Item 1.01 Entry into a Material Definitive Agreement

On August 15, 2014, Sensata Technologies B.V. (the “Buyer”), an indirect, wholly-owned subsidiary of Sensata Technologies Holding N.V. (“STHNV,” or the “Company”), entered into a Share Purchase Agreement (the “Purchase Agreement”) with Schrader International, Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “Seller”). STHNV is also a signatory to the Purchase Agreement for the limited purpose of guaranteeing to the Seller the full and complete performance of the Buyer's obligations under the Purchase Agreement.

Pursuant to the Purchase Agreement, the Buyer will purchase from the Seller all of the outstanding equity interests of August Cayman Company, Inc., the direct or indirect parent of various holding and operating companies comprising the Seller's business, for an aggregate purchase price of \$1.0 billion, subject to adjustment (the “Acquisition”).

The Purchase Agreement contains customary representations, warranties, and covenants. Subject to limited exceptions, the representations, warranties, and pre-closing covenants of the parties do not survive consummation of the Acquisition. The Buyer expects to complete the transactions contemplated by the Purchase Agreement in the fourth quarter of 2014, subject to the satisfaction of customary closing conditions, including, among others, the approval of certain regulatory authorities in the United States and Germany.

The Purchase Agreement contains certain customary termination rights for both the Buyer and the Seller. Upon termination of the Purchase Agreement under the following circumstances, the Buyer may be required to pay a termination fee of \$45.0 million to the Seller: (i) if the Seller terminates the Purchase Agreement because the Buyer fails to consummate the Acquisition when obligated to do so, or after October 14, 2014 if the Buyer is in breach of the Purchase Agreement such that the Buyer cannot satisfy its closing conditions; (ii) if the Seller terminates the Purchase Agreement because the Acquisition has not been consummated prior to November 14, 2014 (or, if extended, December 30, 2014) and at such time all conditions to consummation of the Acquisition have been satisfied, other than the receipt of certain regulatory approvals; or (iii) if either party terminates the Purchase Agreement due to the issuance of a permanent injunction or final order prohibiting the Acquisition.

The foregoing description of the Purchase Agreement is not complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Financing Commitment

In connection with the acquisition, the Buyer has entered into a debt commitment letter (the “Commitment Letter”) pursuant to which Barclays Bank PLC and Morgan Stanley Senior Funding, Inc. agreed to provide committed financing in an aggregate principal amount of up to \$1.0 billion in the form of (i) a senior secured term loan facility and (ii) an unsecured senior bridge facility (collectively, the “Debt Financing”). The funding of the Debt Financing is contingent on the closing of the Acquisition and certain other conditions set forth in the Commitment Letter. The funding of the Debt Financing is not a condition to the obligations of the Buyer under the terms of the Purchase Agreement.

The foregoing description of the Commitment Letter is not complete and is qualified in its entirety by reference to the Commitment Letter, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
