Re: OFFICIAL LETTER GAE CAEM 1.245-10

Dear Sir,

This letter is a response to today's Official Letter GAE/CAEM 1245-10, which requested clarifications regarding the report on the Company published in the newspaper *Valor Econômico* on May 31, 2010.

We hereby inform you that Dad Engenharia e Serviços Ltda. (Dad Engenharia) was hired by Companhia Siderúrgica Nacional (CSN) to undertake maintenance services at the Presidente Vargas Steelworks in Volta Redonda.

Due to various instances of contractual non-performance, CSN, having duly notified Dad Engenharia, and as it was entitled to do under the terms of the contract entered into by the parties, withheld payment of approximately R\$2.5 million.

As a result, Dad Engenharia filed nine notices of protest against CSN in the approximate amount of R\$1.3 million, and filed a petition of bankruptcy against the Company, as reported in today's edition of *Valor Econômico*.

CSN would like to make it clear that: (i) the bankruptcy petition is entirely unfounded; (ii) the amount in dispute has been fully guaranteed by a judicial deposit; and (iii) the amounts in question are not material, nor do they represent any risk to the Company's solid financial and credit situation.

We remain at your disposal for any further information you may require.

Sincerely,

Companhia Siderúrgica Nacional

Paulo Penido Pinto Marques

Investor Relations Officer

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
