Item 1.01 Entry into a Material Definitive Agreement.

On November 3, 2017, ChromaDex Corporation (the “Company”) entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain purchasers named therein (the “Purchasers”), pursuant to which the Company agreed to sell and issue \$23.0 million of its Common Stock at a purchase price of \$4.10 per share (the “Financing”). The Financing is expected to close on November 17, 2017, pursuant to which the Company will issue 5,609,755 shares of its Common Stock (the “Shares”) to the Purchasers. The closing is subject to certain customary closing conditions, including that there will have been no material adverse effect with respect to the Company prior to the closing.

In connection with the Financing, also on November 3, 2017, the Company entered into a Registration Rights Agreement with the Purchasers (the “Registration Rights Agreement”). Pursuant to the Registration Rights Agreement, the Company agreed to (i) file one or more registration statements with the Securities and Exchange Commission (the “SEC”) to cover the resale of the Shares by the Purchasers, (ii) use its reasonable best efforts to have all such registration statements declared effective within the timeframes set forth in the Registration Rights Agreement, and (iii) use its commercially reasonable efforts to keep such registration statements effective during the timeframes set forth in the Registration Rights Agreement. In the event that such registration statements are not filed or declared effective within the timeframes set forth in the Registration Rights Agreement, any such effective registration statements subsequently become unavailable, or the Purchasers are unable to sell the Shares because the Company has failed to satisfy the current public information requirement of Rule 144 under the Securities Act of the 1933, as amended (the “Securities Act”), the Company would be required to pay liquidated damages to the Purchasers equal to 1.0% of the aggregate purchase price per month for each default (up to a maximum of 5% of such aggregate purchase price).

The Shares are not registered under the Securities Act, or any state securities laws. The Company has relied on the exemption from the registration requirements of the Securities Act by virtue of Section 4(a)(2) thereof and Rule 506 of Regulation D thereunder. In connection with the Purchasers’ execution of the Purchase Agreement, the Purchasers represented to the Company that they are each an “accredited investor” as defined in Regulation D of the Securities Act and that the securities to be purchased by them will be acquired solely for their own account and for investment purposes and not with a view to the future sale or distribution.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement are not complete and are qualified in their entirety by reference to the full text of (i) the Purchase Agreement, a copy of which is attached to this Current Report as Exhibit 99.1, and (ii) the Registration Rights Agreement, a copy of which is attached to this Current Report as Exhibit 99.2. On November 6, 2017, the Company also issued a press release announcing the Financing. A copy of the press release is attached as Exhibit 99.3 hereto.
