**CNPJ No. 13.545.769/0001-37**  
**NIRE 29.300.011.088**  
Public Company

**RELEVANT FACT**

Braskem S.A. ( Braskem ) and Polialden Petroquímica S.A. ( Polialden ), as required by CVM Instruction No 358/02, inform their shareholders and the market of the following:

**EXCHANGE OF SHARES**

Braskem Board of Directors, at a meeting held on December 14, 2004, has authorized Braskem's Board of Executive Officers to perform the exchange of class "A" preferred shares issued by Braskem and held at treasury, for preferred shares issued by Polialden and detained by Polialden's minority shareholders ("Polialden Shareholders"), at the rate of 10.55561582 class "A" preferred shares issued by Braskem to each preferred share issued by Polialden.

As a result of the exchange described above, the Polialden Shareholders will abdicate the judicial and administrative lawsuits discussing the possibility of the preferred shares holders' participating on equal conditions with the common shareholders, in the distribution of Polialden's remaining profits.

Once the exchange is performed, the number of preferred shares issued by Polialden, held by Braskem, will be increased from 99,367,108 to 147,213,718. The 47,846,610 preferred shares issued by Polialden, to be acquired, correspond to 12.52% of the total preferred shares, and to 16.96% of the free float of this kind of share issued by Polialden. The 505,050,433 class "A" preferred shares issued by Braskem, in treasury and the subject matter of this exchange, correspond to 0.84% of Braskem's class "A" preferred capital stock, and add 1.24% to the free float of Braskem's capital stock.

Thus, there is no acquisition of relevant participation as anticipated in CVM Instruction No. 358/02, nor is it either a circumstance giving rise to public offer due to increase in participation as indicated in article 26 of CVM Instruction No. 361/02.

Upon materialization of the operation above, Braskem participation in Polialden's total stock has increased from 56.3% to 63.7%, remaining a free float of 61.4% of the preferred stock and 36.3% of the total stock of Polialden.

The Brazilian Securities Exchange Commission (CVM) has approved the performance of this exchange outside the stock exchange or the organized counter market, under the legal and regulatory provisions in force.
