VRG Launches VARIG s New Visual Identity

Sao Paulo, October 23, 2007 GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and Bovespa: GOLL4), the parent company of Brazil s low-cost airlines GOL Transportes Aéreos S.A. and VRG Linhas Aéreas S.A., today unveils the new visual identity of VARIG, the brand operated by VRG.

The initial changes in the Company s new visual identity are based on a new logo: orange surrounded by a strong blue with waves that simulate the aerodynamics of an airplane during flight. These lines also appear in the modern exterior design painted on the aircraft, on the cabin crew s uniforms, and in all of VRG s airport terminals.

The transformation of VARIG s brand will also cater to passenger s senses. On international routes, the Company created a new concept, *Espaço Vita* (Life Space), which offers customers more quality of life and an enhanced air travel experience. Following the Espaço Vita concept, friendly flight attendants will offer passengers selections from a specially-created menu with nutritious meal options as well as complimentary newspapers and magazines to increase their entertainment options and comfort. On domestic flights, passengers will be immersed in the *Sabores e Aromas do Brasil* (Tastes and Aromas of Brazil) a new in-flight service offering.

The new low-cost operating model adopted by the Company allows VRG to offer high standards of customer service at a lower cost. Passenger satisfaction is our main concern: 100% care, 0% excess, says Murilo Barbosa, VRG s Marketing Director.

VARIG s quality of service will extend beyond its passengers in the air. The Company s call center will provide customers on the ground with access to up-to-date information and the ability to purchase tickets more conveniently. Additionally, the VIP rooms at Rio de Janeiro s Tom Jobim Airport, São Paulo s Guarulhos Airport, Paraná s Afonso Pena Airport, and Rio Grande do Sul s Salgado Filho Airport are being remodeled to provide maximum convenience to VRG s passengers by 2008.
