**Item 1.01. Entry into a Material Definitive Agreement.**

At a meeting on December 1, 2004, the Compensation Committee of the Board of Directors finalized the performance targets for the fiscal year ending October 1, 2005 for all executive officers and individual incentive targets as a percentage of base pay ranging from 55% to 100%. The performance targets set by the Compensation Committee included net sales and earnings per share. At such meeting, the Compensation Committee also determined the bonuses for the executive officers for the fiscal year ended October 2, 2004. At a meeting on December 1, 2003, the Compensation Committee had finalized the fiscal 2004 performance targets for all executive officers and individual incentive targets as a percentage of base pay ranging from 55% to 100% and set performance targets that included EBITDA, revenue growth, earnings per share and debt reduction. By applying the threshold levels as initially established, executives qualified for bonuses equal to 84% of the target bonus. At its meeting on December 1, 2004, the Compensation Committee determined to award supplemental bonuses equal to 16% of the target bonuses, bringing the combined total to 100% of the targets, particularly in recognition of the Company's share price appreciation, greater than expected reduction in net debt and the greater than expected improvement to the debt to EBITDA ratio during fiscal 2004.
