A shareholder may revoke a proxy before the proxy is voted by delivering to our Secretary a signed statement of revocation or a duly executed proxy card bearing a later date. Any shareholder who has executed a proxy card but attends the Annual Meeting in person may revoke the proxy and vote at the Annual Meeting.

How Many Votes Do I Have?

Each holder of Common Stock is entitled to one vote per share of Common Stock. Each holder of Series A Preferred Stock is entitled to the number of votes equal to the number of shares of Common Stock issuable upon conversion of such holder's Series A Preferred Stock, *provided* that a holder is only entitled to vote shares of Common Stock underlying the Series A Preferred Stock to the extent such shares do not result in the holder beneficially owning more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of the Series A Preferred Stock and *provided further* that in no event shall the holders be entitled to cast votes in excess of the number of votes that holders would be entitled to cast if the Series A Preferred Stock were converted at \$3.54 per share. Each holder of Series C Preferred Stock is entitled to the number of votes equal to the number of shares of Common Stock issuable upon conversion of such holder's Series C Preferred Stock, based on a conversion price of \$7.20 per share, *provided* that a holder is only entitled to vote shares of Common Stock underlying the Series C Preferred Stock to the extent such shares do not result in the holder beneficially owning more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of the Series C Preferred Stock. Each holder of Series E Preferred Stock is entitled to the number of votes equal to two votes for every share of Common Stock into which the Series E Preferred Stock is convertible on any matter submitted for a vote of Shareholders. As of the Record Date, all shares of Series E Preferred Stock are held by the Company's Chief Executive Officer and constitute [•]% of the Company's outstanding voting capital as of the Record Date.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. You may specify whether your shares should be voted for or against each nominee for director, and whether your shares should be voted for, against or abstain with respect to each of the other proposals. Except as set forth below, if you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board's recommendations as noted

below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, Equity Stock Transfer, or you have stock certificates, you may vote:

By mail. Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by the Board.

In person at the meeting. If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If your shares are held in “street name” (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By Internet or by telephone. Follow the instructions you receive from your broker to vote by Internet or telephone.

By mail. You will receive instructions from your broker or other nominee explaining how to vote your shares.

In person at the meeting. Contact the broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the meeting. You will not be able to attend the Annual Meeting unless you have a proxy card from your broker.

How Does The Board Recommend That I Vote On The Proposals?

The Board recommends that you vote as follows:

“**FOR**” the election of the Board nominees as Class III directors;

“**FOR**” ratification of the appointment of two directors as Class I Directors;

“**FOR**” ratification of the selection of EisnerAmper LLP as our independent public accountant for our fiscal year ending October 31, 2017;

“**FOR**” the compensation of our named executive officers as set forth in this proxy statement;

“**FOR**” a frequency of voting every year on the compensation of our named executive officers;

“**FOR**” an amendment to the Company's 2017 Equity Incentive Plan to increase the reservation of Common Stock for issuance thereunder to 7,300,000 shares from 3,450,000 shares; and

“**FOR**” the authorization of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 20% below the market price of the Common Stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d).

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the Annual Meeting. You may change or revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it as instructed above;

if your shares are held in street name, re-voting by Internet or by telephone as instructed above — only your latest Internet or telephone vote will be counted;

if your shares are registered in your name, notifying the Company's Secretary in writing before the Annual Meeting that you have revoked your proxy; or

attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

What If I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our Common Stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under "How Do I Vote?" on the proxy card for each account to ensure that all of your shares are voted.

Will My Shares Be Voted If I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the Annual Meeting as described above under “How Do I Vote?” If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter, or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a “broker non-vote.” The New York Stock Exchange (“NYSE”) has rules that govern brokers who have record ownership of listed company stock (including stock such as ours that is listed on The Nasdaq Capital Market) held in brokerage accounts for their clients who beneficially own the shares. Under these rules, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on certain matters (“routine matters”), but do not have the discretion to vote uninstructed shares as to certain other matters (“non-routine matters”). Under NYSE interpretations, Proposal 1 (election of Class III directors), Proposal 2 (ratification of the appointment of two directors as Class I Directors), Proposal 4 (advisory vote to approve executive compensation), Proposal 5 (advisory vote on frequency to advise us on the compensation of our named executive officers every year, every two years or every three years), Proposal 6 (approval of an amendment to the Company’s 2017 Equity Incentive Plan to increase reservation of Common Stock for issuance thereunder to 7,300,000 shares from 3,450,000 shares) and Proposal 7 (authorization of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 20% below the market price of the Common Stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d)) are considered non-routine matters, and Proposal 3 (the ratification of our independent public accountant) is considered a routine matter. If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under “How Do I Vote?,” the bank, broker or other nominee has the authority, even if it does not receive instructions from you, to vote your unvoted shares for Proposal 3 (the ratification of our independent public accountant), but does not have authority to vote your unvoted shares for Proposal 1 (election of Class III directors), Proposal 2 (ratification of the appointment of two directors as Class I Directors), Proposal 4 (advisory vote to approve executive compensation), Proposal 5 (advisory vote on frequency to advise us on the compensation of our named executive officers every year, every two years or every three years), Proposal 6 (approval of an amendment to the Company’s 2017 Equity Incentive Plan to increase reservation of Common Stock for issuance thereunder to 7,300,000 shares from 3,450,000 shares) and Proposal 7 (authorization of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 20% below the market price of the Common Stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d)). We encourage you to provide voting instructions. This ensures your shares will be voted at the Annual Meeting in the manner you desire.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Election of Class III Directors

The nominees for Class III director who receive the most votes (also known as a plurality) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. As a result, any shares not

voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratification of the Appointment of Two Directors as Class I Directors

The affirmative vote of a majority of the votes cast for this proposal is required to ratify the appointment of two directors as Class I Directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for this proposal. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 3: Ratification of the Appointment of EisnerAmper LLP as Our Independent Public Accountant for the Fiscal Year Ending October 31, 2017

The affirmative vote of a majority of the votes cast for this proposal is required to ratify the appointment of the Company's independent public accountant. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our Shareholders to appoint the Company's independent accountant. However, if our Shareholders do not ratify the appointment of EisnerAmper LLP as the Company's independent public accountant for the fiscal year ending October 31, 2017, the Audit Committee of the Board may reconsider its appointment.

Proposal 4: Advisory Vote to Approve the Compensation of Our Named Executive Officers

The advisory vote to approve the compensation of our executive officers will be approved if the votes cast in favor of the proposal exceed the votes cast against the proposal. Abstentions and broker non-votes will not be counted as either votes cast for or against this proposal. While the results of this advisory vote are non-binding, the Compensation Committee of the Board and the Board values the opinions of our Shareholders and will consider the outcome of the vote, along with other relevant factors, in deciding whether any actions are necessary to address the concerns raised by the vote and when making future compensation decisions for executive officers. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for this proposal. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 5: Advisory Vote on Frequency of Voting on Compensation of Our Named Executive Officers

The frequency (one year, two years or three years) that receives the highest number of votes cast by the Shareholders will be deemed the frequency for the advisory Say-on-Pay vote preferred by the Shareholders. The proxy card provides Shareholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, Shareholders will not be voting to approve or disapprove the recommendation of the Board. Abstentions and broker non-votes will have no effect on the results of this vote. While the results of this advisory vote are non-binding, the Board values the opinions of our Shareholders and will review and consider the outcome of the vote, along with other relevant factors, in evaluating the frequency of future advisory votes on executive compensation. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for this proposal. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 6: Approval of an Amendment to the Company's 2017 Equity Incentive Plan to Increase the Reservation of Common Stock for Issuance Thereunder to 7,300,000 Shares From 3,450,000 Shares

The affirmative vote of a majority of the votes cast for this proposal is required to approve an amendment to the Company's 2017 Equity Incentive Plan to increase reservation of Common Stock for issuance thereunder to 7,300,000 shares from 3,450,000 shares. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for this proposal. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 7: Authorization of the Issuance of Securities in One or More Non-Public Offerings Where the Maximum Discount at Which Securities Will Be Offered Will Be Equivalent to a Discount of 20% Below the Market Price of the Common Stock, as Required By and In Accordance With Nasdaq Marketplace Rule 5635(d)

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the Shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Votes of Shareholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Householding of Annual Disclosure Documents

The Securities and Exchange Commission (the “SEC”) previously adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or brokers holding our shares on your behalf to send a single set of our annual report and proxy statement to any household at which two or more of our Shareholders reside, if either we or the brokers believe that the Shareholders are members of the same family. This practice, referred to as “householding,” benefits both Shareholders and us. It reduces the volume of duplicate information received by you and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once Shareholders receive notice from their brokers or from us that communications to their addresses will be “household,” the practice will continue until Shareholders are otherwise notified or until they revoke their consent to the practice. Each shareholder will continue to receive a separate proxy card or voting instruction card.

Those Shareholders who either (i) do not wish to participate in “householding” and would like to receive their own sets of our annual disclosure documents in future years or (ii) who share an address with another one of our Shareholders and who would like to receive only a single set of our annual disclosure documents should follow the instructions described below:

Shareholders whose shares are registered in their own name should contact our transfer agent, Equity Stock Transfer, and inform them of their request by calling them at 212-575-5757 or writing them at 237 W. 37th Street, Suite 601, New York, New York 10018.

Shareholders whose shares are held by a broker or other nominee should contact such broker or other nominee directly and inform them of their request, Shareholders should be sure to include their name, the name of their brokerage firm and their account number.

Who is paying for this proxy solicitation?

In addition to mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone, or by other means of communication. We will not pay our directors, officers and employees any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

When are shareholder proposals due for next year's annual meeting?

At our annual meeting each year, our Board of Directors submits to Shareholders its nominees for election as directors. In addition, the Board of Directors may submit other matters to the Shareholders for action at the annual meeting.

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, Shareholders may present proper proposals for inclusion in the Company's proxy statement for consideration at the 2018 annual meeting of Shareholders by submitting their proposals to the Company in a timely manner. These proposals must meet the Shareholders eligibility and other requirements of the SEC. To be considered for inclusion in next year's proxy materials, you must submit your proposal in writing by August 4, 2018 to our Corporate Secretary, PolarityTE, Inc., 615 Arapeen Drive, Suite 102, Salt Lake City, Utah 84108, telephone number (385) 237-2279.

What Interest Do Officers and Directors Have in Matters to Be Acted Upon?

Members of the Board of Directors and executive officers of the Company do not have any interest in any proposal that is not shared by all other Shareholders of the Company except for Proposal 1 (nominees to our Board of Directors will be elected), Proposal 2 (appointments to our Board of Directors will be ratified), Proposal 4 (members of our Board of Directors and our executive officers will receive the approved compensation), Proposal 5 (the vote will determine how often to vote on the approval of executive compensation), and Proposal 6 (members of our Board of Directors and our executive officers will be eligible for equity incentive awards and otherwise to participate in our plan).

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board currently consists of seven members: Denver Lough, John Stetson, Edward Swanson, Steve Gorlin, Jeff Dyer, Michael Beeghley and Jon Mogford. The Board is divided into three classifications: Class III directors, whose term expires at this Annual Meeting (Messrs. Dyer and Beeghley and Dr. Mogford), Class I Directors, whose term expires at the 2018 Annual Meeting of Shareholders (Messrs. Lough and Swanson), and Class II Directors, whose term expires at the 2019 Annual Meeting of Shareholders (Messrs. Stetson and Gorlin). The recommended slate of three directors to be elected at this Annual Meeting to serve as Class III directors consists of Messrs. Lough, Stetson and Swanson. The Nominating and Corporate Governance Committee and Board have unanimously approved the nomination of Messrs. Lough, Stetson and Swanson as Class III directors, a change from their prior positions as Class I, Class II and Class I director, respectively. Mr. Dyer and Dr. Mogford have been appointed, pursuant to ratification upon approval of Proposal 2, as Class I directors to fill the vacancies from Messrs. Lough and Swanson's nominations as Class III directors. Mr. Beeghley, a Class III director, will not be standing for reelection at this Annual Meeting.

The following table shows the Company's nominees for election to the Board as Class III directors. Each nominee, if elected, will serve until the 2020 Annual Meeting of Shareholders and until a successor is named and qualified, or until his earlier resignation or removal. All nominees are members of the present Board of Directors. We have no reason to believe that any of the nominees is unable or will decline to serve as a director if elected. Unless otherwise indicated by the Shareholder, the accompanying proxy will be voted for the election of the three persons named under the heading "Nominees for Directors." Although the Company knows of no reason why any nominee could not serve as a director, if any nominee shall be unable to serve, the accompanying proxy will be voted for a substitute nominee.

Information about the Board of Directors and Committees

Corporate Governance

Independence of Directors

Our Board is currently comprised of seven members. The Board has reviewed the materiality of any relationship that each of our directors has with the Company, either directly or indirectly. Based upon this review, the Board has determined that the following members of the Board are "independent directors" as defined by the rules of The NASDAQ Stock Market: Jeff Dyer, Steve Gorlin, and Dr. Jon Mogford.

The definition of “independent director” included in the NASDAQ Stock Market Rules includes a series of objective tests, such as that the director is not an employee of the Company, has not engaged in various types of specified business dealings with the Company, and does not have an affiliation with an organization that has had specified business dealings with the Company. Consistent with the Company’s Corporate Governance Principles, the Board’s determination of independence is made in accordance with the NASDAQ Stock Market Rules, as the Board has not adopted supplemental independence standards. As required by the NASDAQ Stock Market Rules, the Board also has made a subjective determination with respect to each director that such director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), even if the director otherwise satisfies the objective independence tests included in the definition of an “independent director” included in the NASDAQ Stock Market Rules.

In determining that each individual who served as a member of the Board is independent, the Board considered that, in the ordinary course of business, transactions may occur between the Company and entities with which some of our directors are affiliated. The Board unanimously determined that the relationships discussed below were not material. No unusual discounts or terms were extended.

Board Leadership Structure

The Board believes that the Company’s Shareholders are best served if the Board retains the flexibility to adapt its leadership structure to applicable facts and circumstances, which necessarily change over time. Accordingly, the Company’s Corporate Governance Principles provide that the Board may combine or separate the roles of the CEO and chairman, as it deems advisable and in the best interests of the Company and its Shareholders.

The independent directors have concluded that the most effective leadership structure for the Company at the present time is for Dr. Lough to serve as both our CEO and Chairman. The Board made this determination in light of Dr. Lough’s experience with the Company, which allow him to bring to the Board a broad and uniquely well-informed perspective on the Company’s business, as well as insight into the trends and opportunities that can affect the Company’s future. In adopting the structure, the Board also concluded that the strong independent membership of the Board and its standing committees ensures robust and effective communication between the directors and members of management, and that the overall leadership structure is effective in providing the Board with a well-informed and current view of the Company’s business that enhances its ability to address strategic considerations, as well as focus on the opportunities and risks that are of greatest importance to the Company and its Shareholders. The Board believes this structure has served the Company well.

Under our Corporate Governance Principles, the Board has the flexibility to modify or continue the leadership structure, as it deems appropriate. As part of its ongoing evaluation of the most effective leadership structure for the Company, the independent directors decided to appoint a lead director. The independent directors believe that having a lead director enhances the Board’s independent oversight of management by further providing for strong independent

leadership; independent discussion among directors; and independent evaluation of, and communication with, senior management of the Company. Dr. Mogford currently serves as lead director, and has since 2017. The independent directors unanimously approved Dr. Mogford to be lead director based on his experience knowledge of governance practices, strategic considerations, and the Company's business interests.

Specific duties of the lead director include:

presiding at meetings of the independent directors;

serving as a liaison between the chairman and the independent directors;

consulting on meeting agendas;

working with management to assure that meeting materials are fulfilling the needs of directors;

consulting on the meeting calendar and schedules to assure there is sufficient time to discuss all agenda items;

calling meetings of the independent directors, including at the request of such directors;

presiding at Board meetings when the chairman is not present;

working with the independent directors to respond to shareholder inquiries involving the Board; and

performing such other duties as the Board may from time to time delegate.

Director Attendance at Board, Committee, and Other Meetings

Directors are expected to attend Board meetings and meetings of the committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. The Board does not have a policy on director attendance at the Company's annual meeting.

The non-management directors (who also constitute all of the independent directors) meet in executive sessions in connection with regularly scheduled Board meetings and at such other times as the non-management directors deem appropriate.

In 2016, the Board held 4 regular and special meetings, the non-management directors held four regular and special executive sessions, the Audit Committee held four regular and special meetings, the Compensation Committee held three regular and special meetings, and the Nominating and Corporate Governance Committee held three regular and special meetings. Each director attended 90% or more of the regular and special meetings of the Board and of the committees on which he or she served that were held during his or her term of office. Each of the non-management (and independent) directors attended 90% or more of the regular and special executive sessions that were held during his or her term of office.

Board Role in Risk Oversight

The Company's Board plays an active role in risk oversight of the Company. The Board does not have a formal risk management committee, but administers this oversight function through various standing committees of the Board, which are described below. The Audit Committee periodically reviews overall enterprise risk management, in addition to maintaining responsibility for oversight of financial reporting-related risks, including those related to the Company's accounting, auditing and financial reporting practices. The Audit Committee also reviews reports and considers any material allegations regarding potential violations of the Company's Code of Ethics. The Compensation Committee oversees risks arising from the Company's compensation policies and programs. This Committee has responsibility for evaluating and approving the executive compensation and benefit plans, policies and programs of the Company. The Nominating Committee oversees corporate governance risks and oversees and advises the Board with respect to the Company's policies and practices regarding significant issues of corporate responsibility.

The Board of Directors has a process for Shareholders to communicate with directors. Shareholders should write to the President at the Company's mailing address and specifically request that a copy of the letter be distributed to a particular Board member or to all Board members. Where no such specific request is made, the letter will be distributed to Board members if material, in the judgment of the President, to matters on the Board's agenda.

Committees of the Board

Our Board has three standing committees: Audit, Compensation, and Nominating and Corporate Governance. Each of the committees is solely comprised of and chaired by independent directors, each of whom the Board has affirmatively determined is independent pursuant to the NASDAQ Stock Market. Each of the committees operates pursuant to its charter. The Committee Charters are reviewed annually by the Nominating and Corporate Governance Committee. If appropriate, and in consultation with the chairs of the other committees, the Nominating and Corporate Governance Committee proposes revisions to the charters. The responsibilities of each committee are described in more detail below. The charters for the three committees are available on the Company's website at <http://www.polarityte.com/> by following the link to "Investors" and then to "Governance."

Audit Committee

The Audit Committee, among other things, is responsible for:

Appointing, approving the compensation of, overseeing the work of, and assessing the independence, qualifications, and performance of the independent auditor;

reviewing the internal audit function, including its independence, plans, and budget;

approving, in advance, audit and any permissible non-audit services performed by our independent auditor;

reviewing our internal controls with the independent auditor, the internal auditor, and management;

reviewing the adequacy of our accounting and financial controls as reported by the independent auditor, the internal auditor, and management;

overseeing our financial compliance system; and

overseeing our major risk exposures regarding the Company's accounting and financial reporting policies, the activities of our internal audit function, and information technology.

The Board has affirmatively determined that each member of the Audit Committee meets the additional independence criteria applicable to audit committee members under SEC rules and the NASDAQ Stock Market. The Board of Directors has adopted a written charter setting forth the authority and responsibilities of the Audit Committee. The Board has affirmatively determined that each member of the Audit Committee is financially literate, and that all members meet the qualifications of an Audit Committee financial expert. The Audit Committee consists of Messrs. Gorlin, Dyer and Beeghley. Mr. Beeghley is not standing for re-election at this Annual Meeting.

Compensation Committee

The Compensation Committee is responsible for establishing and administering our executive compensation policies. The role of the Compensation Committee is to (i) formulate, evaluate and approve compensation of the Company's directors, executive officers and key employees, (ii) oversee all compensation programs involving the use of the

Company's stock, and (iii) produce, if required under the securities laws, a report on executive compensation for inclusion in the Company's proxy statement for its annual meeting of shareholders. The duties and responsibilities of the Compensation Committee under its charter include:

Annually reviewing and setting compensation of executive officers;

Periodically reviewing and making recommendations to the Board with respect to compensation of non-employee directors;

Reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and setting the Chief Executive Officer's compensation levels based on this evaluation;

Reviewing competitive practices and trends to determine the adequacy of the executive compensation program;

Approving and overseeing incentive compensation and equity-based plans for executive officers that are subject to Board approval;

Making recommendations to the Board as to the Company's compensation philosophy and overseeing the development and implementation of compensation programs;

Periodically reviewing and making recommendations to the Board with respect to compensation of non-employee directors;

Reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and setting the Chief Executive Officer's compensation levels based on this evaluation;

When appropriate, the Compensation Committee may, in carrying out its responsibilities, form and delegate authority to subcommittees. The Chief Executive Officer plays a role in determining the compensation of our other executive officers by evaluating the performance of those executive officers. The Chief Executive Officer's evaluations are then reviewed by the Compensation Committee. This process leads to a recommendation for any changes in salary, bonus terms and equity awards, if any, based on performance, which recommendations are then reviewed and approved by the Compensation Committee.

The Compensation Committee has the authority, at the Company's expense, to select, retain, terminate and set the fees and other terms of the Company's relationship with any outside advisors who assist it in carrying out its responsibilities, including compensation consultants or independent legal counsel.

The Board has adopted a written charter setting forth the authority and responsibilities of the Compensation Committee. The Compensation Committee consists of Messrs. Gorlin, Dyer and Beeghley. Mr. Beeghley is not standing for re-election at this Annual Meeting. The Board has affirmatively determined that each member of the Compensation Committee meets the additional independence criteria applicable to compensation committee members under SEC rules and the NASDAQ Stock Market.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, among other things, is responsible for:

reviewing and assessing the development of the executive officers, and considering and making recommendations to the Board regarding promotion and succession issues;

evaluating and reporting to the Board on the performance and effectiveness of the directors, committees, and the Board as a whole;

working with the Board to determine the appropriate and desirable mix of characteristics, skills, expertise, and experience, including diversity considerations, for the full Board and each committee;

The Board of Directors has adopted a written charter setting forth the authority and responsibilities of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Messrs. Gorlin, Dyer and Beeghley. Mr. Beeghley is not standing for re-election at this Annual Meeting.

Consideration of Director Nominees

We seek directors with the highest standards of ethics and integrity, sound business judgment, and the willingness to make a strong commitment to the Company and its success. The Nominating and Corporate Governance Committee works with the Board on an annual basis to determine the appropriate and desirable mix of characteristics, skills, expertise, and experience for the full Board and each committee, taking into account both existing directors and all nominees for election as directors, as well as any diversity considerations and the membership criteria reflected in the Corporate Governance Principles. The Nominating and Corporate Governance Committee and the Board, which do not have a formal diversity policy, consider diversity in a broad sense when evaluating board composition and nominations; and they seek to include directors with a diversity of experience, professions, viewpoints, skills, and backgrounds that will enable them to make significant contributions to the Board and the Company, both as individuals and as part of a group of directors. The Board evaluates each individual in the context of the full Board, with the objective of recommending a group that can best contribute to the success of the business and represent Shareholder interests through the exercise of sound judgment. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's attendance at meetings and participation in and contributions to the activities of the Board and its committees.

The Nominating and Corporate Governance Committee will consider director candidates recommended by Shareholders, and its process for considering such recommendations is no different than its process for screening and evaluating candidates suggested by directors, management of the Company, or third parties.

Narrative Disclosure to Summary Compensation Table

Incentive Bonus Opportunity

The Compensation Committee has the authority to award incentive bonuses to our executives. The incentive bonus program is based on the Company's fiscal year performance.

The incentive bonus program is an important component of total cash compensation because it rewards our executives for achieving annual financial and operational goals and emphasizes variable or "at risk" compensation.

On April 19, 2013, the Compensation Committee approved the adoption of a new annual short-term incentive plan for fiscal year 2013 and subsequent years (the "STI Plan"). In 2013, under the STI Plan, each of the named executive officers was eligible to receive an incentive bonus based upon a targeted percentage of his base salary, which was 100% for the Chief Executive Officer and 50% for the Chief Financial Officer. The incentives could be earned based on our performance relative to a mix of strategic objectives, such as (i) growing cash flow from our console business, (ii) expanding our digital games business, measured in terms of revenue, infrastructure and talent acquisitions, business acquisitions, and product pipeline, and (iii) managing to adjusted operating income, cash flow and liquidity goals, eliminating operating losses on certain platforms, and repositioning the Company to invest in growth areas. In addition, in determining the eligibility for bonuses under the plan, the payout level for the strategic objectives was based on the Committee's discretionary assessment of each officer's performance relative to the overall mix of objectives. Based on its review of overall performance, the Compensation Committee approved an incentive payout of \$150,000 for the Chief Executive Officer and \$84,000 for the Chief Financial Officer.

No incentive plan was offered for fiscal year 2016.

Long-Term Incentives

We believe that long-term performance will be enhanced through equity awards that reward our executives and other employees for maximizing Shareholder value over time and that align the interests of our executives and other employees with those of Shareholders. The Compensation Committee believes that the use of equity awards offers the best approach to achieving our compensation goals because equity ownership ties a significant portion of an individual's compensation to the performance of our stock.

On March 30, 2015, at our 2015 annual meeting, our Shareholders approved the Company's 2014 Equity Incentive Plan (the "2014 Plan") and the reservation of 2,250,000 shares of our Common Stock thereunder. Director Compensation Policy

During the fiscal year ended October 31, 2016, our directors were compensated in accordance with the following terms. Each non-employee director received an annual cash retainer of \$5,000, other than the Chair of the Company's Audit Committee, who received \$6,000. In addition, the Chairman of the Board received an additional annual cash retainer of \$10,000.

Each non-employee director was also entitled to receive 5-year options to purchase shares of the Company's Common Stock valued at \$10,000, calculated by dividing \$10,000 by the closing stock price on the date the award was granted. The options vest in full six months after the grant date, provided the applicable director is still serving on the Board.

Each non-employee director was entitled to a fee of \$2,500 for each Board meeting at which the director was present in person, and each member of our Board committees was entitled to a fee of \$800 for each committee meeting at which the director was present in person. Each non-employee director was entitled to a fee of \$300 for each teleconference called by either the Chairman of the Board, the President of the Company or the Chairman of a Board committee.

REPORT OF AUDIT COMMITTEE

The current members of the Audit Committee are Messrs. Gorlin, Dyer and Beeghley.

The Audit Committee of the Board, which consists entirely of directors who meet the required independence and experience requirements of Rule 10A-3 promulgated under the Securities Exchange Act of 1934 and the rules of the Nasdaq Stock Market, has furnished the following report:

The Audit Committee assists the Board in overseeing and monitoring the integrity of the Company's financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board, which is available on our website at www.polarityte.com. The Audit Committee is responsible for selecting, retaining and determining the compensation of our independent public accountant, approving the services they will perform, and reviewing the performance of the independent public accountant. The Audit Committee reviews with management and our independent public accountant our annual financial statements on Form 10-K and our quarterly financial statements on Forms 10-Q. The Audit Committee reviews and reassesses the charter annually and recommends any changes to the Board for approval. The Audit Committee is responsible for overseeing our overall financial reporting process. In fulfilling its responsibilities for the financial statements for fiscal year 2016, the Audit Committee took the following actions:

reviewed and discussed the audited financial statements for the fiscal year ended October 31, 2016 with management and EisnerAmper LLP ("EisnerAmper"), our independent public accountant;

discussed with EisnerAmper the matters required to be discussed in accordance with the rules set forth by the Public Company Accounting Oversight Board ("PCAOB"), relating to the conduct of the audit; and

received written disclosures and the letter from EisnerAmper regarding its independence as required by applicable requirements of the PCAOB regarding EisnerAmper's communications with the Audit Committee and the Audit Committee further discussed with EisnerAmper its independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the Audit Committee determined appropriate.

Based on the Audit Committee's review of the audited financial statements and discussions with management and EisnerAmper, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended October 31, 2016 for filing with the SEC.

THE AUDIT COMMITTEE:

Jeff Dyer (Chair)
Steve Gorlin
Michael Beeghley

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF TWO DIRECTORS AS CLASS I DIRECTORS

Currently, the Company's Restated Certificate of Incorporation (the "Charter") divides Board members into three classes. One class is elected at each Annual Meeting of Shareholders, to hold office for a term beginning on the date of the election and ending on the date of the third Annual Meeting of Shareholders following the beginning of the term. The slate of three Class III director nominees to be elected at this Annual Meeting is provided for in Proposal 1. These nominees are being nominated as Class III directors after previously serving as Class I or Class II directors.

The Board recognizes that a classified structure offers several advantages, such as promoting board continuity and stability, encouraging directors to take a long-term perspective, and ensuring that a majority of the Board will always have prior experience with the Company, especially in light of an increasingly complex and changing regulatory environment. Additionally, classified boards may motivate potential acquirers seeking control to initiate arms-length discussions with the Board, rather than engaging in unsolicited or coercive takeover tactics, since potential acquirers are unable to replace the entire Board in a single election, thereby better enabling the Board to maximize Shareholder value and to ensure the equal and fair treatment of Shareholders.

Therefore, after careful consideration, the Board has determined that it would be in the best interests of the Company and the Shareholders to appoint Jeff Dyer (previously a Class III Director) and Jon Mogford (previously a Class III Director) as Class I Directors in order to replace those directors now being nominated as Class III directors pursuant to Proposal 1. This will allow the Board to remain appropriately distributed and classified, with each class of directors serving a term of three years. The term of the Class I directors to be appointed by the Board, if this Proposal 2 is approved, will expire on the date of the 2018 Annual Meeting of Shareholders.

The biographies of Mr. Dyer and Dr. Mogford and the make-up of the Board upon approval of both Proposal 1 and this Proposal 2 can be found above under the heading “Directors.”

Notwithstanding the foregoing, in all cases, each director will hold office until his or her successor is duly elected, or until his or her earlier resignation or removal.

No Appraisal Rights

Under the Delaware General Corporation Law, our Shareholders are not entitled to appraisal rights with respect to the approval of the ratification of the appointment of two directors as Class I Directors, and we will not independently provide our Shareholders with any such rights.

Vote Required

The affirmative vote of a majority of the votes cast for this proposal is required to approve the ratification of the appointment of two directors as Class I Directors. Abstentions will be counted towards the tabulation of votes cast on this proposal and will have the same effect as a negative vote. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for this proposal. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR the ratification of the appointment of TWO directors as Class I Directors.

PROPOSAL NO. 3

RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS INDEPENDENT PUBLIC ACCOUNTANT FOR THE FISCAL YEAR ENDING OCTOBER 31, 2017

The Audit Committee has appointed EisnerAmper LLP (“EisnerAmper”), independent public accountant, to audit our financial statements for the fiscal year ending October 31, 2017. The Board proposes that the Shareholders ratify this appointment. We expect that representatives of EisnerAmper will be present at the Annual Meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

The following table sets forth the fees billed by EisnerAmper for each of our last two fiscal years for the categories of services indicated.

	2016	2015
Audit Fees	\$157,850	\$139,900
Audit Related Fees	--	11,300
Tax Fees	--	--
Other Fees	--	--
Total Fees	\$157,850	\$151,200

Audit Fees

Consist of fees billed for professional services rendered for the audit of our financial statements and review of interim consolidated financial statements included in quarterly reports and services that are normally provided by the principal accountants in connection with statutory and regulatory filings or engagements.

Audit Related Fees

Consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under "Audit Fees."

Audit Committee Pre-Approval Policy

The Audit Committee is required to pre-approve the engagement of EisnerAmper to perform audit and other services for the Company. Our procedures for the pre-approval by the Audit Committee of all services provided by EisnerAmper comply with SEC regulations regarding pre-approval of services. Services subject to these SEC requirements include audit services, audit-related services, tax services and other services. The audit engagement is specifically approved and the auditors are retained by the Audit Committee. The Audit Committee also has adopted policies and procedures for pre-approving all non-audit work performed by EisnerAmper. The Audit Committee pre-approved all audit, audit-related, tax and other services provided by EisnerAmper for the two most recently completed fiscal years.

We understand the need for EisnerAmper to maintain objectivity and independence in its audit of our financial statements. To minimize relationships that could appear to impair the objectivity of EisnerAmper, the Audit Committee has restricted the non-audit services that EisnerAmper may provide to us primarily to tax services.

Representatives of EisnerAmper are expected to be present at the Annual Meeting either in person or telephonically. They will have the opportunity to make a statement if they desire to do so, and they are expected to be available to respond to appropriate questions.

No Appraisal Rights

Under the Delaware General Corporation Law, our Shareholders are not entitled to appraisal rights with respect to our proposed ratification of the appointment of EisnerAmper as our independent public accountant, and we will not independently provide our Shareholders with any such rights.

Vote Required

The affirmative vote of a majority of the votes cast for this proposal is required to ratify the appointment of the Company's independent public accountant. Abstentions will be counted towards the tabulation of votes cast on this proposal and will have the same effect as a negative vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our Shareholders to appoint the Company's independent accountant. However, if our Shareholders do not ratify the appointment of EisnerAmper LLP as the Company's independent public accountant for the fiscal year ending October 31, 2017, the Audit Committee of the Board may reconsider its appointment.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS INDEPENDENT PUBLIC ACCOUNTANT, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A SHAREHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL NO. 4

ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act requires the Company's Shareholders to have the opportunity to cast a non-binding advisory vote regarding the approval of the compensation disclosed in this Proxy Statement of the Company's executive officers who are named in the Summary Compensation Table (the "Named Executive Officers"). The Company has disclosed the compensation of the Named Executive Officers pursuant to rules adopted by the SEC.

We believe that our compensation policies for the Named Executive Officers are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company's Shareholders. This advisory Shareholders vote, commonly referred to as a "say-on-pay vote," gives you as a shareholder the opportunity to approve or not approve the compensation of the Named Executive Officers that is disclosed in this Proxy Statement by voting for or against the following resolution (or by abstaining with respect to the resolution):

RESOLVED, that the Shareholders of the Company approve all of the compensation of the Company's executive officers who are named in the Summary Compensation Table of the Company's 2017 Proxy Statement, as such compensation is disclosed in the Company's 2017 Proxy Statement pursuant to Item 402 of Regulation S-K, which disclosure includes the Proxy Statement's Summary Compensation Table and other executive compensation tables and related narrative disclosures.

Because your vote is advisory, it will not be binding on either the Board of Directors or the Company. However, the Company's Compensation Committee will take into account the outcome of the shareholder vote on this proposal at the Annual Meeting when considering future executive compensation arrangements. In addition, your non-binding advisory votes described in this Proposal 4 will not be construed: (1) as overruling any decision by the Board of Directors, any board committee or the Company relating to the compensation of the Named Executive Officers, or (2) as creating or changing any fiduciary duties or other duties on the part of the Board of Directors, any board committee or the Company.

Vote Required

The advisory vote to approve the compensation of our executive officers will be approved if the votes cast in favor of the proposal exceed the votes cast against the proposal. Abstentions and broker non-votes will not be counted as either

votes cast for or against this proposal. While the results of this advisory vote are non-binding, the Compensation Committee of the Board and the Board values the opinions of our Shareholders and will consider the outcome of the vote, along with other relevant factors, in deciding whether any actions are necessary to address the concerns raised by the vote and when making future compensation decisions for executive officers

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTED OFFICER, AS STATED IN THE ABOVE NON-BINDING RESOLUTION, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A SHAREHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL NO. 5

ADVISORY VOTE ON THE FREQUENCY OF HOLDING FUTURE

ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In addition to holding a Say-on-Pay advisory vote, we are seeking an advisory, non-binding vote regarding the frequency of future advisory Say-on-Pay votes in accordance with the SEC's proxy rules, known as a "Say-on-Pay Frequency" advisory vote.

Shareholders will be able to vote that we hold this Say-on-Pay advisory vote every year, two years, or three years, or Shareholders may abstain from voting on this proposal.

After due consideration, the Board has decided to recommend that this Say-on-Pay advisory vote on executive compensation occur annually. While there are valid arguments for biennial and triennial votes, we believe that an annual vote will allow our Shareholders to provide us with their direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement every year and will be most useful to the Board. The Board's decision was based further on the premise that this recommendation could be modified in future years if it becomes apparent that an annual vote is not meaningful, is burdensome or is more frequent than that recommended by best corporate governance practices.

The frequency (one year, two years or three years) that receives the highest number of votes cast by the Shareholders will be deemed the frequency for the advisory Say-on-Pay vote preferred by the Shareholders. Because your vote is advisory, the results will not be binding upon the Company. Although not binding, the Board values the opinions of our Shareholders and will review and consider the outcome of the vote, along with other relevant factors, in evaluating the frequency of future advisory votes on executive compensation.

Vote Required

The frequency (one year, two years or three years) that receives the highest number of votes cast by the Shareholders will be deemed the frequency for the advisory Say-on-Pay vote preferred by the Shareholders. Abstentions and broker non-votes will not be counted as either votes cast for or against this proposal. While the results of this advisory vote are non-binding, the Compensation Committee of the Board and the Board values the opinions of our Shareholders and will consider the outcome of the vote, along with other relevant factors, in deciding whether any actions are necessary to address the concerns raised by the vote and when making future compensation decisions for executive officers

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE OPTION OF ONE YEAR AS YOUR PREFERENCE FOR THE FREQUENCY OF HOLDING FUTURE ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A SHAREHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL NO. 6

APPROVAL OF an amendment to the Company's 2017 Equity Incentive Plan to increase THE reservation of Common Stock for issuance thereunder from to 7,300,000 shares from 3,450,000 shares

The Company's 2017 Equity Incentive Plan (the "EIP") was approved by our Board and by our Shareholders and went into effect as of March 10, 2017. On July 27, 2017, the Board approved an amendment (the "Amendment") to the EIP to increase the number of shares available for issuance thereunder to 7,300,000 from 3,450,000 in support of the Company's growth and desire to attract and retain qualified individuals for management and other positions. The Board is recommending and submitting the Amendment to our Shareholders for approval.

We are seeking Shareholder approval of the Amendment to increase the number of shares issuable pursuant to the EIP to 7,300,000 from 3,450,000. In determining the amount of the increase contemplated by the proposed Amendment to the EIP, the Board has taken into consideration the desire to continue to retain the flexibility to offer incentives to our officers, directors, consultants and others. Upon Shareholder approval, an additional 3,850,000 shares of Common Stock will be available for issuance under the EIP.

Reasons for the Proposed Amendment

The purpose of this increase is to continue to be able to attract, retain and motivate executive officers and other employees, non-employee directors and certain consultants. Upon Shareholder approval of the Amendment, additional shares of Common Stock will be reserved for issuance under the EIP, which will enable us to continue to grant equity awards to our officers, employees, consultants and non-employee directors at levels determined by the Board to be necessary to attract, retain and motivate the individuals who will be critical to our success in achieving its business objectives and thereby creating greater value for all our Shareholders. Furthermore, we believe that equity compensation aligns the interests of our management and other employees with the interests of our other Shareholders. Equity awards are a key component of our incentive compensation program. We believe that option grants have been critical in attracting and retaining talented employees and officers, aligning their interests with those of Shareholders, and focusing key employees on our long-term growth. We anticipate that option grants and other forms of equity awards such as restricted stock awards may become an increasing component in similarly motivating our consultants. Approval of the Amendment will permit us to continue to use stock-based compensation to align Shareholder and employee interests and to motivate employees and others providing services to us or any subsidiary.

Description of Our Equity Incentive Plan

Set forth below is a summary of the EIP, but this summary is qualified in its entirety by reference to the full text of the EIP, a copy of which can be found as *Appendix A* to our Definitive Proxy Statement for the Special Meeting of Shareholders held March 10, 2017, filed with the SEC on February 24, 2017.

Shares Available

The EIP currently authorizes the issuance of 3,450,000 shares of common stock. As of the Record Date, awards covering an aggregate of [] shares were granted under the EIP and [] shares were available for future awards under the EIP.

Administration

The EIP is administered by the Board or by one or more committees of directors appointed by the Board (the “Administrator”). The Board may delegate different levels of authority to different committees with administrative and grant authority under the EIP. Any committee delegated administrative authority under the EIP may further delegate its authority under the Plan to another committee of directors, and any such delegate shall be deemed to be an Administrator of the EIP. The Administrator comprised solely of directors may also delegate, to the extent permitted by Section 157 of the Delaware General Corporation Law and any other applicable law, to one or more officers of the Company, its powers under this Plan (a) to designate Eligible Persons who will receive grants of awards under this Plan, and (b) to determine the number of shares subject to, and the other terms and conditions of, such awards. It is anticipated that the Administrator (either generally or with respect to specific transactions) will be constituted so as to comply, as necessary or desirable, with the requirements of Code Section 162(m) and Rule 16b-3 promulgated under the Exchange Act.

Eligibility

Awards may be granted pursuant to the EIP only to persons who are eligible persons. Under the EIP, “Eligible Person” means any person who is either: (a) an officer (whether or not a director) or employee of the Company or one of its subsidiaries; (b) a director of the Company or one of its subsidiaries; or (c) a consultant who renders bona fide services to the Company or one of its subsidiaries; provided, however, that ISOs may be granted only to employees.

Awards

The EIP permits the grant of: (a) stock options, which may be intended as ISOs or as nonqualified stock options (options not meeting the requirements to qualify as ISOs); (b) stock appreciation rights (“SARs”); (c) restricted stock; (d) restricted stock units (“RSUs”); (e) cash incentive awards; or (f) other awards, including: (i) stock bonuses, performance stock, performance units, dividend equivalents, or similar rights to purchase or acquire shares, whether at a fixed or variable price or ratio related to the common stock, upon the passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions, or any combination thereof; or (ii) any similar securities with a value derived from the value of or related to the common stock and/or returns thereon.

Consideration for Awards

The purchase price for any award granted under the EIP or the common stock to be delivered pursuant to any such award, as applicable, may be paid by means of any lawful consideration as determined by the Administrator, including, without limitation, one or a combination of the following methods:

services rendered by the recipient of such award;

cash, check payable to the order of the Company, or electronic funds transfer;

notice and third party payment in such manner as may be authorized by the Administrator;

the delivery of previously owned and fully vested shares of common stock;

by a reduction in the number of shares otherwise deliverable pursuant to the award; or

subject to such procedures as the Administrator may adopt, pursuant to a “cashless exercise” with a third party who provides financing for the purposes of (or who otherwise facilitates) the purchase or exercise of awards.

Certain Federal Tax Consequences

The following summary of the federal income tax consequences of the EIP transactions is based upon federal income tax laws in effect as of August 30, 2017. This summary does not purport to be complete, and does not discuss state, local or non-U.S. tax consequences.

Nonqualified Stock Options. The grant of a nonqualified stock option under the EIP will not result in any federal income tax consequences to the participant or to the Company. Upon exercise of a nonqualified stock option, the participant will recognize ordinary compensation income equal to the excess of the fair market value of the shares of Common stock at the time of exercise over the option exercise price. If the participant is an employee, this income is subject to withholding for federal income and employment tax purposes. The Company is entitled to an income tax deduction in the amount of the income recognized by the participant, subject to possible limitations imposed by the Code, including Section 162(m) thereof. Any gain or loss on the participant’s subsequent disposition of the shares will be treated as long-term or short-term capital gain or loss, depending on the sales proceeds received and whether the shares are held for more than one year following exercise. The Company does not receive a tax deduction for any subsequent capital gain.

Incentive Options. The grant of an ISO under the EIP will not result in any federal income tax consequences to the participant or to the Company. A participant recognizes no federal taxable income upon exercising an ISO (subject to the alternative minimum tax rules discussed below), and the Company receives no deduction at the time of exercise. In the event of a disposition of stock acquired upon exercise of an ISO, the tax consequences depend upon how long the participant has held the shares. If the participant does not dispose of the shares within two years after the ISO was granted, nor within one year after the ISO was exercised, the participant will recognize a long-term capital gain (or loss) equal to the difference between the sale price of the shares and the exercise price. The Company is not entitled to any deduction under these circumstances.

If the participant fails to satisfy either of the foregoing holding periods (referred to as a “disqualifying disposition”), he or she will recognize ordinary compensation income in the year of the disposition. The amount of ordinary compensation income generally is the lesser of (i) the difference between the amount realized on the disposition and the exercise price or (ii) the difference between the fair market value of the stock at the time of exercise and the exercise price. Such amount is not subject to withholding for federal income and employment tax purposes, even if the participant is an employee of the Company. Any gain in excess of the amount taxed as ordinary income will generally be treated as a short-term capital gain. The Company, in the year of the disqualifying disposition, is entitled to a deduction equal to the amount of ordinary compensation income recognized by the participant, subject to possible limitations imposed by the Code, including Section 162(m) thereof.

The “spread” under an ISO—i.e., the difference between the fair market value of the shares at exercise and the exercise price—is classified as an item of adjustment in the year of exercise for purposes of the alternative minimum tax. If a participant’s alternative minimum tax liability exceeds such participant’s regular income tax liability, the participant will owe the alternative minimum tax liability.

Restricted Stock. Restricted stock is generally taxable to the participant as ordinary compensation income on the date that the restrictions lapse (i.e. the date that the stock vests), in an amount equal to the excess of the fair market value of the shares on such date over the amount paid for such stock (if any). If the participant is an employee, this income is subject to withholding for federal income and employment tax purposes. The Company is entitled to an income tax deduction in the amount of the ordinary income recognized by the participant, subject to possible limitations imposed by the Code, including Section 162(m) thereof. Any gain or loss on the participant’s subsequent disposition of the shares will be treated as long-term or short-term capital gain or loss treatment depending on the sales price and how long the stock has been held since the restrictions lapsed. The Company does not receive a tax deduction for any subsequent gain.

Participants receiving restricted stock awards may make an election under Section 83(b) of the Code (“Section 83(b) Election”) to recognize as ordinary compensation income in the year that such restricted stock is granted, the amount equal to the excess of the fair market value on the date of the issuance of the stock over the amount paid for such stock. If such an election is made, the recipient recognizes no further amounts of compensation income upon the lapse of any restrictions and any gain or loss on subsequent disposition will be long-term or short-term capital gain or loss to the recipient. The Section 83(b) Election must be made within 30 days from the time the restricted stock is issued.

Other Awards. Other awards (such as restricted stock units) are generally treated as ordinary compensation income as and when common stock or cash are paid to the participant upon vesting or settlement of such awards. If the participant is an employee, this income is subject to withholding for income and employment tax purposes. The Company is generally entitled to an income tax deduction equal to the amount of ordinary income recognized by the recipient, subject to possible limitations imposed by the Code, including Section 162(m) thereof.

Section 162(m) of the Internal Revenue Code. Under Code Section 162(m), no deduction is allowed in any taxable year of the Company for compensation in excess of \$1 million paid to the Company’s “covered employees.” A “covered employee” is the Company’s chief executive officer and the next three most highly compensated executive officers of the Company other than the chief financial officer. An exception to this rule applies to “qualified performance based compensation,” which generally includes stock options and stock appreciation rights granted under a shareholder approved plan, and other forms of equity incentives, the vesting or payment of which is contingent upon the satisfaction of certain shareholder approved performance goals. The Company intends that the EIP allow for the grant of options and stock appreciation rights that may be treated as “qualified performance based compensation” that is exempt from the limitations of Code Section 162(m), and for the grant of other performance-based awards that may be treated as “qualified performance based compensation,” but it makes no assurance that either such type of award will be so treated.

New Plan Benefits

SEC rules require us to disclose any amounts that we currently are able to determine will be allocated to our named executive officers, directors and other employees following approval of the Amendment to the EIP. Set forth below is information on grants under the 3,850,000 shares to be added to the EIP pursuant to the Amendment to the named executive officers, all current executive officers as a group, all current directors who are not executive officers as a group, and all employees who are not executive officers as a group. Awards granted under the 2017 Plan will not vest prior to shareholder approval of the Amendment to the EIP.

No Appraisal Rights

Under the Delaware General Corporation Law, our Shareholders are not entitled to appraisal rights with respect to the approval of the amendment to the Company's 2017 Equity Incentive Plan to increase the reservation of Common Stock for issuance thereunder to 7,300,000 shares from 3,450,000 shares, and we will not independently provide our Shareholders with any such rights.

Vote Required

The affirmative vote of a majority of the votes cast for this proposal is required to approve the amendment to the Company's 2017 Equity Incentive Plan to increase the reservation of Common Stock for issuance thereunder to 7,300,000 shares from 3,450,000 shares. Abstentions will be counted towards the tabulation of votes cast on this proposal and will have the same effect as a negative vote. THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR an amendment to the Company's 2017 Equity Incentive Plan to increase THE reservation of Common Stock for issuance thereunder to 7,300,000 shares from 3,450,000 shares.

PROPOSAL NO. 7

Authorization of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 20% below the market price of the Common Stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d)

Our Common Stock is listed on The Nasdaq Capital Market under the symbol "COOL." Nasdaq Marketplace Rule 5635(d) requires us to obtain Shareholder approval prior to the issuance of our Common Stock in connection with certain non-public offerings involving the sale, issuance or potential issuance by the Company of Common Stock (and/or securities convertible into or exercisable for Common Stock) equal to 20% or more of the Common Stock outstanding before the issuance. Shares of our Common Stock issuable upon the exercise or conversion of warrants, options, debt instruments, preferred stock or other equity securities issued or granted in such non-public offerings will be considered shares issued in such a transaction in determining whether the 20% limit has been reached, except in certain circumstances such as issuing warrants that are not exercisable for a minimum of six months and have an

exercise price that exceeds market value.

We may seek to raise additional capital to implement our business strategy and enhance our overall capitalization. We have not determined the particular terms for such prospective offerings. Because we may seek additional capital that triggers the requirements of Nasdaq Marketplace Rule 5635(d), we are seeking Shareholder approval now, so that we will be able to move quickly to take full advantage of any opportunities that may develop in the equity markets.

We hereby submit this Proposal 7 to our Shareholders for their approval of the potential issuance of shares of our Common Stock, or securities convertible into our Common Stock, in one or more non-public capital-raising transactions, or offerings, subject to the following limitations:

The aggregate number of shares issued in the offerings will not exceed 2 million shares of our Common Stock, subject to adjustment for any reverse stock split effected prior to the offerings (including pursuant to preferred stock, options, warrants, convertible debt or other securities exercisable for or convertible into Common Stock);

The total aggregate consideration will not exceed \$100 million;

The maximum discount at which securities will be offered (which may consist of a share of Common Stock and a warrant for the issuance of up to an additional share of Common Stock) will be equivalent to a discount of 20% below the market price of our Common Stock at the time of issuance in recognition of the limited public float of our traded Common Stock and historical volatility making the pricing discount of our stock required by investors at any particular time difficult, at this time, to predict. For example, the range of high and low closing prices for our Common Stock, for the period from [], 2016 through [], 2017 was \$[] and \$[], respectively;

Such offerings will occur, if at all, on or before [], 2018; and

Such other terms as the Board of Directors shall deem to be in the best interests of the Company and its Shareholders, not inconsistent with the foregoing.

The issuance of shares of our Common Stock, or other securities convertible into shares of our Common Stock, in accordance with any offerings would dilute, and thereby reduce, each existing Shareholder's proportionate ownership in our Common Stock. The Shareholders do not have preemptive rights to subscribe to additional shares that may be issued by the Company in order to maintain their proportionate ownership of the Common Stock.

The issuance of shares of Common Stock in one or more non-public offerings could have an anti-takeover effect. Such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company.

The Board of Directors has not yet determined the terms and conditions of any offerings. As a result, the level of potential dilution cannot be determined at this time, but as discussed above, we may not issue more than 2 million shares of Common Stock in the aggregate pursuant to the authority requested from Shareholders under this proposal (subject to adjustment for any reverse stock split). It is possible that if we conduct a non-public stock offering, some of the shares we sell could be purchased by one or more investors who could acquire a large block of our Common Stock. This would concentrate voting power in the hands of a few Shareholders who could exercise greater influence on our operations or the outcome of matters put to a vote of Shareholders in the future.

We cannot determine what the actual net proceeds of the offerings will be until they are completed, but as discussed above, the aggregate dollar amount of the non-public offerings will be no more than \$100 million. If all or part of the offerings is completed, the net proceeds will be used for general corporate purposes. We currently have no arrangements or understandings regarding any specific transaction with investors, so we cannot predict whether we will be successful should we seek to raise capital through any offerings.

No Appraisal Rights

Under the Delaware General Corporation Law, our Shareholders are not entitled to appraisal rights with respect to the approval of the authorization of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 20% below the market price of the Common Stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d).

Vote Required

The affirmative vote of a majority of the votes cast for this proposal is required to approve the authorization of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 20% below the market price of the Common Stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d). Abstentions will be counted towards the tabulation of votes cast on this proposal and will have the same effect as a negative vote. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for this proposal. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR the approval of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 20% below the market price of our Common Stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d).
