DEREGISTRATION OF SECURITIES

H&R Block, Inc., a Missouri corporation (the "Registrant"), is filing this Post-Effective Amendment No. 2 (the "Post-Effective Amendment") to deregister certain securities originally registered by the Registration Statement on Form S-8 (File No. 333-56400) (the "Registration Statement"). The Registration Statement registered 12,000,000 shares (3,000,000 shares originally registered as adjusted to reflect 2-for-1 stock splits in 2001 and 2005) of the Company's common stock, without par value ("Common Stock"), and an indeterminate amount of plan participation interests, to be offered and sold pursuant to the H&R Block Retirement Savings Plan (the "Plan").

The Plan no longer offers Common Stock of the Registrant as an investment option. Accordingly, the Registrant hereby terminates the effectiveness of the Registration Statement and, pursuant to the undertakings contained in the Registration Statement to remove from registration by means of a post-effective amendment any of the securities that had been registered for issuance but remain unsold at the termination of the offering, the Registrant hereby removes from registration any remaining shares of Common Stock and all plan participation interests that were registered for issuance pursuant to the Registration Statement and that remain unsold as of the date hereof.
