Item 3.02. Unregistered Sales of Equity Securities.

On March 22, Evolent Health, Inc. (the “Company”) entered into a Stock Purchase Agreement (the “Purchase Agreement”), by and between the Company, Momentum Health Acquisition, Inc. (“MHA”) and Momentum Health Holdings, LLC, pursuant to which the Company will acquire an approximately 45% ownership interest in MHA (the “Investment”), the sole owner of GlobalHealth Holdings, LLC, which is the sole owner of GlobalHealth, Inc., a health maintenance organization based in the State of Oklahoma that offers, amongst other things, Medicare Advantage products in the State of Oklahoma.

Pursuant to the terms of the Purchase Agreement and as consideration for the Investment, the Company will contribute to MHA approximately \$15,000,000 in cash and \$22,500,000 of the Company’s Class A common stock (the “Equity Consideration”), together with certain other assets of the Company. The number of shares of the Company’s Class A common stock to be issued upon the closing of the transactions contemplated by the Purchase Agreement (the “Closing”) will be based on the average of the last reported sale price of a share of the Company’s Class A common stock on the New York Stock Exchange for the five consecutive trading days prior to the Closing. At the Company’s option, the Company may substitute cash for all or any portion of the Equity Consideration.

The consummation of the transactions contemplated by the Purchase Agreement, including the Investment, is also subject to customary closing conditions, including, among others, the approval of the Oklahoma Department of Insurance, the absence of any legal impediments that would prevent the consummation of such transactions, the accuracy of the representations and warranties the parties made in the Purchase Agreement, subject to certain exceptions contained therein, and the parties’ material compliance with their respective obligations under the Purchase Agreement. In addition, at Closing, the Company or a subsidiary of the Company will enter into a master services agreement with MHA and a registration rights agreement with MHA.

The issuance and contribution of the Equity Consideration will be exempt from registration under the Securities Act by Section 4(a)(2) thereof as a transaction not involving any public offering. The Class A common stock to be issued as Equity Consideration will be restricted securities for purposes of Rule 144 under the Securities Act. The Company has not engaged in a general solicitation or advertising with regard to the issuance and contribution of the Class A common stock that will be issued in connection with the Investment.
