MATERIAL FACT

COMPANHIA SIDERÚRGICA NACIONAL ("Company") in continuity with the information disclosed in the material fact of August 28th, hereby announces the following:

- Due to the unexpected decision of the Federal Court of São Paulo, which resulted in the blocking of the distribution of dividends declared on August 17, even though the fiscal execution referred to in the decision was duly guaranteed, the Board of Directors has decided, well informed, to cancel said dividends;
- The Company states that it intends to use the undistributed resources to pay short-term debt that, with the payment of dividends, would have lengthened our financial obligations according to the Material Fact of 08/17/2018;

The Company reiterates its confidence in the rapid continuity of the extension of its financial liabilities, through its ongoing divestment program and constant operational improvement.
