Report of Independent Registered Public Accounting Firm

Con-way Inc. Administrative Committee

Con-way Personal Savings Plan:

We have audited the accompanying statements of net assets available for benefits of Con-way Personal Savings Plan as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2014 and 2013, and the changes in net assets available for benefits for the year ended December 31, 2014, in conformity with accounting principles generally accepted in the United States of America.

The supplemental information in the accompanying schedule of assets (held at end of year) as of December 31, 2014 has been subjected to audit procedures performed in conjunction with the audit of Con-way Personal Savings Plan's financial statements. The supplemental information is presented for the purpose of additional analysis and is not a required part of the financial statements but include supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental information is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information in the accompanying schedule, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information in the accompanying schedule is fairly stated in all material respects in relation to the financial statements as a whole.

## CON-WAY PERSONAL SAVINGS PLAN

Notes to Financial Statements

December 31, 2014 and 2013

### 1. Description of Plan

The following description of the Con-way Personal Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Con-way Employee Benefits Plan Description or the Plan document for more complete information. The term "Con-way" or "Company" refers to Con-way Inc. and subsidiaries.

#### General

The Con-way sponsored Plan is a defined contribution plan with profit-sharing, salary deferral and employee stock ownership plan features and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code (the "Code"). A portion of the Plan also includes provisions for supplemental medical benefits, which are intended to comply with Section 401(h) of the Code. The Section 401(h) feature of the Plan has not been implemented. The Plan was adopted effective January 1, 2010.

Overall responsibility for administering the Plan rests with the Con-way Inc. Administrative Committee (the "Committee"), which is appointed by the Chief Executive Officer of Con-way. The Plan's trustee, T. Rowe Price (the "Trustee"), is responsible for the control of the Plan's assets, which are held in individual participant investment accounts (collectively known as the "Trust").

#### Eligibility

An employee is eligible to participate in the Plan if the employee first became a qualified employee on or after January 1, 2010, is not an employee of Con-way Truckload, is not covered by a collective bargaining agreement, is not a leased employee, is not a nonresident alien or is not a resident of Puerto Rico. There are no age or service requirements for eligibility except that a supplemental employee must complete one year of service during which the employee works 1,000 hours.

#### Contributions

Participants may contribute up to 50% of their eligible compensation subject to certain limitations. Con-way, at its discretion, makes Matching Contributions equal to 50% of the first six percent of eligible compensation that participants contribute to the Plan. There were no Matching Contributions made to the Plan for the year ended December 31, 2014.

Effective January 1, 2013, the Plan was amended to provide a Basic Contribution by the Company equal to 2% of eligible compensation. Participants are eligible to receive Basic Contributions on the first day of the calendar quarter in which the employee completed six-months of service. For the 2014 Plan year, Basic Contributions were made to eligible participants.

#### Participant Accounts

The Plan allows participants to select any one or more of the investment funds established under the Plan in which contributions can be invested.

A separate account is maintained for each participant of the Plan. Allocations of Con-way's contributions are based upon a percentage of participant contributions or compensation, as described above. Allocations of net Plan earnings are based upon participant account balances, as defined. Participants are only entitled to the vested benefits.

#### Vesting

Participants are fully vested at all times in the portion of their accounts attributable to their elective deferrals, rollover contributions and Basic Contributions. Con-way's Matching Contributions vest after two years of service with Con-way. If the employee is terminated prior to two years of service, the Matching Contributions are forfeited and are used to reduce future Con-way contributions. As there were no Matching Contributions made during the years ended December 31, 2014 and 2013, there were no forfeitures available to reduce future contributions during these periods.

#### Voting Rights

Each participant is entitled to exercise voting rights attributable to the common shares of the Company allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised.

#### Notes Receivable from Participants

The Plan has a loan provision allowing participants access to funds. Loans can be no less than \$1,000 and cannot exceed the lesser of \$50,000 or 50% of a participant's vested account balance (subject to administrative adjustment to assure compliance with the 50% limit). Loans can be made for a term not to exceed 4-1/2 years. Loans outstanding at December 31, 2014 bear interest at rates of 4.25%. Principal and interest are paid ratably through payroll deductions.

#### Payments and Benefits

Participants can receive a total distribution from their accounts upon death or termination of employment. Disabled participants can receive a partial distribution of their accounts, provided they qualify for benefits under Con-way's long-term disability coverage. Other types of withdrawals are permitted by the Plan in limited situations. Participants can elect to have their accounts distributed in a single lump sum or in a series of substantially equal annual installments, as defined by the Plan. Distributions will be made in cash except participant accounts invested in Con-way common stock which can, at the direction of the participant, be paid in shares.

#### Plan Termination

Although Con-way has no current intention to terminate the Plan, it may do so at any time by resolution of the Board of Directors. In the event that the Plan is terminated, all balances will become 100% vested and the net assets of the Plan shall be distributed to participants in the amount credited to their accounts.

## 2. Summary of Significant Accounting Policies

#### Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

#### Risks and Uncertainties

The Plan offers various investments that are generally exposed to various risks, such as interest-rate, credit and overall market-volatility risks. Investments are reported at fair value. Due to the risk associated with certain investment securities, it is reasonably possible that the value of investment securities will change and that such changes could materially affect amounts reported in the statements of net assets available for benefits.

#### Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3, "Fair-Value Measurements," for a discussion of fair value measurements.

The annual change in market value, including realized gains and losses, is reported in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on the trade-date basis.

#### Administrative Expenses

During 2014, administrative expenses of the Plan were paid by Con-way and by Plan participants. Participant payments of administrative expenses were collected in administrative fees through a reduction in certain funds' net asset value and paid directly to the Trustee. Certain funds also charge investment management fees in accordance with each fund's prospectus, through a reduction in the funds' net asset value.

#### Payment of Benefits

Benefits paid to participants are recorded upon distribution.

#### Estimates

Con-way makes estimates and assumptions when preparing the financial statements in conformity with U.S. generally accepted accounting principles. These estimates and assumptions affect the amounts reported in the accompanying financial statements and notes. Actual results could differ from those estimates.

#### Notes Receivable from Participants

Notes receivable from participants are carried at amortized cost plus accrued interest.

## 3. Fair-Value Measurements

Assets and liabilities reported at fair value are classified in one of the following three levels in the fair-value hierarchy:

Level 1 - Quoted market prices in active markets for identical assets or liabilities

Level 2 - Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 - Unobservable inputs that are not corroborated by market data

The following table summarizes the valuation of Plan assets within the fair-value hierarchy:

Total assets at fair value	\$52,670,155	\$1,278,658	\$—	\$53,948,813

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual funds and Con-way common stock - valued at the daily closing price reported on the active market on which the individual securities are traded.

Common trust funds - valued at the fair value of the underlying investments determined by and reported at the net asset value ("NAV") of units held by the Plan at year end. The common trust funds are considered Level 2 investments as the underlying securities are publicly traded.

The following table provides information regarding redemption of investments where the NAV has been used as a practical expedient to measure fair value at December 31:

	Fair Value		Redemption Frequency	Redemption Notice Period
	2014	2013		
Common trust funds	\$1,861,992	\$1,278,658	Daily	1 - 2 days

The common trust funds include investments that are operated by a trust company that manages a pooled group of trust accounts. Common trust funds combine the assets of various institutional investors to create a larger, well-diversified portfolio. Each investor owns a participating interest that is calculated in units and represents a portion of the holdings of the fund.

The investments in common trust funds can generally be redeemed without restriction; however, in certain cases, redemption or purchase may be limited to prevent excess and/or short-term trading. There are no unfunded commitments related to the common trust funds.

#### 4. Investments

The following investments represent 5% or more of the Plan's net assets:

	December 31, 2014	2013
Mutual funds:		
T. Rowe Price Retirement 2030 Fund	\$11,170,625	\$7,756,732
T. Rowe Price Retirement 2035 Fund	10,720,573	7,435,859
T. Rowe Price Retirement 2040 Fund	9,954,662	6,728,029
T. Rowe Price Retirement 2050 Fund	9,024,466	5,958,130
T. Rowe Price Retirement 2045 Fund	8,428,849	5,925,526
T. Rowe Price Retirement 2025 Fund	8,578,937	5,809,491
T. Rowe Price Retirement 2020 Fund	4,773,936	3,389,356
T. Rowe Price Retirement 2055 Fund	5,877,772	3,254,721

During 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

Mutual funds	\$946,260
Common trust funds	109,097
Con-way common stock	166,485
	\$1,221,842

#### 5. Income Tax Status

In 2010, the Plan applied for a determination letter in accordance with the Internal Revenue Service ("IRS") requirements to ensure the Plan and related trust are designed in accordance with applicable sections of the Code. The IRS has acknowledged receipt of the Plan's application. During 2014, the IRS performed a field exam of the Plan and met with the Plan's management and its outside legal counsel to discuss the Plan's application process and status of the determination letter. Currently management is waiting to receive further instructions from the IRS. However, Con-way believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, Con-way believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

6. Related-Party Transactions

Certain Plan investments are mutual funds and common trust funds managed by T. Rowe Price, the Plan trustee, as defined. Therefore, these investments and investment transactions qualify as party-in-interest transactions. The Plan offers Con-way common stock as an investment option for participants. Con-way Inc. is the Plan sponsor as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.
