	<p>Please note that reregistration is no longer required to ensure voting rights. Following the amendment to paragraph 21 of the Securities Trade Act on 10th July 2015 and the over-ruling of the District Court in Cologne judgment from 6th June 2012 the voting process has changed with regard to the German registered shares. As a result, it remains exclusively the responsibility of the end-investor (i.e. final beneficiary) and not the intermediary to disclose respective final beneficiary voting rights if they exceed relevant reporting threshold of WpHG (from 3 percent of outstanding share capital onwards).</p> <p>According to German law, in case of specific conflicts of interest in connection with specific items of the agenda for the General Meeting you are not entitled to exercise your voting rights. Further, your voting right might be excluded when your share in voting rights has reached certain thresholds and you have not complied with any of your mandatory voting rights notifications pursuant to the German securities trading act (WPHG). For questions in this regard please contact your client service representative for clarification. If you do not have any indication regarding such conflict of interest, or another exclusion from voting, please submit your vote as usual. Thank you.</p> <p>Counter proposals which are submitted until 11/01/2016 will be published by the issuer.
