NOTICE OF 2018 ANNUAL MEETING OF STOCKHOLDERS

The 2018 Annual Meeting of Stockholders of Expedia Group, Inc., a Delaware corporation, will be held online on Wednesday, June 20, 2018, at 8:00 a.m. Pacific Time. There will be no physical location for stockholders to attend. Stockholders may only participate by logging in at EXPE.onlineshareholdermeeting.com. To participate in the Annual Meeting, you will need your unique control number included in your Notice of Internet Availability of Proxy Materials, on your proxy card (printed in the box and marked by the arrow) or on the instructions that accompanied your proxy materials.

Items of business at the Annual Meeting will be:

1. To elect the fifteen directors named in this proxy statement, each to hold office for a one-year term ending on the date of the next annual meeting of stockholders or until such director's successor shall have been duly elected and qualified (or, if earlier, such director's removal or resignation from the Board of Directors);
2. To ratify the appointment of Ernst & Young LLP as Expedia Group's independent registered public accounting firm for 2018; and
3. To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Voting. Only holders of record of outstanding shares of Expedia Group capital stock at the close of business on April 23, 2018 are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. Whether or not you plan to attend the Annual Meeting virtually, please consider voting prior to the meeting at www.Proxyvote.com, call 1-800-690-6903 or complete, sign, date and return the proxy card. Returning the proxy card does not deprive you of your right to attend and to vote your shares during the virtual Annual Meeting.

Proxy Materials. We are furnishing proxy materials to our stockholders primarily via the internet instead of mailing printed copies of those materials to each stockholder. By doing so, we save costs and reduce the environmental impact of our Annual Meeting. On or about May 8, 2018, we will send a Notice of Internet Availability of Proxy Materials to the holders of record and beneficial owners of our capital stock as of the close of business on the record date and also provide access to our proxy materials over the internet.

PROCEDURAL MATTERS

This Proxy Statement is being furnished to holders of common stock and Class B common stock of Expedia Group, Inc., a Delaware corporation, in connection with the solicitation of proxies by Expedia Group's Board of Directors for use at its 2018 Annual Meeting of Stockholders or any adjournment or postponement thereof.

Expedia Group's principal offices are located at 333 108th Avenue N.E., Bellevue, Washington 98004. This Proxy Statement is being made available to Expedia Group stockholders on or about May 8, 2018.

Virtual Annual Meeting Information

Date and Time. The Annual Meeting will be held "virtually" through an audio webcast on Wednesday, June 20, 2018 at 8:00 a.m., Pacific Time. There will be no physical meeting location. The meeting will only be conducted via an audio webcast.

Access to the Audio Webcast of the Annual Meeting. The audio webcast of the Annual Meeting will begin promptly at 8:00 a.m., Pacific Time. Online access to the audio webcast will open approximately thirty minutes prior to the start of the Annual Meeting to allow time for you to log in and test your computer audio system. We encourage you to access the meeting prior to the start time.

Log in Instructions. To attend the virtual Annual Meeting, log in at EXPE.onlineshareholdermeeting.com. You will need your unique control number included in your Notice of Internet Availability of Proxy Materials, on your proxy card (printed in the box and marked by the arrow) or on the instructions that accompanied your proxy materials.

Submitting Questions at the virtual Annual Meeting. Once online access to the Annual Meeting is open, shareholders may submit questions, if any, on EXPE.onlineshareholdermeeting.com. You will need your unique control number included in your Notice of Internet Availability of Proxy Materials, on your proxy card (printed in the box and marked by the arrow) or on the instructions that accompanied your proxy materials. Questions pertinent to meeting matters will be answered during the meeting, subject to time constraints.

Voting Your Shares at the virtual Annual Meeting. Unless you hold your shares in the Company's 401(k) plan, you may vote your shares at the virtual Annual Meeting even if you have previously submitted your vote. For instructions on how to do so, see the section below titled "Voting Your Shares-Voting at the Virtual Annual Meeting."

Record Date

The Board of Directors established the close of business on April 23, 2018 as the record date for determining the holders of Expedia Group stock entitled to notice of and to vote at the Annual Meeting. On the record date, 137,347,762 shares of common stock and 12,799,999 shares of Class B common stock were outstanding and entitled to vote at the Annual Meeting.

Quorum

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all previously submitted proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast at the meeting by holders of Expedia Group common stock and Class B common stock constitutes a quorum.

Stockholders who participate in the Annual Meeting online at EXPE.onlineshareholdermeeting.com will be considered to be attending the meeting in person for purposes of determining whether a quorum has been met. In the election of the four directors whom the holders of Expedia Group common stock are entitled to elect as a separate class, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of votes of the outstanding common stock constitutes a quorum. If a share is represented for any purpose at the meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of Expedia Group stock represented by a properly executed proxy will be treated as present and entitled to vote at the Annual Meeting for purposes of determining a quorum, without regard to

whether the proxy is marked as casting a vote or abstaining. Abstentions and broker non-votes are therefore counted as present and entitled to vote for purposes of determining a quorum.

Voting Rights

Based on information provided on a Schedule 13D/A filed by Mr. Diller and Liberty Expedia Holdings, Inc. (“Liberty Expedia Holdings”), on March 7, 2018, and on a Form 4 filed by Barry Diller on February 28, 2018, Mr. Diller and Liberty Expedia Holdings together beneficially own approximately 12% of the outstanding shares of common stock (or approximately 20% assuming conversion of all shares of Class B common stock into shares of common stock) and 100% of the outstanding shares of Class B common stock and, consequently, approximately 54% of the combined voting power of the outstanding Expedia Group capital stock as of the record date. Mr. Diller has historically directly controlled a majority voting interest in Expedia Group through an irrevocable proxy over all such shares not directly held by him (the “Diller Proxy”). Mr. Diller temporarily assigned the Diller Proxy to Liberty Expedia Holdings until the earlier of May 4, 2018 and certain termination events, which assignment was subsequently extended until the earlier of May 4, 2019 and certain termination events. While the assignment is in effect, as a result of the governance arrangements at Liberty Expedia Holdings and various agreements among Mr. Diller, Liberty Expedia Holdings and certain other parties, Mr. Diller has the ability to control indirectly the voting of the Expedia Group shares held by Liberty Expedia Holdings and its subsidiaries on the election of Expedia Group directors. For further information on the Company’s relationship with Mr. Diller, see the section below titled “Certain Relationships and Related Person Transactions- Relationships Involving Significant Stockholders, Named Executive Officers and Directors-Relationships Involving Mr. Diller”. For further information on the Company’s relationship with Liberty Expedia Holdings, see the section below titled “Certain Relationships and Related Person Transactions- Relationships Involving Significant Stockholders, Named Executive Officers and Directors-Relationships Involving Liberty Expedia Holdings.”

Solicitation of Proxies

Expedia Group will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of the Company, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise. Following the original mailing of the proxies and other soliciting materials, Expedia Group will request brokers, trusts, banks or other nominees to forward copies of the proxy and other soliciting materials to persons for whom they hold shares of Expedia Group capital stock and to request authority for the exercise of proxies. In such cases, Expedia Group, upon the request of the brokers, trusts, banks and other stockholder nominees, will reimburse such holders for their reasonable expenses.

Voting Your Shares

Voting by Proxy Without Attending the Virtual Annual Meeting

You may direct how your shares are voted by proxy, without attending the Annual Meeting. The manner in which your shares may be voted by proxy depends on whether you are a:

• **Registered stockholder:** your shares are represented by certificates or book entries in your name on the records of the Company’s stock transfer agent;

• **401(k) plan participant:** your shares are held in the Company’s 401(k) plan for employees; or

• **Beneficial stockholder:** you hold your shares “in street name” through a broker, trust, bank or other nominee.

You may vote your shares by proxy in any of the following three ways:

Using the Internet. Registered stockholders and 401(k) plan participants may vote using the internet by going to www.Proxyvote.com and following the instructions. Beneficial stockholders may vote by accessing the website specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees. You will be required to enter the control number that is included on your Notice of Internet Availability of Proxy Materials or other voting instruction form provided by your broker, trust, bank or other nominee. Online proxy voting via the internet is available 24 hours a day and will close 11:59 p.m., Eastern Time, on June 19, 2018.

By Telephone. Registered stockholders and 401(k) plan participants may vote, from within the United States, using any touch-tone telephone by calling 1-800-690-6903 and following the recorded instructions. Beneficial owners may vote, from within the United States, using any touch-tone telephone by calling the number specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees. You will be required to enter the control

number that is included on your Notice of Internet Availability of Proxy Materials or other voting instruction form provided by your broker, trust, bank or other nominee. Telephone proxy voting is available 24 hours a day and will close 11:59 p.m., Eastern Time, on June 19, 2018.

By Mail. Registered stockholders and 401(k) plan participants may submit proxies by mail by requesting printed proxy cards and marking, signing and dating the printed proxy cards and mailing them in the accompanying pre-addressed envelopes. Beneficial owners may vote by marking, signing and dating the voting instruction forms provided and mailing them in the accompanying pre-addressed envelopes.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If you are a stockholder of record and submit your proxy voting instructions but do not direct how to vote on each item, the persons named as proxies will vote as the Board recommends on each of the proposals described in this Proxy Statement.

Expedia Group is incorporated under Delaware law, which specifically permits electronically transmitted proxies, provided that each such proxy contains, or is submitted with, information from which the inspector of elections can determine that such proxy was authorized by the stockholder (Delaware General Corporation Law section 212(c)). The electronic voting procedures provided for the Annual Meeting are designed to authenticate each stockholder by use of a control number, to allow stockholders to vote their shares, and to confirm that their instructions have been properly recorded.

For information on how to vote during the Annual Meeting, see the section above titled “Virtual Annual Meeting Information - Submitting Questions and Voting During the Annual Meeting.”

Voting at the Virtual Annual Meeting.

Unless you hold your shares in the Company’s 401(k) plan, you may also vote your shares at the virtual Annual Meeting even if you have previously submitted your vote. To vote at the virtual Annual Meeting, log in at EXPE.onlineshareholdermeeting.com. You will need your unique control number included in your Notice of Internet Availability of Proxy Materials, on your proxy card (printed in the box and marked by the arrow) or on the instructions that accompanied your proxy materials. If you are the beneficial owner of shares held through a broker, or other nominee, please follow the instructions provided by your broker, trustee or nominee.

Because shares held by participants in the Company’s 401(k) plan must be voted by the trustee, these shares may not be voted during the Annual Meeting. You will, however, be able to attend the virtual Annual Meeting and submit questions.

Voting Impact of Abstentions and Broker Non-Votes

Abstentions. Abstentions are treated as shares entitled to vote and, as a result, have the same effect as a vote against any proposal for which the voting standard is based on the number of shares present at the Annual Meeting (the auditor ratification proposal) and have no impact on the vote on any proposal for which the vote standard is based on the votes cast at the meeting (the election of directors).

Broker non-votes. Broker non-votes are not treated as shares entitled to vote and, as a result, have no effect on the outcome of any of the proposals to be voted on by stockholders at the Annual Meeting; provided, however, that brokers have discretionary authority to vote on the auditor ratification proposal. If you hold Expedia Group shares in street name or in the Company’s 401(k) Plan, you must provide your broker, bank or other holder of record with instructions in order to vote these shares. If you do not provide voting instructions to your bank, broker or other nominee, whether your shares can be voted by such person depends on the type of item being considered for a vote:

Non-Discretionary Item. The election of directors is a non-discretionary item and may NOT be voted on by your broker, bank or other nominee absent specific voting instructions from you.

Discretionary Item. The ratification of Ernst & Young LLP as Expedia Group’s independent registered public accounting firm for 2018 is a discretionary item. Generally, brokers, banks and other nominees that do not receive voting instructions may vote on this proposal in their discretion.

The trustee of the Company’s 401(k) plan for employees, Fidelity Management Trust Company, will vote Expedia Group common stock credited to employee accounts in accordance with such employees’ voting instructions. The trustee will vote the 401(k) plan stock for which voting instructions are not received in the same proportion as the shares for which voting instructions are received.

Revocation of Proxies

If you are a beneficial stockholder, you may revoke your proxy or change your vote only by following the separate instructions provided by your broker, trust, bank or other nominee.

If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, or

(ii) submitting a later-dated proxy relating to the same stock by mail, telephone or the internet prior to the vote at the Annual Meeting, or (iii) attending the virtual Annual Meeting and resubmitting your vote. Registered stockholders may also follow the instructions provided on the Notice of Internet Availability of Proxy Materials and proxy card to submit a new proxy by telephone or via the internet.

Other Business

The Board of Directors does not presently intend to bring any business before the Annual Meeting other than the proposals discussed in this Proxy Statement and specified in the Notice of Annual Meeting of Stockholders. The Board has no knowledge of any other matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any other matters should properly come before the Annual Meeting, the persons designated in the proxy will vote on them according to their best judgment.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to vote via the internet, by telephone or by returning your marked, signed and dated proxy card so that your shares will be represented at the Annual Meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

Nominees

At the Annual Meeting, a board of fifteen directors will be elected to hold office until the next annual meeting of stockholders or until their successors shall have been duly elected and qualified (or, if earlier, any director's removal or resignation from the Board of Directors). Expedia Group's amended and restated certificate of incorporation provides that the holders of the Company's common stock, acting as a single class, are entitled to elect a number of directors equal to 25% percent of the total number of directors, rounded up to the next whole number of directors, which is currently four directors. The Board has designated Ms. Athey and Messrs. Battle, Jacobson and Kern as nominees for the positions on the Board to be elected by the holders of Expedia Group common stock voting as a separate class. Pursuant to an Amended and Restated Governance Agreement among the Company, Liberty Interactive Corporation (now known as Qurate Retail, Inc. and referred to herein as "Liberty Interactive" or "Qurate") and Mr. Diller dated December 20, 2011, which was assigned to Liberty Expedia Holdings on November 4, 2016 (the "Governance Agreement"), Liberty Expedia Holdings has the right to nominate up to a number of directors equal to 20% of the total number of the directors on the Board (rounded up to the next whole number if the number of directors on the Board is not an even multiple of five) for election to the Board and has certain rights regarding committee participation, so long as certain stock ownership requirements applicable to Liberty Expedia Holdings are satisfied. Liberty Expedia Holdings has designated Ms. Chun and Coe and Mr. Shean as its nominees to the Board. Although management does not anticipate that any of the nominees named below will be unable or unwilling to stand for election, in the event of such an occurrence, proxies may be voted for a substitute nominee designated by the Board.

The name and certain background information regarding each nominee, as of April 1, 2018, are set forth below. Except as noted, there are no family relationships among directors or executive officers of Expedia Group. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led the Board of Directors to the conclusion that he or she should be nominated as a director, each nominee has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment to Expedia Group and our Board as demonstrated by the nominee's past service. Several of our director-nominees also have extensive management experience in complex organizations. The Board considered the Nasdaq requirement that the Company's Audit Committee be composed of at least three independent directors, as well as specific Nasdaq and Securities and Exchange Commission ("SEC") requirements regarding financial literacy and expertise.

Board of Directors

Controlled Company Status. Expedia Group is subject to the Nasdaq Stock Market Listing Rules. These rules exempt “controlled companies,” or companies of which more than 50% of the voting power is held by an individual, a group or another company, such as Expedia Group, from certain requirements.

Based on information provided on a Schedule 13D/A filed by Mr. Diller and Liberty Expedia Holdings on March 7, 2018, and on a Form 4 filed by Barry Diller on February 28, 2018, Mr. Diller and Liberty Expedia Holdings together beneficially own approximately 12% of the outstanding shares of common stock (or approximately 20% assuming conversion of all shares of Class B common stock into shares of common stock) and 100% of the outstanding shares of Class B common stock and, consequently, approximately 54% of the combined voting power of the outstanding Expedia Group capital stock as of the record date. On this basis, Expedia Group is relying on the exemption for controlled companies from certain NASDAQ requirements, including, among others, the requirement that a majority of the Board of Directors be composed of independent directors, the requirement that the Compensation Committee be composed solely of independent directors and certain requirements relating to the nomination of directors. For further information on the Company’s relationship with Mr. Diller, see the section below titled “Certain Relationships and Related Person Transactions— Relationships Involving Significant Stockholders, Named Executive Officers and Directors—Relationships Involving Mr. Diller”. For further information on the Company’s relationship with Liberty Expedia Holdings, see the section below titled “Certain Relationships and Related Person Transactions— Relationships Involving Significant Stockholders, Named Executive Officers and Directors—Relationships Involving Liberty Expedia Holdings.”

Director Independence. The Board of Directors has determined that each of Ms. Athey and Clinton, and Messrs. Battle, Dolgen, Jacobson, Kern and Rudin is an “independent director” as defined by the NASDAQ listing rules. In making its independence determinations, the Board considered the applicable legal standards and any relevant transactions, relationships or arrangements, including consulting services provided by Ms. Athey to the Company for which she did not receive additional compensation, Ms. Clinton’s service as a member of IAC’s board of directors, legal services provided to a subsidiary of IAC by the law firm in which Mr. Jacobson is a partner, Mr. Kern’s membership of the Supervisory Board of trivago N.V., a majority-owned subsidiary of the Company, and Mr. Rudin’s business arrangements with Mr. Diller and subsidiaries of IAC, as well as his service as vice chair of a non-profit organization for which Mr. Diller is the chairman.

The Board. The Board of Directors met six times in 2017. For 2017, each then-serving director attended more than 75% of the meetings of the Board, and each then-serving director, other than Mr. Kaufman, attended more than 75% of the meetings of the Board committees on which they served. The independent directors meet in regularly scheduled sessions, typically before or after each Board meeting, without the presence of management. Directors are encouraged, but not required to attend annual meetings of Expedia Group stockholders. All of the then-serving fourteen members of the Board of Directors attended the 2017 Annual Meeting of Stockholders.

Board Leadership Structure. Mr. Diller serves as the Chairman and Senior Executive of the Company, and Mr. Okerstrom serves as Chief Executive Officer of the Company. The roles of Chief Executive Officer and Chairman of the Board are currently separated in recognition of the differences between the two roles. We believe that it is in the best interests of our stockholders for the Board to make a determination regarding the separation or combination of these roles each time it elects a new Chairman or appoints a Chief Executive Officer, based on the relevant facts and circumstances applicable at such time. Independent members of the Board chair our Audit, Compensation and Section 16 Committees. Expedia Group has had the current leadership structure since the completion of its spin-off from IAC in 2005.

Board’s Role in Risk Oversight. As part of its general oversight duties, the Board of Directors oversees the Company’s risk management. The Chief Executive Officer, Chief Financial Officer and Treasurer and Chief Legal Officer attend quarterly Board meetings and discuss operational risks with the Board. Management also provides quarterly reports and presentations on strategic risks to the Board. Between quarterly meetings, the Chief Financial Officer and Treasurer and Chief Legal Officer meet regularly with the Executive Committee, and the members are informed of any immediate risks at such meetings.

In addition, the Audit Committee is responsible for discussing with management the Company's major financial risks and the steps management has taken to monitor and control such risks, including the Company's risk assessment and risk management policies. The Audit Committee also has oversight responsibility for the Company's foreign exchange risk management policy and investment management policy. In fulfilling its responsibilities, the Audit Committee receives regular reports from the Chief Financial Officer and Treasurer, Chief Legal Officer, Vice President of Internal Audit, President of eCommerce Platform (having responsibility for technology infrastructure and security) and Chief Accounting Officer. The Vice President of Internal Audit reports directly to the Audit Committee and provides quarterly (or more frequent) reports on the results of internal audits and investigations. The Chairman of the Audit Committee makes regular reports to the Board.

Board Committees

The Board of Directors has the following standing committees: the Audit Committee, the Compensation Committee, the Section 16 Committee and the Executive Committee. The Audit, Compensation and Section 16 Committees operate under written charters adopted by the Board of Directors. These charters are available on the “Corporate Governance” page of the “Investors” section of the Company’s corporate website at www.expediagroup.com. The following table sets forth the members of each Committee and the number of meetings held by, and times that each such Committee took action by unanimous written consent, during 2017. Other than the appointment of Mr. Okerstrom to the Executive Committee to replace Mr. Khosrowshahi, there were no changes to the membership of any committees during all of 2017.

(1) Independent director.

(2) Elected to the Board on December 5, 2017.

(3) Resigned from the Board, effective December 5, 2017.

Audit Committee. Each current Audit Committee member satisfies the independence requirements for Audit Committee members under the current standards imposed by the rules of the SEC and Nasdaq. The Board has determined that each of Messrs. Battle and Kern is an “audit committee financial expert,” as such term is defined in the regulations promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The Audit Committee functions pursuant to a written charter adopted by the Board, pursuant to which the Audit Committee is granted the responsibilities and authority necessary to comply with Rule 10A-3 of the Exchange Act. The Audit Committee is appointed by the Board to assist the Board with a variety of matters discussed in detail in the charter, including monitoring: (i) the integrity of the Company’s financial reporting process, (ii) the independent registered public accounting firm’s qualifications and independence, (iii) the performance of Company’s internal audit function and the independent registered public accounting firm, and (iv) the Company’s compliance with legal and regulatory requirements.

The formal report of the Audit Committee with respect to the year ended December 31, 2017, is set forth under the heading “Audit Committee Report” below.

Compensation Committee. With the exception of Ms. Coe, each member satisfies the independence requirements for Compensation Committee members under the current standards imposed by the rules of the SEC and Nasdaq. No member of the Compensation Committee is an employee of Expedia Group. The Compensation Committee is responsible for (i) administering and overseeing the Company’s executive compensation program, including salary matters, bonus plans and stock compensation plans, and (ii) approving all grants of equity awards, but excluding matters governed by

Rule 16b-3 under the Exchange Act (see section below titled “Section 16 Committee”). A description of the Company’s processes and procedures for the consideration and determination of executive compensation is included in the section below titled “Compensation Discussion and Analysis.”

Section 16 Committee. Each member of the Section 16 Committee is an “independent director” as defined by the Nasdaq listing rules and satisfies the definition of “non-employee director” for purposes of Section 16 of the Exchange Act. The Section 16 Committee is authorized to exercise all powers of the Board of Directors with respect to matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to Expedia Group’s executive officers.

Compensation Consultant Independence. During 2017, management retained Compensia, Inc., a compensation consulting firm, to conduct a review of Expedia Group’s compensation peer groups, and to compile data from proxy statements and other SEC filings of peer companies regarding compensation for certain executive officer positions and provided Compensia instruction and direction consistent therewith. Compensia also advised with regard to the long-term equity awards granted to Mr. Okerstrom in connection with his promotion to Chief Executive Officer. The Compensation Committee considered various factors bearing upon Compensia’s independence including, but not limited to, the amount of fees received by Compensia from Expedia Group as a percentage of Compensia’s total revenue, Compensia’s policies and procedures designed to prevent conflicts of interest, and the existence of any business or personal relationship that could impact Compensia’s independence. After reviewing these and other factors, the Committee determined that Compensia was independent and that its engagement did not present any conflicts of interest.

Compensation Policies and Practices Risk Assessment. Consistent with SEC disclosure requirements, management has assessed compensation policies and practices for Company employees and has concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

Executive Committee. The Executive Committee has all the power and authority of the Board of Directors, except those powers specifically reserved to the Board by Delaware law.

Director Nominations

Given the ownership structure of the Company and its status as a “controlled company,” the Board of Directors does not have a nominating committee or other committee performing similar functions or any formal policy on director nominations. Pursuant to the Governance Agreement, Liberty Expedia Holdings has the right to nominate a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board is not an even multiple of five) for election to the Board so long as certain stock ownership requirements are satisfied. The Board does not have specific requirements for eligibility to serve as a director of Expedia Group, nor does it have a specific policy on diversity. However, in evaluating candidates, regardless of how recommended, the Board considers whether the professional and personal ethics and values of the candidate are consistent with those of Expedia Group, whether the candidate’s experience and expertise would be beneficial to the Board in rendering service to Expedia Group, including in providing a mix of Board members that represent a diversity of experiences, characteristics, attributes, skills and backgrounds, whether the candidate is willing and able to devote the necessary time and energy to the work of the Board, and whether the candidate is prepared and qualified to represent the best interests of Expedia Group’s stockholders. Given the controlled status of the Company, the Board believes the process described above is appropriate. Liberty Expedia Holdings has nominated Ms. Chun and Coe and Mr. Shean as nominees for 2018. The other nominees to the Board were recommended by the Chairman and then were considered and recommended by the entire Board.

The Board of Directors does not have a formal policy regarding the consideration of director candidates recommended by stockholders, as historically the Company has not received such recommendations. However, the Board would consider such recommendations if made in the future. Stockholders who wish to make such a recommendation should send the recommendation to Expedia Group, Inc., 333 108th Avenue N.E., Bellevue, Washington 98004, Attention: Secretary. The envelope must contain a clear notation that the enclosed letter is a “Director Nominee Recommendation.” The letter must identify the author as a stockholder, provide a brief summary of the candidate’s qualifications and history and be accompanied by evidence of the sender’s stock ownership, as well as consent by the candidate to serve

as a director if elected. Any director candidate recommendations will be reviewed by the Secretary and, if deemed appropriate, forwarded to the Chairman for further review. If the Chairman believes that the candidate fits the profile of a director nominee as described above, the recommendation will be shared with the entire Board.

Communications with the Board

Expedia Group stockholders who wish to communicate with the Board of Directors or a particular director may send such communication to Expedia Group, Inc., 333 108th Avenue N.E., Bellevue, Washington 98004, Attention: Secretary. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Stockholder-Board

Communication” or “Stockholder-Director Communication.” All such letters must identify the author as a stockholder, provide evidence of the sender’s stock ownership and clearly state whether the intended recipients are all members of the Board or just certain specified directors. The Secretary will then review such correspondence and forward it to the Board, or to the specified director(s), if deemed appropriate. Communications that are primarily commercial in nature, that are not relevant to stockholders or other interested constituents or that relate to improper or irrelevant topics will generally not be forwarded to the Board or to the specified director(s).

Compensation of Directors

Expedia Group employees other than Mr. Kaufman do not receive compensation for services as directors.

Mr. Kaufman does not receive compensation for his service as an executive of the Company, and instead receives compensation for his Board service. Prior to his resignation, Dr. Malone had agreed to forego compensation for his Board service.

Mr. Kaufman and each non-employee director of Expedia Group who served on the Board during 2017, other than Dr. Malone, was entitled to receive the following compensation:

- an annual retainer of \$45,000, paid in equal quarterly installments;
- a grant of restricted stock units (“RSUs”) with a value of \$250,000 (based on the closing price of Expedia Group’s common stock on the Nasdaq Stock Market on the day prior to the grant), upon such director’s initial election to office or at the time such director first became eligible to receive compensation for service as a director, and annually thereafter on June 1, such RSUs to vest in three equal installments commencing on the first anniversary of the grant date and such RSUs to be entitled to dividends declared and paid on the underlying shares of common stock during the vesting period. In the event of a change in control (as defined in the Expedia Group, Inc. Fourth Amended and Restated 2005 Stock and Annual Incentive Plan (the “Expedia Group 2005 Plan”) and described in the section below titled “Executive Compensation—Potential Payments Upon Termination or Change in Control”), the RSUs shall vest automatically in full;
- an annual retainer of \$20,000 for each member of the Audit Committee (including the Chairman) and \$15,000 for each member of the Compensation Committee (including the Chairman); and
- an additional annual retainer of \$10,000 for the Chairman of the Audit Committee and \$10,000 for each of the Co-Chairs of the Compensation Committee.

Members of the Section 16 Committee do not receive additional compensation for service on that committee. Expedia Group reimburses directors for all reasonable expenses incurred to attend Board and committee meetings.

Director Stock Ownership Guidelines

The Board of Directors has adopted stock ownership guidelines for directors to further align the interests of the directors with the interests of the stockholders of the Company. The director stock ownership guidelines apply to all directors except (i) directors who are also subject to the Company’s Executive Stock Ownership Guidelines and (ii) directors nominated by Liberty Expedia Holdings that do not receive compensation from the Company for service on the Board of Directors (“Covered Directors”).

Covered Directors are encouraged to hold a number of shares of Expedia common stock during their tenure equal to three times the annual cash retainer (currently \$45,000, with the current holding requirement thereby equal to \$135,000). Covered Directors have three years to attain the holding requirement. If the annual cash retainer is increased during a Covered Director’s service, the Covered Director shall have three years from the date of the increase in the annual cash retainer to acquire the additional stock. Based on the closing price of the Company’s common stock on April 2, 2018, each Covered Director held shares of Expedia Group common stock with a value significantly greater than \$135,000, except Mr. Rudin, who was elected to the Board in June 2016, Ms. Clinton, who was elected to the Board in March 2017, and Ms. Chun, who was elected to the Board in December 2017.

Non-Employee Director Deferred Compensation Plan

Under Expedia Group’s Non-Employee Director Deferred Compensation Plan, non-employee directors may defer all or a portion of their directors’ fees. Eligible directors who defer their directors’ fees may elect to have such deferred fees (i) applied to the purchase of share units, representing the number of shares of Expedia Group common stock that could have been purchased on the date such fees would otherwise be payable, or (ii) credited to a cash fund. If any dividends are paid on Expedia Group common stock, dividend equivalents will be credited on the share units. The

cash fund will be credited with deemed interest at an annual rate equal to the average “bank prime loan” rate for such year identified in the U.S. Federal Reserve Statistical Release. Upon termination of service as a director of the Company, a director will receive

(1) with respect to share units, such number of shares of Expedia Group common stock as the share units represent, and (2) with respect to the cash fund, a cash payment. Payments upon termination will be made in either one lump sum or up to five installments, as elected by the eligible director at the time of the deferral election. Mr. von Furstenberg elected to defer his 2017 director fees.

2017 Director Compensation

As employee directors, Messrs. Diller, Khosrowshahi and Okerstrom did not receive compensation for service as directors during 2017. However, following Mr. Khosrowshahi's resignation as President and Chief Executive Officer of the Company, he continued to serve as a non-employee member of the Board of Directors and became eligible to receive standard non-employee director compensation. Dr. Malone agreed to forego compensation for his Board service during 2017. The following table shows compensation information for directors who received compensation for their Expedia Group Board service during 2017.

Compensation Committee Interlocks and Insider Participation

The Board of Directors currently has a Compensation Committee consisting of Messrs. Dolgen, Jacobson and Kern and Ms. Coe and a Section 16 Committee consisting of Messrs. Dolgen, Jacobson and Kern. None of Messrs. Dolgen, Jacobson or Kern, or Ms. Coe was an officer or employee of Expedia Group, formerly an officer of Expedia Group, or an executive officer of an entity for which an executive officer of Expedia Group served as a member of the compensation committee or as a director during the one-year period ended December 31, 2017.

Required Vote

At the Annual Meeting, stockholders will be asked to elect fifteen members of the Board of Directors, each to hold office for a one-year term ending on the date of the next annual meeting of stockholders or until each such director's successor shall have been duly elected and qualified (or, if earlier, such director's removal or resignation).

Election of Ms. Chun, Clinton and Coe, and Messrs. Diller, Kaufman, Okerstrom, Dolgen, Khosrowshahi, Rudin, Shean and von Furstenberg as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of Expedia Group common stock and Class B common stock, present in person or represented by proxy, voting together as a single class. Election of Ms. Athey, and Messrs. Battle, Jacobson and Kern as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of Expedia Group common stock, present in person or represented by proxy, voting as a separate class.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR NAMED ABOVE.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

Ernst & Young LLP was Expedia Group's independent registered public accounting firm for the year ended December 31, 2017. The Audit Committee of the Board of Directors has also appointed Ernst & Young LLP as Expedia Group's independent registered public accounting firm for the year ending December 31, 2018. Selection of Expedia Group's independent registered public accounting firm is not required to be submitted to a vote of the stockholders for ratification. The Sarbanes-Oxley Act of 2002 requires that the Audit Committee be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. If the stockholders fail to vote on an advisory basis in favor of the appointment, the Audit Committee will reconsider whether to retain Ernst & Young LLP and may retain that firm or another firm without resubmitting the matter to Expedia Group stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Expedia Group and its stockholders.

A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, and will be given an opportunity to make a statement if he or she so chooses and will be available to respond to appropriate questions.
Required Vote

At the Annual Meeting, stockholders will be asked to ratify the appointment of Ernst & Young LLP as Expedia Group's independent registered public accounting firm for 2018. This proposal requires the affirmative vote of a majority of the voting power of the shares of Expedia Group common stock and Class B common stock, present in person or represented by proxy, and entitled to vote thereon, voting together as a single class.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS EXPEDIA GROUP'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2018.

AUDIT COMMITTEE REPORT

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements, the public reporting process and establishing and maintaining an effective system of internal control over financial reporting. The Company's independent registered public accounting firm is engaged to audit and express opinions on the conformity of the Company's financial statements to generally accepted accounting principles and applicable rules and regulations, and the effectiveness of the Company's internal control over financial reporting.

In this context, the Audit Committee has reviewed and discussed the audited consolidated financial statements and related footnotes for the year ended December 31, 2017, together with the results of the assessment of the internal control over financial reporting, with management and Ernst & Young LLP. The Audit Committee has discussed with Ernst & Young LLP the matters that are required to be discussed under Public Company Accounting Oversight Board (PCAOB) standards. In addition, the Audit Committee has received the written disclosures and the letter from Ernst & Young LLP as required by PCAOB rules, and has discussed with Ernst & Young LLP, their independence from the Company and its management. Finally, the Audit Committee has considered Ernst & Young LLP's provision of audit and non-audit services to the Company and concluded that the provision of such services is compatible with Ernst & Young LLP's independence.

Relying on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended December 31, 2017 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the SEC.

Members of the Audit Committee:

A. George "Skip" Battle (Chairman)

Craig A. Jacobson

Audit Committee Review and Pre-Approval of Independent Registered Public Accounting Firm Fees

The Audit Committee has considered the audit and non-audit services provided by Ernst & Young LLP, as described above, and believes that they are compatible with maintaining Ernst & Young LLP's independence as the Company's independent registered public accounting firm.

The Audit Committee has adopted a policy governing the pre-approval of all audit and permitted non-audit services performed by the Company's independent registered public accounting firm to ensure that the provision of such services does not impair the independent registered public accounting firm's independence from the Company and its management. Unless a type of service to be provided by the Company's independent registered public accounting firm has received general pre-approval from the Audit Committee, it requires specific pre-approval by the Audit Committee. The payment for any proposed services in excess of pre-approved cost levels requires specific pre-approval by the Audit Committee.

Pursuant to its pre-approval policy, the Audit Committee may delegate its authority to pre-approve services to one or more of its members, and has currently delegated this authority to its Chairman, subject to a limit of \$500,000 per approval. The decisions of the Chairman (or any other member(s) to whom such authority may be delegated) to grant pre-approvals must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may not delegate its responsibilities to pre-approve services to management.

Based solely on a review of the copies of such forms furnished to the Company and/or written representations that no additional forms were required, we believe that all of its directors, officers and 10% beneficial holders complied with all of the reporting requirements applicable to them with respect to transactions during 2017.

The appointment of Mark Okerstrom, Expedia Group's Executive Vice President of Operations and Chief Financial Officer, to serve as President and Chief Executive Officer, succeeding Dara Khosrowshahi who had indicated his intention to resign as President and Chief Executive Officer of the Company;

The expansion of the size of the Board from fourteen to fifteen members and election of Mr. Okerstrom to fill the newly-created directorship; and

Following his departure as President and Chief Executive Officer of Expedia Group, Mr. Khosrowshahi continued to serve as a member of the Company's Board of Directors and receive non-employee director compensation in accordance with the Company's compensation policies and practices for the Board. Compensation arrangements for Messrs. Okerstrom, Khosrowshahi and Pickerill in connection with these changes are described in the section below titled "Compensation Arrangements relating to 2017 Chief Executive Officer and Chief Financial Officer Transitions."

Compensation Program Philosophy and Objectives

Expedia Group's executive compensation program is designed to attract, motivate, retain and reward highly skilled executives with the business experience and acumen that we believe are necessary for achievement of Expedia's long-term business objectives. We support a pay for performance culture where employees are rewarded for individual, business and overall company success. The executive compensation program is designed to reward short- and long-term performance and to align the financial interests of executive officers with the interests of our stockholders. To that end, we believe that compensation packages provided to executive officers should include both cash and a significant equity-based component. We evaluate both performance and compensation levels to ensure that:

- Expedia Group maintains its ability to attract and retain outstanding employees in executive positions;
- the compensation provided to Expedia Group's executives remains competitive with the compensation paid to similarly situated executives at comparable companies; and
- Expedia Group's compensation programs are applied in an internally consistent manner.

Roles of the Compensation Committee and Section 16 Committee

Expedia Group has a Compensation Committee and a Section 16 Committee that together have primary responsibility for establishing the compensation of Expedia Group's named executive officers.

The Compensation Committee is responsible for (i) administering and overseeing Expedia Group's executive compensation program, including salary matters, bonus plans and equity compensation plans, and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act.

The Section 16 Committee is responsible for administering and overseeing matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to executive officers.

The Compensation Committee is appointed by the Board of Directors and consists entirely of directors who are "outside directors" for purposes of Section 162(m) of the Code. The Section 16 Committee is also appointed by the Board of Directors and consists entirely of directors who are "non-employee directors" for purposes of Rule 16b-3 under the Exchange Act. For the purposes of this Compensation Discussion and Analysis, we refer to the Compensation Committee and Section 16 Committee collectively as the "Compensation Committees."

During 2016, the Compensation Committee consisted of Ms. Coe, Mr. Dolgen, Mr. Jacobson and Mr. Kern, and the Section 16 Committee consisted of Messrs. Dolgen, Jacobson and Kern. Mr. Dolgen and Mr. Kern are Co-chairmen of the Compensation Committees.

Role of Executive Officers

Expedia Group management participates in reviewing and refining Expedia Group's executive compensation program. Expedia Group's Chief Executive Officer and Chairman/Senior Executive meet with the Compensation Committees at least annually to discuss compensation packages for the executive team. Expedia Group's Chief Executive Officer annually reviews the performance of Expedia Group and each named executive officer other than himself and the Chairman/Senior Executive with the Compensation Committees and makes recommendations with respect to the appropriate base salary, annual cash bonus and grants of long-term equity incentive awards. The Chairman/Senior Executive meets separately with the Compensation Committees to discuss his and the Chief Executive Officer's performance, and to recommend an appropriate compensation package for the Chief Executive Officer. The Compensation Committees then discuss each recommendation, with each of the Chairman/Senior Executive and the Chief Executive Officer absent when his respective compensation is discussed. After considering these recommendations and other considerations discussed below, the Compensation Committees determine the annual compensation package for each executive officer.

Role of Compensation Consultants

In connection with the Company's annual compensation review meetings in each of 2017 and 2018, management retained Compensia, Inc., an independent compensation consulting firm, to conduct an independent review of the prior year's compensation peer group for positions held by the named executive officers and to compile data from proxy statements and other SEC filings of peer companies regarding compensation for executive officer positions, where available. Compensia also advised the Compensation Committees with regard to the long-term equity awards granted to Mr. Okerstrom in connection with his promotion to Chief Executive Officer, as well as the special long-term equity awards granted to Messrs. Okerstrom, Dzielak and Pickerill in connection with the Company's 2018 annual compensation review, which are discussed below in the sections titled "Compensation Arrangements relating to 2017 Chief Executive Officer and Chief Financial Officer Transitions - Mr. Okerstrom" and "Subsequent Compensation Approvals - 2018 Special Long-Term Equity Awards," respectively.

Expedia Group also regularly uses non-customized survey or other data from a number of compensation consulting firms. A more detailed description of the compensation peer group review and use of survey and other data provided by compensation consultants is included below in the section titled "Role of Peer Groups, Surveys and Benchmarking."

Role of Stockholder Say-on-Pay Votes

Expedia Group provides its stockholders with the opportunity to cast a triennial advisory vote on executive compensation ("say-on-pay"), which reflects the preference expressed by our stockholders in 2017 with respect to the frequency of the say-on-pay vote ("say-on-frequency"). At Expedia Group's annual meeting of stockholders held in June 2017, a substantial majority of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committees believe that the vote reflected stockholder support of Expedia Group's approach to executive compensation, and, as such, did not make changes based on the 2017 vote. The Compensation Committees will continue to consider the outcome of say-on-pay votes when making future compensation decisions for executive officers.

Role of Peer Groups, Surveys and Benchmarking

Management considers multiple data sources when reviewing compensation information to ensure that the data reflect compensation practices of relevant companies in terms of size, industry and geographic location. Among other factors, management considers the following information, when available, in connection with its recommendations to the Compensation Committees regarding compensation for executive officers:

- Data from salary and equity compensation surveys that include companies of a similar size, based on market capitalization, revenues and other factors, and

- Data regarding compensation for comparable executive officer positions from recent proxy statements and other SEC filings of peer companies, which include:

- direct industry competitors,

- non-industry companies with which Expedia Group commonly competes for talent (including both regional and national competitors), and

- data regarding compensation levels for all our employees.

When available, management considers competitive market compensation paid by other peer group companies, but does not attempt to maintain a certain target percentile within the peer group or otherwise rely solely on such data when making recommendations to the Compensation Committees regarding compensation for executive officers.

Management and the Compensation Committees strive to incorporate flexibility into the compensation programs and the assessment process to respond to and adjust for the evolving business environment and the value delivered by the executive officers.

In light of his role as both Chairman and Senior Executive of Expedia Group, a separate peer group comprised of executives in comparable roles is considered with respect to Mr. Diller's compensation. In addition, we review each of our peer groups annually. For both 2017 and 2018, we engaged Compensia to conduct an initial review and make recommendations regarding peer group changes. In each case, the Compensation Committees then considered any proposed changes prior to approving the peer groups for the upcoming year.

2017 Peer Groups

In connection with the Compensation Committees' approval of executive officer base salary and equity compensation during 2017, which is discussed below in the sections titled "Compensation Program Elements-Base Salary" and "Compensation Program Elements-Equity Compensation," data regarding compensation for comparable executive officer positions at the following peer companies were considered:

Executive Officer Peer Group (other than Chairman/Senior Executive):

Activision Blizzard, Inc.	PayPal Holdings, Inc.
Adobe Systems Incorporated	Booking Holdings, Inc. (formerly priceline.com)
Alliance Data Systems Corporation	Sabre Corporation
eBay, Inc.	salesforce.com, inc.
Electronic Arts Inc.	Starwood Hotels & Resorts Worldwide, Inc.
Intuit Inc.	TripAdvisor, Inc.
LinkedIn Corporation	Wyndham Worldwide Corporation
Netflix, Inc.	Altaba Inc. (formerly Yahoo! Inc.)
	Zillow Group, Inc.

Chairman/Senior Executive Peer Group:

Cablevision Systems Corporation	Linear Technology Corporation
Charles Schwab	Marriott International, Inc.
DISH Network Corporation	News Corporation
Host Hotels & Resorts, Inc.	Twitter, Inc.
Hyatt Hotels Corporation	Starbucks Corporation

2018 Peer Groups

In connection with the Compensation Committee's approval of executive officer cash bonuses for 2017, which were approved in the first quarter of 2018 and are discussed below in the section titled "Compensation Program Elements-Cash Bonuses," the Compensation Committee considered data from the same peer groups other than the following changes:

Executive Officer Peer Group:

LinkedIn Corporation and Starwood Hotels and Resorts removed due to recent acquisitions;
 Altaba, Inc. (formerly Yahoo! Inc.) removed due to lack of business compatibility;
 Sabre Corporation removed due to lower revenue and market capitalization; and
 First Data Corporation, VMware, Inc., Hilton Worldwide Holdings, Inc. and Marriott International Inc. added as they generally represented suitable comparisons in terms of size and/or business focus.

Chairman/Senior Executive Peer Group:

Cablevision Systems Corporation and Linear Technology Corporation removed due to acquisitions; and
 Booking Holdings, Inc. and Zillow, Inc. added due to competitive comparability.

Compensation Program Elements

General

The primary elements of the executive compensation program are base salary, cash bonus equity compensation, and in certain instances, perquisites and other benefits. The Compensation Committees review these elements in the first quarter of each year in light of Company and individual performance, recommendations from management and other relevant information, including prior compensation history and outstanding long-term compensation arrangements. Management and the Compensation Committees believe that there are multiple, dynamic factors that contribute to success at an individual and business level and have therefore avoided adopting strict formulas and relied primarily on a discretionary approach that allows the Compensation Committees to set executive compensation levels on a case-by-case basis, taking into account all relevant factors.

Following recommendations from management, the Compensation Committees may adjust compensation for executive officers at other times during the year including when executives are hired, when there are significant changes in their responsibilities, in connection with their entry into new or extended employment agreements, or under other circumstances that the Compensation Committees consider appropriate.

Base Salary

Base salary represents the fixed portion of an executive officer's compensation and is intended to provide compensation for expected day-to-day performance. An executive officer's base salary is initially determined upon hire or promotion based on the executive officer's responsibilities, prior experience, individual compensation history and salary levels of other executives within Expedia Group and similarly situated executives at comparable companies. Base salary is typically reviewed annually, at the time of the executive's hire, promotion or expansion in responsibilities, or entry into a multi-year employment agreement, at which time management makes recommendations to the Compensation Committee based on consideration of a variety of factors, including:

- the executive's total compensation relative to other executives in similarly situated positions;
- individual performance of the executive;
- the executive's responsibilities, prior experience, and individual compensation history, including any additional compensation such as signing bonuses or relocation benefits;
- the terms of the executive's employment agreement, if any;
- general economic conditions;
- competitive compensation market data, when available; and

the recommendations of the Chief Executive Officer, other than in connection with compensation for himself and the Chairman/Senior Executive.

2017 Annual Compensation Review. In February 2017, based on management's recommendation, the Compensation Committee approved an increase in Mr. Dzielak's base salary from \$575,000 to \$600,000 and an increase in Mr. Soliday's base salary from \$285,000 to \$320,000, in each case based on the factors described above, including input from the Chief Executive Officer regarding the executive's overall performance, future potential and scope of responsibilities. Other than Messrs. Dzielak and Soliday, the Compensation Committee did not approve any changes to the base salaries of the named executive officers in connection with the 2017 annual compensation review.

Annual Cash Bonuses

Cash bonuses are granted to recognize and reward an individual's annual contribution to Company performance. Bonus target percentages for executive officers, other than the Chairman/Senior Executive and the Chief Executive Officer, are generally established by the Compensation Committee, based on the recommendation of management, at the time of the executive's hire, promotion, expansion in responsibilities, or entry into a multi-year employment agreement, and generally take into account the scope of an executive's responsibilities and comparative market data. Neither our Chairman/Senior Executive, nor our Chief Executive Officer, has a target cash bonus percentage as their base salaries tend to be lower than executives in comparable roles and their annual bonus payments are highly variable. Bonus target percentages for executives other than the Chairman/Senior Executive are reviewed each year by the Chief Executive Officer with the approval of the Chairman/ Senior Executive and the Compensation Committee. In addition to annual bonuses related to performance, management may also recommend that the Compensation Committee grant bonuses to new executive officers upon hire or existing executive officers upon promotion. Expedia Group utilizes new hire bonuses to help attract highly skilled executives to Expedia Group and to offset an executive's loss of incentive compensation from a prior employer.

When approving annual bonuses for executive officers, the Compensation Committee has adopted a two-step process. At the beginning of each year, the Compensation Committee establishes performance goals, which historically have been tied to the achievement of either stock price performance or worldwide hotel bookings during the forthcoming year, and maximum bonus amounts. In general, the performance goals reflect the minimally acceptable Company performance that must be achieved in order for any amount of cash bonuses to be awarded to the executive officers, but with respect to which there is substantial uncertainty when established. These performance goals and maximum bonus amounts were primarily designed to permit Expedia Group to deduct executive officer compensation for federal income tax purposes in accordance with Section 162(m) of the Internal Revenue Code. However, satisfaction of the applicable performance targets does not obligate the Compensation Committee to approve any specific bonus amount for any executive officer and the Compensation Committee has historically reduced the maximum amount based on a discretionary assessment that takes into account a variety of factors, including:

- Expedia Group's business and financial performance, including year-over-year performance;
- the executive's target cash bonus percentage, if any;
- the executive's individual performance;
- the terms of the executive's employment agreement or separation arrangements, if applicable;
- the overall funding of the cash bonus pool;
- amount of bonus relative to other Company executives;
- general economic conditions;
- competitive compensation market data, when available; and
- the recommendations of the Chief Executive Officer and Chairman/Senior Executive, which do not include recommendations regarding their own compensation.

Mr. Dzielak has a target cash bonus of 100% of his base salary, Mr. Pickerill has a target cash bonus of 80% of his base salary, and Mr. Soliday has a target cash bonus of 50% of his base salary.

2017 Annual Cash Bonuses. For 2017 annual bonuses, the Compensation Committee conditioned payment of bonuses to executive officers on attaining:

- Worldwide hotel room night bookings (room nights stayed basis) of Expedia Group on a consolidated basis in any of the three consecutive calendar quarters beginning with the second quarter of 2017 must be at least 5%

higher than worldwide hotel bookings in the corresponding calendar quarter twelve months before, excluding the benefit of any acquisitions by Expedia Group during such period; or

On at least 30 trading days during the period beginning March 1, 2017 through December 31, 2017, the closing price per share of Expedia Group's common stock must exceed by at least 5% the closing price of Expedia Group's common stock on February 28, 2017, which was \$119.04, taking into account any Share Change or Corporate Transaction (each as defined in the Expedia Group 2005 Plan).

The stock price performance and hotel bookings goals were met, as determined by the Compensation Committee during the third quarter of 2017.

On March 2, 2018, the Compensation Committee exercised its discretion to reduce bonus amounts for each individual executive officer from the maximum level established. The Committee considered a variety of factors when approving 2017 bonuses, including the factors noted above, as well as:

Financial performance: The Company's 2017 financial performance included a 15% increase in revenue and a 6% increase in adjusted EBITDA, which reflected slower growth rates than recent years due in part to increased investment spending, negative impacts from natural disasters, as well as travago's lower-than-expected financial performance.

HomeAway Transition and Integration: The HomeAway business's successful transition to a transactional business model continued, with HomeAway online gross bookings growing by 46% in 2017 as compared to the prior year, while also growing revenue by 32% and adjusted EBITDA by 15% for the same period.

Successful Supply Initiatives: The Company continued to expand its supply footprint and functionality, including growing hotel and accommodation supply count to over 440,000 properties at the end of 2017, compared to almost 350,000 properties at the end of 2016, and also instigated a strategic initiative to increase supply in select priority markets.

The Compensation Committee also took into account the relative contributions made by each executive officer during the year, including: (i) with respect to Mr. Diller, his role in providing strategic direction for the Company overall, (ii) with respect to Messrs. Okerstrom and Pickerill, their increased responsibilities following, and performance since, their respective transitions to the Chief Executive Officer and Chief Financial Officer roles, including for Mr. Pickerill his management of the Company's Investor Relations and Treasury functions on an interim basis pending the appointment of his successor in those roles, (iv) with respect to Mr. Dzielak his role in successfully managing the Company's global legal and regulatory matters, including regulatory matters related to the Company's HomeAway business, and (iv) with respect to Mr. Soliday, his strong performance overseeing the Company's worldwide accounting function. Based on these considerations, Mr. Diller's 2017 bonus was approved at the same level as his 2016 bonus, while 2017 bonus levels for Messrs. Okerstrom, Pickerill, Dzielak and Soliday were higher than the prior year, primarily due to higher base salary and/or target bonus percentages in 2017 as compared to 2016, including, in the case of Messrs. Okerstrom and Pickerill, in connection with their August 2017 promotions. Mr. Khosrowshahi was not entitled to receive a 2017 bonus.

Executive officer bonuses tend to be variable from year-to-year depending on the performance of the Company and, in certain circumstances, individual factors including performance, changes in responsibilities or base salaries and target bonus percentages. Accordingly, we believe our executive officer bonus program provides strong incentives to reach the Company's goals.

The cash bonuses described above are reflected in the "Bonus" column of the table titled "2017 Summary Compensation Table" in the section below titled "Executive Compensation."

Equity Compensation

Equity compensation is designed to align executive compensation with the interests of stockholders and the long-term performance of Expedia Group. Equity compensation awards link compensation to financial performance because the value of equity awards depends on Expedia Group's stock price. Equity compensation awards are also an important employee retention tool because they generally vest over a multi-year period, subject to continued service by the award recipient.

The Compensation Committees, based on management's recommendations, generally utilize awards of stock options as Expedia Group's primary equity compensation vehicle for executives, but have also awarded restricted stock units at

the time of hire to replace forfeited equity of a prior employer and pursuant to individually negotiated arrangements and special circumstances. Stock options are favored because the value from stock option awards is directly dependent on appreciation in the Company's stock price and therefore provides an objectively measurable goal. In connection with the 2017 annual compensation review process, the Company introduced a new program that permits

employees below senior management levels to elect to receive equity compensation in the form of stock options, restricted stock units, or a combination of both. The equity choice program was intended to differentiate Expedia Group in the marketplace to attract and retain top employee talent, to allow employees below senior management to structure their equity awards to conform to their particular risk tolerance profile, and to further promote employee engagement. In connection with the 2018 annual compensation review process, the equity choice program was expanded to include senior executives of the Company, other than the Chairman and Chief Executive Officer. Equity awards are typically granted to executive officers upon hire, promotion, in connection with the Company's annual compensation review or entry into a multi-year employment agreement.

Annual Review Equity Award Process. Management generally recommends annual equity awards in the first quarter of each year when the Compensation Committees meet to make determinations regarding annual bonuses for the last completed fiscal year and to set compensation levels for the current fiscal year. The meeting at which the Compensation Committees approve these awards is generally scheduled several months in advance and timed to occur after the public disclosure of Expedia Group's prior year financial statements.

The Compensation Committees review various factors considered by management when establishing Expedia Group's equity grant pool, including:

- Expedia Group's business and financial performance, including year-over-year performance;
- dilution rates, taking into account projected headcount changes and employee turnover;
- non-cash compensation as a percentage of adjusted EBITDA;
- equity compensation utilization by peer companies;
- general economic conditions; and
- competitive compensation market data regarding award values.

For specific grants to executive officers, management makes recommendations to the Section 16 Committee based on a variety of factors, including:

- individual performance and future potential of the executive;
- the overall size of the equity grant pool;
- award value relative to other Company executives;
- the value of previous grants and amount of outstanding unvested equity awards;
- competitive compensation market data, where comparable; and
- the recommendations of the Chief Executive Officer, other than in connection with compensation for himself and the Chairman/Senior Executive.

After review and consideration of management's recommendations, the Section 16 Committee decides whether to approve the grants of equity compensation to executive officers and the Compensation Committee decides whether to approve grants of equity compensation to non-executive officers. The annual corporate performance factors relevant to setting bonus amounts, while considered, are generally less relevant in determining the type and level of equity awards, as the awards tend to be more forward looking, and are a longer-term retention and reward instrument relative to our annual bonuses.

2017 Annual Review Equity Awards. In February 2017, the Section 16 Committee granted 150,000 stock options to Mr. Diller, 135,000 stock options to Mr. Okerstrom (in his role as Executive Vice President of Operations and Chief Financial Officer), 70,000 stock options to Mr. Dzielak, and 11,739 stock options to Mr. Soliday. The Compensation Committee also granted 13,768 stock options to Mr. Pickerill (in his role as Senior Vice President, Investor Relations and Treasurer). Mr. Khosrowshahi did not receive an equity award. The exercise price for 2017 annual stock option awards to named executive officers is \$119.04 per share (the closing price of Expedia Group's common stock on the date of grant), and each stock option has a seven-year term. In approving the stock option awards, the Section 16 Committee considered, with input from the Chief Executive Officer in the case of Messrs. Okerstrom, Dzielak and Soliday, the individual performance of each executive and the factors described above in relation to the establishment of the Expedia Group-wide equity grant pool and specific equity award grants.

The 2017 equity grants to the named executive officers are reflected in the table titled "2017 Grants of Plan- Based Awards" in the section below titled "Executive Compensation."

Compensation Arrangements relating to 2017 Chief Executive Officer and Chief Financial Officer Transitions

As discussed above, effective as of August 31, 2017: (i) Mr. Khosrowshahi resigned as the Company's President and Chief Executive Officer, while continuing to serve as a member of the Board, (ii) Mr. Okerstrom, the Company's Executive Vice President of Operations and Chief Financial Officer, was appointed to succeed Mr. Khosrowshahi as President and Chief Executive Officer of the Company and was also elected to serve as a member of the Board, and (iii) Mr. Pickerill, the Company's Senior Vice President, Investor Relations and Treasurer, was appointed to succeed Mr. Okerstrom as Executive Vice President and Chief Financial Officer. In connection with these changes, the Compensation Committees approved the compensation arrangements described below which the Committees determined were necessary and appropriate given the executive's new roles and responsibilities.

Mr. Okerstrom. In September 2017, Expedia Group entered into a new, long-term employment agreement with Mr. Okerstrom that expires on September 2021 pursuant to which he will receive an annual base salary of \$1,000,000 and will be entitled to receive an annual discretionary bonus. In connection with Mr. Okerstrom entering into his new employment agreement, the Section 16 Committee also approved the following long-term equity awards, the vesting of which are subject to Mr. Okerstrom's continued employment with the Company:

- 300,000 stock options that vest in equal installments on the first four anniversaries of the date of grant;
- 300,000 stock options, the vesting of which is also subject to satisfaction of a stock price goal of \$200 (a 40.7% increase to the closing price of Expedia Group's common stock on the date of grant), measured on the basis of the average of the closing prices of the Company's common stock for either the six or twelve-month period immediately preceding September 15, 2021 (the "Okerstrom Performance Options"); and
- 25,000 restricted stock units with a vest date in September 2021, also subject to the satisfaction of either (i) a performance goal relating to worldwide hotel room night bookings, or (ii) a performance goal relating to an increase in the Company's stock price, which goals were met, as determined by the Compensation Committee during the first quarter of 2018. (the "Okerstrom Cliff-Vest RSUs").

The exercise price for Mr. Okerstrom's stock option awards is \$142.13 per share, and each stock option has a seven-year term. In finalizing the structure of Mr. Okerstrom's equity awards, the Committees took into account a variety of factors, including:

- competitive pay and performance data among a comparator group of companies;
- Mr. Okerstrom's existing unvested equity holdings;
- the additional incentive to create significant shareholder value by virtue of the stock price performance goal applicable to the Okerstrom Performance Options;
- the Committees' desire to retain Mr. Okerstrom's services for the long-term, as reflected in the extended vesting schedule for both the Okerstrom Performance Options and Okerstrom Cliff Vest RSUs.

Mr. Pickerill. On September 15, 2017, Expedia Group entered into a new, long-term employment agreement with Mr. Pickerill that expires on September 15, 2020, pursuant to which he will receive an annual base salary of \$450,000 and entitled to receive an annual discretionary bonus with an annual target bonus of 80% of his base salary. In connection with Mr. Pickerill entering into his new employment agreement, the Section 16 Committee also approved an award of 50,000 Company stock options that vest in equal installments on the first four anniversaries of the date of grant, subject to Mr. Pickerill's continued employment with the Company.

Mr. Khosrowshahi. On September 20, 2017, the Company and Mr. Khosrowshahi entered into an equity treatment agreement governing the treatment of Company equity awards held by Mr. Khosrowshahi as of August 31, 2017 and pursuant to which Mr. Khosrowshahi forfeited:

- 1,600,000 unvested stock options, with a \$95 per share exercise price, scheduled to vest in equal installments on March 31, 2018 and March 31, 2020; and
- 780,000 unvested stock options, with a \$95 per share exercise price, scheduled to vest on September 30, 2020, subject to satisfaction of a \$170/share Company stock price goal;

and, retained the following unvested stock options, which will vest on the original vesting schedules, subject to his continued service as a member of the Board:

- 50,000 stock options, with a \$78.52 per share exercise price, scheduled to vest on February 26, 2018;

125,000 stock options, with a \$91.75 per share exercise price, scheduled to vest in equal installments on February 27, 2018 and February 27, 2019; and

320,000 stock options, with a \$95 per share exercise price, scheduled to vest on September 30, 2020, subject to satisfaction of a \$170 Company stock price goal.

Mr. Khosrowshahi may exercise any vested Company stock options until the earlier of (i) one year following the date that Mr. Khosrowshahi ceases to be a member of the Board, and (ii) the applicable expiration date of such Company stock option. The exercise of any vested Company stock options by Mr. Khosrowshahi may, at the election of Mr. Khosrowshahi, be settled on a net basis. Until the date of his departure from the Board, Mr. Khosrowshahi will retain a minimum of 287,715 Company shares, exclusive of Company shares underlying Company stock options. These arrangements were generally intended to reward Mr. Khosrowshahi for his prior service to the Company and to encourage his continued participation as a member of the Board of Directors, notwithstanding his other commitments, given his wealth of experience and knowledge of the travel industry in general and the Company's operations in particular.

As a non-employee member of the Board of Directors, Mr. Khosrowshahi is entitled to receive standard non-employee director compensation in accordance with the Company's compensation policies and practices for the Board, which included an initial grant of 1,686 RSUs on September 2, 2017 that vest in equal installments on the first three anniversaries of the date of grant, subject to Mr. Khosrowshahi's continued service as a member of the Board. The additional 2017 equity grants relating to the Chief Executive Officer and Chief Financial Officer transitions are also reflected in the table titled "2017 Grants of Plan- Based Awards" in the section below titled "Executive Compensation."

Other Compensation

In addition to the primary elements of compensation (base salary, cash bonuses and equity awards) described above, the named executive officers may also receive compensation in the following forms:

401(k) Match: Executives who participate in Expedia Group's 401(k) Retirement Program are eligible for Company matching contributions (as are all domestic Expedia Group employees). Expedia Group matches 50% of each dollar a participant contributes, up to the first 6% of eligible compensation, subject to applicable Internal Revenue Service limits.

Personal Use of Corporate Aircraft: Executives may receive benefits attributable to the personal use of certain aircraft, including aircraft jointly owned by Expedia Group and IAC. Pursuant to Company policy, Mr. Diller is required to travel on corporate aircraft for business and personal purposes, and the Company's Chief Executive Officer and other senior executives are encouraged to travel on corporate aircraft for business and personal purposes when doing so would serve the interests of the Company. In addition to serving general security interests, this means of travel permits Mr. Diller and other executives to travel non-stop and without delay, to remain in contact with Expedia Group while traveling, to change plans quickly in the event Company business requires, and to conduct confidential Company business while flying, be it telephonically, by email or in person. These interests are furthered on both business and personal flights, as Mr. Diller, and other executives typically provide services to Expedia Group while traveling in either case. Nonetheless, the incremental cost to Expedia Group of executive's travel for personal purposes during 2017 is reflected as compensation from Expedia Group. For personal use of Company-owned aircraft during 2017, Messrs. Okerstrom and Khosrowshahi each offset the cost to the Company at the maximum rates allowable under applicable rules of the Federal Aviation Administration. See the disclosure under the caption "Relationships Involving Significant Stockholders, Named Executives and Directors-Relationships Involving Messrs. Okerstrom and Khosrowshahi."

In addition, in light of Mr. Diller's senior role at both companies, Expedia Group and IAC have agreed to share certain expenses associated with the provision of personal benefits to Mr. Diller, including the use of automobiles for personal purposes and certain office space and IT equipment used by individuals who work for Mr. Diller personally. Expedia Group and IAC each cover 50% of the costs, which reflects the current allocation of actual time spent by Mr. Diller between the two companies.

Subsequent Compensation Approvals

In March 2018, the Company completed its 2018 annual compensation review process and, based on management's recommendation, the Compensation Committees approved the following compensation matters for the named executive officers:

2018 Base Salaries. The Compensation Committee approved an increase in Mr. Pickerill's base salary from \$450,000 to \$525,000, reflecting his performance since being appointed as the Company's Executive Vice President and

Chief Financial Officer in September 2017, and an increase in Mr. Soliday's base salary from \$320,000 to \$329,600. Mr. Dzielak's base salary was increased in connection with his entry into a new employment agreement that is described below in the section titled "2018 Dzielak Employment Agreement." Base salaries for Messrs. Diller and Okerstrom remained unchanged.

2018 Annual Review Equity Awards. The Section 16 Committee granted 81,004 stock options to Mr. Dzielak and 17,103 stock options to Mr. Soliday. Having elected to receive his 2018 annual review equity compensation in the form of both stock options and restricted stock units under the Company's equity choice program, the Section 16 Committee granted Mr. Pickerill 40,502 stock options and 10,125 restricted stock units. The annual review stock options and the restricted stock units granted to the named executive officers vest annually over four years and the stock options have an exercise price equal to the closing price of the Company's common stock on the grant date. Mr. Diller did not receive a 2018 annual review equity award. The 2018 Annual Review Equity awards were approved based on the factors described above in the section titled "Equity Compensation - Plan Information - Annual Review Equity Award Process," including input from Mr. Okerstrom, as well as the specific Company performance factors described in the section above titled "Annual Cash Bonuses - 2017 Annual Cash Bonuses."

2018 Special Long-Term Equity Awards. The Section 16 Committee also approved the following long-term equity awards to Mr. Okerstrom, Dzielak and Pickerill:

- 200,000 stock options granted to Mr. Okerstrom that vest 100% on the fourth anniversary of the grant date, and 40,502 stock options granted to each of Messrs. Dzielak and Pickerill that vest 50% on each of the second and fourth anniversaries of the date of grant, subject in all cases to the executive's continued employment with the Company (the "2018 Cliff Vest Options"); and

- 200,000 stock options granted to Mr. Okerstrom and 51,280 stock options granted to each of Messrs. Dzielak and Pickerill, with 50% of each grant subject to the satisfaction of a stock price goal of \$200 on September 15, 2021 (a 91% increase to the closing price of Expedia Group's common stock on the date of grant), and with the remaining 50% of each grant subject to the satisfaction of a stock price goal of \$180 on September 30, 2021 (a 72% increase to the closing price of Expedia Group's common stock on the date of grant), with satisfaction of the stock price goal in each case measured on the basis of the average of the closing prices of the Company's common stock for either the six or twelve-month period immediately preceding the applicable vest date, (the "2018 Performance Options") and together with the Cliff Vest Options, the "Special Stock Option Awards").

The exercise price for the Special Stock Option Awards is \$104.50 per share (the closing price of Expedia Group's common stock on the date of grant), and each stock option has a seven-year term. The Company engaged Compensia to evaluate various long-term incentive alternatives and make recommendations to the Committees. In finalizing the structure of the Special Stock Option Awards, the Committees took into account a variety of factors, including the factors noted above with respect to the 2018 Annual Review Equity Awards, as well as:

- alignment of performance-based compensation for senior executives with performance-based compensation of the Chief Executive Officer;
- the additional incentive to create significant shareholder value by virtue of the stock price performance goals applicable to the 2018 Performance Options, which represented significant increase in the Company's stock price over the then current market price; and
- the Committees' substantial desire to retain the services of key executives for the long-term, as reflected in the extended vesting schedule for both the 2018 Cliff Vest Options and the 2018 Performance Options.

2018 Dzielak Employment Agreement. On March 2, 2018, the Compensation Committee approved the terms of, and on the same day, the Company entered into, an amended and restated employment agreement with Mr. Dzielak. Mr. Dzielak's prior employment agreement expired on March 2, 2018. Pursuant to the amended and restated employment agreement: (i) Mr. Dzielak's employment with the Company may be terminated at any time with or without cause or notice, (ii) his annual base salary was increased from \$600,000 to \$700,000, effective as of February 26, 2018, and (iii) his target bonus remained unchanged at 100% of his base salary. In connection with his entry into the new employment agreement, the Section 16 Committee also approved a grant of 12,747 restricted stock units that will vest annually over four years, subject to his continued service with the Company. These arrangements were intended to further encourage Mr. Dzielak's long term commitment to the Company in light of his significant knowledge of, and

experience managing, the various legal and regulatory issues relevant to the travel industry generally, and the Company and its businesses specifically. The severance provisions of Mr. Dzielak's new employment agreement are described below in the section titled "Severance."

Executive Compensation Policies

Stock Ownership Policy

To further align the interests of Expedia Group senior management and Expedia Group stockholders, the Company has adopted a Stock Ownership Policy that specifies a number of shares that the Chief Executive Officer and members of the Company's senior leadership team are expected to accumulate and hold by the later of five years from the date of hire or promotion into an eligible position. Unexercised stock options and unvested RSUs are not counted toward compliance with the minimum stockholding target.

The Stock Ownership Policy also includes stock retention provisions. Prior to the Ownership Target Date, if eligible executives have not met their stockholding requirement, they are required to retain 25% of the net shares received from any exercised options or any vested RSUs until they have met their stockholding target. Net shares are the shares remaining after payment of the exercise price and/or withholding of taxes. If executives subject to the Policy have not met their stockholding requirement on the Ownership Target Date, the net-share retention percentage may be increased until they have met their minimum stockholding target. The following reflect changes to the named executive officers' stockholding targets due to changes in position during 2017:

• Mr. Okerstrom's stockholding target was increased from 60,000 to 200,000 in connection with his appointment as President and Chief Executive Officer;

• Mr. Pickerill became subject to the policy upon his appointment as Chief Financial Officer, with a stockholding target of 60,000 shares; and

• Mr. Soliday's stockholding target was increased from 7,500 shares to 15,000 shares upon his promotion to Senior Vice President.

Each of Messrs. Okerstrom, Pickerill and Soliday have five years from their appointment to their current position to reach their new stockholding targets. Mr. Dzielak has not yet met his minimum share target. As a result, each of Messrs. Okerstrom, Pickerill, Dzielak and Soliday are required to retain 25% of the net shares received from any exercised options or any vested RSU.

Hedging Policy

The Expedia Group, Inc. Securities Trading Policy prohibits employees, including executive officers, from engaging in short sales with respect to Expedia Group securities or the purchase, sale or issuance of options or rights relating to Expedia Group securities. This prohibition extends to various forms of hedging or monetization transactions.

Incentive Compensation Clawback Policy

In March 2018, the Expedia Group Board of Directors adopted, and delegated authority to the Compensation Committee to administer, an Incentive Clawback Policy that applies to compensation granted to current and former executives after January 1, 2018. The Policy provides that in the event of either (i) a material accounting restatement resulting from material noncompliance with financial reporting requirements, or (ii) misconduct that involves a material violation of law or the Company's policies resulting in significant harm to the Company, the Compensation Committee is authorized to recover any excess incentive compensation that was received by certain employees, including current and former executive officers, taking into account such factors as the Compensation Committee deems appropriate. In addition, equity award agreements for all employees, including the named executive officers, provide for the recovery of equity-based compensation realized during the two years prior to an employee's termination of employment for cause.

Tax Matters

Expedia Group has endeavored to structure its compensation policies to qualify as performance-based under Section 162(m) whenever reasonably possible to do so while meeting Expedia Group's compensation objectives. For purposes of allowing Expedia Group to deduct employee compensation in accordance with Section 162(m), the Compensation Committees made all annual bonuses payable to named executive officers for 2017 and vesting of Mr. Okerstrom's September 2017 restricted stock unit grant subject to the satisfaction of performance goals. However, the exemption from Section 162(m)'s deduction limit for performance-based compensation has been repealed, effective for taxable years beginning after December 31, 2017. As a result, compensation paid to our named executive officers after December 31, 2017 in excess of \$1 million will not be deductible unless it qualifies for transition relief applicable to certain binding contracts in place as of November 2, 2017 and which were not materially modified after that date.

While we currently expect that the transition relief would apply to Mr. Okerstrom's 2017 RSU award, it appears that the transition relief was not intended to apply to programs with a discretionary component such as our annual bonus plan which would

mean that annual bonus payments made to our NEOs in 2018 for service in 2017 may not be deductible. However, the Department of Treasury is expected to issue additional technical guidance, including with respect to the application of transition relief, which may affect our preliminary conclusions. Additionally, under applicable Internal Revenue Service rules, the personal use of corporate aircraft leads to a disallowance of the deduction by Expedia Group for tax purposes of certain airplane-related costs.

The Compensation Committees intend to consider the potential impact of Section 162(m) on compensation decisions, but reserves the right to approve compensation for an executive officer that exceeds the deduction limit of Section 162(m) in order to provide competitive compensation packages.

Change in Control

Under the Expedia Group 2005 Plan, the named executive officers are entitled to accelerated vesting of equity awards in the event of a change in control of Expedia Group. The Compensation Committees believe that accelerated vesting of equity awards in connection with change in control transactions would provide an incentive for these executives to continue to help execute successfully such a transaction from its early stages until closing.

For a description and quantification of these change in control benefits, please see the section below titled “Executive Compensation-Potential Payments Upon Termination or Change in Control.”

Severance

Each of Messrs. Okerstrom, Pickerill and Dzielak have employment agreements with Expedia Group pursuant to which, in the event of a qualifying termination and subject to the executive executing a release of claims agreement: Expedia Group will continue to pay base salary to (i) Messrs. Okerstrom and Pickerill through the longer of the end of the term of the employment agreement (subject to a maximum of 36 months for Mr. Okerstrom only) and 12 months, and (ii) to Mr. Dzielak for 12 months, except that Expedia Group may, at its sole discretion, choose to extend the payment period to 18 months (whether 12 or 18 months, the “Dzielak Continuation Period”), in each case payable in equal biweekly installments and provided that such payments will be offset by any amount earned by the executive from another employer during the relevant period;

Expedia Group will consider in good faith the payment of discretionary bonuses on a pro rata basis for the year in which termination of employment occurs, payable in a lump sum at the time such annual bonus would otherwise have been paid;

Expedia Group will pay an amount equal to COBRA health insurance coverage for a period of 12 months for Messrs. Okerstrom and Pickerill and for the Dzielak Continuation Period for Mr. Dzielak, in each case payable in a lump sum; except as described below with respect to certain long-term incentive stock option awards, all equity holdings that otherwise would have vested during the 12-month period following termination of employment will accelerate, provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually; and

Messrs. Okerstrom, Pickerill and Dzielak will have 18 months following the date of termination to exercise any vested stock options (including stock options accelerated pursuant to the terms of the executive’s employment agreement) or, if earlier, through the scheduled expiration date of the options.

Upon an executive’s termination of employment by the Company without cause (other than by reason of death or disability) or resignation by the executive for Good Reason, certain stock option grants vest on a pro rated basis for each full month from the date of grant to the applicable termination date (or, in the case of Mr. Okerstrom only, the first anniversary of the termination date) and, in the case of such options subject to satisfaction of a stock price goal, subject to the achievement of such stock price goal. Stock option awards with special monthly pro-rated severance provisions include performance-based and service-based stock options granted to Mr. Okerstrom on March 7, 2017, performance-based options granted to Mr. Okerstrom on September 15, 2017, as well as the 2018 Performance-Based Options granted to Messrs. Okerstrom, Pickerill and Dzielak and 2018 Cliff-Vest Options granted to Messrs. Pickerill and Dzielak, as described above in the section titled “Subsequent Compensation Approvals - 2018 Special Long-Term Equity Awards.”

Non-Competition & Non-Solicitation Provisions. Messrs. Okerstrom, Pickerill and Dzielak will be restricted from competing with the Company and from soliciting Company employees and business partners during a period following termination of their employment for any reason. For Messrs. Okerstrom and Pickerill the applicable period is the longer of the term of their employment agreement and eighteen months, and in the case of Mr. Dzielak it is the Dzielak Continuation Period.

Offset Provisions. Any cash payments made in connection with the severance provisions described above shall be offset by any cash amounts earned from another employer during the applicable time period.

The foregoing arrangements are intended to attract and retain qualified executives who may have other employment alternatives that may appear to them to be less risky absent these arrangements.

COMPENSATION COMMITTEE REPORT

The Compensation Committees have reviewed the Compensation Discussion and Analysis and discussed that Analysis with management. Based on this review and discussions with management, the Compensation Committees recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and in the Company's 2018 proxy statement.

Reflects base salary earned during the relevant fiscal year. For Mr. Khosrowshahi, reflects \$711,539 in base salary compensation received prior to his resignation as President and Chief Executive Officer on August 31, 2017, as well as \$14,796 for his services as a non-employee director commencing on September 1, 2017. See the sections (1) above titled “Compensation Discussion and Analysis—Compensation Program Elements—Base Salary” and “Compensation Discussion and Analysis—Compensation Program Elements—Compensation Arrangements relating to 2017 Chief Executive Officer and Chief Financial Officer Transition” for descriptions of changes to annual base salaries during 2017.

The amounts in the Bonus column reflect annual cash bonuses paid to named executive officers for performance in (2) the relevant fiscal year. See the section above titled “Compensation Discussion and Analysis—Compensation Program Elements—Annual Cash Bonuses” for a description of the 2017 cash bonuses that were paid in 2018.

(3) Includes aggregate grant date fair value of awards granted in the year indicated, computed in accordance with FASB ASC Topic 718. The grant date fair value of awards reflects an estimate as of the grant date and may not correspond to the actual value that will be recognized by the named executive officers. Stock Awards consist of

restricted stock units valued using the closing price of Expedia Group common stock on the Nasdaq Stock Market on the day immediately preceding the grant date. For Mr. Khosrowshahi, the Stock Awards consist of RSUs awarded upon appointment to the Board, see section entitled "Compensation of Directors." In addition, in the case of the Performance Options granted to Mr. Okerstrom on September 15, 2017, the Monte Carlo valuation model was used. For details regarding the assumptions used to calculate these amounts in 2017, see footnote 2 to the table below entitled, "2017 Grants of Plan-Based Awards."

- (4) Additional information regarding certain components of amounts reflected in the "All Other Compensation" is as follows:

	Barry Diller	Dara Khosrowshahi	Mark D. Okerstrom	Alan R. Pickerill	Robert J. Dzielak	Lance A. Soliday
Corporate Aircraft ^(a)	\$505,237	—	—	—	—	—

Miscellaneous ^(c)	\$55,658	—	—	—	—	—

Reflects the incremental cost to Expedia Group for personal use of corporate aircraft jointly owned by each of Expedia Group and IAC (or charter aircraft in the event the jointly-owned aircraft are temporarily unavailable). In 2017, the incremental cost to Expedia Group for Messrs. Diller, Khosrowshahi and Okerstrom's personal use of these aircraft is based on the average variable operating cost to Expedia Group. Variable operating costs include fuel, certain maintenance costs, navigation fees, onboard catering, landing fees, crew travel expenses and other miscellaneous variable costs. The total annual variable costs are divided by the annual number of hours such aircraft flew to derive an average variable cost per hour. This average variable cost per hour is then multiplied by the hours flown for personal use (for the jointly-owned aircraft, including flights to the hangar or other locations without passengers, commonly referred to as "deadhead" flights), to derive the incremental cost. We do not include fixed costs that do not change based on usage, such as pilots' salaries, purchase costs, insurance, scheduled maintenance and non-trip-related hangar expenses in the case of the jointly-owned aircraft, and purchase costs and management fees in the case of the fractional interest aircraft. For personal use of the corporate aircraft during 2017, Messrs. Khosrowshahi and Okerstrom reimbursed the Company up to the maximum amount permitted under Federal Aviation Administration regulations. Executive officers occasionally have family members or other guests accompany them on business and personal trips, at minimal incremental cost to the Company. While travel by family members or other guests does not result in any incremental cost to the Company, such travel does result in the imputation of taxable income to such executive officers, the amount of which is calculated in accordance with applicable IRS regulations. See the section above titled "Compensation Discussion and Analysis- Compensation Program Elements-Other Compensation" for a description of the Company's policy regarding the personal use of Company aircraft by executive officers.

Represents matching contributions of Expedia Group under the Company's 401(k) Retirement Savings Plan. Under this plan as in effect through December 31, 2017, Expedia Group matches \$0.50 for each dollar a participant contributes, up to the first 6% of eligible compensation, subject to limits imposed by the Internal Revenue Code.

Represents the total amount of other benefits provided to Mr. Diller, none of which individually exceeded 10% of the total value of all perquisites and personal benefits. In connection with the IAC/Expedia Group Spin-Off, Expedia Group and IAC agreed that, in light of Mr. Diller's senior role at both companies and his anticipated use of certain resources for the benefit of both companies, certain expenses associated with such usage would be shared between Expedia Group and IAC. Mr. Diller is provided with the use of certain automobiles for business and personal purposes and certain IAC-owned office space and IT equipment for use by certain individuals who work for Mr. Diller personally. In 2017, Expedia Group and IAC covered 50% and 50% of these costs, respectively.

As President and Chief Executive Officer, Mr. Khosrowshahi did not receive any equity awards in 2017. However, (1) in September 2017, upon continuation of his director services as a non-employee director, Mr. Khosrowshahi received 1,686 RSUs, see table above titled "2017 Summary Compensation Table" and related footnote 3.

All options have a seven-year term and all options other than the Performance Options granted to Mr. Okerstrom on September 15, 2017, vest in four equal installments commencing on the first anniversary of the grant date. The Performance Options award of 300,000 stock options granted on September 15, 2017 to Mr. Okerstrom are subject (2) to his continued employment with the Company and satisfaction of a stock price goal of \$200, measured on the basis of the average of the closing prices of the Company's common stock for either the six or twelve-month period immediately preceding September 15, 2021.

Represents the number of shares of Expedia Group common stock to be issued upon satisfaction of the conditions to vesting, without taking into account shares withheld to cover taxes, if any. The vesting of the Cliff Vest RSUs awarded on September 15, 2017 to Mr. Okerstrom is subject to his continued employment with the Company and (3) is also subject to the achievement of performance goals relating either to stock price performance or world-wide hotel bookings, which goals have been satisfied. Mr. Okerstrom's Cliff Vest RSU award is described in further detail in the section above titled "Compensation Discussion and Analysis--Compensation Program Elements--Compensation Arrangements relating to 2017 Chief Executive Officer and Chief Financial Officer Transitions."

These amounts reflect an estimate of the grant date fair value and may not correspond to the actual value that will be recognized by the named executive officers. For stock options, reflects the full grant date fair value, calculated in accordance with FASB ASC Topic 718 using a Black-Scholes option valuation methodology, except for Performance Options granted to Mr. Okerstrom on September 15, 2017, which uses the Monte Carlo valuation (4) model. The Black-Scholes model incorporates various other assumptions including expected volatility, expected term and risk-free interest rates. The expected volatility is based on historical volatility of our common stock and other relevant factors. The expected term is based on our historical experience and on the terms and conditions of the stock option awards granted to employees. For option awards granted to the named executive officers during 2017, the Black-Scholes and Monte Carlo option pricing model assumptions were as follows:

Grant Date	Expected Term	Risk-Free Interest	Expected	Assumed Annual
(years)	(years)	Rate (%)	Volatility (%)	Dividend Rate

				(% of grant date closing price)

Represents the value of exercised options calculated by multiplying (i) the number of shares of Expedia Group's (1) common stock to which the exercise of the option related by (ii) the difference between the market price of Expedia Group's common stock at exercise and the exercise price of the options.

(2) Represents the gross number of shares acquired upon vesting of RSUs without taking into account any shares that may be withheld to satisfy applicable tax obligations.

Represents the value of vested RSUs calculated by multiplying the gross number of vested RSUs by the closing (3) price of Expedia Group common stock on the Nasdaq Stock Market on the vesting date or if the vesting occurred on a day on which the Nasdaq Stock Market was closed for trading, the next trading day.

Mr. Diller exercised options to purchase 99,737 shares of Expedia Group common stock, of which 17,547 shares were withheld and concurrently cancelled by the Company to cover the exercise price, and 44,774 shares were (4) withheld and concurrently cancelled to cover tax obligations, with a net delivery of 37,416 shares. These options were granted to Mr. Diller in February 2010. Mr. Diller exercised the options in 2017 because the options were scheduled to expire. Mr. Diller holds the net shares acquired upon exercise.

Potential Payments Upon Termination or Change in Control

Certain of our employment agreements, compensation plans, and equity award agreements entitle some of our named executive officers to salary continuation, accelerated vesting of equity awards and other severance benefits in the event of a change in control of the Company and/or upon the termination of the executive's employment with Expedia Group (or, in the case of Mr. Khosrowshahi, his service on the Expedia Group Board of Directors) under specified circumstances. These plans and agreements are described below as they apply to our named executive officers.

Employment Agreement Severance Provisions

Qualifying Termination. Each of Messrs. Okerstrom, Pickerill and Dzielak have entered into an employment agreement with Expedia Group, pursuant to which, in the event of such executive's termination of employment by the Company without cause (other than by reason of his death or disability) or by the executive for good reason (together, a "Qualifying Termination") and subject to the executive executing a release of claims agreement:

Expedia Group will continue to pay base salary to Messrs. Okerstrom and Pickerill through the longer of the end of the term of the employment agreement (subject to a maximum of 36 months for Mr. Okerstrom only) and 12 months and to Mr. Dzielak for 12 months, except that Expedia Group may, at its sole discretion, choose to extend the payment period to 18 months (whether 12 or 18 months, the "Dzielak Continuation Period"), in each case payable in equal biweekly installments and provided that such payments will be offset by any amount earned by the executive from another employer during the relevant period;

Expedia Group will pay an amount equal to COBRA health insurance coverage for a period of 12 months for Messrs. Okerstrom and Pickerill and for the Dzielak Continuation Period for Mr. Dzielak in each case payable in a lump sum; except as described below under “Okerstrom Long-Term Equity Awards” with respect to the stock option awards granted to Mr. Okerstrom on March 7, 2016 and September 15, 2017, all equity holdings that otherwise would have vested during the 12-month period following termination of employment will accelerate, provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually; and

Messrs. Okerstrom, Pickerill and Dzielak will have 18 months following the date of termination to exercise any vested stock options (including stock options accelerated pursuant to the terms of the executive's employment agreement) or, if earlier, through the scheduled expiration date of the options

In addition, Messrs. Okerstrom, Pickerill and Dzielak will be restricted from competing with the Company and from soliciting Company employees and business partners during a period following termination of their employment for any reason. For Messrs. Okerstrom and Pickerill the applicable period is the longer of the term of their employment agreement and eighteen months, and in the case of Mr. Dzielak it is the Dzielak Continuation Period. Any cash payments made in connection with the severance provisions described above shall be offset by any cash amounts earned from another employer during the applicable time period.

As defined in the Okerstrom, Dzielak and Pickerill employment agreements:

"Good reason" means the occurrence of any of the following without the executive's consent (i) the Company's material breach of any material provision of the executive's employment agreement, (ii) the material reduction in the executive's title, duties or reporting responsibilities, (iii) a material reduction in the executive's base salary, or (iv) the relocation of the executive's principal place of employment more than 50 miles outside of the Seattle metropolitan area, in each case, following a requisite notice and cure period in favor of the Company; and

"Cause" means the executive's (i) plea of guilty or nolo contendere to, conviction for, or the commission of, a felony offense, (ii) material breach of a fiduciary duty owed to the Company or any of its subsidiaries, (iii) material breach of any of the covenants made pursuant to the executive's employment agreement, (iv) willful or gross neglect of the material duties required by the executive's employment agreement, or (v) knowing and material violation of any Company policy pertaining to ethics, legal compliance, wrongdoing or conflicts of interest, subject to certain qualifications.

Mr. Diller does not have employment agreement with the Company, and Mr. Soliday has entered into the Company's standard at-will employment agreement, which does not include severance provisions. Mr. Khosrowshahi has not been an employee of the Company since his resignation in September 2017.

Expedia Group 2005 Plan Change in Control Equity Acceleration

Pursuant to the Expedia Group, Inc. Fourth Amended and Restated 2005 Stock and Annual Incentive Plan (the "Expedia Group 2005 Plan"), in the event of a change in control, outstanding stock options and RSUs held by employees with a title of Senior Vice President or above, including each of our named executive officers other than Mr. Khosrowshahi, will become fully vested and, in the case of options, fully exercisable ("Single Trigger Event"). With respect to a Single Trigger Event, any restrictions applicable to restricted stock and RSUs will lapse, and RSUs will be considered earned and payable in full and will be settled in cash or shares of Expedia Group common stock as promptly as practicable, except to the extent such settlement must be delayed pursuant to the rules and regulations of Section 409A of the Code.

The Expedia Group 2005 Plan defines a "change in control" as follows:

another party, other than Mr. Diller, Liberty Expedia Holdings, Inc. or their respective affiliates, acquires the beneficial ownership of at least 50% of the Company's outstanding voting stock, with certain exceptions; the members of the Board as of the date the Expedia Group 2005 Plan was adopted by the Board (the "incumbent Board members") cease to constitute a majority of the Board (with replacement directors that are endorsed by a majority of the Company directors who are incumbent Board members generally counting as incumbent Board members);

the Company consummates a merger, reorganization or consolidation with another party, or the sale or other disposition of all or substantially all of the Company's assets or the purchase of assets or stock of another entity ("Business Combination"), unless (A) all or substantially all of the beneficial stockholders of the Company immediately prior to such Business Combination retain more than 50% of the combined voting power of the outstanding voting securities of the entity resulting from the Business Combination in substantially the same proportions as their ownership of voting stock immediately prior to such Business Combination, (B) no person (excluding Mr. Diller, Liberty Expedia Holdings, Inc. and their respective affiliates, any employee benefit plan (or related trust) of the Company or such entity resulting from such Business Combination) beneficially owns more than a majority of the combined voting power of the then outstanding voting securities of such entity except to the extent that such

ownership of the Company existed prior to the Business Combination, and (C) at least a majority of the members of the board of directors (or equivalent governing body, if applicable) of the entity resulting from the Business Combination were incumbent members of the Company's Board at the time of the initial agreement or Board action providing for such Business Combination; or
the Company's stockholders approve the complete liquidation or dissolution of the Company.

Incremental Vesting Equity Awards

Other than new-hire grants or special equity awards, stock option and RSU awards to employees, including the named executive officers, are generally subject to incremental vesting whereby 25% of the stock option or RSU award vests and becomes exercisable in each of the four years following the grant, subject to continued service with us through each applicable vesting date (“Incremental Vesting Equity Awards”).

Each of our named executive officers held Incremental Vesting Equity Awards that were unvested as of December 31, 2017. In the event of a change in control, these equity awards vest as described in the section above titled “Expedia Group 2005 Plan Change in Control Equity Acceleration”, the section below titled “Khosrowshahi Equity,” and, if applicable, in the section above titled “Employment Agreement Severance Provisions” upon a Qualifying Termination.

Khosrowshahi Equity

Khosrowshahi Equity Treatment Agreement. Pursuant to an Equity Treatment Agreement effective as of September 20, 2017 (the “Khosrowshahi ETA”), Mr. Khosrowshahi retained the following unvested equity awards as of December 31, 2017 (the “Retained Khosrowshahi Awards”), which will vest on the original vesting schedules, subject to his continued service as a member of the Board:

- 50,000 stock options, with a \$78.52 per share exercise price (the “Retained 2014 Options”);
- 25,000 stock options, with a \$91.75 per share exercise price (the “Retained 2015 Options”); and
- 320,000 stock options, with a \$95.00 per share exercise price, scheduled to vest on September 30, 2020, subject to satisfaction of a \$170 Company stock price goal (the “Retained DK Performance Options,” together with the Retained 2014 Options and the Retained 2015 Options, the “Retained DK Options”).

In the event of a Change in Control, the Retained DK options will vest in full. In addition, in the event of the acquisition for cash by Liberty Expedia Holdings, Inc. or any of its affiliates of beneficial ownership of 100% of the outstanding Company voting securities (as defined in the Expedia Group 2005 Plan), the Retained DK Performance options will vest in full. In the event Mr. Khosrowshahi ceases to be a member of the Expedia Group Board of Directors prior to the applicable vesting date for any reason, the Retained DK Options will be forfeited.

Director RSUs. Upon his resignation as President and Chief Executive Officer of the Company, Mr. Khosrowshahi became entitled to receive standard non-employee director compensation in accordance with the Company’s compensation policies and practices for the Board, which included an initial grant of 1,686 RSUs on September 2, 2017 that vests in equal installments on the first three anniversaries of the date of grant, subject to Mr. Khosrowshahi’s continued service as a member of the Board (the “Khosrowshahi Director RSUs”). In the event of a Change in Control (as defined in the Expedia Group 2005 Plan), the Khosrowshahi Director RSUs will vest in full. If Mr. Khosrowshahi ceases to be a member of the Expedia Group Board of Directors for any reason, the Khosrowshahi Director RSUs will be forfeited.

Okerstrom Long-Term Equity Awards

On March 7, 2016, Mr. Okerstrom was granted the following long-term equity awards:

- an award of 225,000 stock options that vest 50% on each of the third and fifth anniversaries of the date of grant, subject to Mr. Okerstrom’s continued employment with the Company (the “2016 Okerstrom Cliff Vest Options”); and
- an award of 175,000 stock options that are subject to Mr. Okerstrom’s continued employment with the Company and satisfaction of a stock price goal of \$180, measured on the basis of the average of the closing prices of the Company’s common stock for either the six or twelve-month period immediately preceding September 30, 2021 (the “2016 Okerstrom Performance Options” and together with the 2016 Okerstrom Cliff Vest Options, the “2016 Okerstrom Long-Term Stock Option Awards”).

The exercise price for the 2016 Okerstrom Long-Term Stock Option Awards is \$105.39.

On September 15, 2017, Mr. Okerstrom was granted the following equity awards:

- an award of 300,000 stock options with an exercise price of \$142.13 that are subject to Mr. Okerstrom’s continued employment with the Company and satisfaction of a stock price goal of \$200, measured on the basis of the average of the closing prices of the Company’s common stock for either the six or twelve-month period immediately preceding September 15, 2021 (the “2017 Okerstrom Performance Options”); and
- an award of 25,000 restricted stock units with a vest date of September 15, 2021, which was subject to the satisfaction of performance goals that were met, as determined by the Compensation Committee during the first quarter of 2018

(the "2017 Okerstrom Cliff Vest RSUs").

In the event of a Qualifying Termination, the 2016 Okerstrom Long-Term Stock Option Awards and the 2017 Okerstrom Performance Options will vest on a pro-rated basis for each full month from the date of grant to the first anniversary of the termination date and, in the case of the 2016 Okerstrom Performance Options and the 2017 Okerstrom Performance Options, subject to the achievement of the applicable stock price goal. In the event of a Qualifying Termination, the 2017 Okerstrom Cliff Vest RSUs will vest as described above in the section titled "Employment Agreement Severance Provisions" for equity awards that vest less frequently than annually.

In the event Mr. Okerstrom resigns his employment for good reason or the Company terminates his employment other than for cause, death or disability, the 2016 Okerstrom Long-Term Stock Option Awards and the 2017 Okerstrom Performance Options will vest on a pro-rated basis for each full month from the date of grant to the first anniversary of the termination date and, in the case of the 2016 Okerstrom Performance Options and the 2017 Okerstrom Performance Options, subject to the achievement of the applicable stock price goal.

In the event of a Change in Control (as defined in the Expedia Group 2005 Plan), the 2016 Okerstrom Long-Term Stock Option Awards and the 2017 Okerstrom Performance Options will vest in full.

Estimated Potential Incremental Payments Upon Termination or Change in Control

The table below describes and quantifies certain amounts that would become payable to our named executives upon certain terminations of employment or change in control events, assuming that the relevant event occurred on December 31, 2017. These amounts, which exclude the effect of any applicable taxes, are based on:

- the named executive's base salary as of December 31, 2017;
- the number of stock options or RSUs outstanding as of December 31, 2017; and
- the closing price of Expedia Group common stock on December 29, 2017 (\$119.77).

These amounts are estimates of the incremental amounts that would be paid out to the executive upon such relevant event. The actual amounts to be paid out can only be determined at the time of the relevant event, if any. In addition to these amounts, certain other amounts and benefits generally payable and made available to other Company employees upon a termination of employment, including payments for accrued but unpaid salary, will generally be payable to our named executives.

Pay Ratio Disclosure

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and related regulations, we are providing the information below regarding the ratio of the annual total compensation of our median compensated employee to that of our Chief Executive Officer (the “CEO Pay Ratio”).

Identifying Our Median Compensated Employee

When determining our median compensated employee, we included the following compensation elements for our global employee population other than our President /Chief Executive Officer, including employees of our consolidated subsidiaries, as of November 1, 2017 (the “Determination Date”) using foreign exchange rates in effect on the Determination Date for non-domestic employees:

annual salary, which for hourly employees was calculated based on hourly rates and total scheduled 2017 hours as of the Determination Date, and for all other employees was calculated based on their salary in effect on the Determination Date;

annual cash bonus (including cash incentive plan payments), which was calculated based on an employee’s target percentage times base salary in effect on the Determination Date; and

- equity-based compensation, which was calculated based on target equity award levels as of the Determination Date, taking into account an employee’s role and level.

On the Determination Date, our global employee population for purposes of the median employee determination was 22,152 employees (comprised of 10,227 domestic and 11,925 international employees), including full-time and part-time employees, interns, trainees, and fixed term contractors who are paid directly by the Company. This determination process identified in a median group consisting of several employees and a representative employee was selected from that group, taking into account demographic characteristics that best represent a typical Expedia Group employee, including tenure, location, role and responsibilities.

Median Employee’s Total 2017 Compensation

Having identified our median compensated employee, we then calculated that employee’s actual 2017 total annual compensation in accordance with the SEC’s requirements for reporting named executive officer compensation in the Summary Compensation Table, resulting in 2017 annual total compensation of \$71,696.

CEO’s Total 2017 Compensation

The Company had two non-concurrent chief executive officers who served during fiscal year 2017. Effective August 31, 2017, Mr. Okerstrom was appointed to serve as President and Chief Executive Officer, succeeding Mr. Khosrowshahi. For the purposes of the 2017 CEO Pay Ratio disclosure, we used Mr. Okerstrom’s 2017 total compensation as reported in the Summary Compensation Table on page 37, except that we annualized the base salary for Mr. Okerstrom in effect on the Determination Date, resulting in 2017 annual total compensation of \$30,896,418.

2017 CEO Pay Ratio

The ratio of Mr. Okerstrom’s annual total compensation for 2017 (which included long-term equity incentive compensation awarded in connection with his promotion to the role of President and Chief Executive Officer, as discussed below) to the median employee annual total compensation determined as described above, was 431:1.

Other Considerations

During 2017, in connection with his promotion to the position of Expedia Group’s President and Chief Executive Officer, Mr. Okerstrom received approximately \$24.8 million in long-term equity incentive compensation, a significant portion of which is subject to long-term stock price goals. These long-term promotion equity awards represented approximately 80% of Mr. Okerstrom’s 2017 annual total compensation. Excluding his promotion equity awards but including his 2017 annual review equity award, the ratio of Mr. Okerstrom’s 2017 annual total compensation to that of the median compensated employee would have been 85:1.

The pay ratio disclosure set forth above is a reasonable estimate calculated in a manner consistent with applicable SEC rules, based on the methodologies and assumptions described above. SEC rules for identifying the median employee and determining the related pay ratio permit companies to use a wide range of methodologies, estimates and assumptions. As a result, the pay ratios reported by other companies may be based on other permitted methodologies and/or assumptions, and as a result, are likely not comparable to our pay ratio.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Review and Approval or Ratification of Related Person Transactions

In general, the Company will enter into or ratify a “related person transaction” only when, pursuant to the Audit Committee Charter, it has been approved by the Audit Committee of the Board of Directors. Related persons include the Company’s executive officers, directors, 5% or more beneficial owners of our common stock, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. Related person transactions are transactions that meet the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person or entity has a direct or indirect material interest). While we have no written policy, when a potential related person transaction is identified, management presents it to the Audit Committee to determine whether to approve or ratify. When determining whether to approve, ratify, disapprove or reject any related person transaction, the Audit Committee considers all relevant factors, including the extent of the related person’s interest in the transaction, whether the terms are commercially reasonable and whether the related person transaction is consistent with the best interests of the Company and its stockholders.

The legal and accounting departments work with business units throughout the Company to identify potential related person transactions prior to execution. In addition, the Company takes the following steps with regard to related person transactions:

On an annual basis, each director, director nominee and executive officer of the Company completes a Director and Officer Questionnaire that requires disclosure of any transaction, arrangement or relationship with the Company during the last fiscal year in which the director or executive officer, or any member of his or her immediate family, had a direct or indirect material interest.

Each director, director nominee and executive officer is expected to promptly notify the Company’s legal department of any direct or indirect interest that such person or an immediate family member of such person had, has or may have in a transaction in which the Company participates.

The Company performs a quarterly search of its accounts payable, accounts receivable and other databases to identify any other potential related person transactions that may require disclosure.

Any reported transaction that the Company’s legal department determines may qualify as a related person transaction is referred to the Audit Committee.

If any related person transaction is not approved, the Audit Committee may take such action as it may deem necessary or desirable in the best interests of the Company and its stockholders.

Relationships Involving Significant Stockholders, Named Executive Officers and Directors.

Relationships Involving Mr. Diller

Expedia Group. Mr. Diller is the Chairman and Senior Executive of Expedia Group. Subject to the terms of an Amended and Restated Stockholders Agreement between Liberty Expedia Holdings and Mr. Diller, as amended as of November 4, 2016, Mr. Diller also holds the Diller Proxy to vote shares of Expedia Group common stock and Class B common stock beneficially owned by Liberty Expedia Holdings, which proxy has been assigned by Mr. Diller to Liberty Expedia Holdings as described below.

On November 4, 2016, Liberty Interactive redeemed a portion of the outstanding shares of its Liberty Ventures common stock in exchange for all of the outstanding shares of Liberty Expedia Holdings, which at that time was a wholly owned subsidiary of Liberty Interactive (the “Liberty Split-Off”). At the time of the Liberty Split-Off, Liberty Expedia Holdings’ assets included all of Liberty Interactive’s interest in Expedia Group. Pursuant to a Transaction Agreement among Mr. Diller, Liberty Interactive, Liberty Expedia Holdings, John C. Malone and Leslie Malone, dated as of March 24, 2016 and amended and restated effective as of September 22, 2016, at the time of the Liberty Split-Off, for a period ending not later than May 4, 2018 (the “Outside Date”), (i) Mr. Diller assigned the Diller Proxy to Liberty Expedia Holdings (the “Diller Assignment”) and (ii) Mr. and Mrs. Malone granted Mr. Diller an irrevocable proxy to vote all shares of Liberty Expedia Holdings Series A common stock and Series B common stock beneficially owned by them upon completion of the Liberty Split-Off or thereafter (the “Malone Proxy”), in each case, subject to certain limitations. On March 6, 2018, Liberty Expedia Holdings, Liberty Interactive, Mr. Malone, Mrs. Malone and

Mr. Diller entered into a letter agreement, which amended the termination provisions of the Transaction Agreement to extend the Outside Date to May 4, 2019.

As a result, by virtue of the voting power associated with the Malone Proxy, the governance structure at Liberty Expedia Holdings and Mr. Diller's continuing position as Chairman of Expedia Group's Board of Directors, Mr. Diller will be

able to elect the directors of Liberty Expedia Holdings who will determine how Liberty Expedia Holdings will exercise certain rights and vote the shares of Expedia Group common stock and Class B common stock beneficially owned by Liberty Expedia Holdings, and which Liberty Expedia Holdings has the power to vote, in the election of Expedia Group directors until the termination or expiration of the Diller Assignment and Malone Proxy, at which point (and by virtue of the termination of the Diller Assignment), unless the Diller Assignment and Malone Proxy terminate as a result of Mr. Diller's death or disability, Mr. Diller will have the power to vote directly all shares of Expedia Group Common Stock and Class B Common Stock beneficially owned by Liberty Expedia Holdings.

Relationships Involving Expedia Group and IAC

Overview. Since the completion of the IAC/Expedia Group Spin-Off in 2005, Expedia Group and IAC have been related parties due to Mr. Diller's voting power at the Expedia Group as described above, his executive role at each company, and the fact that he and certain members of his family collectively have sole voting and/or investment power over all shares of IAC Class B common stock outstanding. In connection with and following the IAC/Expedia Group Spin-Off, Expedia Group and IAC entered into certain arrangements, including arrangements regarding the sharing of certain costs and the use and ownership of the Company aircraft and various commercial and other relationships, certain of which are described below.

Cost-Sharing Arrangements. Mr. Diller currently serves as Chairman and Senior Executive of both Expedia Group and IAC. Expedia Group and IAC have agreed, in light of Mr. Diller's senior role at both companies and his anticipated use of certain resources to the benefit of both companies, that certain expenses associated with such usage would be shared, as well as certain costs incurred by IAC in connection with the provision of certain benefits to Mr. Diller ("Shared Costs"). Cost sharing arrangements in effect during 2017 provided that each of Expedia Group and IAC cover 50% of the Shared Costs, which both companies agree best reflects the current allocation of actual time spent (and time to be spent) by Mr. Diller between the two companies. Shared Costs include costs for personal use of cars and equipment dedicated to Mr. Diller's use and expenses relating to Mr. Diller's support staff. During 2017, IAC billed Expedia Group for costs in the amount of approximately \$430,000 pursuant to these arrangements.

Aircraft Arrangements. Each of Expedia Group and IAC currently hold a 50% ownership interest in two aircraft that may be used by both companies. Pursuant to an amended and restated operating agreement, Expedia Group and IAC share capital costs relating to jointly-owned aircraft equally and operating costs are shared pro rata based on actual usage. These costs are generally paid by each company to third parties. Members of the aircrafts' flight crews are employed by an entity in which each of Expedia Group and IAC has a 50% ownership interest. In 2017, total payments of \$2.5 million were made to this entity by Expedia Group. At any time when Mr. Diller ceases to serve as Chairman of either Expedia Group or IAC, each party will have a put right with respect to its interest in the jointly-owned aircraft for which it is not the primary user (such determination based on relative usage of the aircraft in question during the 12 months immediately preceding such event), in each case at fair market value.

On April 13, 2017, each of Expedia Group and IAC paid 50% of the \$29.8 million in total costs (purchase price and related costs) to acquire the newer of the two jointly-owned aircraft discussed above, which went into service in November 2017. Following that purchase, each company jointly-owned three aircraft. The aircraft acquired in 2017 replaced an older jointly-owned aircraft that was subsequently sold in February 2018, with each company receiving 50% of the \$7.5 million net sale proceeds.

Commercial Agreements. Since the spin-off from IAC, Expedia Group has continued to work with some of IAC's businesses pursuant to a variety of commercial agreements, primarily involving advertising sales services provided by IAC businesses. Expedia Group believes that these arrangements are ordinary course and have been negotiated at arm's length. For 2017, these agreements did not, individually or together with similar agreements, involve revenues to (or payments from) Expedia Group businesses in excess of \$120,000.

Relationships Involving Expedia Group and Liberty Expedia Holdings

Governance Agreement. Liberty Interactive was a party to an Amended and Restated Governance Agreement with Expedia Group and Mr. Diller, dated December 20, 2011, which was assigned by Liberty Interactive to Liberty Expedia Holdings in connection with the Liberty Split-Off (the "Governance Agreement"). Under the Governance Agreement, Liberty Expedia Holdings has the right to nominate up to a number of directors equal to 20% of the total number of the directors on the Board (rounded up to the next whole number if the number of directors on the Board is

not an even multiple of five) and has certain rights regarding committee participation, so long as certain stock ownership requirements applicable to Liberty Expedia Holdings are satisfied. The Governance Agreement also provides that if Expedia Group issues or proposes to issue shares of Expedia Group common stock or Expedia Group Class B common stock, Liberty Expedia Holdings has preemptive rights that generally entitle it to purchase a number of shares, subject to a cap, so that Liberty Expedia Holdings will maintain the same ownership interest in Expedia Group that Liberty Expedia Holdings held

immediately prior to such issuance or proposed issuance. Liberty Expedia Holdings did not exercise any such preemptive rights in 2017.

Relationships Involving Messrs. Okerstrom and Khosrowshahi

As discussed in the section above titled “Compensation Discussion and Analysis-Other Compensation,” Expedia Group’s Chief Executive Officer is encouraged to travel on Company aircraft for both business and personal use. Messrs. Okerstrom and Khosrowshahi reimbursed Expedia Group approximately \$23,000 and \$405,000, respectively, for personal use of Company aircraft in 2017.

Householding

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to send one Notice or set of

printed proxy materials to any household at which two or more stockholders reside if they appear to be members of the same family or have given their written consent (each stockholder continues to receive a separate proxy card). This process, which is commonly referred to as “householding,” reduces the number of duplicate copies of materials stockholders receive and reduces printing and mailing costs. Only one copy of the Notice or one set of our printed proxy materials, as applicable, will be sent to stockholders eligible for householding unless contrary instructions have been provided.

Once you have received notice that your broker or the Company will be householding your materials, householding will continue until you are notified otherwise or you revoke your consent. You may request a separate copy of the Notice and/or set of our printed proxy materials by sending a written request to Expedia Group, Inc., 333 108th Avenue N.E., Bellevue, Washington 98004, Attention: Secretary, or by calling (425) 679-7200.

If, at any time: (i) you no longer wish to participate in householding and would prefer to receive a separate Notice and/or set of our printed proxy materials or (ii) you and another stockholder sharing the same address wish to participate in householding and prefer to receive one Notice and/or set of our printed proxy materials, please notify your broker if you hold your shares in street name or the Company if you are a stockholder of record. You can notify us by sending a written request to Expedia Group, Inc., 333 108th Avenue N.E., Bellevue, Washington 98004, Attention: Secretary.

Proposals by Stockholders at 2019 Annual Meeting

Any proposals of shareholders which are intended to be presented at our 2019 annual meeting of shareholders must be received by our Secretary at its principal executive offices at 333 108th Avenue N.E., Bellevue, Washington 98004, Attention: Secretary, on or before January 2, 2019 to be eligible for inclusion in our 2019 proxy statement and form of proxy. Such proposals must be submitted in accordance with Rule 14a-8 of the Exchange Act. If a shareholder intends to present a proposal at our 2019 annual meeting of shareholders without inclusion of that proposal in our 2019 proxy materials and written notice of the proposal is not received by our Secretary at our executive offices on or before March 14, 2019 or if we meet other requirements of the SEC rules, proxies solicited by the Board for our 2019 annual meeting of shareholders will confer discretionary authority on the proxy holders named therein to vote on the proposal at the meeting.
