Item 1.01 Entry Into a Material Definitive Agreement.

Entry into Credit Agreement

On July 28, 2016, Bio-Techne Corporation (the "Company") entered into a Credit Agreement (the "Credit Agreement"), with the lenders party thereto, BMO Harris Bank N.A., as Administrative Agent, Swing Line Lendor and a Lendor ("BMO"), and the guarantors party thereto.

The Credit Agreement provides for a revolving credit facility of \$400 million, which can be increased by an additional \$200 million subject to certain conditions. Borrowings under the Credit Agreement may be used for working capital and expenditures of the Company and its subsidiaries, including financing permitted acquisitions.

Borrowings under the Credit Agreement bear interest at a variable rate. For base rate loans, the interest rate is equal to the greatest of (i) BMO's prime commercial rate, (ii) the sum of the rate determined by BMO to be the average of the rates per annum quoted to BMO on such day of calculation by two or more Federal funds brokers selected by BMO plus 0.5%, or (iii) a daily LIBOR rate plus 1.0%, in each case plus a margin ranging from 1.00% to 1.75% based on certain conditions. For Eurodollar rate loans, the interest rate is equal to an adjusted LIBOR rate plus a margin ranging from 1.00% to 1.75% based on certain conditions. The Credit Agreement requires monthly payments with respect to base rate loans and at the end of each interest period with respect to Eurodollar rate loans or if such interest period is longer than three months, on each date occurring every three months after the commencement of such interest period.

The Credit Agreement matures on July 28, 2021. The Credit Agreement contains customary restrictive and financial covenants, including without limitation, (a) covenants requiring the Company to (i) pay certain fees, (ii) maintain, at the end of each fiscal quarter, a maximum leverage ratio of no greater than 4.00 to 1.00 and (iii) maintain, at the end of each fiscal quarter, a maximum total funds debt to EBITDA ratio of no greater than 3.50 to 1.00 (or 4.00 to 1.00 in the four quarters following a Qualified Acquisition), and (b) covenants prohibiting the Company from, among other things, (i) creating, incurring or assuming additional indebtedness, (ii) creating certain liens on any of its properties or assets, (iii) selling, leasing or transferring any of its properties or assets, with certain exceptions, including sales of inventory and equipment in the ordinary course of business and (iv) entering into certain merger, consolidation or other reorganization transactions with, or acquiring all or a substantial portion of the assets or equity interests of, any person or entity, subject to certain permitted acquisitions, in each case subject to certain exceptions.

The Credit Agreement also contains customary events of default. If an event of default under the Credit Agreement occurs and is continuing, then the lenders may declare any outstanding obligations under the Credit Agreement immediately due and payable and the lenders will have the right to terminate the Credit Agreement.

Each of the Company's material domestic subsidiaries entered into the Credit Agreement as guarantors of the Company's obligations under the Credit Agreement.

At the closing on July 28, 2016, the Company drew \$343,500,000 on the Credit Agreement in relation to the closing of the Merger, which is described in Item 2.01 of this Current Report, and for payment of outstanding debt under the Company's prior credit agreement.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On August 1, 2016, pursuant to the terms and conditions of the Merger Agreement, Aero Merger Sub was merged with and into Advanced Cell Diagnostics, Inc. ("ACD") with ACD continuing as the surviving corporation and a wholly-owned subsidiary of the Company (the "Merger"). As part of the Merger, each outstanding share of ACD common stock was converted into the right to receive the consideration provided in the Merger Agreement.

The Company paid an aggregate of approximately \$252 million at the closing of the Merger, which amount included the base merger consideration of \$250 million plus adjustments for cash held by ACD and transaction-related expenses. As described above, the merger consideration was drawn from the Credit Agreement.

A copy of the press release announcing the completion of the Merger is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information disclosed in Item 1.01 above is incorporated by reference into this Item 2.03.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Changes in Fiscal Year.

Amendment to Articles of Incorporation

On July 28, 2016, the Board of Directors of the Company approved amendments to its Amended and Restated Bylaws (the "Bylaws"). The amendments include provisions allowing for holding shareholder meetings solely by electronic means at the discretion of the Board of Directors. Other immaterial amendments were also approved. A copy of the Bylaws amendment is attached hereto as Exhibit 3.2 and is incorporated by reference herein.
