Item 4.

Purpose of Transaction.

Each of the Reporting Entities acquired beneficial ownership of the shares of Common Stock to which this Statement relates in the ordinary course of business in order to obtain a significant equity position in the Company, the Common Stock of which, in the opinion of the Reporting Entities, was significantly undervalued and represented an attractive investment opportunity when purchased.

On August 10, 2009, Barington Companies Equity Partners, L.P. sent a letter to the Secretary of the Company, demanding, pursuant to Section 33-946 of the Connecticut Business Corporation Act and the common law of the State of Connecticut, certain shareholder records of the Company (the Demand Letter). The purpose of the information was to enable Barington Companies Equity Partners, L.P. to communicate with the Company's shareholders regarding matters relating to their interests as shareholders, including, without limitation, in connection with the election of directors at the Company's 2009 annual meeting of shareholders and any other matters that may properly come before such meeting in the event that Barington Companies Equity Partners, L.P. elected to solicit proxies to elect directors at such meeting.

On August 11, 2009, James A. Mitarotonda, the Chairman and CEO of Barington Capital Group, L.P. (Barington), and Javier Perez, a senior portfolio advisor to Barington, met with representatives of the Company, including Donald P. Aiken, the Chairman of the Board, and Marc T. Giles, the President and Chief Executive Officer. At the meeting, Barington presented a range of suggestions to enhance Gerber's business operations, strategy and financial performance. During the meeting, Barington also recommended that the Board consider nominating certain individuals, including, among others, Javier Perez, for election as a director at the 2009 annual meeting of shareholders. The Board's Nominating and Corporate Governance Committee agreed to interview Mr. Perez, and on August 19, 2009, the Company announced that its Board of Directors, upon the recommendation of the Board's Nominating and Corporate Governance Committee, had nominated him as a nominee for election to the Board at the Company's 2009 annual meeting of shareholders. On the same date, Barington Companies Equity Partners, L.P. withdrew its Demand Letter. Mr. Perez was subsequently elected to the Board on September 17, 2009.

The Reporting Entities have since engaged in and intend to continue to engage in discussions with management and the Board of Directors of the Company as well as other stockholders and third parties concerning the business, operations and future plans of the Company. The Reporting Entities believe that the Company should take a number of actions to improve shareholder value, including without limitation:

- (i) the prompt and judicious reduction of the Company's corporate-level expenses;
- (ii) a strategic review to determine the long-term viability and return on equity potential of each of the Company's operating businesses;
- (iii) the near-term, tax-efficient divestiture of any business where additional internal value cannot be created through restructuring or an economic recovery;
- (iv) the focus on operational and strategic optimization to increase the value of all retained businesses; and
- (iv) the use of proceeds from divestitures to pay down debt and begin to return capital to shareholders.

Except as set forth in this Item 4, none of the Reporting Entities have any present plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D.

The Reporting Entities intend to review their investment in the Company on a continuing basis. Depending on various factors including, without limitation, the willingness of the Company's management team and Board of Directors to implement the suggestions of the Reporting Entities, the Company's financial position and business strategy, the price levels of the shares of Common Stock, other investment opportunities available to the Reporting Entities, conditions in the securities markets and general economic and industry conditions, the Reporting Entities may in the future take such actions with respect to their investment in the Company as they deem appropriate including, without limitation, seeking Board representation, making proposals to the Company concerning changes to

the capitalization, ownership structure or operations of the Company, purchasing additional shares of Common Stock, selling some or all of their shares of Common Stock, engaging in short selling of or any hedging or similar transactions with respect to the Common Stock and/or otherwise changing their intention with respect to any and all matters referred to in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D.
