Neurologix's quarterly report on Form 10-QSB for the quarter ended June 30, 2007 was filed on August 15, 2007, one day after the date it was due under applicable rules. The delay in filing was due to unanticipated technical difficulties experienced in formatting the document. As a result, the inability to file in a timely manner could not be eliminated without unreasonable effort or expense. Our Form 10-QSB was filed earlier today.
