Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On November 17, 2017, Real Industry, Inc. (the “Company”) received written notice from the Listing Qualifications Department (the “Staff”) of The Nasdaq Stock Market LLC (“Nasdaq”) stating that in accordance with Nasdaq Listing Rules 5101, 5110(b) and IM-5101-1, Nasdaq has determined that the Company’s common stock, par value \$0.001 per share (“Common Stock”), will be delisted from Nasdaq. Trading of the Common Stock will be suspended at the opening of business on November 28, 2017, and a Form 25-NSE will be filed by Nasdaq with the Securities and Exchange Commission (the “SEC”), which will remove the Common Stock from listing and registration on Nasdaq.

The determination was made in accordance with Nasdaq Listing Rules 5101, 5110(b), and IM-5101-1, and it was based on the following factors:

The filing by the Company for protection under Chapter 11 of the United States Bankruptcy Code, and the associated public interest concerns;

Concerns regarding the residual equity interest of the existing listed securities holders; and

Concerns about the Company’s ability to sustain compliance with all requirements for continued listing on Nasdaq. We do not intend to appeal the Staff’s determination and as a result, we expect that our Common Stock will be delisted as stated by Nasdaq in the notice. Our Common Stock may be eligible to be quoted on the OTC Bulletin Board (the “OTCBB”) or in the “Pink Sheets”. OTCBB or Pink Sheets trading may occur only if a market maker applies to quote the Common Stock and the Company is current in its reporting obligations under the Securities Exchange Act of 1934. Once the Common Stock is delisted from Nasdaq, there can be no assurance that a market maker will apply to quote the Common Stock or that the Common Stock will become eligible for the OTCBB or Pink Sheets. If our Common Stock does become eligible to be quoted on the OTCBB or Pink Sheets, we will provide notice of such eligibility.
