Item 1.01. Entry into a Material Definitive Agreement.

On December 20, 2004, Illumina, Inc. issued a press release announcing that it has formed a strategic alliance with Invitrogen Corporation for the synthesis and distribution of synthetic pieces of DNA known as oligonucleotides. Under the terms of the agreement, Invitrogen will invest \$3.4 million in Illumina's San Diego facility to enable implementation of fourth-generation Oligator technology, extend the technology into tube-based oligo products and provide for transfer of the technology into two additional Invitrogen facilities outside North America. Profit from the collaboration products will be split equally between the two companies.
