Yes No

Acquisition in Chile

Rio de Janeiro, November 5 2009 PETRÓLEO BRASILEIRO S/A - PETROBRAS, announces it executed yesterday the acquisition of Chevron Chile S.A.C., a Chilean company which produces and markets the Texaco brand lubricants in Chile. The acquisition includes a lubricant plant in Santiago with capacity to produce 15,900 cubic meters per year and the value was approximately US\$12 million.

The Company owns 6% share of the Chilean finished lubricant market. Petrobras expect to capture this share, starting to use its lubricant brand, Lubrax, in Chilean market.

This acquisition consolidates the Company's presence in the fuel and lubricant distribution segment in Latin America where, in addition to in Brazil, the Company already has operations in Argentina, Colombia, Paraguay, Chile, and in Uruguay by means of a network of upwards of 1200 service stations. Specifically in Chile, in 2008, Petrobras acquired distribution assets involving more than 230 service stations and aviation fuel distribution bases in 11 airports.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
