Item 8.01 Other Events.

On August 9, 2010, the one facility in Alabama where Multimedia Games, Inc. (the "Company") was continuing to operate charitable bingo units voluntarily discontinued operations. As previously disclosed, this facility was operating under the protection of a temporary restraining order issued by a trial court. On July 30, 2010, the Supreme Court of Alabama issued a ruling reversing the trial court's entry of the temporary restraining order and on August 9, 2010, that facility voluntarily discontinued operations. As a result, the Company is not currently operating any charity bingo units in the State of Alabama.

In fiscal 2009, the Company recorded revenues of \$9.4 million from charitable bingo operations in Alabama and through the Company's fiscal 2010 third quarter ended June 30, 2010 recorded revenues of \$3.8 million. In addition, as of June 30, 2010, the Company had deployed assets with a current net book value of \$4.8 million within the charity bingo market in the State of Alabama and outstanding receivables in the amount of \$364,000. If the facilities of the Company's Alabama customers continue to remain closed, the resulting decrease in the Company's revenue and EBITDA will be adversely impacted and a write-down of assets currently dedicated to the Alabama market may need to be taken.
