Item 5.04 Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.

On February 27, 2007, Fremont General Corporation (the "Company") announced that it would not timely file its Annual Report on Form 10-K for the year ended December 31, 2006. As a result, the registration for shares offered under the Fremont General Corporation and Affiliated Companies Investment Incentive Plan (the "401(k) Plan") ceased to be available on May 1, 2007. In light of this issue, effective May 1, 2007, new investments in the 401(k) Plan's common stock fund were temporarily suspended. During the suspension, 401(k) Plan participants could not purchase interests in the common stock fund with new deferrals or by reallocating amounts in other investment options.

Pursuant to Section 306(a) of the Sarbanes-Oxley Act of 2002 and Regulation BTR under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), beginning May 1, 2007, directors and executive officers were prohibited from directly or indirectly purchasing, selling or otherwise acquiring or transferring any shares of common stock or other equity securities of the Company. The Company has made the required filings under the Exchange Act and, accordingly, effective October 17, 2007, the 401(k) Plan's registration has again become available. As a result, the general 401(k) Plan suspension has been lifted and the blackout period for directors and executive officers has ceased.
