1 Appraisal purpose

This report is being issued with the purpose of appraising, according to the accounting practices adopted in Brazil, the net book value of GalvaSud S.A. on December 31, 2009, to be part of the process of merger of GalvaSud S.A. into Companhia Siderúrgica Nacional, and shall not be used for other purposes.

2 Scope of the work

This appraisal report of net book value is being issued in line with the audit of the balance sheet as of December 31, 2009, prepared under the responsibility of the Company's management.

Our audit was conducted in accordance with the Independent Audit Standards for Financial Statements applicable in Brazil, and consisted of the following procedures, among others: (a) planning of the engagement, considering the relevance of the balances, transaction volumes, accounting and internal control systems of the Company; (b) the verification, based on tests, of documents and records supporting the amounts presented; and (c) the evaluation of the most important accounting practices and estimates adopted by the Company's management.

3 Appraisal result

Based on the work performed, we concluded that the value of the assets, rights and obligations that compose the net book value of **GalvaSud S.A.**, based on the balance sheet as of December 31, 2009, summarized in the Attachment 1, is seven hundred and eighty-three million, four hundred and twenty thousand, six hundred and twenty six reais and forty-nine cents (R\$783,420,626.49), and is recorded in the Company's accounting records, in accordance with the accounting practices adopted in Brazil.

In compliance with the requirements of the Brazilian Securities and Exchange Commission, we inform that:

- (a) in accordance with the professional rules established by the Federal Accounting Council, we are not aware of any direct or indirect conflicts of interest or any other circumstances representing a conflict of interest with regard to the services rendered by us and described above; and
- (b) we are not aware of any attempt by the Company's controlling shareholder or administrators to direct, limit, hinder or practice any acts that have or may have hindered the access to, the use or knowledge of information, assets, documents or work methodology relevant to the quality of the respective conclusions.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
