be at least 1.50:1.00;
- c) limit the ratio of debt to total asset value to 60% or less, or 65% or less following a material acquisition;
- d) require the unencumbered interest coverage ratio to be at least 1.75:1.00;
- e) limit the unencumbered leverage ratio to 60% or less, or 65% or less following a material acquisition.

The Credit Agreement also contains customary negative covenants applicable to the Company, the Operating Partnership and certain subsidiaries, including, among other things, restrictions on indebtedness, liens, restricted payments, sales of assets and transactions with affiliates, and customary events of default, including but not limited to, the nonpayment of principal or interest, material inaccuracy of representations and warranties, violations of covenants,

cross-default to material indebtedness, bankruptcy and insolvency and material adverse judgments.
