You may vote in person at the Annual Meeting.

We will pass out written ballots to anyone who wants to vote at the Annual Meeting. Holding shares in “street name” means your shares of stock are held in an account by your stockbroker, bank or other nominee, and the stock certificates and record ownership are not in your name. If your shares are held in “street name” and you wish to attend the Annual Meeting, you must notify your broker, bank or other nominee and obtain proper documentation to vote your shares at the Annual Meeting.

You may vote by telephone or electronically.

You may submit your proxy by following the Vote by Phone instructions accompanying the proxy card. Also, you may vote online by following the Vote by Internet instructions accompanying the proxy card.

You may change your mind after you have returned your proxy card.

If you change your mind after you return your proxy card or submit your proxy by telephone or Internet, you may revoke your proxy at any time before the polls close at the Annual Meeting. You may do this by:

signing and returning another proxy card with a later date, or

voting in person at the Annual Meeting.

Voting

Holders of Common Stock are entitled to one vote per share.

Votes cast in person or by proxy at the Annual Meeting will be tabulated by the Inspector of Elections. The Inspector of Elections will also determine whether or not a quorum is present. A majority of the shares entitled to vote, represented either in person or by proxy, will constitute a quorum for the transaction of business. The Inspector of Elections will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

If a broker indicates on the enclosed proxy or its substitute that it has not received voting instructions with respect to shares held in “street name” with such broker and either (i) does not have discretionary authority as to certain shares to vote on a particular matter or (ii) has discretionary voting authority but nevertheless refrained from voting on the matter (“*broker non-votes*”), those shares will be counted for purposes of determining the presence of a quorum, but will not be considered as voting with respect to that matter.

Proposal No. 1 – Election of directors: Each director is elected by a majority of the votes cast with respect to such director. Any votes “withheld” for a particular director are effectively votes against that director. Shares present and not voted, whether by broker non-vote, abstention or otherwise, will have no effect on this vote.

Proposal No. 2 – Ratification of independent registered public accounting firm: This proposal must be approved by a majority of the shares present and voted on the proposal. Shares present and not voted, whether by broker non-vote, abstention or otherwise, will have no effect on this vote.

Proposal No. 3 – Advisory (non-binding) vote on executive compensation: This advisory proposal will be approved if a majority of the shares present and voted on the proposal are voted in favor of the resolution. Shares present and not voted, whether by broker non-vote, abstention or otherwise, will have no effect on this advisory vote.

Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted FOR the election of the director nominees proposed by the Board of Directors; FOR the ratification of the appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending May 29, 2016; FOR the advisory vote on executive compensation; and as the proxy holders deem advisable on other matters that may come before the meeting or any adjournment(s) thereof, as the case may be, with respect to the item not marked. Broker non-votes will not be considered as voting with respect to these matters.

Record Date and Share Ownership

Only stockholders of record at the close of business on August 17, 2015, are entitled to notice of, and to vote at, the Annual Meeting. As of August 17, 2015, 27,010,381 shares of the Company's Common Stock were issued and outstanding.

Deadline for Receipt of Stockholder Proposals for the Company's Annual Meeting of Stockholders in 2016

If any stockholder desires to present a stockholder proposal at the Company's 2016 Annual Meeting of Stockholders, such proposal must be received by the Secretary of the Company no later than May 13, 2016, in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

Householding of Proxy Materials

Some companies, brokers, banks, and other nominee record holders participate in a practice commonly known as "householding," where a single copy of our Proxy Statement and Annual Report is sent to one address for the benefit of two or more stockholders sharing that address. Householding is permitted under rules adopted by the SEC as a means of satisfying the delivery requirements for proxy statements and annual reports, potentially resulting in extra convenience for stockholders and cost savings for companies. We will promptly deliver a separate copy of either document to you if you contact our Chief Financial Officer at the address listed above or call us at (650) 306-1650. If you are receiving multiple copies of our Proxy Statement and Annual Report at your household and wish to receive only one, please notify your bank, broker, or other nominee record holder, or contact our Chief Financial Officer at the address listed above.

PROPOSAL NO. 1**ELECTION OF DIRECTORS****Nominees**

The Company's Bylaws currently provide for no fewer than six (6) and no more than ten (10) directors, and the Company's Certificate of Incorporation provides for the classification of the Board of Directors into two classes serving staggered terms. Each Class 1 and Class 2 director is elected for a two-year term, with the Class 2 directors elected in odd numbered years (*e.g.*, 2015) and the Class 1 directors elected in even numbered years (*e.g.*, 2016). Accordingly, at the Annual Meeting five (5) Class 2 directors will be elected.

The Board of Directors has nominated the persons named below to serve as Class 2 directors until the 2017 Annual Meeting, at which their successors will be elected and qualified. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's five (5) nominees named below. In the event that any nominee of the Company is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of as many of the nominees listed below as possible, and, in such event, the specific nominees to be voted for will be determined by the proxy holders. Assuming a quorum is present, the five (5) nominees for director receiving at least a majority of votes cast at the Annual Meeting will be elected.

Board of Directors Meetings and Committees

The Board of Directors held a total of eight meetings during the fiscal year ended May 31, 2015. Each director attended at least 75% of all Board and applicable committee meetings during fiscal year 2015. The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which operates under a written charter approved by the Board of Directors. The charter for each of the committees is available on the Company’s website (<http://landec.com>). It is our policy to encourage the members of the Board of Directors to attend the Company’s annual meeting of stockholders. All directors on the Board of Directors at the time

attended our 2014 Annual Meeting of Stockholders.

The Audit Committee currently consists of Ms. Pankopf (Chairperson), Mr. Goldby and Dr. Sohn. Effective as of the date of the Annual Meeting, Mr. Tobin will replace Dr. Sohn on the Audit Committee. In the determination of the Board of Directors, each of Ms. Pankopf, Mr. Goldby, Dr. Sohn and Mr. Tobin meets the independence requirements of the Securities and Exchange Commission (the “SEC”) and The Nasdaq Stock Market, LLC (“NASDAQ”). The Audit Committee assists the Board of Directors in its oversight of Company affairs relating to the quality and integrity of the Company’s financial statements, the qualifications and independence of the Company’s independent registered public accounting firm, the performance of the Company’s internal audit function and independent registered public accounting firm, and the Company’s compliance with legal and regulatory requirements. The Audit Committee is responsible for appointing, compensating, retaining and overseeing the Company’s independent registered public accounting firm, approving the services performed by the independent registered public accounting firm and reviewing and evaluating the Company’s accounting principles and its system of internal accounting controls. Rules adopted by the SEC require us to disclose whether the Audit Committee includes at least one member who is an “audit committee financial expert,” as that phrase is defined in SEC rules and regulations. The Board of Directors has determined that Ms. Pankopf and Mr. Goldby are “audit committee financial experts” within the meaning of applicable SEC rules. The Audit Committee held four meetings during fiscal year 2015. Please see the section entitled “Audit Committee Report” for further matters related to the Audit Committee. The Board has adopted a written charter for the Audit Committee. The Audit Committee reviews the charter annually for changes, as appropriate.

The Compensation Committee currently consists of Mr. Hollis (Chairman), Mr. Frank, Mr. Tobin and Dr. Sohn. Effective as of the date of the Annual Meeting, the Compensation Committee will consist of Dr. Sohn (Chairperson), Dr. Bolles and Mr. Frank. In the determination of the Board of Directors, each of Mr. Hollis, Mr. Frank, Mr. Tobin, Dr. Sohn and Dr. Bolles meets the current independence requirements of the SEC and NASDAQ. The function of the Compensation Committee is to review and set the compensation of the Company's Chief Executive Officer and certain of the Company's most highly compensated officers, including salary, bonuses and other cash incentive awards, stock equity awards and other forms of compensation, to administer the Company's stock plans and approve stock equity awards, and to oversee the career development of senior management. The Compensation Committee held five meetings during fiscal year 2015.

The Nominating and Corporate Governance Committee currently consists of Mr. Frank (Chairman), Mr. Tobin, Ms. Pankopf and Dr. Bolles, each of whom, in the determination of the Board of Directors, meets the current independence requirements of the SEC and NASDAQ. The functions of the Nominating and Corporate Governance Committee are to recommend qualified candidates for election as officers and directors of the Company and oversee the Company's corporate governance policies. The Nominating and Corporate Governance Committee held one meeting during fiscal year 2015.

The Nominating and Corporate Governance Committee will consider director nominees proposed by current directors, officers, employees and stockholders. Any stockholder who wishes to recommend candidates for consideration by the Nominating and Corporate Governance Committee may do so by writing to the Secretary of the Company, Geoffrey P. Leonard of Ropes & Gray LLP, Three Embarcadero Center, San Francisco, CA 94111, and providing the candidate's name, biographical data and qualifications. The Company does not have a formal policy regarding the consideration of director candidates recommended by security holders. The Company believes this is appropriate because the Nominating and Corporate Governance Committee evaluates any such nominees based on the same criteria as all other director nominees. In selecting candidates for the Board of Directors, the Nominating and Corporate Governance Committee strives for a variety of experience and background that adds depth and breadth to the overall character of the Board of Directors. The Nominating and Corporate Governance Committee evaluates potential candidates using standards and qualifications such as the candidates' business experience, independence, diversity, skills and expertise to collectively establish a number of areas of core competency of the Board of Directors, including business judgment, management and industry knowledge. Although the Nominating and Corporate Governance Committee does not have a formal policy on diversity, it believes that diversity is an important consideration in the composition of the Board of Directors, and it seeks to include Board members with diverse backgrounds and experiences. Further criteria include a candidates' integrity and values, as well as the willingness to devote sufficient time to attend meetings and participate effectively on the Board of Directors and its committees.

Corporate Governance

The Company provides information about its corporate governance policies, including the Company's Code of Ethics, and charters for the Audit, Nominating and Corporate Governance, and Compensation Committees of the Board of Directors on the Corporate Governance page of its website. The website can be found at www.landec.com.

The Company's policies and practices reflect corporate governance initiatives that are compliant with the listing requirements of NASDAQ and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

• A majority of the members of the Board of Directors are independent;

• All members of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are independent;

The independent members of the Board of Directors meet at each board meeting, and at least twice per year, in executive sessions without the presence of management. The Board of Directors has designated a lead independent director who, among other duties, is responsible for presiding over executive sessions of the independent directors. Effective as of the date of the Annual Meeting, Mr. Goldby, currently the lead independent director, will become Chairman of the Board in a non-executive capacity, and, in that role, will continue to preside over executive sessions;

The Company has an ethics hotline available to all employees, and the Audit Committee has procedures in place for the anonymous submission of employee complaints regarding accounting, internal controls, or auditing matters; and

The Company has adopted a Code of Ethics that applies to all of its employees, including its principal executive officer and all members of its finance department, including the principal financial officer and principal accounting officer, as well as the Board of Directors. Any substantive amendments to the Code of Ethics or grant of any waiver, including any implicit waiver, from a provision of the Code of Ethics to the Company's principal executive officer, principal financial officer or principal accounting officer, will be disclosed either on the Company's website or in a report on Form 8-K.

Following a review of all relevant relationships and transactions between each director (including each director's family members) and the Company, the Board has determined that each member of the Board or nominee for election to the Board, other than Mr. Steele and Ms. Hemmeter, is an independent director under applicable NASDAQ listing standards. Mr. Steele and Ms. Hemmeter do not meet the independence standards because they are employees of the Company and, in the case of Ms. Hemmeter, will continue to serve as an employee following the Annual Meeting.

Leadership Structure of the Board of Directors

The Board of Directors believes that it is important to retain its flexibility to allocate the responsibilities of the positions of the Chairman of the Board (the "***Chairman***") and Chief Executive Officer in the way that it believes is in the best interests of the Company. The Board of Directors does not have a formal policy with respect to whether the Chief Executive Officer should also serve as Chairman. Rather, the Board of Directors makes this decision based on its evaluation of current circumstances and the specific needs of the Company at any time it is considering either or both roles.

Based on Mr. Steele's significant knowledge of the Company and its industry, the Board of Directors had concluded that combining the roles of Chairman and an experienced Chief Executive Officer is in the best interest of the Company. The Board of Directors believed that the combination of the roles of Chairman and Chief Executive Officer promoted the pursuit of the Company's business objectives. In light of Mr. Steele's retirement as Chief Executive Officer and concurrent with the election of Ms. Hemmeter as the Company's new Chief Executive Officer at the Annual Meeting, the Board of Directors has determined that the roles of Chairman and Chief Executive Officer will be separated and Mr. Goldby will assume the role of non-executive Chairman from his current role as lead independent director. The Board of Directors believes that the appointment of Mr. Goldby as non-executive Chairman

allows the Chief Executive Officer, who also possesses significant business and industry knowledge, to lead and speak on behalf of both the Company and the Board of Directors, while also providing for effective independent oversight by non-management directors through a non-executive Chairman.

At each Board of Directors meeting, the lead independent director or non-executive Chairman presides over an executive session of the non-management directors without the presence of management. The lead independent director or non-executive Chairman also may call additional meetings of the non-management directors as he deems necessary. If the Board does not have a non-executive Chairman, the lead independent director serves as a liaison between the Chairman and the non-management directors; advises the Chairman of the informational needs of the Board of Directors and approves information sent to the Board of Directors; and is available for consultation and communication if requested by major stockholders.

The Board of Directors also adheres to sound corporate governance practices, as reflected in the Company's corporate governance policies, which the Board of Directors believes has promoted, and continues to promote, the effective and independent exercise of Board leadership for the Company and its stockholders.

Stockholder Communications

Our Board of Directors welcomes communications from our stockholders. Stockholders and other interested parties may send communications to the Board of Directors, or the independent directors as a group, or to any director in particular, including the lead independent director or Chairman, c/o Gregory S. Skinner, Chief Financial Officer, Landec Corporation, 3603 Haven Avenue, Menlo Park, CA 94025. Any correspondence addressed to the Board of Directors or to any one of our directors in care of Mr. Skinner will be promptly forwarded to the addressee. The independent directors review and approve the stockholder communication process periodically to ensure effective communication with stockholders.

Oversight of Risk Management

The Board of Directors' role in the Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, and strategic and reputational risks. Our Audit Committee oversees management of financial risk exposures, including the integrity of our accounting and financial reporting processes and controls. As part of this responsibility, the Audit Committee meets periodically with the Company's independent registered public accounting firm, our internal auditor and our financial and accounting personnel to discuss significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. Additionally, the Audit Committee reviews significant findings prepared by the Company's independent registered public accounting firm and our internal auditor, together with management's response. Our Nominating and Corporate Governance Committee has responsibility for matters relating to corporate governance. As such, the charter for our Nominating and Corporate Governance Committee provides for the committee to periodically review and discuss our corporate governance guidelines and policies.

Our management also reviewed with our Compensation Committee the compensation policies and practices of the Company that could have a material impact on the Company. Our management review considered whether any of these policies and practices may encourage inappropriate risk-taking, whether any policy or practice may give rise to risks that are reasonably likely to have a material adverse effect on the Company, and whether it would recommend any changes to the Company's compensation policies and practices. Management also reviewed with the Board of Directors risk-mitigating controls such as the degree of committee and senior management oversight of each compensation program and the level and design of internal controls over such programs. Based on these reviews, the Board of Directors determined that risks arising from the Company's compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

The Board of Directors has adopted an executive compensation clawback policy, which provides for recoupment of executive incentive compensation in the event of certain restatements of financial results of the Company. Under the policy, in the event of a substantial restatement of the Company's financial results due to material noncompliance with financial reporting requirements, if the Board of Directors determines in good faith that any portion of a current or former executive officer's incentive compensation was paid as a result of such noncompliance, then the Company may recover the portion of such compensation that was based on the erroneous financial data.

Compensation of Directors

The following table sets forth compensation information for the fiscal year ended May 31, 2015, for each member of our Board of Directors who was not an executive officer during fiscal year 2015. The Chief Executive Officer, Gary T. Steele, who serves on our Board of Directors, does not receive additional compensation for serving on the Board of Directors. See “Summary Compensation Table” for disclosure related to Mr. Steele.

The stock award amounts for fiscal year 2015 include the value of two awards granted in one fiscal year, the fiscal year 2014 award granted on May 29, 2014 and the fiscal year 2015 award granted on May 28, 2015.

(3) Mr. Halprin retired from the Board at the end of his term as a Class 1 director on October 9, 2014.

At May 31, 2015, the aggregate number of stock awards and option awards outstanding was: Dr. Bolles – 3,475 shares; Mr. Frank – 23,475 shares; Mr. Goldby – 33,475 shares; Mr. Hollis – 26,448 shares; Ms. Pankopf – 13,475 shares; Dr.

For fiscal year 2015, each non-employee director received an annual retainer of \$40,000 for service as a member of our Board of Directors. In addition, each director who served on the Audit Committee received an annual retainer of \$10,000, with the Chairman of the Audit Committee receiving an annual retainer of \$20,000. Each director who served on the Compensation Committee received an annual retainer of \$7,500, with the Chairman of the Compensation Committee receiving an annual retainer of \$15,000. Each director who served on the Nominating and Corporate Governance Committee received an annual retainer of \$5,000, with the Chairman of the Nominating and Corporate Governance Committee receiving an annual retainer of \$10,000. The lead independent director received an annual retainer of \$25,000. Consistent with the general industry trend toward fixed-value restricted stock unit (“**RSU**”) awards, each non-employee director receives an RSU award each year with a face value of \$50,000, based on the fair market value of the Company’s Common Stock on the date of the grant, vesting on the first anniversary of the date of grant.

In addition to cash fees, each director is reimbursed for reasonable out-of-pocket expenses incurred by a director to attend Board meetings, committee meetings or stockholder meetings in his or her capacity as a director.

Stock Ownership Requirement

The Board of Directors has determined that ownership of Landec Common Stock by officers and directors promotes a focus on long-term growth and aligns the interests of the Company’s officers and directors with those of its stockholders. As a result, the Board of Directors has adopted stock ownership guidelines stating that the Company’s non-employee directors and its executive officers should maintain certain minimum ownership levels of Common Stock. Under these guidelines, each non-employee director of the Company is expected to maintain ownership of Common Stock having a value of at least three times the amount of the annual cash retainer paid to such non-employee director. For purposes of the guidelines, the value of a share of Common Stock is measured as the greater of (i) the then current market price or (ii) the closing price of a share of Common Stock on the date when the stock was acquired, or the vesting date in the case of RSUs.

Newly-elected directors have five years from the date they are elected to meet these guidelines. Directors who joined the Board of Directors prior to May 31, 2015 have until May 31, 2020 to meet the guidelines. In the event a non-employee director's cash retainer increases, he or she will have two years from the date of the increase to acquire any additional shares or RSUs needed to meet the guidelines. Until the required ownership level is reached, directors are required to retain 50% of net shares acquired upon any future vesting of RSUs and/or exercise of stock options, after deducting shares used to pay any applicable taxes and/or exercise price.

Required Vote

The election of each of the five (5) Class 2 director nominees requires the affirmative vote of the holders of a majority of the shares of the Company's Common Stock present at the Annual Meeting in person or by proxy and voted with respect to such director. This means that in order for a director to be elected, the number of shares voted "FOR" a director must exceed the number of votes cast against that director. As such, a "WITHHOLD" vote is effectively a vote against a director.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES LISTED ABOVE.

PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed the firm of Ernst & Young LLP as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending May 29, 2016, and recommends that the stockholders vote for ratification of this appointment. Audit Committee Pre-Approval Policies

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Company's independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with such pre-approval, and the fees for the services performed to date. The Audit Committee, or its designee, may also pre-approve particular services on a case-by-case basis.

PROPOSAL NO. 3

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Compensation Discussion and Analysis beginning on page 22 of this Proxy Statement describes the Company's executive compensation program and the compensation decisions that the Compensation Committee and Board of Directors made in fiscal year 2015 with respect to the compensation of our named executive officers. The Board of Directors is asking stockholders to cast a non-binding, advisory vote **FOR** the following resolution:

“RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED on an advisory basis.”

We urge stockholders to read the Compensation Discussion and Analysis beginning on page 22 of this Proxy Statement, as well as the Summary Compensation Table and related compensation tables, appearing on pages 30 through 33, which provide detailed information on the Company's compensation policies and practices.

As we describe in the Compensation Discussion and Analysis, our executive compensation program is designed to attract, reward and retain talented officers and embodies a pay-for-performance philosophy that supports Landec's business strategy and aligns the interests of our executives with our stockholders. Specifically, executive compensation is allocated among base salaries and short- and long-term incentive compensation. The base salaries are fixed in order to provide the executives with a stable cash income, which allows them to focus on the Company's strategies and objectives as a whole, while the short- and long-term incentive compensation are designed to both reward the named executive officers based on the Company's overall performance and align the named executive officers' interests with those of our stockholders. Our annual cash incentive award program is intended to encourage our named executive officers to focus on specific short-term goals important to our success. Our executive officers' cash incentive awards are determined based on objective performance criteria. The Company's current practice is to grant our named executive officers both options and restricted stock units. This mixture is designed to provide a balance between the goals of increasing the price of our Common Stock and aligning the interests of our executive officers with those of our stockholders (as stock options only have value if the stock price increases after the option is granted) and encouraging retention of our executive officers. Because grants are generally subject to vesting schedules, they help ensure that executives always have significant value tied to long-term stock price performance.

For these reasons, the Board of Directors is asking stockholders to support this proposal. Although the vote we are asking you to cast is non-binding, the Compensation Committee and the Board of Directors value the views of our stockholders and will consider the outcome of the vote when determining future compensation arrangements for our

named executive officers.

At the 2014 annual meeting of stockholders, 97.9% of votes cast expressed support for our compensation policies and practices, and we believe our program continues to be effective.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis (“**CD&A**”) section discusses the compensation programs and policies for our Named Executive Officers. The CD&A also provides an overview of the Compensation Committee’s role in the design and administration of these programs and policies, and its role in making specific compensation decisions for our Named Executive Officers. Our Named Executive Officers for fiscal year 2015 were Gary T. Steele, President and Chief Executive Officer and Chairman of the Board, Gregory S. Skinner, Vice President of Finance and Administration and Chief Financial Officer, Molly A. Hemmeter, Chief Operating Officer, Ronald L. Midyett, President and Chief Executive Officer of Apio and Larry D. Hiebert, President of Lifecore.

Overview of Compensation Program and Philosophy

Landec’s compensation program is intended to meet three principal objectives: (1) attract, reward and retain officers and other key employees; (2) motivate these individuals to achieve the Company’s short-term and long-term corporate goals; and (3) align the interests of our executives with those of our stockholders.

The compensation program is designed to balance an executive’s achievements in managing the day-to-day business and addressing shorter-term challenges facing the Company or its subsidiaries, such as the effects of weather-related disruptions and competitive pressures, with incentives to achieve our long-term vision to be the innovative leader in our food products technology and hyaluronan-based biomaterials businesses.

The above policies guide the Compensation Committee (the “**Committee**”) in assessing the proper allocation among long-term compensation, current cash compensation and short-term bonus compensation. Other considerations include Landec’s business objectives, its fiduciary and corporate responsibilities (including internal equity considerations and affordability), competitive practices and trends, and regulatory requirements.

Establishing Executive Compensation

Landec’s executive compensation program is overseen and administered by the Committee, which is comprised entirely of independent directors as determined in accordance with applicable NASDAQ, SEC and Internal Revenue

Code rules. The Committee operates under a written charter adopted by our Board of Directors. A copy of the Committee's charter is available at www.landec.com.

In determining the particular elements of compensation that are used to implement Landec's overall compensation policies, the Committee takes into consideration a number of objective factors related to Landec's performance, such as Landec's earnings per share, profitability, revenue growth and business-unit-specific operational and financial performance, as well as the competitive practices among our peer group. The Committee evaluates the Company's financial and strategic performance in the context of determining compensation as well as the individual performance of each Named Executive Officer.

The Committee meets regularly to review overall executive compensation. The Committee also meets with Landec's President and Chief Executive Officer, Mr. Steele, and other executives to obtain recommendations with respect to Company compensation programs, practices and packages for executives and other employees. The CEO makes recommendations to the Committee on the base salary, bonus targets and equity compensation for the executive team and other employees, but not for himself. The Committee, however, has the ultimate responsibility for determining executive compensation, which is recommended to the Board of Directors for its final approval.

Peer Group

The Committee uses peer group information to provide context for its compensation decision-making for the Named Executive Officers. The Committee monitors the peer group to assess its appropriateness as a source of competitive compensation data and reassesses the relevance of the peer group as needed. In an effort to more accurately reflect the significant portion of the Company's business attributable to Apio's operations, the peer group was adjusted and simplified in 2014, to allow for comparisons on how these peers address the volatility and unpredictability of financial results as well as to assess competitive pay levels in the food and life sciences industries. The Committee did not revise its peer group for fiscal year 2015, which remains as follows: Anika Therapeutics, Balchem, Calavo Growers, Cal-Maine Foods, Diamond Foods, Farmer Bros., Hi-Tech Pharmacal, J&J Snack Foods, John B Sanfilippo & Sons, Limoneira, Nature's Sunshine Products, Omega Protein, Penford, Seneca, and Surmodics.

Peer group data is gathered with respect to base salary, bonus targets and all equity and non-equity awards (including stock options, performance shares, restricted stock and long-term, cash-based awards).

Landec's goal is to target total compensation for Named Executive Officers at a level that is competitive with the 50th percentile within the selected peer group for the Named Executive Officers. The Committee analyzes base pay, target cash compensation and target total direct compensation to determine if there are any variances between the peer group and the Company's compensation targets.

Clawback Policy

In May 2014, the Board of Directors adopted an executive compensation clawback policy, which provides for recoupment of executive incentive compensation in the event of certain restatements of financial results of the Company. Under the policy, in the event of a substantial restatement of the Company's financial results due to material noncompliance with financial reporting requirements, if the Board of Directors determines in good faith that any portion of a current or former executive officer's incentive compensation was paid as a result of such noncompliance, then the Company may recover that portion of such compensation that was based on the erroneous financial data. In determining whether to seek recovery of compensation, the Board of Directors or the Committee may take into account any considerations it deems appropriate, including whether the assertion of a claim may violate applicable law or adversely impact the interests of the Company in any related proceeding or investigation, the extent to which the executive officer was responsible for the error that resulted in the restatement, and the cost and likely outcome of any potential litigation in connection with the Company's attempts to recoup such compensation.

Elements of Compensation

There are three major elements that comprise Landec's compensation program: (i) base salary; (ii) annual cash incentive opportunities, including bonuses; and (iii) equity incentives in the form of stock options and/or restricted stock unit awards.

Base Salaries

The base salaries of executive officers are set at levels intended to be competitive with those companies in our peer groups with which we compete for executive talent. In determining base salary, the Committee also considers factors such as job performance, skill set, prior experience, the executive's time in his or her position and with Landec, internal consistency regarding pay levels for similar positions or skill levels within the Company, external pressures to

attract and retain talent, and market conditions generally.

Base salaries are not adjusted annually but are generally adjusted when the Committee judges that a change is warranted by a change in an executive officer's responsibilities, demonstrated performance or relevant market data. For a discussion of base salary decisions made in or for fiscal year 2015, see "Compensation of Chief Executive Officer" and "Compensation of Other Named Executive Officers" below.

Annual Cash Incentive Award Plan

Landec maintains an annual cash incentive award plan for senior executives to encourage and reward achievement of Landec's business goals and to assist Landec in attracting and retaining executives by offering an opportunity to earn a competitive level of compensation. This plan is consistent with our overall "pay-for-performance" compensation objective and our goal of attracting and retaining top level executive officers in the industry. In keeping with our "pay for performance" philosophy, a portion of our Named Executive Officers' annual compensation is "at risk" compensation, resulting in years, such as fiscal year 2014, in which most of our Named Executive Officers received no annual cash incentive award. Award targets are set as a percentage of base salary. Incentive award targets and ranges are typically set early in each fiscal year, together with specific criteria for corporate, business unit and individual objectives. The overall corporate objectives are intended to be challenging but achievable. Such objectives are based on actual performance compared to predetermined financial performance targets, which are weighted depending upon whether the employee is a member of a business unit or the corporate staff. Incentive award targets and criteria for executive officers are subject to approval by the Committee.

Fiscal Year 2015 Cash Incentive Award Plan

At the beginning of fiscal year 2015, the Committee approved the cash incentive award plan for the year (the "**2015 Incentive Award Plan**"), which included financial objectives for each business unit and at the corporate level on a consolidated basis. The financial objectives were based on the internally-developed financial plan for the fiscal year. In fiscal year 2015, the Company's financial performance was measured based on established targets for revenues and operating income. With respect to 80% of the award payable to each Named Executive Officer under the 2015 Incentive Award Plan, a specific operating income target had to be met in order for the officer to earn that portion of the award. Payment of the remaining 20% of the award payable to each Named Executive Officer was subject to the condition that management present an operating plan for fiscal year 2016 in which the Company would achieve a specific target for net earnings per share, and that such operating plan be approved by the Board of Directors. For fiscal year 2015, the CEO's target cash incentive award was 100% of his base salary, and the other Named Executive Officers' target incentive awards ranged from 50% to 60% of base salary.

For Messrs. Steele and Skinner (the "**Corporate Executives**"), the award target for fiscal year 2015 was based on the Company's annual consolidated financial results, and consisted of targets for the Company's consolidated revenues of \$520.6 million and consolidated operating income of \$21.0 million. For Mr. Midyett and Ms. Hemmeter, the award target was based on Apio's annual financial results, and consisted of targets for Apio's revenues of \$472.7 million and operating income of \$21.4 million. For Mr. Hiebert, the award target was based on Lifecore's annual financial results, and consisted of targets for Lifecore's revenues of \$47.4 million and operating income of \$10.5 million.

Based on the metrics described above, the Named Executive Officers' target incentive awards, maximum awards and actual amounts earned for fiscal year 2015 were as follows:

Named Executive Officer	Target	Maximum	Earned
	Incentive Awards	Incentive Awards	Incentive Awards
Gary T. Steele	\$ 500,000	\$ 500,000	\$ 399,569
Gregory S. Skinner	\$ 195,000	\$ 325,000	\$ 155,832
Molly A. Hemmeter	\$ 172,500	\$ 345,000	\$ 195,079
Ronald L. Midyett	\$ 170,000	\$ 340,000	\$ 192,246
Larry D. Hiebert	\$ 150,000	\$ 300,000	\$ 30,000

Long-Term Incentive Compensation

Landec provides long-term incentive compensation through equity-based awards, generally in the form of stock options and restricted stock units (also referred to as “*restricted stock units*,” “*RSUs*” or “*stock awards*”) under a broad-based equity award program (“*Equity Award Plan*”). Landec’s Equity Award Plan is intended to align the interests of officers with those of the stockholders by creating an incentive for officers to maximize long-term stockholder value. The Equity Award Plan also is designed to encourage officers to remain employed with Landec despite a competitive labor market in its industry.

Awards to eligible employees, including Named Executive Officers, are generally made on an annual basis. Awards must be approved by the Committee or the Board of Directors. Awards typically take the form of stock options and RSUs, and are generally granted with a three-year vesting schedule. In general, the number of options/RSUs awarded to each executive officer is determined subjectively based on a number of factors, including an analysis of peer group data, the officer's degree of responsibility, general level of performance, ability to affect future Company performance, salary level and recent noteworthy achievements, as well as prior years' awards. All stock option grants have a per share exercise price equal to the fair market value of Landec Common Stock on the grant date. The Committee has not granted, nor does it intend in the future to grant, equity compensation awards to executives in anticipation of the release of material nonpublic information that is likely to result in changes to the price of Landec Common Stock, such as a significant positive or negative earnings announcement. Similarly, the Committee has not timed and does not intend to time the release of material nonpublic information based on equity award grant dates. Also, because equity compensation awards typically vest over a three-year period, the value to recipients of any immediate increase in the price of Landec's stock following a grant will be attenuated.

The Committee regularly monitors the environment in which Landec operates and makes changes to the Equity Award Plan and the overall annual compensation paid to executives in order to help the Company meet its goals, including achieving long-term stockholder value. The Company has granted both stock options and RSUs as part of the Equity Award Plan. Landec grants stock options because they can be an effective tool for meeting Landec's compensation goal of increasing long-term stockholder value. Employees are able to profit from stock options only if Landec's stock price increases in value over the stock option's exercise price. Landec believes that the options it grants provide effective incentives to option holders to achieve increases in the value of Landec's stock. Landec grants RSUs because they provide a more predictable value to employees than stock options, and therefore are efficient tools in retaining and motivating employees, while also serving as an incentive to increase the value of Landec's stock. RSUs also can be a more efficient means of using equity plan share reserves because fewer RSUs are needed to provide a retention and incentive value as compared to awards of stock options.

During fiscal year 2015, the Committee granted awards under the Equity Award Plan to executive officers, including our Named Executive Officers, as noted below under "Grants of Plan-Based Awards". In making this determination, the Committee considered prior awards made to our Named Executive Officers and the value of such holdings as well as the overall compensation package paid to our executive officers for fiscal year 2015. These awards are reflected in compensation paid to our Named Executive Officers for fiscal year 2015.

Stock Ownership Requirement

The Board of Directors has determined that ownership of Landec Common Stock by officers and directors promotes a focus on long-term growth and aligns the interests of the Company's officers and directors with those of its stockholders. As a result, the Board of Directors has adopted stock ownership guidelines stating that the Company's non-employee directors and its executive officers should maintain certain minimum ownership levels of Common Stock. Under these guidelines, the Company's Chief Executive Officer is expected to maintain ownership of Common Stock having a value of at least five times his or her annual base salary, and the Company's other executive officers are

expected to maintain ownership of Common Stock having a value of at least three times their base salaries. For purposes of the guidelines, the value of a share of Common Stock is measured as the greater of (i) the then current market price or (ii) the closing price of a share of Common Stock on the date when the stock was acquired, or the vesting date in the case of RSUs.

Newly-appointed executive officers have five years from the date they are appointed or promoted to meet these guidelines. Persons who became executive officers prior to May 31, 2015 have until May 31, 2020 to meet the guidelines. In the event of an increase in base salary, the executive officer will have two years from the date of the increase to acquire any additional shares or RSUs needed to meet the guidelines. Until the required ownership level is reached, executive officers are required to retain 50% of net shares acquired upon any future vesting of RSUs and/or exercise of stock options, after deducting shares used to pay any applicable taxes and/or exercise price.

Long-Term Incentive Plan

On July 25, 2013, the Board of Directors approved a long-term incentive plan (“**LTIP**”) under which certain employees (“**Participating Employees**”) of the Company selected by the Committee, including the Company’s Named Executive Officers, were eligible to receive bonuses based on the Company’s aggregate operating income, excluding non-recurring events and future acquisitions (“**Adjusted Operating Income**”) for fiscal years 2014, 2015 and 2016. If the aggregate Adjusted Operating Income for those fiscal years met a specified target amount, each Participating Employee would receive a bonus equal to the average of his or her annual base salary during those fiscal years or such shorter period of time as such Participating Employee was receiving a base salary (the “**Target Bonus**”). If the aggregate Adjusted Operating Income for fiscal years 2014, 2015 and 2016 exceeds the target amount, then a sum equal to 15% of the excess would be added to the bonus pool and distributed to the Participating Employees pro rata based on the Target Bonus payable to each of them, subject to his or her continuing as an employee or director of the Company through the last day of fiscal year 2016. During fiscal year 2015, the Company determined that it was unlikely that the three-year Adjusted Operating Income target would be met, and therefore, all LTIP bonus accruals were reversed during fiscal year 2015.

Nonqualified Deferred Compensation Plan

On July 25, 2013, the Board approved the Nonqualified Deferred Compensation Plan (the “Deferral Plan”) for non-employee directors and certain participating employees, including the Named Executive Officers. The Deferral Plan is administered by a committee consisting of the Chief Executive Officer and the Chief Financial Officer of the Company or persons designated by them. The Deferral Plan allows non-employee directors to defer up to 100% of the fees earned for their service as director and allows participating employees to defer up to 50% of their base salary and up to 100% of their annual cash bonus. Any amounts deferred by a participating employee are invested on behalf of the participating employee, and any investment returns earned thereon are credited to the participating employee’s account. Investment options are determined by the committee that administers the Deferral Plan. Each participating employee may designate the investment option or options for his or her account and may change those investment options at any time.

A participating employee may elect to receive distributions from his or her account beginning in a specified payment year no sooner than three years after the calendar year to which the deferred compensation relates, to be paid in a lump sum or in annual installments not to exceed ten years, according to the participating employee’s election. This election is made at the time when the participating employee makes an election to defer compensation. The participating employee may subsequently elect to delay the year in which deferred compensation is paid, provided that such election must be made at least 12 months before the year in which payment was previously scheduled to occur, must specify a new payment year that is at least five years after the year in which payment was to be made and will not take effect for 12 months. A participating employee will also receive distributions upon the occurrence of certain events specified in Deferral Plan, including termination of employment.

The Company has the discretion, but not the obligation, to make contributions to the Deferral Plan for the benefit of the participating employees, subject to the terms and conditions of the Deferral Plan.

Retirement Benefits under the 401(k) Plan, Executive Perquisites and Generally Available Benefit Programs

Landec maintains a tax-qualified 401(k) plan (the “***401(k) Plan***”), which provides for broad-based employee participation. Under the 401(k) Plan, all Landec employees are eligible to receive matching contributions from Landec. The 401(k) Plan is a safe harbor plan (as defined in the Internal Revenue Code of 1986) with a safe harbor match of 100% on the first 3% of deferrals and 50% on the next 2% of each participant’s pretax contributions; and the match is calculated and paid to participants’ accounts on a payroll-by-payroll basis, subject to applicable federal limits. The 401(k) Plan does not have an associated vesting schedule. Landec also makes an annual “reconciling match” by recalculating the regular matching contribution as if it were paid on an annualized, instead of payroll-by-payroll, basis. If the annualized matching contribution would have been higher, Landec makes a contribution to the participant’s account in an amount equal to the difference between the two amounts. Other than the 401(k) Plan, Landec does not provide defined benefit pension plans or defined contribution retirement plans to its executives or other employees.

Landec also offers a number of other benefits to the Named Executive Officers pursuant to benefit programs that provide for broad-based employee participation. These benefit programs include medical, dental and vision insurance, long-term and short-term disability insurance, life and accidental death and dismemberment insurance, health and dependent care flexible spending accounts, wellness programs, educational assistance and certain other benefits.

The 401(k) Plan and other generally available benefit programs allow Landec to remain competitive with respect to employee talent, and Landec believes that the availability of the benefit programs generally enhances employee productivity and loyalty to Landec. The main objectives of Landec's benefit programs are to give our employees access to quality healthcare, financial protection from unforeseen events, assistance in achieving retirement financial goals and enhanced health and productivity. These generally available benefits typically do not specifically factor into decisions regarding an individual executive's total compensation or equity award package.

Compensation of Chief Executive Officer

On June 19, 2014, the Company entered into a new executive employment agreement with Mr. Steele, (the "Steele Agreement"), effective as of May 26, 2014, setting forth the terms of his employment. The Steele Agreement expires on May 29, 2016 unless renewed or extended by both parties, and provides that Mr. Steele shall be paid an annual base salary of \$500,000 through the term of the Steele Agreement, and continues to participate in the annual cash incentive award plan. Mr. Steele is also eligible for grants of equity interests under the Equity Award Plan at such times and in such amounts as determined by the Committee. See the section entitled "Employment Contracts and Potential Payments upon Termination or Change in Control" for a further discussion of the terms of the Steele Agreement. Mr. Steele is retiring as President, Chairman of the Board and Chief Executive Officer, effective on the date of the Annual Meeting.

On July 23, 2015, the Board of Directors elected Molly Hemmeter to replace Mr. Steele as President and Chief Executive Officer, effective on the date of the Annual Meeting. Upon the effectiveness of her election, Ms. Hemmeter's annual base salary will be increased to \$475,000, and her target bonus under the 2015 Incentive Award Plan will be increased to 100% of base salary.

In making decisions with respect to Mr. Steele's salary, target bonus and equity compensation grant, the Committee relied on the peer group data described above and gave considerable weight to the Chief Executive Officer's significant and direct influence over Landec's overall performance. In determining Ms. Hemmeter's salary and target bonus when she becomes Chief Executive Officer, the Committee also relied on the peer group data described above and considered Ms. Hemmeter's accomplishments as Chief Operating Officer and her expected influence of the Company's future performance. The Committee also considered the overall compensation policies discussed above.

As discussed above under "Annual Cash Incentive Award Plan," Landec's actual financial performance for fiscal year 2015 resulted in an incentive award payment to Mr. Steele under the 2015 Incentive Award Plan equal to \$399,569. As noted below under "Grants of Plan-Based Awards", during fiscal year 2015, the Committee granted Mr. Steele an option to purchase 60,000 shares of Common Stock and 20,000 RSUs. Mr. Steele's total compensation for fiscal year 2015 was below the 50th percentile of companies described above under "Peer Group."

Compensation of Other Named Executive Officers

On December 7, 2012, the Company entered into an executive employment agreement with Mr. Skinner (the “**Skinner Agreement**”), effective as of January 1, 2013, setting forth the terms of his employment. The Skinner Agreement expires on December 31, 2015 unless renewed or extended by both parties, and provides that Mr. Skinner shall be paid an annual base salary of \$310,000 through the term of the Skinner Agreement (Mr. Skinner’s base salary was recently increased by the Compensation Committee to \$380,000 commencing in fiscal year 2016), and continue to participate in the annual cash incentive award plan. Mr. Skinner is also eligible for grants of equity interests under the Equity Award Plan at such times and in such amounts as determined by the Committee. See the section entitled “Employment Contracts and Potential Payments upon Termination or Change in Control” for a further discussion of the terms of the Skinner Agreement.

In making decisions with respect to base salary for Named Executive Officers other than the CEO, the Committee reviews peer group data as described above and takes into account the date of the most recent adjustment in the base pay of each Named Executive Officer.

As indicated above under “Annual Cash Incentive Award Plan,” each of the Named Executive Officers, other than Larry Hiebert, received cash awards under the 2015 Incentive Award Plan as a result of the financial performance of the Company and Apio, which exceeded the target approved by the Committee at the beginning of fiscal year 2015, and each of the Named Executive Officers received cash awards under the 2015 Incentive Award Plan as a result of meeting the 2016 operating plan targets. As noted below under “Grants of Plan-Based Awards”, the Committee granted equity awards to the Named Executive Officers under the Equity Award Plan in fiscal year 2015. The total compensation received by each Named Executive Officer during fiscal year 2015 was below the 50th percentile for his or her peer group as described above under “Peer Group.”

Say on Pay Voting Results

At the 2014 annual meeting of stockholders, the Company asked stockholders to cast a non-binding advisory vote to approve the compensation of the Named Executive Officers as disclosed in the 2014 proxy statement. The holders of 97.9% of the shares present and voting at the 2014 annual meeting of stockholders voted for approval of the compensation of our Named Executive Officers. The Company is pleased with this result and believes that stockholders confirmed our executive compensation philosophy, policies and programs. The Committee took these results into account by continuing to emphasize our pay-for-performance philosophy which utilizes performance measures that provide incentives to deliver value to our stockholders.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to a company's executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if specified requirements are met. The Committee reviews the potential effect of Section 162(m) periodically and may seek to structure the long-term incentive compensation granted to Named Executive Officers in a manner that is intended to avoid disallowance of deductions under Section 162(m). Nevertheless, there can be no assurance that compensation attributable to long-term incentive awards will be treated as qualified performance-based compensation under Section 162(m). In addition, the Committee reserves the right to authorize compensation payments that may be in excess of the limit when the Committee believes such payments are appropriate and in the best interest of Landec and its stockholders, after taking into consideration changing business conditions and the performance of its employees.

Compensation Committee Interlocks and Insider Participation

The Committee is composed of Mr. Hollis (Chairman), Dr. Sohn, Mr. Frank and Mr. Tobin. During fiscal year 2015, none of the Company's executive officers served on the board of directors of any entities whose directors or officers serve on the Committee. None of the Committee's current or former members has at any time been an officer or employee of Landec. None of Landec's executive officers currently serve, or in the past fiscal year have served, as members of the board of directors or compensation committee of any entity that has one or more of its executive officers serving on Landec's Board of Directors or the Committee.

The Committee has reviewed and discussed with management the Compensation Discussion and Analysis for fiscal year 2015. Based on the review and discussions, the Committee recommended to the Board of Directors, and the Board of Directors has approved, that the Compensation Discussion and Analysis be included in Landec’s Proxy Statement for its 2015 Annual Meeting of Stockholders and incorporated into our Annual Report on Form 10-K for the fiscal year ended May 31, 2015.

Amounts shown are estimated payouts for fiscal year 2015 to the Named Executive Officers under the 2015 Incentive Award Plan. The target amount is based on a percentage of the individual's fiscal year 2015 base salary.

(1) All Executives received cash incentive awards for fiscal year 2015. For more information on these awards, including the amount actually paid, see "Compensation Discussion and Analysis-Annual Cash Incentive Award Plan."

The value of a stock award or option award is based on the fair value as of the grant date of such award determined pursuant to ASC 718. Stock awards consist only of RSUs. The exercise price for all options granted to the Named Executive Officers is 100% of the fair market value of Landec Common Stock on the grant date. The option exercise price has not been deducted from the amounts indicated above. Regardless of the value placed on a stock option on the grant date, the actual value of the option will depend on the market value of Landec Common Stock at such date in the future when the option is exercised. The value of the option following this exercise does not include the option exercise price. All options vest at the rate of 1/36th per month other than the option for 300,000 shares granted to Molly Hemmeter, which vests at the rate of 1/3 on first anniversary of the date of grant and then 1/36 monthly thereafter, and all options are fully vested three years after the date of grant. RSUs vest on the third anniversary of the date of grant.

Employment Contracts and Potential Payments upon Termination or Change in Control

Employment Contracts

On June 19, 2014, the Company entered into a new executive employment agreement with Mr. Steele, (the “***Steele Agreement***”) effective as of May 26, 2014, setting forth the terms of his employment. The Steele Agreement expires on May 29, 2016 unless renewed or extended by both parties, and provides that Mr. Steele shall be paid an annual base salary of \$500,000 through the term of the Steele Agreement, and continue to participate in the annual cash incentive award plan. Mr. Steele is also eligible for grants of equity interests under the Equity Award Plan at such times and in such amounts as determined by the Compensation Committee.

The Steele Agreement provides that upon Mr. Steele’s death or disability, the Company shall pay Mr. Steele or his estate his unpaid base salary and the pro rata portion of his annual cash incentive award through the date of termination.

Mr. Steele agreed, as part of the Steele Agreement, not to solicit, induce, recruit, encourage or take away employees or consultants of the Company for a period of two years following his termination. In addition, Mr. Steele agreed not to solicit any licensor to or customer of the Company for a period of two years following his termination.

On December 7, 2012, the Company entered into an executive employment agreement with Mr. Skinner (the “***Skinner Agreement***”), effective as of January 1, 2013, setting forth the terms of his employment. The Skinner Agreement expires on December 31, 2015 unless renewed or extended by both parties, and provides that Mr. Skinner shall be paid an annual base salary of \$310,000 through the term of the Skinner Agreement (unless modified by the Compensation Committee), and continue to participate in the annual cash incentive award plan. Mr. Skinner is also eligible for grants of equity interests under the Equity Award Plan at such times and in such amounts as determined by the Committee.

Mr. Skinner agreed, as part of the Skinner Agreement, not to solicit, induce, recruit, encourage or take away employees or consultants of the Company for a period of two years following his termination. In addition, Mr. Skinner agreed not to solicit any licensor to or customer of the Company for a period of two years following his termination.

Potential Payments upon Termination or Change in Control

If Mr. Steele is terminated without cause or if he terminates his employment for good reason (generally, any relocation of Mr. Steele's place of employment, reduction in salary, reduction in his target bonus amount or material reduction of his duties or authority), Mr. Steele will receive a severance payment equal to 100% of his annual base salary over a twelve month period, a pro-rated portion of any annual cash incentive award to which he is entitled and a one-year acceleration of his unvested stock options and other equity awards, and the Company will pay or reimburse Mr. Steele for the monthly Medicare premiums for Mr. Steele (and his spouse) for the remainder of their lives or at such earlier time as Mr. Steele receives substantially equivalent health insurance coverage in connection with new employment. In addition, the Steele Agreement provides that if Mr. Steele is terminated without cause or terminates his employment for good reason within two (2) years following a "change of control," Mr. Steele will receive a severance payment equal to 150% of his annual base salary over a twelve month period, a pro-rated portion of any annual cash incentive award to which he is entitled and the Company will pay or reimburse Mr. Steele for the monthly Medicare premiums for Mr. Steele (and his spouse) for the remainder of their lives or until such earlier time as Mr. Steele receives substantially equivalent health insurance coverage in connection with new employment. In the event of a "change of control," all of Mr. Steele's unvested stock options and other equity awards shall immediately vest and become exercisable.

The Steele Agreement provides that if Mr. Steele retires, the Company will pay or reimburse Mr. Steele for the monthly premiums for Medicare for the remainder of the lives of Mr. Steele and his spouse; provided that this benefit shall cease to be available at such time as Mr. Steele commences receiving substantially equivalent health insurance coverage in connection with new employment.

If Mr. Skinner is terminated without cause or if he terminates his employment for good reason (generally, any relocation of Mr. Skinner’s place of employment, reduction in salary, reduction in his target bonus amount or material reduction of his duties or authority), Mr. Skinner will receive a severance payment equal to 100% of his annual base salary over a twelve month period, a pro-rated portion of any annual cash incentive award to which he is entitled and a one-year acceleration of his unvested stock options and other equity awards, and the Company will pay the monthly premiums for health insurance coverage for Mr. Skinner (and his spouse and eligible dependents) for the maximum period permitted under COBRA or at such earlier time as Mr. Skinner receives substantially equivalent health insurance coverage in connection with new employment. In addition, the Skinner Agreement provides that if Mr. Skinner is terminated without cause or terminates his employment for good reason within two (2) years following a “change of control,” Mr. Skinner will receive a severance payment equal to 150% of his annual base salary over a twelve month period and a pro-rated portion of any annual cash incentive award to which he is entitled and the Company will pay the monthly premiums for health insurance coverage for Mr. Skinner (and his spouse and eligible dependents) for the maximum period permitted under COBRA or at such earlier time as Mr. Skinner receives substantially equivalent health insurance coverage in connection with new employment. In the event of a “change of control,” all of Mr. Skinner’s unvested stock options and other equity awards shall immediately vest and become exercisable.

If Mr. Steele’s or Mr. Skinner’s employment with the Company had been terminated without cause or for good reason not in connection with a change of control of the Company on May 31, 2015, the last day of Landec’s fiscal year 2015, Mr. Steele and Mr. Skinner would have received the following severance benefits under the Steele Agreement and Skinner Agreement, respectively:

Name	Base Salary (1)	Bonus Payment	Accelerated Vesting of Options (2)	Accelerated Vesting of RSUs (3)	Post-Termination	Total
					Health Insurance Premiums (4)	
Gary T. Steele	\$500,000	\$399,569	\$ —	\$ —	\$201,310 (4)	\$1,100,879
Gregory S. Skinner	\$325,000	\$155,832	\$ —	\$ —	\$ 25,273 (5)	\$ 506,105

(1) Reflects potential payments based on salaries as of May 31, 2015.

(2) All unvested options for Mr. Steele and Mr. Skinner are out of the money (exercise price above stock price as of May 31, 2015) and therefore there is no value to the acceleration.

(3) Accelerating the vesting of the outstanding RSUs by one year does not result in any of the current outstanding RSUs vesting as of May 31, 2015.

(4) Represents the maximum amount of Medicare premiums that would have been paid by the Company on behalf of Mr. Steele and his spouse, assuming life expectancy as estimated in the Actuarial Life Tables compiled by the Social Security Administration.

(5) Represents the maximum amount of premiums that would have been paid under COBRA on behalf of Mr. Skinner

If Mr. Steele's or Mr. Skinner's employment with the Company had been terminated without cause or for good reason in connection with a change of control of the Company on May 31, 2015, the last day of Landec's fiscal year 2015, Mr. Steele and Mr. Skinner would have received the severance benefits under the Steele Agreement and Skinner Agreement set forth above, except that amounts received for base salary would have been \$750,000 and \$487,500 for Mr. Steele and Mr. Skinner, respectively, and the amounts received for the acceleration of RSUs would have been \$500,150 and \$357,250 for Mr. Steele and Mr. Skinner, respectively. Therefore total compensation would have been \$1,851,029 and \$1,025,855 for Mr. Steele and Mr. Skinner, respectively.

Policies and Procedures with Respect to Related Party Transactions

The Audit Committee, all of whose members are independent directors, reviews and approves in advance all related party transactions (other than compensation transactions). In reviewing related party transactions, the Audit Committee takes into account factors it deems appropriate, such as whether the related party transaction is on terms no less favorable than terms generally available to an unrelated third party under the same or similar conditions and the extent of the related party's interest in the transaction. To identify related party transactions, each year we require our executive officers and directors to complete a questionnaire identifying any transactions between the Company and the respective executive officer or director and their family members. Additionally, under the Company's Code of Ethics, directors, officers and all other employees and consultants are expected to avoid any relationship, influence or activity that would cause or even appear to cause a conflict of interest.

Certain Relationships and Related Transactions

Apio sells products to and earns license fees from Windset Holdings 2010 Ltd., a Canadian corporation ("**Windset**"). Apio holds a 26.9% equity interest in Windset. During fiscal year 2015, Apio recognized \$689,000 of revenues from Windset.

Additionally, unrelated to the revenue transactions above, Apio purchases produce from Windset for sale to third parties. During fiscal year 2015, Apio purchased \$1.6 million of produce from Windset.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Officers, directors and holders of more than ten percent of the Company's Common Stock are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely upon review of the copies of such reports filed with the SEC and written representations that no other reports were required, during the fiscal year ended May 31, 2015 all Section 16(a) filing requirements applicable to the Company's officers, directors and holders of more than ten percent of the Company's Common Stock were satisfied.
