Item 1.01	Entry Into a Material Definitive Agreement
-----------	--

On December 17, 2006, we entered into a stock purchase agreement with Madison River Communications Corp. (“MRCC”) and its owner, Madison River Telephone Company, LLC. Under this agreement, we agreed to purchase all of the capital stock of MRCC in exchange for \$830 million cash less MRCC’s net indebtedness on the transaction’s closing date (which was approximately \$494 million at September 30, 2006), subject to adjustment at closing for changes in MRCC’s working capital between September 30, 2006 and closing.

Consummation of the transaction is subject to (i) the receipt of various governmental approvals, including approvals from the Federal Communications Commission and the public utility commissions of Alabama, Georgia, Illinois, North Carolina, Florida and Louisiana, (ii) compliance with the notification and waiting period requirements under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, and (iii) various other customary closing conditions. We currently expect the transaction to be completed in the second quarter of 2007.

The parties to the stock purchase agreement have made customary representations, warranties and covenants, including commitments of MRCC and its owner not to solicit or pursue alternative transactions and provisions that permit the parties to terminate the agreement under certain limited circumstances.

For additional information, see Item 8.01 below and the exhibits referred to therein.
