

Item 7.01. Regulation FD Disclosure.

As previously announced, on April 30, 2016, NephroGenex, Inc. (the “Company”) filed a voluntary petition for relief (the “Chapter 11 Filing”) under Chapter 11 of Title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”).

On February 17, 2017, the Company filed with the Bankruptcy Court (1) a proposed plan of reorganization (as may be amended, modified or supplemented from time to time, the “Proposed Plan”) for the resolution of the outstanding claims against and interests in the Company pursuant to section 1121(a) of the Bankruptcy Code, (2) a related proposed disclosure statement (as may be amended, modified or supplemented from time to time, the “Proposed Disclosure Statement”) and (3) a related proposed liquidating trust agreement (as may be amended, modified or supplemented from time to time, the “Proposed Liquidating Trust Agreement” and, together with the Proposed Plan and Proposed Disclosure Statement, the “Proposed Plan Documents”).

Copies of the filed Proposed Plan, related Proposed Disclosure Statement and related Proposed Liquidating Trust Agreement are attached hereto as Exhibit 99.1, Exhibit 99.2 and Exhibit 99.3, respectively. Information contained in the Proposed Plan Documents is subject to change, whether as a result of amendments to the Proposed Plan Documents, third-party actions, or otherwise. The Proposed Plan is subject to acceptance by certain of the Company’s creditors (as and to the extent required under the Bankruptcy Code) and confirmation by the Bankruptcy Court. There can be no assurances that the requisite acceptances to the Proposed Plan can be obtained from the Company’s creditors, that the Bankruptcy Court will approve the Proposed Disclosure Statement or that the Bankruptcy Court will confirm the Proposed Plan.

The Bankruptcy Code does not permit solicitation of acceptances of the Proposed Plan until the Bankruptcy Court approves the Proposed Disclosure Statement as providing adequate information of a kind, and in sufficient detail, as far as is reasonably practicable in light of the nature and history of the Company and the condition of the Company’s books and records, that would enable a hypothetical investor typical of the holders of claims against and interests in the Company to make an informed judgment about the Proposed Plan. The Bankruptcy Court has not yet approved the Proposed Disclosure Statement. Accordingly, this Current Report on Form 8-K is not intended to be, nor should it be construed as, a solicitation for a vote on the Proposed Plan.

Under the terms of the Proposed Plan, all shares of the Company’s common stock would be cancelled upon effectiveness of the Proposed Plan, and the Company’s stockholders would not receive or retain any distribution or other property on account of their shares.

Cautionary Statements Regarding Forward-Looking Statements

This current report on Form 8-K and Exhibit 99.1, 99.2 and 99.3 (collectively, this “Current Report”) hereto contain certain statements that may be deemed to be “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms “believes,” “estimates,” “anticipates,” “expects,” “plans,” “intends,” “may,” “could,” “might,” “will,” “should,” “approximately” or, in each case, their other variations thereon or comparable terminology, although not all forward-looking statements contain these words. They appear in a number of places throughout this Current Report and include statements regarding our intentions, beliefs, projections, outlook, analyses or current expectations concerning, among other things, the strength and breadth of our intellectual property, expectations regarding financial condition, liquidity, the length of time that we will be able to continue to fund our operating expenses and capital expenditures and our previously announced bankruptcy proceeding.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events, competitive dynamics, and healthcare, regulatory and scientific developments and depend on the economic circumstances that may or may not occur in the future or may occur on longer or shorter timelines than anticipated. Although we believe that we have a reasonable basis for each forward-looking statement contained herein, we caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and the development of the industry in which we operate may differ materially from the forward-looking statements contained in the presentation as a result of, among other factors, the factors referenced in the “Risk Factors”
