PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS

To Be Held April 28, 2016

GENERAL INFORMATION

We are sending this Proxy Statement and the accompanying proxy card to you as a shareholder of Peoples Bancorp Inc. (“Peoples”) because Peoples' Board of Directors (the “Board”) is soliciting your proxy to vote at the Annual Meeting of Shareholders, to be held on Thursday, April 28, 2016, at 10:00 a.m., Eastern Daylight Saving Time (the “Annual Meeting”). The Annual Meeting will be held in the Ballroom of the Lafayette Hotel, 101 Front Street in Marietta, Ohio (Interstate 77, Ohio exit 1). This Proxy Statement summarizes the information that you will need in order to vote. Peoples has two wholly-owned operating subsidiaries: Peoples Bank and Peoples Investment Company, and Peoples holds all of the common securities of NB&T Statutory Trust III. Peoples Bank's operating subsidiaries include an insurance agency, Peoples Insurance Agency, LLC, and two asset management companies, PBNA, L.L.C. and Peoples Tax Credit Equity, LLC. Peoples Investment Company also owns a capital management subsidiary, Peoples Capital Corporation. In 2003, Peoples established Peoples Bancorp Foundation, Inc. as an independent charitable foundation to provide financial assistance and grants to local organizations within Peoples' market area.

Mailing

We mailed this proxy statement and the accompanying proxy card on or about March 22, 2016 to all shareholders entitled to vote their common shares at the Annual Meeting. Other than the common shares, there are no voting securities of Peoples outstanding. We also sent with this proxy statement Peoples' 2015 Annual Report to Shareholders, which includes the Annual Report on Form 10 K for the fiscal year ended December 31, 2015 (the “2015 Annual Report”). Additional copies of the 2015 Annual Report may be obtained, without charge, by sending a written request to: M. Ryan Kirkham, Corporate Secretary, Peoples Bancorp Inc., 138 Putnam Street, P.O. Box 738, Marietta, Ohio 45750-0738. A copy of Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2015, can be obtained through the “SEC Filings - Documents” section of the “Investor Relations” page of Peoples' website at www.peoplesbancorp.com and is also on file with the Securities and Exchange Commission (the “SEC”) and available on the SEC's website at www.sec.gov.

SHAREHOLDER PROPOSALS

FOR 2017 ANNUAL MEETING

Proposals by shareholders intended to be presented at the 2017 Annual Meeting of Shareholders (the “2017 Annual Meeting”) must be received by the Corporate Secretary of Peoples no later than November 21, 2016, to be eligible for inclusion in Peoples' proxy, notice of meeting, Proxy Statement and Notice of Internet Availability of Proxy Materials relating to the 2017 Annual Meeting. Peoples will not be required to include in its proxy, notice of meeting, Proxy Statement or Notice of Internet Availability of Proxy Materials, a shareholder proposal that is received after that date or that otherwise fails to meet the requirements for shareholder proposals established by the applicable SEC rules. The SEC has promulgated rules relating to the exercise of discretionary voting authority under proxies solicited by the Board. If a shareholder intends to present a proposal at the 2017 Annual Meeting without inclusion of that proposal in Peoples' proxy materials, and does not notify the Corporate Secretary of Peoples of the proposal by February 4, 2017, or if Peoples meets other requirements of the applicable SEC rules, the proxies solicited by the Board for use at the 2017 Annual Meeting will confer discretionary authority to vote on the proposal should it then be raised at the 2017 Annual Meeting.

In each case, written notice must be given to Peoples' Corporate Secretary, at the following address: Peoples Bancorp Inc., 138 Putnam Street, P.O. Box 738, Marietta, Ohio 45750-0738, Attention: Corporate Secretary.

Shareholders desiring to nominate candidates for election as directors at the 2017 Annual Meeting must follow the procedures described in the section captioned "NOMINATING PROCEDURES."

VOTING INFORMATION

Who can vote at the Annual Meeting?

Only holders of common shares of record at the close of business on March 1, 2016, are entitled to receive notice of and to vote at the Annual Meeting. At the close of business on March 1, 2016, there were 18,181,712 common shares outstanding and entitled to vote. Other than the common shares, there are no voting securities of Peoples outstanding. Each common share entitles the holder thereof to one vote on each matter to be voted upon at the Annual Meeting.

There is no cumulative voting with respect to the election of directors.

How do I vote?

Your common shares may be voted by one of the following methods:

- by traditional paper proxy card;
- by submitting voting instructions via the website identified on your proxy card;
- by submitting voting instructions by telephone; or
- in person at the Annual Meeting.

Submitting Voting Instructions via the Internet or by Telephone. If you are a shareholder of record (i.e., if your common shares are registered with Peoples in your own name), you may submit voting instructions via the Internet or by telephone, by following the instructions stated on your proxy card. If your common shares are registered in the name of a broker, a financial institution or another nominee (i.e., you hold your common shares in “street name”), your nominee may be participating in a program that allows you to submit voting instructions via the Internet or by telephone. If so, the voting instruction form your nominee sent you will provide instructions for submitting your voting instructions via the Internet or by telephone. The last-dated proxy or voting instructions you submit (by any means) will supersede any previously-submitted proxies and voting instructions. Also, if you are a shareholder of record and you submit voting instructions via the Internet or by telephone and later decide to attend the Annual Meeting, you may revoke your previously-submitted voting instructions and vote in person at the Annual Meeting. The deadline for submitting voting instructions via the Internet or by telephone as a shareholder of record is 11:59 p.m., Central Daylight Saving Time, on April 27, 2016. For shareholders whose common shares are registered in the name of a broker, a financial institution or another nominee, please consult the instructions provided by your nominee for information about the deadline for submitting voting instructions via the Internet or by telephone.

Voting in Person. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If you hold your common shares in “street name” through a broker, a financial institution or another nominee, then that nominee is considered the shareholder of record for voting purposes and will give you instructions for voting your common shares. As a beneficial owner, you have the right to direct that nominee how to vote the common shares held in your account. Your nominee may only vote the common shares of Peoples that your nominee holds for you in accordance with your instructions. If you have instructed a broker, a financial institution or another nominee to vote your common shares, the options for revoking your proxy described below do not apply and instead you must follow the instructions provided by your nominee to change your vote.

If you hold your common shares in “street name” and wish to attend the Annual Meeting and vote in person, you must bring an account statement or letter from your broker, financial institution or other nominee authorizing you to vote on behalf of such nominee. The account statement or letter must show that you were the direct or indirect beneficial owner of the common shares on March 1, 2016, the record date for voting at the Annual Meeting.

How do I vote if my common shares are held through the Peoples Bancorp Inc. Retirement Savings Plan?

If you participate in the Peoples Bancorp Inc. Retirement Savings Plan (the “Retirement Savings Plan”), you will be entitled to instruct the trustee of the Retirement Savings Plan how to vote common shares that have been allocated to your account. If you are such a participant, you will receive a proxy card for the common shares allocated to your account in the Retirement Savings Plan. If you do not provide voting instructions to the trustee of the Retirement Savings Plan by 11:59 p.m., Central Daylight Saving Time, on April 25, 2016, the trustee will not vote the common shares allocated to your account.

Table of Contents

How will my common shares be voted?

Those common shares represented by a properly-executed proxy card that is received prior to the Annual Meeting or by properly-authenticated Internet or telephone voting instructions that are submitted prior to the deadline for doing so, and not subsequently revoked, will be voted in accordance with your instructions by your “proxies” (the individuals named on your proxy card or in the voting instructions). If you submit a valid proxy card prior to the Annual Meeting, or timely submit your voting instructions via the Internet or by telephone, but do not complete the proxy card or voting instructions, your proxy will vote your common shares as recommended by the Board, except in the case of broker non-votes, where applicable, as follows:

• “FOR” the election as Peoples directors of the nominees listed on pages 11 through 12 under “PROPOSAL NUMBER 1: ELECTION OF DIRECTORS”;

• “FOR” the non-binding advisory resolution to approve the compensation of Peoples' named executive officers as disclosed in this Proxy Statement; and

• “FOR” the ratification of the appointment of Ernst & Young LLP (“EY”) as Peoples' independent registered public accounting firm for the fiscal year ending December 31, 2016.

No appraisal or dissenters' rights exist for any action proposed to be taken at the Annual Meeting. If any other matters are properly presented for voting at the Annual Meeting, the individuals appointed as proxies will vote on those matters, to the extent permitted by applicable law, in accordance with their best judgment.

How do I change or revoke my proxy?

Registered shareholders who submit proxies retain the right to revoke them at any time before they are exercised. Unless revoked, the common shares represented by such proxies will be voted at the Annual Meeting. If you are a registered shareholder, you may revoke your proxy at any time before it is actually exercised at the Annual Meeting by:

• filing a written notice of revocation with the Corporate Secretary of Peoples at 138 Putnam Street, P.O. Box 738, Marietta, Ohio 45750-0738, which must be received prior to the Annual Meeting;

• executing and returning a later-dated proxy card, which must be received prior to the Annual Meeting;

• accessing the designated Internet website prior to the deadline for transmitting voting instructions electronically;

• using the designated toll-free telephone number prior to the deadline for transmitting voting instructions electronically; or

• attending the Annual Meeting and giving notice of revocation in person.

Attendance at the Annual Meeting will not, by itself, revoke your proxy.

The last-dated proxy or voting instructions you submit (by any means) will supersede all previously-submitted proxies and voting instructions. If you hold your common shares in “street name” and instructed your broker, financial institution or other nominee to vote your common shares and you would like to revoke or change your vote, then you must follow the instructions received from your nominee to change your vote.

If I vote in advance, can I still attend the Annual Meeting?

Yes. You are encouraged to vote promptly, by returning your signed proxy card by mail or by submitting your voting instructions via the Internet or by telephone, so that your common shares will be represented at the Annual Meeting. However, appointing a proxy or submitting voting instructions does not affect your right to attend the Annual Meeting and vote your common shares in person.

What constitutes a quorum and what is the vote required with respect to the proposals to be considered at the Annual Meeting?

Under Peoples' Code of Regulations, a quorum is a majority of the voting shares of Peoples then outstanding and entitled to vote at the Annual Meeting. Other than the common shares, there are no voting shares outstanding.

Common shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as being present for purposes of determining the presence of a quorum. There were 18,181,712 common shares outstanding and entitled to vote on March 1, 2016, the record date for the Annual Meeting. A majority of the outstanding common shares, or 9,090,857 common shares, present in person or represented by proxy, will constitute a quorum. A quorum must exist to conduct business at the Annual Meeting.

Table of Contents

If a proposal is routine, a broker holding common shares for a beneficial owner in street name may vote on the proposal without receiving instructions from the beneficial owner. If a proposal is non-routine, a broker may vote on the proposal only if the beneficial owner has provided voting instructions. A “broker non-vote” occurs when a broker holding common shares for a beneficial owner is unable to vote on a proposal because the proposal is non-routine and the beneficial owner has not provided any voting instructions.

The ratification of the appointment of Peoples' independent registered public accounting firm is the only routine proposal. Each of the other proposals is a non-routine proposal on which a broker may vote only if the beneficial owner has provided voting instructions.

The following table sets forth the votes required, and the impact of abstentions and broker non-votes, if any, on the three proposals:

Item	Vote Required	Impact of Abstentions and Broker Non-Votes, if any
Election of Directors	Under Ohio law and Peoples' Code of Regulations, the five nominees for election as directors of Peoples receiving the greatest number of votes “FOR” their election will be elected as directors of Peoples in the class whose terms will expire in 2019.	Common shares as to which the authority to vote is withheld will be counted for quorum purposes but will not affect whether a nominee has received sufficient votes to be elected. Broker non-votes will not count as a vote on the proposal and will not affect the outcome of the vote.
Approval of Non-Binding Advisory Resolution to Approve Compensation of Peoples' Named Executive Officers	The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal, is required to approve the non-binding advisory resolution to approve the compensation of Peoples' named executive officers as disclosed in this Proxy Statement.	Abstentions have the same effect as a vote “AGAINST” the proposal.
Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of EY as Peoples' independent registered public accounting firm for the fiscal year ending December 31, 2016.	Broker non-votes will not be counted in determining whether the proposal has been approved.

Peoples' policy is to maintain confidentiality with respect to proxy cards, ballots, voting instructions submitted electronically and voting tabulations that identify individual shareholders. However, exceptions to this policy may be necessary in some instances to comply with applicable legal requirements and, in the case of any contested proxy solicitation, to verify the validity of proxies presented by any person and the results of the voting. Inspectors of election and any employees associated with processing proxy cards or ballots, reviewing voting instructions submitted electronically and tabulating the vote must acknowledge their responsibility to comply with this policy of confidentiality.

Who pays the costs of proxy solicitation?

Peoples will pay the costs of soliciting proxies on behalf of the Board other than the Internet access and telephone usage charges incurred by a shareholder when voting electronically or by telephone. Although we are soliciting proxies by mailing these proxy materials to the holders of our common shares, the directors, officers and employees of

Peoples and our subsidiaries also may solicit proxies by further mailings, telephone, electronic mail, facsimile, or personal contact without receiving any additional compensation for such solicitations. We have retained Georgeson, LLC, a proxy soliciting firm, to assist in the solicitation of proxies for a fee of \$7,500, \$6.00 per successful telephone contact with a shareholder, \$4.00 for a telephone vote received and reimbursement of reasonable out-of-pocket expenses. Arrangements will also be made with brokerage firms, financial institutions and other nominees who are record holders of common shares of Peoples for the forwarding of solicitation materials to the beneficial owners of such common shares. Peoples will reimburse its transfer agent, as well as these brokers, financial institutions and other nominees, for their reasonable out-of-pocket costs in forwarding the proxy materials to the beneficial shareholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires that Peoples' directors and executive officers, and any persons beneficially holding more than 10 percent of Peoples' outstanding common shares, file statements with the SEC reporting their initial beneficial ownership of common shares and any subsequent changes in their beneficial ownership. Peoples is required to disclose in this Proxy Statement any late statements, if any statements were not filed within the time periods mandated by the SEC. Based solely on Peoples' review of (i) Section 16(a) statements filed on behalf of these persons for their transactions during Peoples' 2015 fiscal year and (ii) written representations received from these persons that no other Section 16(a) statements were required to be filed by them for transactions during Peoples' 2015 fiscal year, Peoples believes that all Section 16(a) filing requirements applicable to Peoples' executive officers and directors, and persons holding more than 10 percent of Peoples' outstanding common shares, were complied with, except:

Richard W. Stafford, a former executive officer of Peoples, filed late one Form 4 reporting one disposition of restricted common shares which occurred on September 23, 2015, and was reported on September 30, 2015.

TRANSACTIONS WITH RELATED PERSONS

During the 2015 fiscal year, Peoples Bank entered into banking transactions and lending relationships with certain executive officers and directors of Peoples, with members of their respective immediate families and with corporations or organizations as to which directors of Peoples serve as executive officers or beneficially own more than 10% of the equity securities. All such loans (i) were made in the ordinary course of business, (ii) were made on substantially the same terms, including interest rates charged and collateral required, as those prevailing at the time for comparable loans with persons not related to Peoples or Peoples Bank, and (iii) did not involve more than the normal risk of collectability or present other unfavorable features to Peoples or Peoples Bank.

The above loans were subject to Peoples Bank's written policies, procedures and standard underwriting criteria applicable to loans generally, and were made in accordance with the Federal Reserve Board's Regulation O (“Regulation O”) requiring loans to executive officers and directors of Peoples Bank in excess of \$500,000 to be approved by the full Board of Directors of Peoples Bank.

The Board has adopted the Peoples Bancorp Inc. Related Person Transaction Policy (the “Related Person Transaction Policy”), a copy of which can be found on the “Corporate Governance” page of Peoples' website at www.peoplesbancorp.com. The purpose of the Related Person Transaction Policy is to set forth the guidelines and procedures under which certain related person transactions must be reviewed and approved or ratified by the Audit Committee. A “related person transaction” is any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which: (1) Peoples or one of our subsidiaries was, is or will be a party or participant, or had, has or will have a direct or indirect interest; (2) the amount involved exceeds or is expected to exceed \$120,000, or if the limitations prescribed by Regulation O apply, such lesser amount, if any, as may be prescribed by Regulation O; and (3) a related person had, has or will have a direct or indirect interest. A “related person” is a person who is or was a director, an executive officer, or a nominee for director at any time since the beginning of Peoples' last fiscal year or a five percent shareholder of Peoples at the time of the occurrence or at any time during the existence of the transaction, and their respective immediate family members. Related person transactions deemed pre-approved or ratified, as appropriate, include: (1) transactions where the related person's interest arises solely from ownership of common shares if all shareholders receive the same benefit; (2) transactions involving compensation to an executive officer if the executive officer is not an immediate family member of another executive officer or director of Peoples and the compensation has been approved by the Compensation Committee or the Board; and (3) transactions involving compensation to Peoples' directors if the compensation is required to be reported pursuant to Item 402(k) of SEC Regulation S-K. Loans to directors and executive officers and their related interests made and

approved pursuant to the terms of Regulation O are also deemed to be pre-approved under the Related Person Transaction Policy.

Under the Related Person Transaction Policy, all related person transactions will be referred to the Audit Committee for review and approval or disapproval. The Audit Committee may approve or ratify a related person transaction only if the

Audit Committee determines that the related person transaction is in the best interest of Peoples. In making this determination, the Audit Committee will review and consider all information available to it which it deems relevant, including:

- the related person's interest in the transaction;
- the approximate dollar value of the amount involved in the transaction;
- the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of business of Peoples or the applicable subsidiary of Peoples;
- whether the transaction is on terms no less favorable to Peoples or the applicable subsidiary of Peoples than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to Peoples or the applicable subsidiary of Peoples of, the transaction;
- the impact of the transaction on the related person's independence; and
- any other information regarding the transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances.

The following transaction was identified and approved by the Audit Committee pursuant to the Related Person Transaction Policy:

James S. Huggins, who is a director of Peoples, is a partner with Theisen Brock, LPA, a law firm that renders a variety of legal services to Peoples and our subsidiaries. During the 2015 fiscal year, Peoples and our subsidiaries paid Theisen Brock, LPA approximately \$75,332 in legal fees and expenses, which were incurred in the ordinary course of business. In addition, Theisen Brock, LPA, either directly or through its wholly-owned title agency subsidiaries, received title examination fees and title insurance premiums totaling approximately \$172,637 in connection with the closing of mortgage loans made by Peoples Bank to its customers during the 2015 fiscal year, which fees and premiums were paid by the customers directly to Theisen Brock, LPA. In his capacity as a partner with Theisen Brock, LPA, Mr. Huggins received a portion of the fees and premiums described in this paragraph.

THE BOARD AND COMMITTEES OF THE BOARD

The Board has adopted the Peoples Bancorp Inc. Corporate Governance Guidelines, a copy of which can be found on the "Corporate Governance" page of Peoples' website at www.peoplesbancorp.com. The Board has also adopted the Code of Ethics for Directors, Officers and Employees of Peoples Bancorp Inc. and its Subsidiaries ("Code of Ethics"), a copy of which can also be found on the "Corporate Governance" page of Peoples' website at www.peoplesbancorp.com.

Independence of Directors

The rules (the "NASDAQ Rules") of The NASDAQ Stock Market LLC ("NASDAQ") require that a majority of the members of the Board be independent directors. The definition of an independent director for purposes of the NASDAQ Rules includes a series of objective criteria, which the Board has used in determining whether its members are independent.

Peoples is led by Charles W. Sulerzyski, who serves as President and Chief Executive Officer and a director, and Richard Ferguson, an independent director who serves as a non-executive Chairman of the Board, a position he has held since July 2008. George W. Broughton, an independent director, serves as a non-executive Vice Chairman of the Board, a position he has held since July 2013. The Board is comprised of Mr. Sulerzyski and twelve non-management directors, eleven of whom are independent. Peoples believes that the independent directors provide objective oversight of management performance as a key component of efficient corporate governance and overall risk management. The Board has determined that the most effective leadership structure for Peoples is for a different person to serve as each of the Chief Executive Officer and the Chairman of the Board, coupled with independent chairs of each of the Audit Committee, the Compensation Committee, the Governance and Nominating Committee and the Risk Committee. The Board regularly deliberates and discusses what it believes is the appropriate leadership structure and the role and responsibilities of the Chairman of the Board based upon the needs of Peoples in order to provide effective oversight of management.

In addition to considering the objective criteria, as required by the NASDAQ Rules, the Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of the Board, would interfere with such individual's exercise of independent judgment in carrying out the responsibilities of a director. In making these independence determinations, the Board has reviewed, considered and discussed each director's business and personal relationships, both direct and indirect, with Peoples and our subsidiaries, and the compensation and other payments each director and such director's immediate family members have, both directly and indirectly, received

from or made to Peoples and our subsidiaries and presently expect to receive from or make to Peoples and our subsidiaries. Based on that review, consideration and discussion, the Board has determined that at least a majority of its members qualify as independent directors. The Board has further determined that each of the following directors has no financial or personal ties, either directly or indirectly, with Peoples or our subsidiaries (other than compensation received in the individual's capacity as a director of Peoples and our subsidiaries, non-preferential banking relationships in the ordinary course of business with Peoples Bank, ownership of common shares of Peoples as described in this Proxy Statement and, in the case of Mr. Mead, service for a period

Table of Contents

of approximately nine months as interim President and Chief Executive Officer of Peoples and Peoples Bank) and thus qualifies as independent: Tara M. Abraham; Carl L. Baker, Jr.; S. Craig Beam; George W. Broughton; David F. Dierker; Richard Ferguson; Brooke W. James; Dr. Brenda F. Jones; David L. Mead; Susan D. Rector; and Thomas J. Wolf.

The Board has determined that, due to his status as a partner in the law firm of Theisen Brock, LPA, James S. Huggins does not qualify as an independent director either under the applicable NASDAQ Rules or for purposes of Rule 16b-3 under the Exchange Act or Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"). The amount and variety of work Theisen Brock, LPA performed and continues to perform for Peoples, and Mr. Huggins' role with Theisen Brock, LPA, were recognized and considered by the Board in its evaluation of Mr. Huggins' qualifications as a director.

Charles W. Sulerzyski does not qualify as an independent director because he serves as an executive officer of Peoples and Peoples Bank.

Executive Sessions

In accordance with applicable NASDAQ Rules, the independent directors were given the opportunity to meet in executive session during each meeting of the Board and at such other times as the independent directors deemed necessary. Each executive session is presided over by the Chairman of the Board.

Meetings of the Board and Attendance at Annual Meetings of Shareholders

The Board held a total of 14 meetings during the 2015 fiscal year. Each incumbent director attended 80% or more of the aggregate of the total number of meetings held by the Board and the total number of meetings held by all committees of the Board on which he or she served, in each case during his or her period of service.

Peoples encourages all incumbent directors and director nominees to attend each annual meeting of shareholders. All of the directors serving on the Board at that time attended Peoples' last annual meeting of shareholders held on April 23, 2015.

Committees of the Board

The Board has five standing committees: Audit, Compensation, Executive, Governance and Nominating, and Risk. The Audit Committee and the Risk Committee are charged with the majority of the risk oversight responsibilities of the Board. Each of the standing committees is chaired by a separate independent director. The Risk Committee is the committee providing the primary oversight of significant risks on an enterprise-wide level within all the defined risk categories, as discussed below. However, the Audit Committee's duties do include overseeing a substantial portion of management's actions to address compliance, legal and operational risks. The Compensation Committee evaluates, with Peoples' senior risk officer, all risks posed by Peoples' executive compensation programs and makes all reasonable efforts required to limit any unnecessary risks these programs pose to Peoples and ensure that the programs do not encourage participants to take unnecessary or excessive risks that threaten the value of Peoples. These evaluations are conducted in accordance with guidance from applicable federal regulators. The Audit Committee, the Compensation Committee and Risk Committee are focused on maintaining our key risks within acceptable tolerances and work in concert to provide enterprise-wide oversight. Each committee's role and its interaction with the full Board regarding the committee's oversight responsibilities are described more fully below. Through these committees and the effective working relationships with management, the Board is able to effectively monitor and maintain an active role in the oversight of the key aspects of the risks to which Peoples is exposed. Peoples believes that this risk oversight structure, coupled with Peoples' leadership structure of having an independent director serve as Chairman of the Board, maximizes the independence and objectivity of the Board in carrying out its functions.

Audit Committee

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act and conducts its business pursuant to a written charter adopted by the Board. A copy of the current charter of the Audit Committee is posted on the "Corporate Governance" page of Peoples' website at www.peoplesbancorp.com. At least annually, the Audit Committee reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board as necessary to reflect changes in regulatory requirements, authoritative guidance and evolving practices.

Among other duties set forth in its charter, the Audit Committee is responsible for:

- overseeing the accounting and financial reporting processes of Peoples;

overseeing the audits of the consolidated financial statements of Peoples;
appointing, terminating, compensating and overseeing the work of Peoples' independent registered public accounting firm, including resolving any disagreements between Peoples' management and Peoples' independent registered public accounting firm regarding financial reporting;

pre-approving all audit and non-audit services provided by Peoples' independent registered public accounting firm; discussing with management, the auditors performing Peoples' internal audit function (the "Internal Auditors") and Peoples' independent registered public accounting firm the adequacy and effectiveness of the internal controls of Peoples;

reviewing and concurring in the appointment, replacement, reassignment or dismissal of the Internal Auditors, the scope of the internal audit, and the operation and performance of the Internal Auditors;

reviewing all transactions with related persons required to be reported to the Audit Committee under the Related Person Transaction Policy for potential conflict of interest situations, and approving or ratifying such transactions as appropriate;

reviewing Peoples' earnings press releases, financial information and earnings guidance provided to analysts and rating agencies, and financial statements and related disclosures in Peoples' periodic reports;

setting hiring policies for employees or former employees of Peoples' independent registered public accounting firm;

establishing and reviewing the procedures for the receipt, retention and treatment of complaints received by Peoples regarding internal controls or auditing matters;

reviewing with the Internal Auditors and Peoples' counsel, legal and regulatory matters that may have a material impact on Peoples' consolidated financial statements, related compliance policies of Peoples and compliance with Peoples' Code of Ethics and programs and reports received from regulatory agencies;

assisting the Board in the oversight of:

- the performance of Peoples' independent registered public accounting firm, and
- the independent registered public accounting firm's qualifications and independence;

preparing the report of the Audit Committee required to be included in Peoples' annual Proxy Statement;

performing the duties required by applicable laws and regulations to be performed by the audit committee for Peoples Bank, in its capacity as an Ohio state-chartered bank;

performing the duties required by applicable laws and regulations to be performed by the fiduciary audit committee for Peoples Bank, in its capacity as a bank exercising fiduciary powers; and

other duties and responsibilities as may be delegated to the Audit Committee by the Board.

The Audit Committee held nine meetings during the 2015 fiscal year. The "AUDIT COMMITTEE REPORT FOR THE FISCAL YEAR ENDED DECEMBER 31, 2015" appears beginning on page 58.

The Audit Committee is currently comprised of eight directors: Thomas J. Wolf (Chair); Tara M. Abraham; Carl L. Baker, Jr.; David F. Dierker; Richard Ferguson; Brooke W. James; Dr. Brenda F. Jones; and David L. Mead. Messrs. Wolf, Baker, Dierker and Ferguson, and Ms. Abraham and Dr. Jones served as members of the Audit Committee throughout the entire 2015 fiscal year. Mr. Mead was appointed as a member of the Audit Committee on April 23, 2015. Ms. James was appointed as a member of the Audit Committee on November 19, 2015. The Board has determined that each of the current members of the Audit Committee qualifies as an independent director, for purposes of Rule 10A-3 under the Exchange Act and under the applicable NASDAQ Rules.

The Board has concluded that each member of the Audit Committee is able to read and understand fundamental financial statements, including Peoples' balance sheet, income statement and cash flow statement. Based upon their respective backgrounds, knowledge, qualifications, experience and professions, the Board has determined that David L. Mead, David F. Dierker and Richard Ferguson qualify as "audit committee financial experts" under the SEC's rules, and as "financially sophisticated" for purposes of the applicable NASDAQ Rules.

Compensation Committee

The Compensation Committee is currently comprised of five directors: George W. Broughton (Chair); Carl L. Baker, Jr.; S. Craig Beam; David F. Dierker; and Susan D. Rector. Messrs. Baker, Broughton and Dierker and Ms. Rector served as members of the Compensation Committee throughout the entire 2015 fiscal year. Mr. Beam was appointed as a member of the Compensation Committee on November 19, 2015. David L. Mead served as a member of the Compensation Committee until April 23, 2015. The Board has determined that each of the current members of the Compensation Committee qualify as (i) "independent directors" under the applicable NASDAQ Rules, including those specifically applicable to members of a

compensation committee, (ii) “outside directors” for purposes of Section 162(m) of the Internal Revenue Code and (iii) “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act. Mr. Mead, during his period of service in the 2015 fiscal year, qualified as an “independent director” under the applicable NASDAQ Rules, including those specifically applicable to members of a compensation committee, and a “non-employee director” for purposes of Rule 16b-3 under the Exchange Act; however, he did not qualify as an “outside director” under Section 162(m) of the Internal Revenue Code because he formerly served as Peoples' interim President and Chief Executive Officer.

The Compensation Committee is organized and conducts its business pursuant to a written charter adopted by the Board. A copy of the current charter of the Compensation Committee is posted on the “Corporate Governance” page of Peoples' website at www.peoplesbancorp.com. The Compensation Committee periodically reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board for approval as necessary.

The primary function of the Compensation Committee is to review and approve, on behalf of the Board, management recommendations regarding all forms of compensation to be provided to the executive officers and other designated employees of Peoples and our subsidiaries, including incentive-based compensation, equity-based compensation, bonus compensation, perquisites, employee benefits and salary programs. In carrying out this function, the Compensation Committee is responsible for reviewing and approving individual goals and objectives, and recommending to the Board corporate goals and objectives relevant to the compensation of Peoples' executive officers and other employees designated by the Board, evaluating such individuals' performance in light of those goals and objectives, and determining compensation based on that evaluation. The Compensation Committee administers Peoples' 1998 Stock Option Plan (the “1998 Plan”), 2002 Stock Option Plan (the “2002 Plan”), Second Amended and Restated 2006 Equity Plan (the “2006 Plan”), Employee Stock Purchase Plan and Peoples' incentive programs, and approves grants of awards under the 2006 Plan and the incentive programs in compliance with applicable securities and tax laws. Since April 13, 2006, no further awards could be granted under the 1998 Plan or the 2002 Plan, although awards remain outstanding under each plan. The Compensation Committee also undertakes such other responsibilities as the full Board may from time to time prescribe.

The Compensation Committee held thirteen meetings during the 2015 fiscal year. Its Chair determines the agenda for the meetings with the assistance of Peoples' Chief Administrative Officer. The Director of Human Resources serves as Secretary to the Compensation Committee. The Compensation Committee reviewed management's recommendations on, and approved, all forms of compensation provided to the executive officers. The Compensation Committee also reviewed recommendations regarding all forms of compensation for directors of Peoples and our subsidiaries and made recommendations to the Board for its consideration. Additionally, the Compensation Committee reviewed and approved all equity-based compensation and cash incentives under Peoples' incentive programs, as well as perquisites, employee benefits, salary programs, and human resources policies and procedures for employees of Peoples and our subsidiaries. The Compensation Committee also reviewed and approved the goals and objectives for the 2015 fiscal year relevant to the compensation of Peoples' executive officers, and recommended the 2015 fiscal year corporate performance goals to the Board, which were subsequently approved by the Board. The Compensation Committee evaluated the executive officers' performance in light of those goals and objectives for the 2015 fiscal year and determined the compensation earned by each executive officer based on that evaluation. At least annually, the Compensation Committee reviews and discusses Peoples' management succession and development activities. The Compensation Committee also reviews and approves the plan design and structure of insurance benefits for officers, directors and employees of Peoples and our subsidiaries.

The Compensation Committee has the authority to retain one or more compensation consultants or advisors to assist in the evaluation of director and executive officer compensation. The Compensation Committee has sole authority to retain and terminate any such compensation consultant or advisor, including sole authority to approve the fees and other retention terms of any consultant or advisor. During the 2015 fiscal year until September 24, 2015, the Compensation Committee was advised by compensation and benefits consultant, McLagan, an Aon Hewitt Company. The Compensation Committee engaged Pay Governance, LLC (“Pay Governance”) as its compensation and benefits consultant on September 24, 2015. The Compensation Committee has direct access to its compensation and benefits consultant and may engage the consultant on an as needed basis for advice with respect to the amount and form of executive and director compensation. McLagan did not provide and Pay Governance does not provide services to

Peoples or our subsidiaries other than those provided to or at the request of the Compensation Committee. Please see the discussion of the consulting services provided to the Compensation Committee by McLagan and Pay Governance in the section captioned “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS - Setting Executive Compensation”.

The Compensation Committee determined that the work of McLagan and Pay Governance during the 2015 fiscal year did not raise any actual conflict of interest. Additionally, the Compensation Committee determined that each of McLagan and Pay Governance was independent of management after considering several factors, including (1) whether the firm provided any other services to Peoples; (2) the amount of fees received from Peoples by the firm as a percentage of the firm’s total revenue; (3) the firm’s policies and procedures that are designed to prevent conflicts of interest; (4) any business or personal relationship of the individual compensation consultants providing services to Peoples with a member of the Compensation Committee; (5)

the number of Peoples common shares owned by the individual compensation consultants providing services to Peoples; and (6) any business or personal relationships between the executive officers of Peoples and the firm or the individual compensation consultants providing services to Peoples.

The “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS” regarding executive compensation for the 2015 fiscal year appears beginning on page 23, and the “COMPENSATION COMMITTEE REPORT” for the 2015 fiscal year appears beginning on page 41.

Executive Committee

The Executive Committee is currently comprised of seven directors: Richard Ferguson (Chair); Carl L. Baker, Jr.; George W. Broughton; David L. Mead; Susan D. Rector; Charles W. Sulerzyski; and Thomas J. Wolf, each of whom also served on the Executive Committee throughout the entire 2015 fiscal year. The Executive Committee is organized and conducts its business pursuant to a written charter adopted by the Board. A copy of the current charter of the Executive Committee is posted on the “Corporate Governance” page of Peoples' website at www.peoplesbancorp.com. The Executive Committee periodically reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board for approval as necessary. The Executive Committee held one meeting during the 2015 fiscal year.

The responsibilities of the Executive Committee include exercising, during the intervals between the meetings of the Board, all the powers of the Board in the management of the business, properties and affairs of Peoples, including authority to take all action provided in Peoples' Code of Regulations to be taken by the Board, not delegated to another Board committee, provided, however, that the foregoing is subject to the applicable provisions of law and the limitations contained in the Executive Committee's charter.

Governance and Nominating Committee

The Governance and Nominating Committee is currently comprised of four directors: Susan D. Rector (Chair); George W. Broughton; David F. Dierker; and Dr. Brenda F. Jones. Ms. Rector, Mr. Broughton, Mr. Dierker and Dr. Jones served as members of the Governance and Nominating Committee throughout the entire 2015 fiscal year. The Board has determined that each of the current members of the Governance and Nominating Committee qualifies as an independent director under applicable NASDAQ Rules.

The Governance and Nominating Committee is organized and conducts its business pursuant to a written charter adopted by the Board, a copy of which can be found on the “Corporate Governance” section of Peoples' website at www.peoplesbancorp.com. The Governance and Nominating Committee periodically reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board for approval as necessary. The Governance and Nominating Committee held six meetings during the 2015 fiscal year.

The Governance and Nominating Committee is primarily responsible for:

establishing and articulating qualifications, desired background and selection criteria for members of the Board consistent with any eligibility requirements set forth in Peoples' Code of Regulations, and may consider such factors as it deems appropriate;

The Risk Committee is currently comprised of eleven directors: Carl L. Baker, Jr. (Chair); Tara M. Abraham; S. Craig Beam; George W. Broughton; David F. Dierker; Richard Ferguson; James S. Huggins; Brooke W. James; David L. Mead; Susan D. Rector; and Thomas J. Wolf. Messrs Baker, Broughton, Dierker, Ferguson, Huggins, Mead and Wolf and Meses. Abraham and Rector served as members of the Risk Committee throughout the entire 2015 fiscal year. Mr. Beam and Ms. James were appointed as members of the Risk Committee on November 19, 2015. The Board has determined that each of the current members of the Risk Committee except Mr. Huggins qualifies, and that during their respective periods of service in the 2015 fiscal year Mr. Beam and Ms. James each qualified, as independent directors under applicable NASDAQ Rules

The Risk Committee is organized and conducts its business pursuant to a written charter adopted by the Board, which is posted on the "Corporate Governance" page of Peoples' website at www.peoplesbancorp.com. The primary responsibilities of the Risk Committee are:

reviewing and annually approving Peoples' enterprise risk management framework;

ensuring that policies, procedures and guidelines are designed and implemented so as to manage risk to Peoples in all forms, including credit, market, liquidity, compliance and legal, operational, strategic and reputation risks;

overseeing management's implementation and enforcement of Peoples' risk management policies, procedures, and guidelines;

monitoring Peoples' internal risk management function; and

ensuring that Peoples' risk management activities are parallel to, and reconcile with, Peoples' strategic plan.

The Risk Committee periodically reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board for approval as necessary. The Risk Committee held three meetings during the 2015 fiscal year.

NOMINATING PROCEDURES

As described above, Peoples has a standing Governance and Nominating Committee that has the responsibility to identify and recommend to the full Board individuals qualified to become directors. Each candidate must satisfy the eligibility requirements set forth in Peoples' Code of Regulations. To be eligible for election as a director, an individual must be a shareholder of Peoples. Peoples' Corporate Governance Guidelines require that directors establish a financial stake in Peoples by developing a meaningful ownership position in Peoples over time as is appropriate given the director's personal financial circumstances; provided, however, that within five years after the date of his or her initial election to the Board, or by December 31, 2015, whichever is later, each director must own at least 5,000 common shares of Peoples or common shares of Peoples having a market value of \$100,000, whichever is less.

Beyond the above qualifications, the Governance and Nominating Committee will consider such factors as it deems appropriate in evaluating potential individuals for Board membership, including a consideration of the individual's contribution to the diversity of the Board. When considering potential candidates for the Board, the Governance and Nominating Committee strives to assure that the composition of the Board, as well as its practices and operation, contribute to value creation and to the effective representation of Peoples' shareholders.

In considering candidates for the Board, the Governance and Nominating Committee evaluates the entirety of each candidate's credentials. The Governance and Nominating Committee believes that all members of the Board should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters and no conflict of interest that would interfere with performance as a director. When identifying nominees to serve as directors, the Governance and Nominating Committee will consider candidates in light of the

current composition and needs of the Board. Factors that will be given weight in the consideration may include diversity in business and professional experience, skills, gender, ethnic background, as well as experience and/or residence in Peoples' diverse market areas. Each of these factors

Table of Contents

will be considered in order to provide the greatest benefit to the shareholders of Peoples by selecting directors with the most exemplary credentials relative to Peoples' business and markets.

Because of the importance placed on the directors' business and professional experience and skills, a director who changes his or her principal occupation, position or responsibility from that held when elected to the Board is expected to volunteer to resign from the Board. Although Peoples does not believe that it will be necessary in every instance that a director who makes such a change should leave the Board, the Governance and Nominating Committee is afforded the opportunity to review the appropriateness of continued Board service under the new circumstances and make a recommendation to the full Board.

On January 20, 2016, Dr. Brenda F. Jones notified Peoples that she had retired from full-time medical practice with Marietta Healthcare Physicians, Inc. effective December 31, 2015. On March 1, 2016, David L. Mead notified Peoples that he is leaving his position with Marietta College effective at the end of the 2015-2016 academic year. In accordance with Peoples' Corporate Governance Guidelines, each of Dr. Jones and Mr. Mead volunteered to resign from the Board. Upon the recommendation of the Governance and Nominating Committee, the full Board unanimously determined that it was appropriate and in the best interest of Peoples and its shareholders for each of Dr. Jones and Mr. Mead to continue to serve on the Board under the new circumstances.

Peoples' Corporate Governance Guidelines also provide that a director must submit his or her resignation effective as of the next annual meeting of shareholders following his or her 70th birthday.

A director must advise the Chairman of the Board and the Chair of the Governance and Nominating Committee in advance of accepting an invitation to serve as a director of another public company. The Governance and Nominating Committee will then review whether such other board membership may unduly impact the ability of the director to fulfill his or her responsibilities as a director of Peoples and, if so, must make a recommendation to the full Board.

Generally, the Board believes that a director of Peoples should not serve on more than three public company boards of directors (including Peoples' Board).

The Governance and Nominating Committee considers candidates for the Board from any reasonable source, including shareholder recommendations, and does not evaluate candidates differently based on who has made the recommendation. The Governance and Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating director candidates.

Shareholders may recommend director candidates for consideration by the Governance and Nominating Committee by writing to the Corporate Secretary of Peoples at Peoples' executive offices in Marietta, Ohio. Such recommendation should provide the candidate's name, age, business address, residence address, principal occupation or employment, and number of common shares beneficially owned. The recommendation should also describe the qualifications, attributes, skills or other qualities of the recommended director candidate. A written statement from the candidate consenting to be named as a director candidate and, if nominated and elected, to serve as a director should accompany any such recommendation.

Shareholders who wish to nominate an individual for election as a director at an annual meeting of the shareholders of Peoples must comply with the provisions of Peoples' Code of Regulations regarding shareholder nominations.

Shareholder nominations must be made in writing and delivered or mailed to the Corporate Secretary of Peoples not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Any communication to the Board or to individual directors may be sent to the Board or one or more individual directors in one of two ways. It may be mailed, in care of Peoples' Corporate Secretary, to Peoples' headquarters in Marietta, Ohio, and the mailing envelope must contain a clear notation indicating that the enclosed correspondence is a "Shareholder-Board Communication" or a "Shareholder-Director Communication" as appropriate. In addition, shareholders may utilize the "Investor Relations" page of the Peoples' website that is monitored by the Corporate Secretary to communicate with the Board or individual directors. All such communications, whether via mail or the website, must identify the author as a shareholder of Peoples and clearly state whether the intended recipients are all members of the Board or certain specified individual directors. The Corporate Secretary will make copies of all such communications and circulate them to the appropriate director or directors without any screening. Any correspondence marked "personal and confidential" will be delivered by the Corporate Secretary to the intended recipient(s) without opening.

PROPOSAL NUMBER 2:

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") and corresponding SEC rules enable Peoples' shareholders to vote to approve, on an advisory and non-binding basis, the compensation of Peoples' named executive officers as disclosed in this Proxy Statement in accordance with SEC rules. Accordingly, the following resolution will be submitted for shareholder approval at the Annual Meeting:

"RESOLVED, that the shareholders of Peoples Bancorp Inc. ("Peoples") approve, on an advisory basis, the compensation of Peoples' named executive officers as disclosed in Peoples' Proxy Statement for its 2016 Annual Meeting of Shareholders pursuant to Item 402 of SEC Regulation S-K, included in the "EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS", the "SUMMARY COMPENSATION TABLE FOR 2015", and the related executive compensation tables, notes and narratives."

The Board believes that Peoples' compensation policies and procedures, which are reviewed and approved by the Compensation Committee, are effective in aligning the compensation of Peoples' named executive officers with Peoples' short-term goals and long-term success, and that such compensation and incentives are designed to attract, retain and motivate Peoples' key executives who are directly responsible for Peoples' continued success. The Board believes that Peoples' compensation policies and practices do not threaten the value of Peoples or the investments of our shareholders, or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on Peoples. The Board further believes that Peoples' culture focuses executives on sound risk management and appropriately rewards executives for performance. The Board further believes that Peoples' compensation policies and procedures are reasonable in comparison both to Peoples' peer bank holding companies and to Peoples' performance during the 2015 fiscal year.

Similar "Say on Pay" proposals were approved by a significant majority of the common shares voted at each of Peoples' 2015 Annual Meeting of Shareholders, 2014 Annual Meeting of Shareholders, 2013 Annual Meeting of Shareholders, 2012 Annual Meeting of Shareholders, 2011 Annual Meeting of Shareholders, 2010 Annual Meeting of Shareholders and 2009 Annual Meeting of Shareholders.

Shareholders are encouraged to carefully review the information provided in this Proxy Statement regarding the compensation of Peoples' named executive officers in the section captioned "EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS" beginning on page 23 of this Proxy Statement.

Because your vote is advisory, the outcome of the vote will not: (i) be binding upon the Board or the Compensation Committee with respect to future executive compensation decisions, including those relating to Peoples' named executive officers, or otherwise; (ii) overrule any decision made by the Board or the Compensation Committee; or (iii) create or imply any additional fiduciary duty by the Board or the Compensation Committee. However, the Compensation Committee expects to take into account the outcome of the vote when considering future executive compensation arrangements. The next advisory vote to approve our executive compensation will occur at the 2017 Annual Meeting of Shareholders.

Recommendation and Vote Required

THE BOARD UNANIMOUSLY RECOMMENDS THAT PEOPLES' SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF PEOPLES' NAMED EXECUTIVE OFFICERS.

Table of Contents

The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal is required to approve the non-binding advisory resolution to approve the compensation paid to Peoples' named executive officers as disclosed in this Proxy Statement. Proxies received by Peoples and not revoked prior to or at the Annual Meeting will be voted in favor of this non-binding, advisory resolution unless otherwise instructed by the shareholder. The effect of an abstention is the same as a vote "AGAINST" the proposal. Broker non-votes will not be counted in determining whether the proposal has been approved.

EXECUTIVE COMPENSATION:

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary of 2015 Fiscal Year Performance and Compensation

The Compensation Committee has responsibility for establishing, implementing and continually monitoring our executive compensation program. In particular, the Compensation Committee determines the compensation of our named executive officers ("NEOs"), which included our Chief Executive Officer ("CEO"), each person who served as Chief Financial Officer during 2015, and our three other most highly-compensated executive officers. The NEOs for 2015 were:

• Charles W. Sulerzyski, President and Chief Executive Officer

• John C. Rogers, Executive Vice President, Chief Financial Officer and Treasurer. Mr. Rogers assumed this position on November 30, 2015.

• Daniel K. McGill, Executive Vice President and Chief Commercial Banking Officer

• Timothy H. Kirtley, Executive Vice President and Chief Credit Officer

• Carol A. Schneeberger, Executive Vice President and Chief Administrative Officer

• Edward G. Sloane, Former Executive Vice President, Chief Financial Officer and Treasurer. Mr. Sloane resigned from this position effective November 16, 2015.

The Compensation Committee strives to ensure that the total compensation paid to the NEOs is reasonable, competitive and aligned with the best interests of the shareholders.

2015 Business Highlights

2015 was a year of both accomplishments and disappointments for Peoples. Below is a list of notable accomplishments in 2015:

• We completed the acquisition and integration of NBTF, which added \$711.1 million in total assets as of the March 6, 2015 acquisition date, and 22 full-service branches in markets in southwest Ohio.

• We grew period-end total loan balances by 7% for the year (excluding the NBTF acquired loans).

• We improved our net interest margin to 3.53% compared to 3.45% in 2014.

Unfortunately, our accomplishments in 2015 were overshadowed by a provision for loan losses of \$14.1 million recorded for the year related primarily to the charge-off of one large commercial loan relationship, and by greater expenses during the first half of the year due in part to the acquisition costs incurred with the NBTF acquisition. These events largely contributed to the disappointing performance in key performance metrics in 2015 compared to prior years, in particular - lower net income available to common shareholders, lower diluted earnings per common share, lower return on average assets, and lower return on average common stockholders' equity. The disappointing performance also contributed to the reduction in the market price of our common shares, resulting in a lower total return to our shareholders.

2015 Incentive Program Goals

The performance goals for the incentive program in 2015 were designed so that the target level of awards would be paid if we met our budgetary goals, which represented our target level of performance. We set challenging performance goals for 2015 that represented strategic decisions made by Peoples to invest in acquisitions, the sales process, branch renovations for recently-acquired offices, and other key initiatives that we believed would position Peoples for future growth. Highlights of our 2015 incentive program goals are as follows:

• Incentive program goals reflected the impact of the NBTF acquisition, which added \$711.1 million in total assets as of the March 6, 2015 acquisition date.

Table of Contents

• Target net income was 62% higher than the target in 2014 and 39% more than the results used in determining 2014 incentive payment amounts.

• Target total revenue was 55% higher than the 2014 target and 45% higher than the results used in determining 2014 incentive payment amounts.

• Target efficiency ratio required a 135 basis point improvement over the 2014 target level and a 107 basis point improvement over the results used in determining 2014 incentive payment amounts.

• As a result of the expected growth in revenue, net income and assets, target return on average assets was aimed to approximate the median of the 2014 target level and the results used in determining 2014 incentive payments.

2015 Actual Results vs. Performance Goals

The following is an overview comparison of our 2015 actual results versus our 2015 performance goals:

- We failed to achieve threshold results for the majority of our key incentive metrics.

• Our 2015 results were well below target and failed to achieve threshold results for net income, return on average assets, efficiency ratio, diluted earnings per common share and criticized assets.

• We achieved the threshold result for total revenue and the target result for Tier 1 Common Capital Ratio.

• Our NEOs achieved, to varying degrees, individual performance objectives; but we failed to achieve the absolute minimum earnings per common share required for any incentive payments to be earned.

2015 Compensation Actions

Our compensation philosophy is designed to provide incentive and recognition for Peoples' execution of a strategy that increases shareholder value over time. Accordingly, and by design, the executive compensation received by the NEOs for 2015 generally reflected the disappointing 2015 results. No cash or equity incentives were awarded to Mr.

Sulerzyski, Mr. McGill, Mr. Kirtley or Ms. Schneeberger relative to 2015 corporate performance goals, or to their respective 2015 individual performance goals.

As a result, Mr. Sulerzyski's total direct compensation for 2015 performance was \$500,000 compared to the total direct compensation he received for 2014 performance in the amount of \$1,075,298. Total direct compensation means the total of base salary and any cash incentive and equity-based incentive payments earned for a given year's performance.

The Compensation Committee also decided to keep the 2016 base salaries of the NEOs unchanged from their 2015 levels. Mr. Sloane and Mr. Rogers were not eligible for incentive compensation for 2015 because, in the case of Mr. Sloane, he resigned from Peoples on November 16, 2015, and, in the case of Mr. Rogers, he did not join Peoples until November 30, 2015.

Highlights of our 2015 compensation actions are as follows:

• No salary increases for the NEOs were approved for 2016.

• No cash incentive payments were made to the NEOs for 2015 results versus performance goals.

• No equity-based incentive payments were awarded to the NEOs in early 2016 for 2015 results.

• Total direct compensation for 2015 results decrease by 54% for the CEO and by 42% to 46% for the other NEOs who participated in the annual and long term incentive plans in 2014 and 2015.

Notable Pay Practices

We believe our compensation programs and philosophy are appropriately designed to reward performance, protect the interests of our shareholders, and provide appropriate incentives to executive management while not encouraging excessive risk-taking. We believe in tying compensation to the results achieved. Below is an overview of our pay practices which reflect these beliefs:

• We target market median pay levels, and we consider peer and market data in setting pay.

• We link pay to performance.

• We require a minimum level of corporate performance before any incentive compensation is paid to the NEOs.

• We have stock ownership and retention guidelines for our NEOs.

Table of Contents

• A double trigger (i.e. both a change in control and a termination of employment) is required for payment under our change in control agreements with our NEOs.

• We prohibit our NEOs from hedging or pledging their Peoples common shares, and we require that they obtain pre-clearance before trading in Peoples common shares.

• We conduct an annual risk assessment of our compensation programs.

• We hold an annual shareholder “say-on-pay” vote.

• We annually review the independence of our compensation advisors.

• Our Compensation Committee is comprised entirely of independent directors.

Additional information about our annual results and our compensation decisions follows. We believe this information will provide guidance on how our discretionary decisions, established programs, and corporate results came together in the compensation decisions made by the Compensation Committee.

Total Shareholder Return

The value we return to our shareholders is an important component of our compensation philosophy. Peoples’ corporate performance is benchmarked via many metrics in order to provide a view of the more specific performance components that combine to drive the total annual return for our shareholders. Long-term growth in total shareholder return is one of the tenets of our compensation strategy. The disappointing performance in 2015 translated into lower total returns for our shareholders as shown on the graph below. Mr. Sulerzyski’s total direct compensation for performance in 2015 declined 54% compared to his total direct compensation for performance in 2014. By comparison, total one-year shareholder return for 2015 was -25% as compared to 18% for 2014.

Performance Relative to Specific Key Metrics which Drive Shareholder Return

We objectively review our performance in various categories to ensure that we are making progress towards our strategic goals. The metrics below provide an overall view of our performance in specific, measurable areas, which ultimately translate to the measurable returns for our shareholders noted in the chart above.

The following table illustrates the performance by Peoples during the five-year period ended December 31, 2015 with respect to several key performance metrics. The table highlights the disappointing results in 2015 compared to prior years driven primarily by acquisition costs and the large provision for loan losses.

These amounts represent non-Generally Accepted Accounting Principles (“GAAP”) financial measures since pre-provision net revenue, which is defined as net interest income plus non-interest income minus non-interest expense, excludes the provision for loan losses and all gains and losses included in earnings. Additional information regarding the calculation of these measures can be found in “ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS” of Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2015, under the caption “Pre-Provision Net Revenue”.

Pay for Performance

The Compensation Committee and management believe that our executive compensation programs are designed to incentivize sound and fundamental growth of Peoples, which will lead to improved returns to the shareholders. In years where we achieve our strategic goals, and where actual performance meets or exceeds performance goals, compensation under our incentive program will increase. When we do not meet the expectations and goals we set as a company, as was the case in 2015, incentive payouts will be reduced or not made, reflecting our incentive program design.

The chart below shows Mr. Sulerzyki's total compensation for fiscal years 2012 through 2015 and Peoples' corresponding return on average assets (“ROAA”) in those years (and, for fiscal year 2014, adjusted ROAA which was the performance goal measured that year). The compensation amounts displayed for each year reflect the amounts earned for performance in that year.

The table below shows incentive compensation payouts for the NEOs based upon 2014 and 2015 results. In short, we failed to meet the absolute minimum level of corporate performance established by the Compensation Committee for 2015, and, therefore, no incentive compensation was paid to the NEOs for 2015 results.

Amounts in this column reflect the percentage of 2014 base salary represented by cash incentive payments earned under the annual incentive program for 2014 performance and paid in 2015. Base salary is reported in the “Salary” (1) column and the cash incentive payment earned is reported in the “Non-Equity Incentive Plan Compensation” column, in each case for 2014, in the “SUMMARY COMPENSATION TABLE FOR 2015” beginning on page 43 of this Proxy Statement.

Percentages in these columns reflect the exclusion from the reported 2014 results of the one-time expenses incurred (2) in 2014 relating to the financial institution acquisitions. These adjusted 2014 results were used to determine the cash and equity-based incentive compensation amounts for 2014.

(3) No amounts were earned under the cash incentive portion of the annual incentive program for 2015 performance.

Amounts in this column reflect the percentage of 2014 base salary represented by awards of restricted common shares, valued using The NASDAQ Global Select Market® closing price of Peoples’ common shares on the grant date, which were granted in 2015 for 2014 performance. Base salary is reported in the “Salary” column for 2014 and the restricted common shares award is reported in the “Stock Awards” column for 2015 in the “SUMMARY (4) COMPENSATION TABLE FOR 2015” beginning on page 43 of this Proxy Statement. With respect to Mr. Sulerzyski, the amount in this column excludes the award of 2,000 restricted common shares, granted as a discretionary time-vested award on January 23, 2014, as disclosed in footnote 6 of the “SUMMARY COMPENSATION TABLE FOR 2015”, beginning on page 43 of this Proxy Statement.

(5) No restricted common shares were awarded to the NEOs for 2015 performance.

(6) Mr. Rogers joined Peoples on November 30, 2015, and, therefore, did not participate in the 2014 and 2015 incentive compensation programs.

(7) Mr. Sloane resigned from Peoples effective November 16, 2015, and, therefore, was not eligible to receive incentive compensation for 2015.

Pay for Performance - Our Key Compensation Decisions

Because we believe in tying compensation to performance, the Compensation Committee made the following decisions regarding the NEOs’ compensation as a result of the performance results for 2015, performance relative to our peers and to our goals, and the level of achievement of both annual and long-term goals described below. Additionally, the Compensation Committee considered Peoples’ objectives in attracting, rewarding and retaining talent within the organization and providing incentives to the NEOs to provide leadership in the execution of Peoples’ strategic plan.

Chief Executive Officer Compensation: Based upon the Compensation Committee’s review of corporate and individual performance, Mr. Sulerzyski’s base salary remained unchanged at \$500,000 for 2016. No annual cash incentive was paid, and no restricted common shares were awarded under the equity-based long-term incentive plan, to Mr. Sulerzyski for 2015 performance, because the absolute minimum level of corporate performance established for any payment of those incentives was not achieved in 2015.

Chief Financial Officer Compensation: Mr. Sloane resigned from his position as Executive Vice President, Chief Financial Officer and Treasurer of Peoples effective November 16, 2015 and, therefore, was not eligible for incentive compensation for 2015. The Compensation Committee approved severance pay to Mr. Sloane in an amount which represented a continuation of his regular base salary at his regular monthly base pay, for a period of six months following November 21, 2015. The Compensation Committee determined that the amount of severance pay was reasonable and appropriate in light of Mr. Sloane's position and years of service with Peoples.

Mr. Rogers assumed the position of Executive Vice President, Chief Financial Officer and Treasurer of Peoples on November 30, 2015, and, therefore, did not participate in the 2015 incentive compensation program. Prior to November 30, 2015, the Compensation Committee approved a compensation package for Mr. Rogers consisting of an annual base salary of \$300,000, a \$50,000 cash bonus payable on January 15, 2016 provided he remained employed by Peoples on that date, and a grant of 9,500 restricted common shares of Peoples with vesting of these restricted common shares to occur as follows, if he remains employed by Peoples on the respective vesting dates: (i) 3,167 of the restricted common shares will vest on December 1, 2016; (ii) 3,167 of the restricted common shares will vest on December 1, 2017, and (iii) 3,166 of the restricted common shares will vest on December 1, 2018. The Compensation Committee believes that the compensation package for Mr. Rogers was structured appropriately in light of the Compensation Committee's goal of attracting the most capable executive officers and aligning their interests with those of the shareholders.

Other NEO Compensation: Compensation decisions for the other NEOs who served throughout 2015 are summarized in the table below. Based upon the Compensation Committee's review of corporate and individual performances, their base salaries remained unchanged from their 2015 levels. No annual cash incentives were paid, and no restricted common shares were awarded under the equity-based long-term incentive plan, to these other NEOs for 2015 performance because the absolute minimum level of corporate performance established for any payment of those incentives was not achieved in 2015.

Advisory Vote of Shareholders: The Compensation Committee reviewed and considered the non-binding advisory vote of shareholders (which approved the compensation of Peoples' NEOs for the 2014 fiscal year as disclosed in the Proxy Statement for the 2015 Annual Meeting of Shareholders) and focused on continuing to design executive compensation programs intended to meet the best interests of Peoples' shareholders. The result of the advisory vote in

2015 was 7,447,622 common shares voting in favor of the advisory resolution to approve the NEO compensation for 2014, an approval rate of 77% of common shares voted, including abstentions.

This discussion and analysis is intended to provide shareholders with information about the results upon which the Compensation Committee relied in making compensation decisions relative to 2015 performance. The Compensation

Committee believes that its actions were consistent with Peoples' compensation philosophy and objectives, demonstrating that Peoples' NEOs continue to be incentivized to achieve results in the best interests of our shareholders. The Compensation Committee has determined that Peoples' compensation policies and practices do not threaten the value of Peoples or the investments of its shareholders, or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on Peoples. See the discussion of the Compensation Committee's review in the section captioned "COMPENSATION COMMITTEE REPORT - Discussion of Risk Review and Assessment", beginning on page 41 of this Proxy Statement.

Compensation Philosophy and Objectives

The overall philosophy for Peoples is to provide a compensation program which balances market, shareholder and regulatory considerations. In designing our compensation plans, we take into account both the absolute performance of Peoples, as well as relative improvement in the performance of Peoples during any given time period. The current incentive compensation programs are focused on both short-term and long-term goal achievement by Peoples through the use of cash and equity compensation in combinations that are driven by both annual and long-term goals and objectives for Peoples and the individual NEOs.

The goal of the compensation program for Peoples' NEOs is the same as our goal in the operation of Peoples' business: to create long-term value for our shareholders. In an effort to achieve this goal, we have designed and implemented a compensation program for the NEOs that:

- rewards them for sustained positive financial and operating performance and leadership excellence;
- aligns their interests with those of our shareholders;
- attracts qualified talent; and
- encourages strong performers to remain with Peoples for long and productive careers.

The elements of our compensation program consist of base salary, cash and equity-based incentive compensation, retirement and other benefits, and perquisites and other personal benefits. We combine the compensation elements for each NEO in a manner we believe optimizes the NEO's contribution to Peoples and our shareholders, motivates the NEO to attain the business goals set by Peoples, and rewards the NEO for attaining such goals without encouraging unnecessary and excessive risk-taking that could threaten the value of Peoples.

While the Compensation Committee oversees the compensation of all officers and employees, a primary focus of the Compensation Committee is the compensation for Peoples' executive officers and other senior officers. The intent is to reward all employees for continuous improvement and identification and implementation of best practices and, specifically, to set up compensation plans for executive officers and senior officers to reward those employees for enhancing shareholder value through profitable revenue growth and responsible risk management. The compensation philosophy established by the Compensation Committee covers the direct forms of compensation and serves as a tool that the full Board and management use to ensure the compensation programs developed are both competitive with respect to officer compensation and reasonable within the marketplace.

Base Salary: Base salaries for our executive officers are benchmarked at the median of those of similarly-situated officers serving with members of Peoples' Peer Group (as defined on page 31). Based upon individual circumstances, actual base salary levels may be higher or lower than this "market median". For the purposes of the annual incentive program, and as used herein, "base salary" is defined as the base salary compensation paid during the calendar year.

Total Cash Compensation: Total cash compensation represents base salary plus any annual cash incentive payout received. The long-term objective is for total cash compensation for our executive officers to be consistent with the market median of that received by similarly-situated officers serving with members of Peoples' Peer Group for achieving target performance. Likewise, the objective is for compensation for our executive officers to be at or above the 75th percentile of that received by such similarly-situated officers for achieving performance at the 75th percentile of the Peer Group.

Total Direct Compensation: Total direct compensation is comprised of total cash compensation plus the grant date fair value of equity-based awards. The objective is to grant equity-based awards only after performance goals for a fiscal year have been attained. Equity-based awards are granted with a three-year vesting period, which enhances employee retention and reduces the sensitivity to short-term performance. Beginning with equity-based awards granted in 2015 for 2014 performance, equity awards have been subject to three-year "cliff vesting." In the event the performance

metrics are not met in a given year, the awards to be received at the end of the cliff-vesting period are reduced by one-third. Prior to 2015, equity-based awards had been

Table of Contents

granted with a three-year pro-rata vesting schedule based upon the achievement of a performance trigger in each of the years preceding a vesting date. The long-term goal for total direct compensation is that the total direct compensation ranking for each NEO, compared to the total direct compensation of the similarly-situated officers serving with members of Peoples' Peer Group, will reflect a percentile similar to that resulting when Peoples' performance, as measured by Return on Average Common Stockholders' Equity, Return on Average Assets, and other common measures used by the financial services industry, and especially community banks, is compared to that of the members of Peoples' Peer Group. For example, if target performance is achieved both at the individual and corporate level, it is expected that each executive officer's total direct compensation will approximate the market median of similarly-situated officers serving with members of Peoples' Peer Group and that Peoples' performance under the relevant measures will generally align with the median performance of members of the Peer Group.

No specific formula is used to determine the allocation between performance-based compensation, which includes annual cash incentives and long-term equity-based incentives, and fixed compensation in the form of base salaries. However, the portion of the total direct compensation that could have been earned in the form of cash and equity-based incentives at target levels of performance emphasizes Peoples' focus on pay-for-performance during 2015. At 2015 target levels of performance, 49.5% of Mr. Sulerzyski's total direct compensation, and 37.5% of the other NEOs' total direct compensation, would have been in the form of performance-based compensation.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all compensation decisions related to the NEOs of Peoples and recommends to the full Board any equity-based award grants for the non-employee directors. Annually, the President and Chief Executive Officer of Peoples reviews the performance of each NEO (excluding his own) by comparing the results attained to Compensation Committee-approved goals, as well as the overall performance of Peoples as compared to Board-approved corporate performance goals. Both corporate and individual goals are defined for threshold, target and maximum levels of performance. This data forms the basis for the recommendations of the President and Chief Executive Officer to the Compensation Committee with respect to the compensation of the other NEOs, including base salary adjustments, and payout percentages (relative to base salary) for the annual cash incentive payments and equity-based incentive awards. The Compensation Committee considers the President and Chief Executive Officer's recommendations and uses the Compensation Committee's own discretion in making the final compensation decisions with respect to the NEOs, which may differ from the recommendations of the President and Chief Executive Officer.

Setting Executive Compensation

The Compensation Committee has the sole authority to engage the services of any compensation consultant or advisor. In order to ensure that Peoples provides total direct compensation that is performance-based and competitive with its stated Peer Group (as defined on page 31), its geographic peers and the financial services industry in general, the Compensation Committee from time to time engages the services of an independent compensation and benefits consultant serving the financial services industry. From 2001 to September 24, 2015, the Compensation Committee's independent consultant was McLagan. The Compensation Committee engaged Pay Governance beginning September 24, 2015. During their respective periods of service, each of McLagan and Pay Governance provided market intelligence on industry compensation trends along with each firm's respective views on specific compensation programs. In addition, from time to time and on a limited basis, McLagan and Pay Governance have provided comparative market compensation data information to Peoples. The amount paid for the consulting services has been nominal. All work completed by McLagan and Pay Governance was reported to the Compensation Committee. Communications between the Compensation Committee and the compensation consultant may occur through (i) direct conversations between the Chair of the Compensation Committee and the consultant, (ii) communications between the President and Chief Executive Officer, the Chief Administrative Officer and/or the Secretary of the Compensation Committee and the consultant, or (iii) participation by the consultant in Compensation Committee meetings, including executive sessions with only directors present.

During 2015, McLagan provided advice and guidance to the Compensation Committee on regulatory compliance issues related to executive compensation, on the review and interpretation of the reports of proxy advisor firms relative to executive compensation, on severance matters, and on the preparation and review of specified portions of the proxy materials addressing compensation matters.

During 2015, Pay Governance provided information regarding market trends for incentive plan design and executive compensation, and assisted the Compensation Committee with reviewing and updating our Peer Group. They also provided advice and guidance to the Compensation Committee about the impact of regulatory limitations and legislative requirements on the compensation, benefits and goal-setting process for the NEOs and Peoples' compensation plans for all other employees.

The Compensation Committee determined that the work of McLagan and Pay Governance in 2015 did not raise any conflict of interest. Additionally, the Compensation Committee determined that each of McLagan and Pay Governance was independent of management after considering several factors, including (1) whether the firm provided any other services to Peoples; (2) the amount of fees received from Peoples by the firm as a percentage of the firm's total revenue; (3) the firm's policies and procedures that are designed to prevent conflicts of interest; (4) any business or personal relationship of the individual compensation consultants providing services to Peoples with a member of the Compensation Committee; (5) the amount of Peoples common shares owned by the individual compensation consultants providing services to Peoples; and (6) any business or personal relationships between the executive officers of Peoples and the firm or the individual compensation consultants providing services to Peoples. The Compensation Committee used the following Peer Group for performance benchmarking in 2015. From time to time, the Compensation Committee used this Peer Group for the purposes of executive compensation comparison and benchmarking. The Peer Group was comprised of 18 publicly-traded financial services holding companies with total asset sizes ranging from \$1.6 billion to \$6.2 billion. Asset sizes are provided based on public information available as of September 30, 2015. The members of this Peer Group are located in the states of Indiana, Kentucky, Michigan, New York, Ohio, Pennsylvania and West Virginia, and serve markets and/or geographic areas similar to those of Peoples.

This 18-member group is referred to in this discussion and analysis as the "Peer Group." The Compensation Committee used the Peer Group data to analyze the overall competitiveness of the compensation of Peoples' NEOs in 2015 in light of our compensation philosophy and objectives by comparing (i) the relative ranking of each NEO's base salary and total direct compensation to the base salary and total direct compensation for similarly-situated officers serving members of the Peer Group for threshold, target and maximum levels of performance, and (ii) the level of performance achieved by Peoples compared to members of the Peer Group as defined by standard performance measures used by the financial services industry.

In December of 2015, after consultation with Pay Governance, the Compensation Committee adopted the following updated peer group for use in compensation and performance benchmarking in 2016. The updated peer group is comprised of 24 publicly-traded financial institution holding companies with total asset sizes ranging from \$1.7 billion to \$8 billion. The members of this updated peer group are located in the states of Indiana, Kentucky, New York, Ohio, Pennsylvania and West Virginia. Financial and operating data were reviewed by the Compensation Committee to ensure that the 24 companies have similar performance characteristics to those of Peoples. Pay

Governance reviewed the updated peer group and indicated that the companies were appropriate for 2016 comparison purposes based upon the demographic and performance filters used by the Compensation Committee to make its peer group selection, particularly the size and location of each institution in the updated peer group. The institutions added to the updated peer group have total assets between one-half to two and one-half the size of Peoples, and are located in the footprint of the institutions in the current Peer Group. Peoples' total asset size is at approximately the median point of the updated peer group.

*New addition to peer group.

In view of the current economic and financial environment, the Compensation Committee has reviewed the design and operation of Peoples' compensation arrangements for 2015, including the compensation arrangements of Peoples' executive officers, with Peoples' senior risk officer. This review included the mix of base salary and performance-based incentive compensation and the performance goals required to be attained for threshold, target and maximum levels of cash and equity-based incentive payments, along with the corresponding payout potentials. The Compensation Committee has determined that these arrangements did not provide Peoples' executive officers with the incentive to engage in business activities or other behavior that would materially threaten the value of Peoples or the investments of its shareholders.

2015 Executive Compensation Components

For 2015, the principal components of compensation for the NEOs were:

- Base salary;
- Annual cash incentive compensation;
- Long-term equity-based incentive compensation;
- Retirement and other benefits; and
- Perquisites and other personal benefits.

Base Salary

The Compensation Committee believes that base salaries for the NEOs should be competitive with the median of the base salaries of similarly-situated executive officers of members of the Peer Group. Depending on individual experience, job performance and competitive market requirements with respect to those NEOs recently hired, the actual base salary for a particular NEO may be higher or lower than the median base salary for the similarly-situated Peer Group executive officer (but still typically in the range of the 40th to 60th percentile of the Peer Group). Potential individual NEO base salary increases are reviewed annually by the Compensation Committee and are based on (i) the

NEO's overall contribution to Peoples'

32

Table of Contents

performance, (ii) the NEO's attainment of specific individual business objectives during the preceding year, and (iii) adjustments, if any occur, in the overall responsibilities of the individual.

As noted previously in the "Executive Summary of 2015 Fiscal Year's Performance and Compensation", based on Peoples' 2015 financial performance and Peoples' compensation philosophy and objective of rewarding NEOs for enhancing shareholder value and meeting Peoples' strategic objectives through their individual contributions, the Compensation Committee determined that increases to the NEOs' base salaries were not appropriate given the level of Peoples' performance in 2015. As a result, the annual base salaries for the following NEOs will remain at the same level in 2016 as in 2015: Mr. Sulerzyski - \$500,000; Mr. McGill - \$250,000; Mr. Kirtley - \$221,500; and Ms. Schneeberger - \$233,000. In addition, since Mr. Rogers did not join Peoples until November 30, 2015, his initial annual base salary of \$300,000 will also be his base salary for 2016.

Cash and Equity-Based Incentive Program

NEOs are eligible to earn additional compensation under the incentive program. The incentive program was developed to reward performance by providing awards which increase as a percentage of base salary for relatively higher levels of performance and, conversely, by not paying incentives if the absolute minimum performance goals are not met. The incentive program is designed to motivate and reward the NEOs for their contributions to business goals that the Compensation Committee believes drive earnings and create shareholder value without encouraging unnecessary and excessive risk-taking.

2015 Incentive Program Design

The 2015 incentive program design was comprised of the annual incentive program and the long-term incentive program. The annual incentive program provides for cash awards calculated based upon corporate and individual performance using the annual incentive plan payout percentages assigned to each participant's incentive tier. In order to participate in the incentive program for a given fiscal year, the NEO must have been employed by Peoples as of July 1st of the fiscal year and must also be employed by Peoples on the date of the award, which occurs in February or March of the year following the fiscal year being measured. As a result, neither Mr. Sloane nor Mr. Rogers participated in the incentive program for 2015.

On December 18, 2014, the Compensation Committee approved the discretionary, or individual, goals for Peoples' NEOs then serving, and on February 26, 2015, the full Board established the 2015 corporate incentive performance goals. The Board again adopted a "balanced scorecard" approach with performance, capital and credit components. The Board set the corporate performance goals for 2015, as shown in the table below, along with the weighting for each component. Our corporate performance results for 2015 are also shown, indicating that we failed to achieve the threshold level of performance in five of the seven corporate objectives, and we achieved between threshold and target levels of performance for Total Revenue and between target and maximum levels of performance for the Tier 1 Common Capital Ratio. Actual corporate results expressed as an overall percentage of the target level of achievement were 16% for 2015 compared to 137% for 2014. With respect to the annual incentive program, the corporate incentive goals for Mr. McGill were weighted at 35%, with line of business goals weighted at 35%. The other NEO participants' corporate incentive goals were weighted at 70%. Each of the NEOs participating in 2015 had individual performance goals weighted at 30%.

	Weighting	Threshold	Target	Maximum	2015 Results
Net Income	21.0%	\$22,049,600	\$27,562,000	\$33,074,400	\$10,941,000
Total Revenue (Net Interest Income plus Non-Interest Income)	10.5%	\$142,867,800	\$158,742,000	\$174,616,200	\$145,053,000
Return on Average Assets	7.0%	0.66%	0.83%	1.00%	0.35%
Efficiency Ratio	7.0%	71.12%	69.90%	68.68%	75.50%
Diluted Earnings Per Common Share	10.5%	\$1.22	\$1.52	\$1.84	\$0.61
Tier 1 Common Capital Ratio	7.0	% 11.60%	12.89%	14.18%	13.68%
Criticized Assets	7.0	% \$132,522,500	\$120,475,000	\$108,427,500	\$136,248,000
Discretionary (Individual Performance)	30.0%				Varies by NEO

The individual performance measure is unique to each NEO and consists of quantitative and qualitative measures. Specific individual objectives for 2015 were approved for each NEO by the Compensation Committee on December 18, 2014. The individual objectives were designed to complement Peoples' corporate goals and strategic plan for 2015, particularly the Board's goals related to overall growth of Peoples. The individual objectives were both quantitative in nature, such as achieving sales and revenue goals, and cost containment, and qualitative in nature, such as the development, management and retention of key staff, and the assessment and development of quality products and services. These objectives are designed to grow core earnings while managing risk, which will, in turn, promote the long-term interests of Peoples' shareholders. In

Table of Contents

addition, goals tied to the attainment of the long-term strategic plan were included in each NEO's individual performance measure with respect to the long-term portion of the incentive program. The Compensation Committee believes that these goals properly incentivized the NEOs to implement and attain the long-term strategic objectives of Peoples, including overall growth and high performance in the key metrics noted in the table above. These measures were intended to reflect results achieved for shareholders while ensuring that the compensation arrangement did not encourage unnecessary and excessive risk-taking that could threaten the value of Peoples. The absolute minimum level of corporate performance for NEOs to potentially receive annual cash incentives and long-term equity-based incentives remained in effect for 2015 and was defined as a minimum level of earnings available to common shareholders of \$1.00 per common share. As noted above, we failed to achieve this absolute minimum level in 2015; therefore, no incentive compensation was paid to the NEOs for that year.

As noted above, Mr. McGill was assigned line of business goals for commercial banking. These goals consisted of quantitative measures related to commercial business performance, such as net income for commercial banking, commercial portfolio loan growth, and commercial portfolio asset quality. The commercial banking line of business did not achieve results at or above performance targets in all categories measured in 2015.

Annual individual performance goals were established for each NEO, the nature of which differed depending upon the NEO's job responsibilities. The individual performance measure was unique to each NEO and consisted of quantitative and qualitative measures such as: (i) setting, refining and executing the strategic direction of Peoples; hiring and developing the senior management team; developing a client-focused culture; and leading Peoples' acquisition strategy for Mr. Sulerzyski; (ii) optimizing resources for the achievement of net revenue goals; actively participating in key corporate strategic initiatives; and recruiting and retaining top performers for Mr. McGill; (iii) continuing construction and refinement of Peoples' credit culture; reducing commercial portfolio criticized assets; and supporting due diligence and integration of acquired institutions for Mr. Kirtley; and (iv) driving an appropriate compliance and risk management culture; exercise of leadership in the acquisition due diligence and integration processes; and developing improved project management processes for Ms. Schneeberger. Because he did not join Peoples until November 30, 2015, Mr. Rogers did not participate in the incentive programs.

The goals assigned to the NEOs were intended to reflect positive results for shareholders while ensuring that the compensation arrangement did not encourage unnecessary and excessive risk-taking that could threaten the value of Peoples. Measurement of these goals was objective and/or subjective in nature, depending upon the nature of the respective goal. Payout percentages (expressed as a percentage of base salary) for various levels of performance are reviewed by the Compensation Committee on an annual basis.

2015 Annual Incentive (Cash)

There are three levels of incentive awards under the annual incentive program: threshold, target and maximum. The payout potentials for the 2015 annual incentive program, expressed as a percent of base salary, were as follows:

	Threshold Payout Potential	Target Payout Potential	Maximum Payout Potential
Chief Executive Officer	12.5%	50.0%	75.0%
Other Executive Officers	8.8%	35.0%	52.5%

The Compensation Committee retained the right to exercise discretion to increase or reduce the size of the payout of annual cash incentives. Incentive awards are paid after the results of the corporate performance goals have been determined. No annual cash incentives are awarded to NEOs if the absolute minimum level of corporate performance is not achieved.

In addition to the annual cash-based incentive program, the Compensation Committee has in the past, and may in the future, award cash-based discretionary bonuses. In 2015, as part of his recruitment package, the Compensation Committee approved a \$50,000 cash bonus payable to Mr. Rogers on January 15, 2016, provided he was employed by Peoples on that date.

2015 Long-Term Incentive (Equity)

The long-term incentive program draws from a pool for equity-based awards in the form of restricted common shares created by using corporate results and applying the long-term incentive payout percentages for each participant as described below. The pool of restricted common shares is then distributed among participants by the Compensation

Committee based upon corporate and individual results. No equity-based incentives are awarded to NEOs if the absolute minimum level of corporate performance is not achieved. The restricted common shares awarded cannot exceed those in the pool as created by the corporate results and payout percentages. Restricted common shares from the pool are awarded to each participant based on the Compensation Committee's subjective determination of the participant's contribution to Peoples' future success and attainment of Peoples' strategic plan. In making its decisions, the Compensation Committee also considers management's recommendations.

Table of Contents

The pool is created based upon the level of achievement of corporate goals which determines the percentage applied to the aggregate individual base salaries. These corporate goals are the same as those used in determining the annual cash incentive payments. This places an increased emphasis on achieving those objectives, which the Compensation Committee believes will create long-term shareholder value. Threshold, target and maximum payout potentials are used to create the pool and are determined annually by the Compensation Committee. The Compensation Committee, with the assistance of management, then determines actual restricted common share grants based on the criteria described below. The pool creation potentials for the 2015 long-term incentive program were as follows.

	Threshold Payout Potential	Target Payout Potential	Maximum Payout Potential
Chief Executive Officer	10.0%	48.0%	72.0%
Other Executive Officers	6.3%	25.0%	37.5%

Equity-based awards, if earned, are granted with an economic value based on The NASDAQ Global Select Market® closing price of Peoples' common shares on the date of the grant. The Compensation Committee approves equity-based grants to the NEOs and other officers. In the absence of a scheduled Compensation Committee meeting, the full Board approves equity-based grants to the NEOs and other officers. This situation occasionally occurs when awards to a single individual are granted as part of a recruitment package. The grant date is the date of the approval by the Compensation Committee or the full Board, or the second business date after which any material information has been publicly disclosed, whichever is later, and is tied to Peoples' trading windows. In certain cases, the Compensation Committee approves the use of equity-based grants to new hires or current NEOs as an incentive to attract or to retain executive or other senior management, as was the case in 2015 for Mr. Rogers as disclosed in the "SUMMARY COMPENSATION TABLE FOR 2015" on page 43. In the event of equity-based grants for new hires, the date of grant is typically the first business day of the month following the new employee's date of hire.

The following table shows the corporate, line of business and individual performance weightings for the NEOs under the 2015 incentive program, as well as the fact that no annual cash incentives were earned, and no restricted common shares were granted to the NEOs for 2015 performance.

NEO	Corporate Weighting	Line of Business Weighting	Individual Performance Weighting	2015 Annual Incentive Payout (%)	2015 Annual Incentive - Cash Incentive Earned (\$)	2015 Long-Term Incentive Payout (%)	2015 Long-Term Incentive - Total Restricted Common Shares Granted (\$)
Charles W. Sulerzyski	70.0%	—	30.0%	—	—	—	—
John C. Rogers (1)	—	—	—	—	—	—	—
Edward G. Sloane (2)	—	—	—	—	—	—	—
Daniel K. McGill	35.0%	35.0%	30.0%	—	—	—	—
Timothy H. Kirtley	70.0%	—	30.0%	—	—	—	—
Carol A. Schneeberger	70.0%	—	30.0%	—	—	—	—

(1) Mr. Rogers joined Peoples on November 30, 2015, and, therefore, did not participate in the 2015 incentive program.

(2) Mr. Sloane resigned from his position with Peoples effective November 16, 2015, and, therefore, did not participate in the 2015 incentive program.

The 2015 long-term incentive program requires each NEO to remain employed by Peoples for the full vesting period of the restricted common shares granted. This arrangement provides a valuable retention tool for the NEOs. Additionally, vesting of the restricted common shares granted under the program requires that Peoples meets the performance criteria of maintaining a well capitalized status and report positive net income for each of the fiscal years

comprising the vesting period. In the event the performance metrics are not met in a given year, the awards to be received at the end of the cliff-vesting period will be reduced by one-third. Dividends which would otherwise be received during the restriction period are accrued and paid to the recipient in the same proportion and at the same time that the underlying restricted common shares vest, if at all. As a consequence of his resignation, Mr. Sloane forfeited any restricted common shares he held which had not vested at the time of his resignation.

2016 Program Design

On January 28, 2016, the Compensation Committee approved discretionary, or individual, goals for Peoples' NEOs, concurrent with the Board's establishment of the 2016 corporate incentive performance goals. The 2016 goals and their respective weightings for each of the NEOs with the exception of Mr. McGill are as follows:

Return on Average Assets	17.5%
Efficiency Ratio	17.5%
Diluted Earnings Per Common Share	35.0%
Discretionary Individual Performance	30.0%

The 2016 goals and their respective weightings for Mr. McGill are as follows:

Return on Average Assets	12.5%
Efficiency Ratio	12.5%
Diluted Earnings Per Common Share	25.0%
Commercial Banking Line of Business Results	25.0%
Discretionary Individual Performance	25.0%

The payout potentials for threshold, target and maximum for NEOs to earn cash and equity-based incentive compensation for 2016 performance remain the same as they were for 2015 performance. Furthermore, with no change in base salaries in 2016, the target compensation levels for the NEOs for 2016 remain the same as they were for 2015.

Retirement and Other Benefits

The NEOs participate in certain benefit programs available to all other employees of Peoples, subject to the same eligibility requirements that apply to all employees, including: (i) the Peoples Bancorp Inc. Retirement Plan and Trust (the "Retirement Plan"); (ii) the Peoples Bancorp Inc. Retirement Savings Plan ("Peoples' 401(k) Plan"); (iii) the Peoples Bancorp Inc. Nonqualified Deferred Compensation Plan (the "NQDC Plan"), (iv) Peoples Bancorp Group Term Life Insurance Plan; (v) the medical and dental insurance plans provided by Peoples; and (vi) the Peoples Bancorp Inc. Employee Stock Purchase Plan (the "ESPP").

Retirement Plan

The Retirement Plan has a different benefit calculation for those individuals employed by Peoples before January 1, 2003, and those employed by Peoples on or after January 1, 2003 but before January 1, 2010. On December 17, 2009, the full Board closed the Retirement Plan to new entrants hired on or after January 1, 2010. Ms. Schneeberger was employed by Peoples prior to January 1, 2003; whereas, Messrs. Sloane and McGill were employed by Peoples after January 1, 2003, but before January 1, 2010. Messrs. Sulerzyski, Rogers and Kirtley were employed by Peoples after January 1, 2010, and do not participate in the Retirement Plan.

On January 27, 2011, the Compensation Committee amended the Retirement Plan so that benefit accruals ceased as of March 1, 2011. For purposes of vesting and benefit eligibility, service continues to be credited in accordance with the terms of the Retirement Plan.

Compensation used to calculate the amount of pension benefit payable under the Retirement Plan includes base salary, incentive pay, overtime pay, bonuses and any pre-tax savings under the Peoples' 401(k) Plan, as well as Peoples' Internal Revenue Code Section 125 cafeteria plan (collectively, "annual compensation"). Benefit distribution options are identical for both groups of participants as is the vesting requirement in order to be eligible for a pension benefit under the Retirement Plan.

For those participants employed by Peoples before January 1, 2003, normal retirement occurs at age 65. The pension benefit for normal retirees is calculated as follows:

- (a) Forty percent (40%) of the participant's average compensation (annual compensation, providing the highest total for five consecutive years out of the last ten years of service), plus
- (b) Seventeen percent (17%) of the excess of the participant's average compensation over his/her Social Security-covered compensation; with
- (c) The sum of the amounts calculated under (a) and (b) multiplied by the ratio of total years of service projected to normal retirement date to 30, such ratio not to exceed 1.

Table of Contents

(d) The benefit amount in (c) is then multiplied by the ratio of total years of service with Peoples earned to date to total years of service projected to normal retirement date.

For those participants employed by Peoples before January 1, 2003, early retirement could occur at age 50 if the participant has at least ten years of service with Peoples. The pension benefit for early retirees is calculated as follows:

(a) Forty percent (40%) of the participant's average compensation (annual compensation providing the highest total for five consecutive years out of the last ten years of service), plus

(b) Seventeen percent (17%) of the excess of the NEO's average compensation over his/her Social Security-covered compensation; with

(c) The sum of the amounts calculated under (a) and (b) multiplied by the ratio of total years of service projected to normal retirement date to 30, such ratio not to exceed 1.

The benefit amount in (c) is then multiplied by the ratio of total years of service with Peoples earned to date to total years of service projected to normal retirement date, and reduced by one-fifteenth for each of the first five years and one-thirtieth for each of the next ten years by which the participant's early retirement date precedes the normal retirement date.

Participants earned no further accruals after March 1, 2011. For both normal retirement and early retirement purposes, each component of the benefit formula, including average compensation, Social Security covered compensation, years of service earned to date and years of service projected to normal retirement date, was calculated as of March 1, 2011 and frozen as of that date.

For those participants employed by Peoples on or after January 1, 2003, and prior to January 1, 2010, normal retirement occurs at age 65. The pension benefit for these normal retirees is calculated as follows:

(a) The Cash Balance Account (as such term is defined in the Retirement Plan) at the end of the prior plan year, plus Interest to the earlier of the end of the prior plan year or the end of the month containing the participant's date of

(b) termination of employment on the Cash Balance Account as of the end of the prior plan year based on the one-year constant maturity rate for the December preceding the determination year plus 50 basis points, plus

(c) An annual accrual equal to 2% of compensation for the plan year provided the participant earned a year of service during the plan year.

The Cash Balance Account is converted at the date of termination of employment into a monthly life annuity (d) benefit payable beginning at the participant's normal retirement date. Conversion calculations are based on actuarial equivalence factors specified in the Retirement Plan.

For those participants employed by Peoples on or after January 1, 2003, and prior to January 1, 2010, early retirement could occur at age 50 if the participant has at least ten years of service with Peoples. The pension benefit for these early retirees is calculated as follows:

(a) The Cash Balance Account at the end of the prior plan year, plus

Interest to the earlier of the end of the prior plan year or the end of the month containing the participant's date of

(b) termination of employment on the Cash Balance Account as of the end of the prior plan year based on the one-year constant maturity rate for the December preceding the determination year plus 50 basis points, plus

(c) An annual accrual equal to 2% of compensation for the plan year provided the participant earned a year of service during the plan year.

The Cash Balance Account is converted at the date of termination of employment into a monthly life annuity (d) benefit payable beginning at the participant's normal retirement date. Conversion calculations are based on actuarial equivalence factors specified in the Retirement Plan.

(e) The benefit is reduced by one-fifteenth for each of the first five years and one-thirtieth for each of the next ten years by which the participant's early retirement date precedes the normal retirement date.

Mr. Sloane joined Peoples in May of 2008, and did not have at least ten years of service with Peoples when he resigned on November 16, 2015. Therefore, Mr. Sloane did not qualify for early retirement under the Retirement Plan.

For both normal retirement and early retirement purposes, no compensation-related credits were added to any participant's account balance after March 1, 2011. However, interest credits, as described above, will continue to be added to a

Table of Contents

participant's account balance at the end of each plan year until the year in which the participant terminates employment with Peoples.

None of the NEOs participated in multiple defined benefit retirement plans. Under the terms of the Retirement Plan, participants are not granted extra years of credited service.

Peoples' 401(k) Plan

The NEOs are also eligible to participate in Peoples' 401(k) Plan, on the same basis as other employees. In 2015, the "company match" under Peoples' 401(k) Plan was 100% of the first 3% of an employee's contribution, and 50% of the next 2% that the employee contributed, the sum of which was subject to a maximum match of 4% of eligible compensation.

Nonqualified Deferred Compensation Plan

On July 25, 2013, the Board approved the Peoples' NQDC Plan. On November 20, 2014, the Compensation Committee approved the NQDC Plan for continuation in 2015. Participation in the NQDC Plan is limited to a select group of management and highly-compensated employees designated annually by the Compensation Committee. The NQDC Plan is offered for the purpose of providing a vehicle for the deferral of compensation in excess of statutory limits under the Peoples' 401(k) Plan for those participating in the NQDC Plan. Participants may elect to defer base salary, annual bonus and other compensation such as commissions, but not equity-based awards. After the applicable deadline, a deferral election is irrevocable for that plan year unless otherwise permitted under the NQDC Plan. Generally, a participant must submit a deferral election by December 31 of the year before services are to be performed. The deferred compensation, if any, is credited to a bookkeeping account maintained on behalf of the participant. The participant is fully vested in the bookkeeping account which will be credited with earnings and losses based on the performance of the investment selections made by the participant for the account. The Compensation Committee determines the deemed investments with which participants may direct that their bookkeeping accounts be credited.

Peoples may make discretionary contributions to participants' bookkeeping accounts in such amount that would have been made pursuant to Peoples' 401(k) Plan as matching contributions if all amounts selected to be deferred under the NQDC Plan had been deferred under the Peoples' 401(k) Plan. Any such contributions will be credited to the participants' bookkeeping accounts during the first calendar quarter following the last day of the plan year with respect to which the related compensation was deferred by participants and will vest in accordance with the vesting schedule under the Peoples' 401(k) Plan, provided that the amounts will become fully vested in the event of a participant's retirement or death and will be forfeited if a participant is terminated for cause.

The amount reflected in a participant's bookkeeping account will be distributed in a single lump sum payment on the January 1 immediately following the participant's termination of employment; provided, however, that, at the time a participant makes an initial deferral election under the NQDC Plan, the participant may elect to receive distribution of the participant's account in up to ten substantially equal annual installments beginning on the January 1 immediately following the participant's termination and on each January 1 thereafter. Notwithstanding the foregoing, if a participant is a "specified employee" under Internal Revenue Code Section 409A, distributions from participant's bookkeeping account will be delayed for a period of six months following the date of the participant's termination of employment. If a participant dies before distribution of the amount reflected in the participant's bookkeeping account or complete distribution of the participant's account, then the participant's account will be distributed to the participant's beneficiary within 90 days after the participant's death.

2015 eligibility criteria for the NQDC Plan required participants to have both a 2014 gross compensation of \$200,000 or greater, and an officer title of Vice President or higher at Peoples or any of its affiliates. Mr. Sulerzyski, Mr. Sloane, Mr. McGill, Ms. Schneeberger, Mr. Kirtley and Mr. McGill met these criteria in 2015. Mr. Sulerzyski, Mr. McGill and Ms. Schneeberger elected to participate in the NQDC Plan during 2015.

Insurance Plans

The NEOs participate in the Peoples Bancorp Group Term Life Insurance Plan on the same basis as other employees. Peoples pays the premiums for all employees under this plan. If an employee dies, his or her beneficiary will be paid an amount equal to two times the employee's base salary at the time of death, up to a maximum amount of \$600,000.

The NEOs are also eligible to participate in medical and dental insurance plans provided by Peoples on the same basis as other employees. The plans are contributory, and both the employees and Peoples pay for a portion of the cost of the health insurance premiums.

Employee Stock Purchase Plan

The NEOs are eligible to participate in the ESPP on the same basis as other employees. The ESPP is intended to comply with Sections 421 and 423 of the Internal Revenue Code. Employees are permitted to buy Peoples common shares

Table of Contents

through payroll deductions at a discount of up to 15% of the fair market value of the common shares on the last day of the applicable offering period. The Compensation Committee determines the establishment of any offering period and the dates on which any offering period will take place. The Compensation Committee established an offering period for each of the four calendar quarters in 2015. Each offering period was one calendar quarter in length. Mr. Sulerzyski, Mr. McGill, Mr. Kirtley and Ms. Schneeberger elected to participate in the ESPP throughout 2015. Mr. Sloane participated in the ESPP throughout 2015 until his resignation effective November 16, 2015.

Perquisites and Other Personal Benefits

The Compensation Committee periodically reviews the level of perquisites and other personal benefits provided to the NEOs. Consistent with Peoples' overall compensation program, the Compensation Committee believes the perquisites and other personal benefits provided to the NEOs are reasonable and necessary to attract and retain employees for key positions which, in turn, promote the long-term interests of our shareholders.

Peoples maintains an Executive Health Program, which provides an opportunity for each NEO to participate, on a voluntary basis, in a comprehensive medical screening annually at the expense of Peoples. The objective of the Executive Health Program is the early identification of potential health problems and the prompt, expert treatment of any medical problems detected, thereby mitigating the negative potential impact on Peoples' financial performance or current management succession plans. Some of the NEOs participate in a program under which Peoples offers a limited reimbursement for fitness club memberships. This program is available to all employees and is part of an overall wellness initiative at Peoples. In 2015, all of the NEOs participated in a wellness incentive program, available to all Peoples medical plan participants, which provided up to a one-time \$1,250 payment to a Health Savings or Flexible Spending Account, depending upon individual compliance with the program's requirements, which include wellness-related activities.

Based on business need, on a case-by-case basis, the Compensation Committee has granted the use of a company-paid automobile and/or country club membership to certain NEOs to further business development on behalf of Peoples and our shareholders. Personal use of a company-paid automobile is reported as income to the NEO. Expenses relating to personal use of the country club amenities are either reimbursed to Peoples or paid directly by the NEO.

On a case-by-case basis, the Compensation Committee will approve the payment or reimbursement to a NEO for moving expenses and temporary housing as part of the NEO's executive recruitment package. As part of his recruitment package, Peoples will reimburse Mr. Rogers for his reasonable expenses in relocating to the Marietta, Ohio area and for the cost of temporary housing for up to 120 days after November 30, 2015.

Peoples maintains an Expense Policy that is subject to review and approval by the full Board.

Change in Control Agreements

We have entered into change in control agreements with Mr. Sulerzyski, Mr. Sloane, Mr. McGill, Mr. Kirtley, Mr. Rogers and Ms. Schneeberger. Mr. Sloane's change in control agreement expired when he resigned effective November 16, 2015. The change in control agreements are designed to motivate the NEOs to act in the best interests of shareholders and to promote stability and continuity of the services of the NEOs during a change in control. The change in control agreements are "double trigger" agreements that provide severance payments to an NEO only if Peoples or its successor terminates the NEO's employment without "cause" or the NEO terminates his or her employment with "good reason" after the change in control. A "double trigger" also applies to the restricted common shares awarded to the NEOs under our long-term incentive program if there is a change in control. The restricted common shares will immediately vest only if Peoples' successor refuses to assume the restricted common shares or substitute equivalent equity awards, or if Peoples' successor terminates the NEO's employment without "cause" or the NEO terminates his or her employment with "good reason" after the change in control.

The Compensation Committee chose the "double trigger" to forego extra costs to Peoples or its successor if an NEO continues in the same or a similar role after the change in control, while still motivating the NEO to act in the best interests of the shareholders by providing for the NEO even if he or she would not have the same or a similar role after the change in control. The change in control agreements do not provide for payments to be "grossed up" for excise taxes. Additional information regarding the definition of a change in control, the additional event(s) that must occur in order for an NEO to receive severance compensation following a change in control and potential payments under such agreements for the NEOs is provided under the section captioned "OTHER POTENTIAL POST EMPLOYMENT

PAYMENTS” beginning on page 51.

Tax and Accounting Implications

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code prohibits Peoples from claiming a deduction on its federal income tax return for compensation in excess of \$1 million paid for a given fiscal year to the chief executive officer (or person acting in

39

Table of Contents

that capacity) and the four other most highly-compensated officers of Peoples, other than the chief financial officer, serving at the end of Peoples' fiscal year. The \$1 million compensation deduction limitation does not apply to "performance-based compensation." Peoples does not have a policy that requires all compensation to its NEOs in a fiscal year to be tax deductible; however, the Compensation Committee attempts, to the extent practicable, to structure the equity-based awards under the long-term incentive program to qualify as performance-based compensation under Section 162(m). While the Compensation Committee carefully considers the net cost and value to Peoples of maintaining the deductibility of all compensation, it also desires the flexibility to reward NEOs and other key employees in a manner that enhances Peoples' ability to attract and retain individuals, as well as to create longer term value for shareholders. Thus, income tax deductibility is only one of several factors the Compensation Committee considers in making decisions regarding Peoples' compensation program.

Non-Qualified Deferred Compensation

Section 409A of the Internal Revenue Code imposes additional taxes, interest and penalties on non-qualified deferred compensation arrangements that do not satisfy its requirements. Peoples believes that it is administering its non-qualified deferred compensation arrangements in accordance with the requirements of Section 409A and has amended its non-qualified deferred compensation arrangements, including the change in control arrangements with the NEOs, to comply with the final regulations issued under Section 409A of the Internal Revenue Code. We have not realized any material changes to our compensation program as a result of compliance with Section 409A.

Accounting for Equity-Based Compensation

Compensation costs for stock options, restricted common share awards and stock appreciation rights ("SARs"), if awarded, are measured at the fair value of these awards on their grant date. Compensation expense for time-vested awards is recognized over the required service period, generally the vesting period for stock options and SARs, and the restriction period for restricted common share awards. Compensation expense for time-vested awards granted to employees who are eligible for retirement is recognized through the date the employee is first eligible to retire or at the grant date, whichever is later. Compensation expense for performance-vested restricted common share awards is recognized over the performance period, once management believes it is probable the performance requirements will be met. For all awards, only the expense for the portion of the awards expected to vest is recognized.

Other Information

We have a stock holding requirement for the NEOs with respect to equity-based compensation awards granted after December 13, 2011, which will remain in effect during the entire time the individuals are employed by Peoples. The holding requirement is based upon a percentage of the "net shares" held by an NEO following vesting or exercise of an equity-based compensation award. Such "net shares" represent the number of common shares an NEO owns after paying for taxes through the withholding of common shares in the case of restricted common shares, or if granted in the future, after paying for the exercise price and taxes through the withholding of common shares in the case of the exercise of stock options, SARs or other similar forms of equity-based awards. Each NEO is required to maintain ownership of 50% of such net shares through the term of his or her employment. Other than this stock holding requirement with respect to equity-based compensation awards, we have no equity or other security ownership requirements for NEOs.

Summary

The Compensation Committee believes that the best measure of whether the executive compensation program is achieving its intended goals is to look at the long-term performance of Peoples, as well as the relative changes in performance during any given time period. Because the absolute minimum level of corporate performance established for potential annual cash incentives and long-term equity-based incentives was not achieved in 2015, Peoples' NEOs did not receive payouts under the incentive compensation plans for 2015. In light of the results previously described in this "EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS", the Compensation Committee believes Peoples' compensation program for its NEOs continues to be aligned with the interests of our shareholders. The incentive compensation program is a performance-based system that provides a balanced foundation for strong and effective leadership into the future and ensures alignment with long-term shareholder interests without encouraging unnecessary and excessive risk-taking that could threaten the value of Peoples.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the disclosure included under the caption “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS” required by Item 402(b) of SEC Regulation S-K with management and, based on such review and discussion, the Compensation Committee recommended to the full Board that the section captioned “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS” be included in this Proxy Statement and incorporated by reference into Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

Discussion of Risk Review and Assessment

Peoples' Vice President, Director of Risk Management has conducted an assessment of Peoples' 2015 compensation programs and has reviewed, evaluated and discussed the assessment and the compensation programs with the Compensation Committee. The most recent review and discussion with the Compensation Committee with respect to Peoples' 2015 compensation programs occurred on September 24, 2015, and covered the senior management and executive compensation plans in which the NEOs were eligible to participate. The review of these plans took into consideration: (i) products and services incented; (ii) the risk time horizon of those products and services; (iii) incentives paid as a percentage of total revenue; and (iv) incentives paid as a percentage of each participant's total compensation. Broad-based welfare and benefit plans that do not discriminate in scope, terms or operation in favor of NEOs were excluded from the review.

The Compensation Committee believes that Peoples' overall compensation practices for its NEOs, which include the following elements, limit the ability of these officers to benefit from taking unnecessary and excessive risks:

- Balance between base salary, and cash and equity-based incentive compensation opportunities;
- Maximum payouts which limit overall payout potential;
- Balance between short-term (cash) and long-term (equity-based) incentive compensation opportunities;
- Use of a balanced scorecard approach in setting performance goals with interacting, complementary incentive objectives that discourage emphasis on any single objective;
- Peoples' tone at the top and culture of ethically doing the right thing;
- Grants of only full value equity awards in respect of potential equity-based long-term incentive compensation; and
- Award of restricted common shares with a performance-based vesting requirement based upon the achievement of minimum company performance metrics.

In addition, the Compensation Committee believes there are controls around incentive programs for all employees that effectively discourage unnecessary and excessive risk-taking. All employee incentive programs allow for management discretion (or Compensation Committee discretion in the case of the incentive program in which NEOs are eligible to participate) to reduce or eliminate any award. The Compensation Committee reviews and approves all NEO compensation plans and award opportunities, and the full Board reviews and approves the corporate performance goals.

Most officers, including the NEOs, and employees serving Peoples in support roles, such as accounting, loan operations and deposit operations, participate in the incentive program. Approximately 50% of all of Peoples' employees participate in the incentive program. Annual cash incentives, as well as equity-based incentives under the incentive program, are payable only when specific pre-determined performance goals are met. All participants in the incentive program have some portion of both their annual cash and long-term equity-based incentive awards dependent on the selected corporate performance criteria. In addition, the potential incentives payable to senior officers having only compliance, risk, credit quality and internal control roles are tied to corporate goals under the incentive program with only a 25% weighting. The remainder of their potential incentives is determined based upon the level of achievement of individual goals tied to their specific job functions. The Compensation Committee ultimately approves all incentive compensation paid to the NEOs.

In addition to the incentive program, we have (i) compensation plans for producers, including insurance agents and financial advisors, which include variable pay components (commission based on the sales of products underwritten or offered by independent third parties); (ii) compensation plans for home loan originators which include variable cash compensation components tied to the origination of one-to-four family real estate loans, the majority of which are sold into the secondary market; and (iii) other miscellaneous individual plans which are informal agreements that allow

certain employees to earn amounts of cash incentive compensation without encouraging the employees to take unnecessary or excessive risk because their roles inherently do not have the opportunity for excessive levels of risk, either individually or in the aggregate, and the incentive compensation potential is not a substantial part of their respective total compensation.

41

Table of Contents

The Compensation Committee believes that the elements of the incentive program and the other compensation plans, alone and/or combined with the systems of controls in place, such as separation of the valuation, authorization and payment of incentive compensation, as well as other components of compensation, do not encourage unnecessary or excessive risk-taking and do not encourage the manipulation of reported earnings to enhance the compensation of any employee or group of employees.

Further, in light of the significant level of oversight and controls surrounding incentive programs, and the significant amounts that would be required to materially impact Peoples' reported earnings, the Compensation Committee believes that, upon evaluation of the incentive opportunities for employees, including NEOs, any elements of the incentive program and other compensation and individual plans that have the potential to encourage the manipulation of reported earnings to enhance the compensation of any employee are appropriately mitigated.

George W. Broughton (Chair), Carl L. Baker, Jr., David F. Dierker, S. Craig Beam and Susan D. Rector.

(1) Mr. Rogers became Executive Vice President, Chief Financial Officer and Treasurer of Peoples on November 30, 2015. Prior to that date, he was not employed by Peoples or any of our subsidiaries.

(2) Mr. Sloane resigned as Executive Vice President, Chief Financial Officer and Treasurer of Peoples effective November 16, 2015.

(3) Mr. Rogers was paid a \$50,000 cash bonus on January 15, 2016. This amount is not included in 2015 since he had to be employed on January 15, 2016 to receive this payment.

(4) On February 25, 2015, Messrs. Sloane and Kirtley and Ms. Schneeberger were paid a one-time bonus, authorized by the Compensation Committee on January 23, 2015, in recognition for outstanding accomplishments in 2014 with respect to operational soundness and execution of Peoples' acquisition strategy.

The amounts in column (e) for 2015 reflect the grant date fair value for awards of restricted common shares pursuant to the 2014 incentive program which were granted under Peoples' 2006 Plan and are reported for the fiscal year during which the restricted common shares were granted. These amounts were computed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") Topic 718 and based on (5) The NASDAQ Global Select Market® price of Peoples' common shares on the grant date. The reported amounts exclude the impact of estimated forfeitures related to service-based vesting conditions, as required by applicable SEC rules. See "Note 16. Stock-Based Compensation" of the Notes to the Consolidated Financial Statements filed as part of Item 8 of Part II of Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2015, for additional information regarding the restricted common shares granted in 2015.

The amounts in column (e) for 2014 reflect the grant date fair value, computed in accordance with FASB ASC (6) Topic 718 and based on The NASDAQ Global Select Market® price of Peoples' common shares on the grant date, for awards

of restricted common shares pursuant to the 2013 incentive program, which were granted under Peoples' 2006 Plan and are reported for the fiscal year during which the restricted common shares were granted. The reported amounts exclude the impact of estimated forfeitures related to service-based vesting conditions, as required by applicable SEC rules. See "Note 16. Stock-Based Compensation" of the Notes to the Consolidated Financial Statements filed as part of Item 8 of Part II of Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for additional information regarding the restricted common shares granted in 2014.

With respect to Mr. Sulerzyski, the amount in this column reflects the grant date fair value, computed in accordance with FASB ASC Topic 718 and based on The NASDAQ Global Select Market® price of Peoples' common shares on the grant date for not only (i) the award of 8,904 restricted common shares pursuant to the 2013 incentive program as discussed in the preceding paragraph of this footnote (6) but also (ii) the award of 2,000 restricted common shares approved by the Compensation Committee on January 23, 2014, which vested on July 28, 2014. The 2,000 restricted common shares represented a discretionary time-vested grant made in accordance with the Compensation Committee's determination that Mr. Sulerzyski's payout percentages were not in line with the Peer Group median during 2013. The discretionary grant represented an additional 10% payout, bringing Mr. Sulerzyski's incentive compensation under the equity-based long-term incentive program for 2013 (and granted in 2014) in line with the Compensation Committee's target. For a more complete discussion of the background of this discretionary grant, see the disclosure under the caption "Executive Summary of Previous Year's Performance and Compensation -- Pay for Performance: Our Key Compensation Decisions - Discretionary Share Grant" in the "EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS" section of Peoples' Proxy Statement, dated March 20, 2014, related to the Annual Meeting of Shareholders held on April 24, 2014.

(7) The amounts in column (e) for 2013 reflect the grant date fair value, computed in accordance with FASB ASC Topic 718 and based on The NASDAQ Global Select Market® price of Peoples' common shares on the grant date, for awards of restricted common shares pursuant to the 2012 incentive program, which were granted under Peoples' 2006 Plan and are reported for the fiscal year during which the restricted common shares were granted. The reported amounts exclude the impact of estimated forfeitures related to service-based vesting conditions, as required by applicable SEC rules. See "Note 17. Stock-Based Compensation" of the Notes to the Consolidated Financial Statements filed as part of Item 8 of Part II of Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for additional information regarding the restricted common shares granted in 2013.

(8) The amount in column (e) for Mr. Rogers reflects the grant date fair value, computed in accordance with FASB ASC Topic 718 and based on The NASDAQ Global Select Market® price of Peoples' common shares on the grant date, for 9,500 restricted common shares awarded on December 1, 2015, with vesting of these restricted common shares to occur as follows, if he remains employed by Peoples on the respective vesting dates: (i) 3,167 of the restricted common shares will vest on December 1, 2016; (ii) 3,167 of the restricted common shares will vest on December 1, 2017; and, (iii) 3,166 of the restricted common shares will vest on December 1, 2018.

(9) The amounts in column (f) represent cash incentives earned under the incentive program and are reported for the fiscal year with respect to which the cash incentives were earned. The NEOs did not earn a cash incentive under the incentive program for 2015 fiscal year performance. The amounts shown for 2014 were paid February 25, 2015. The amounts shown for 2013 were paid February 21, 2014.

(10) The amounts in column (g) include, for the participating NEOs, the increase (if any) in the actuarial present value of the NEO's accumulated benefits under the Retirement Plan determined using assumptions consistent with those used in "Note 11. Employee Benefit Plans" of the Notes to the Consolidated Financial Statements filed as part of Item 8 of Part II of Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2015. Mr. Sulerzyski, Mr. Rogers and Mr. Kirtley do not participate in the Retirement Plan. For purposes of the fiscal year ended December 31, 2015, the actuarial present value of the accumulated benefits for Mr. Sloane and Mr. McGill under the Retirement Plan represented a net gain in value, resulting in the value of \$69 reported in the table above for Mr. Sloane and the value of \$29 reported for Mr. McGill. The amounts shown for Ms. Schneeberger in 2015 and 2013 do not include the declines in the actuarial present value of the accumulated benefits under the Retirement Plan in the amounts of \$34,746 and \$107,657, respectively. The increase of \$279,143 in the actuarial present value of the accumulated benefits included for 2014 in the "Change in Pension Value and Non-Qualified

Deferred Compensation Earnings” for Ms. Schneeberger was based upon two factors. The first factor was an update in mortality tables used to calculate actuarial present value, increasing the life expectancy assumption used in the calculation. This factor increased the present value of accumulated benefits for Ms. Schneeberger by \$144,895. Second, a decrease in the discount rate used in the calculation of actuarial present value due to persistently low interest rates resulted in a substantial increase in Ms. Schneeberger’s actuarial present value. This factor increased the present value of Ms. Schneeberger’s accumulated benefits by \$99,797. The remaining portion of the increase in 2014 was a result of the increase in the fair market value of the assets of \$34,451.

Table of Contents

No amounts are required to be reported in this column with respect to earnings on compensation deferred under the NQDC Plan by the NEOs since those earnings do not represent “above-market” earnings for purposes of the applicable SEC rules.

For Ms. Schneeberger, the amounts in column (g) also include the amount of above-market earnings accrued (\$0 in 2015, \$637 in 2014, and \$788 for 2013) on the cumulative amount of cash incentives deferred by her under the terms of the Amended and Restated Incentive Award Plan (the “Pre-2010 Incentive Plan”). The interest rate in each of 2014 and 2013 was above-market or preferential but the interest rate in 2015 was not. Ms. Schneeberger is the only NEO who participates in the Pre-2010 Incentive Plan.

All other compensation for each NEO for 2015 includes: (i) Mr. Sulerzyski - Peoples' 401(k) Plan company match in the amount of \$10,600, \$1,250 wellness incentive payment, and \$21,860 in company matching contributions under the NQDC Plan; (ii) Mr. Rogers - Peoples' 401(k) Plan company match in the amount of \$750 and relocation expense of \$163; (iii) Mr. Sloane - Peoples' 401(k) Plan company match in the amount of \$10,600, \$900 wellness incentive payment, \$29,375 in continuation of base salary subsequent to his resignation (an additional \$88,125 in continuation of base salary will be paid in 2016), and \$15,478 in unused paid time off; (iv) Mr. McGill - Peoples' 401(k) Plan company match in the amount of \$10,600, Executive Health Program payments made on his behalf in the amount of \$1,495, and \$3,538 in company matching contributions under the NQDC Plan; (v) Mr. Kirtley - Peoples' 401(k) Plan company match in the amount of \$10,600, Executive Health Program payments made on his behalf in the amount of \$2,233, and \$1,250 wellness incentive payment; and (vi) Ms. Schneeberger - Peoples' 401(k) Plan company match in the amount of \$10,600, Executive Health Program payments made on her behalf in the amount of \$2,746, \$1,250 wellness incentive payment and \$3,645 in company matching contributions under the NQDC Plan. See the disclosure under the caption “NON-QUALIFIED DEFERRED COMPENSATION FOR 2015” beginning on page 49 of this Proxy Statement for more information concerning the calculation of earnings with respect to contributions made by Peoples and the NEOs, and credited to the NEOs’ accounts under the NQDC Plan.

(1) Mr. Rogers became Executive Vice President, Chief Financial Officer and Treasurer of Peoples on November 30, 2015. Prior to that date, he was not employed by Peoples or any of our subsidiaries.

(2) Mr. Sloane resigned as Executive Vice President, Chief Financial Officer and Treasurer of Peoples effective November 16, 2015. All awards shown in this table were forfeited upon his resignation as the awards were unvested at the time of his voluntary resignation.

(3) Annual cash incentive potential available for payment through the incentive program if the indicated level of performance were achieved for the 2015 fiscal year. Refer to the discussion under the caption "2015 Executive Compensation"

Components - Cash and Equity-Based Incentive Program” of “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS” beginning on page 23 of this Proxy Statement, for additional information regarding the incentive program. No annual cash incentive was earned for the 2015 fiscal year.

(4) Economic value of equity-based grants available for award through the 2015 incentive program under Peoples’ 2006 Plan if the indicated level of performance were achieved for the 2015 fiscal year. Equity-based incentive awards are denominated in dollars, rather than number of common shares. As a result, the threshold, target and maximum amounts are shown in “dollars” rather than the “number of common shares.” At the time of payout, the economic value of the actual award earned will be translated into awards of restricted common shares to be settled in common shares delivered under the 2006 Plan. The awards are made after results in respect of the fiscal year’s performance goals have been measured. Refer to the discussion under the caption “2015 Executive Compensation Components - Cash and Equity-Based Incentive Program” of “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS” beginning on page 23 of this Proxy Statement, for additional information regarding grants of equity-based awards. No equity-based grants were earned for the 2015 fiscal year. Except as noted in footnote (6) below, the number of common shares shown in column (j) reflects the aggregate number of restricted common shares granted through the incentive program based upon corporate and individual performance for the 2014 fiscal year, which were granted under the 2006 Plan on January 29, 2015. The economic value of the equity-based incentive awards earned was converted into the number of restricted common shares shown, using the closing price of Peoples’ common shares on the grant date. All shares will vest on January 29, 2018 if the NEO remains employed by Peoples on that date. The vesting is also subject to the requirements that Peoples have maintained a well capitalized status under applicable regulatory standards and reported net income (5) for each of the fiscal years comprising the vesting period. The NEO has the right to vote the common shares underlying the restricted common shares and is entitled to receive dividends paid with respect to the underlying common shares at the same level as paid to other shareholders of Peoples; however, the dividends will be subject to the same restrictions on transfer as the restricted common shares with respect to which they were paid or issued. Refer to the discussion under the caption “2015 Executive Compensation Components - Cash and Equity-Based Incentive Program” of “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS” beginning on page 23 of this Proxy Statement, for additional information regarding equity-based grants available for award.

(6) Economic value of equity-based grants awarded through the 2014 incentive program under Peoples’ 2006 Plan for the performance achieved in the 2014 fiscal year. At the time of payout, the economic value of the actual award earned was translated into awards of restricted common shares to be settled in common shares delivered under the 2006 Plan. The awards were made after results achieved in the 2014 fiscal year were measured.

The amount in column (j) for Mr. Rogers reflects the grant of 9,500 restricted common shares awarded on December 1, 2015, with vesting of these restricted common shares to occur as follows, if he remains employed by (7) Peoples on the respective vesting dates: (i) 3,167 of the restricted common shares will vest on December 1, 2016; (ii) 3,167 of the restricted common shares will vest on December 1, 2017; and, (iii) 3,166 of the restricted common shares will vest on December 1, 2018.

Stock-settled SARs covering 1,165 common (3) shares were approved by the Compensation Committee on February 14, 2008, granted on February 20, 2008, and vested on February 20, 2011.

Represents unvested portion, or one-third, of the original award, as of December 31, 2015, of restricted common shares which were approved by the Compensation Committee on January 24, 2013, and granted on January 29, 2013, with respect to individual performance for the 2012 fiscal year. One-third of the restricted common shares vested on January 29, 2014, as the NEO remained employed by Peoples on that date and Peoples had maintained a well capitalized status under applicable regulatory standards and reported net income for the fiscal year ended (4) December 31, 2013. One-third of the restricted common shares vested on January 29, 2015, as the NEO remained employed by Peoples on that date and Peoples had maintained a well capitalized status under applicable regulatory standards and reported net income for the fiscal year ended December 31, 2014. One-third of the restricted common shares vested on January 29, 2016 as the NEO remained employed by Peoples on that date and Peoples had maintained a well capitalized status under applicable regulatory standards and reported net income for the fiscal year ended December 31, 2015.

The remaining one-third of the restricted common shares will vest on February 4, 2017 if the NEO remains employed by Peoples on that date and Peoples has maintained a well capitalized status under applicable regulatory standards and reports net income for the fiscal year ending December 31, 2016.

Represents unvested restricted common shares which had been approved by the Compensation Committee on January 22, 2015, and granted on January 29, 2015, with respect to individual performance for the 2014 fiscal year. These restricted common shares were granted with a three-year “cliff vesting” period, and will vest on the third (6) anniversary of the grant date. The vesting on the third anniversary of the grant date is also subject to the requirements that the NEO remains employed by Peoples on that date, Peoples has maintained a well capitalized status under applicable regulatory standards and reports positive net income for each of the fiscal years comprising the vesting period.

Represents unvested restricted common shares which had been approved by the Compensation Committee on November 6, 2015, and granted on December 1, 2015, with vesting of these restricted common shares to occur as (7) follows, if Mr. Rogers remains employed by Peoples on the respective vesting dates: (i) 3,167 of the restricted common shares will vest on December 1, 2016; (ii) 3,167 of the restricted common shares will vest on December 1, 2017; and, (iii) 3,166 of the restricted common shares will vest on December 1, 2018.

PENSION BENEFITS FOR 2015

The table below shows the actuarial present value of accumulated benefits payable to each of the NEOs participating in the Retirement Plan as well as the number of years of service credited to each such NEO. The actuarial present value of accumulated benefits payable was determined using interest rate and mortality rate assumptions consistent with those used in Peoples' Consolidated Financial Statements, as disclosed in “Note 11. Employee Benefit Plans” of the Notes to the Consolidated Financial Statements filed as part of Item 8 of Part II of Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2015. Information regarding the Retirement Plan can be found in the discussion under the caption “Retirement and Other Benefits” of “EXECUTIVE COMPENSATION: COMPENSATION

DISCUSSION AND ANALYSIS” beginning on page 36.

(1) Messrs. Sulerzyski, Rogers and Kirtley were employed by Peoples after the Retirement Plan was closed to new entrants and, therefore, are not and will not be participants in the Retirement Plan.

Mr. Sloane resigned as Executive Vice President, Chief Financial Officer and Treasurer of Peoples effective November 16, 2015. He terminated employment with the vested accrued benefit shown in the table and, at his (2) election, is eligible to receive periodic payments upon retirement or is entitled to receive a lump-sum payment of the vested accrued benefit upon his termination of employment, in accordance with the terms of the Retirement Plan.

NON-QUALIFIED DEFERRED COMPENSATION FOR 2015

The following table provides information regarding two separate non-qualified deferred compensation plans maintained by Peoples. The first plan as to which information is provided reflects cash incentives earned by Ms. Schneeberger under the Pre-2010 Incentive Plan but which were deferred in accordance with the terms of the Pre-2010 Incentive Plan. No other NEO participated in the Pre-2010 Incentive Plan. Ms. Schneeberger was required to defer 25% of any annual cash incentives earned under the terms of the Pre-2010 Incentive Plan. Once the mandatory deferral period lapsed, Ms. Schneeberger was permitted to either take a cash distribution or further defer receipt of the cash incentive, until she retires or her employment is terminated. Interest on the deferred compensation is accrued at a rate equal to 50% of Peoples' Return on Average Common Stockholder Equity achieved during each calendar year throughout the deferral period. In addition to the mandatory 25% deferral, Ms. Schneeberger also had the option to (i) defer any remaining annual cash incentive compensation to be paid to her and (ii) further defer the mandatory amount after the original three-year period had lapsed until she retires or until her employment with Peoples is terminated. If Ms. Schneeberger qualifies as a "specified employee" for purpose of Section 409A of the Internal Revenue Code on the date of her separation from service, the distribution of the account will be delayed until the first business day of the seventh month following the date of separation of service. Since 2010, the sole activity under the Pre-2010 Incentive Plan has been further deferrals of previously deferred mandatory amounts or payouts as described in this paragraph. The second plan as to which information is provided in the following table is the NQDC Plan. Participation in the NQDC Plan is limited to a select group of management and highly-compensated employees designated annually by the Compensation Committee. The NQDC Plan is an unfunded arrangement and is intended to be exempt from the participation, vesting, funding, and fiduciary requirements set forth in Title I of ERISA. Participants may elect to defer base salary, annual bonus, incentive compensation and other compensation such as commissions, but not equity-based awards. After the applicable deadline, a deferral election is irrevocable for that plan year unless otherwise permitted under the NQDC Plan. Generally, a participant must submit a deferral election by December 31 of the year before services are to be performed. The deferred compensation, if any, is credited to a bookkeeping account maintained on behalf of the participant. The participant is fully vested in the bookkeeping account which will be credited with earnings and losses based on the performance of the investment selections made by the participant for the account. The Compensation Committee determines the deemed investments which participants may direct that their bookkeeping accounts be credited with.

Peoples may make discretionary contributions to participants' bookkeeping accounts in such amount that would have been made pursuant to Peoples' 401(k) Plan as matching contributions if all amounts selected to be deferred by participants under the NQDC Plan had been deferred under Peoples' 401(k) Plan. Any such contributions will be

credited to the participants' bookkeeping accounts during the first calendar quarter following the last day of the plan year with respect to which the related compensation was deferred by participants and will vest in accordance with the vesting schedule under Peoples' 401(k) Plan, provided that the amounts will become fully vested in the event of a participant's retirement or death, and will be forfeited if a participant is terminated for cause.

Table of Contents

The amount reflected in a participant's bookkeeping account will be distributed on the January 1 immediately following the participant's termination of employment in a single lump-sum payment; provided, however, that, at the time a participant makes an initial deferral election under the NQDC Plan, the participant may elect to receive distribution of the participant's account in up to ten substantially equal annual installments beginning on the January 1 immediately following the participant's termination and on each January 1 thereafter. If a participant dies before distribution of the amount reflected in the participant's bookkeeping account or complete distribution of the participant's account, then the participant's account will be distributed to the participant's beneficiary within 90 days after the participant's death. If a participant qualifies as a "specified employee" for purpose of Section 409A of the Internal Revenue Code on the date of his or her separation from service, the distribution of the account will be delayed until the first business day of the seventh month following the date of separation of service. The first payment to be made after such delay will include the cumulative amount, if any, of any amounts which would have otherwise been paid in accordance with the participant's election.

2015 eligibility criteria required participants to have both a 2014 gross compensation of at least \$200,000 and an officer title of Vice President or greater at Peoples or any of its affiliates. Each of the NEOs, except for Mr. Rogers, met these criteria. Messrs. Sulerzyski and McGill, and Ms. Schneeberger elected to make deferrals under the NQDC Plan during 2015.

(1) Messrs. Sulerzyski, Rogers, Sloane, McGill and Kirtley do not participate in the Pre-2010 Incentive Plan.

(2) Mr. Rogers became Executive Vice President, Chief Financial Officer and Treasurer of Peoples on November 30, 2015. He was not eligible to participate in the NQDC Plan during 2015.

(3)

The amount reported represents the aggregate amount deferred by each participant under the NQDC Plan for compensation earned during 2015 and contributed to the NQDC Plan.

(4) The amount reported represents the matching contribution made by Peoples to each participant's account, pursuant to the NQDC Plan. These matching contributions were made on March 10, 2016 with respect to the participant's 2015 contributions. These amounts are included in "All Other Compensation" for 2015 in the "SUMMARY COMPENSATION TABLE FOR 2015" beginning on page 43 of this Proxy Statement.

(5) The amounts reported represent the aggregate annual loss accrued during 2015. The amounts in this column are not reported in the "SUMMARY COMPENSATION TABLE FOR 2015", as they are not above market or preferential.

(6) The amount reported represents the aggregate earnings on the accumulated mandatory and voluntary deferrals of cash incentives. The interest rate for 2015 was 1.345%. Because this interest rate was not above-market or preferential,

Table of Contents

none of this amount is included in the amounts shown for 2015 for Ms. Schneeberger in the “SUMMARY COMPENSATION TABLE FOR 2015” on page 43 of this Proxy Statement.

(7) The amounts reported represent fees paid for record keeping and administration of the NQDC Plan.

The amounts reported represent the accumulated total of executive contributions, company matching contributions, and aggregate earnings (loss) under the NQDC Plan for each participant. The following amounts of earnings or (8) losses are included in the aggregate balance as of December 31, 2015 and have not been reported as compensation to the listed officers in the Summary Compensation Tables for 2015, 2014 and 2013: (a) Mr. Sulerzyski - \$683; (b) Mr. Sloane - (\$6); (c) Mr. McGill - \$394; (d) Mr. Kirtley - \$81; and (e) Ms. Schneeberger - (\$72).

This amount represents the accumulated voluntary deferrals of cash incentives and earnings thereon. All of this (9) amount has been previously reported as compensation to Ms. Schneeberger in the Summary Compensation Tables for past fiscal years as well as 2015.

OTHER POTENTIAL POST EMPLOYMENT PAYMENTS

The amount of compensation payable to each NEO upon voluntary termination, early retirement, normal retirement, involuntary not-for-cause termination, for cause termination, termination following a change in control of Peoples, and termination in the event of the death or disability of the NEO is described below.

In the event of the retirement, disability or death of an NEO, or a change in control of Peoples, vesting would be accelerated with regard to the mandatory deferrals of cash incentives earned under the Pre-2010 Incentive Plan and unvested outstanding equity-based awards granted prior to April 25, 2013. An NEO participating in the NQDC Plan is fully vested at all times in the portion of the participant’s bookkeeping account attributable to compensation deferred by the participant, Peoples’ discretionary matching contributions, and any deemed earnings on such amounts.

Payments Made Upon Termination

Regardless of the manner in which an NEO's employment terminates, including termination for cause with the exception noted below, he or she is entitled to receive amounts earned during his or her term of employment. These amounts are not included in the table below. Such amounts would include:

- all vested equity-based awards earned through the long-term equity-based incentive compensation programs; all cash incentives voluntarily deferred under the Pre-2010 Incentive Plan. (This amount for Ms. Schneeberger (\$21,606) is included in the table in the section captioned “NON-QUALIFIED DEFERRED COMPENSATION FOR 2015” beginning on page 49 of this Proxy Statement, and shown in the “Aggregate Balance at Last Fiscal Year-End” column);

- the balance of the NEO's account in Peoples' 401(k) Plan;

- the balance credited to the NEO’s bookkeeping account in the NQDC Plan;

- pay for a pro rata portion of unused paid time off, commensurate with the length of service in the current calendar year, if the NEO has been employed by Peoples for three or more years (except in the case of termination for cause); and

- amounts accrued and vested under the NEO's account in the Retirement Plan. These amounts are included in the table in the section captioned “PENSION BENEFITS FOR 2015” on page 49 of this Proxy Statement, and shown in the “Present Value of Accumulated Benefit” column. Ms. Schneeberger has met the five or more years of service requirement and would be paid the amount shown for her upon any termination of employment.

Payments Made Upon Retirement

In the event of the retirement of an NEO (whether normal or early), in addition to the items identified above, he or she would receive the following benefits:

- all previously unvested equity-based awards would vest with respect to grants made prior to April 25, 2013; and unvested grants made after April 25, 2013 would vest in accordance with the time-based and performance-based vesting requirements specific to the grant, and would not be accelerated based upon retirement or death.

Retirement may occur at the age of 65 (normal retirement) or at the age of 50 if the executive officer has at least ten years of service with Peoples (early retirement).

Table of Contents

Payments Made Upon Death or Disability

In the event of the death or disability of an NEO, in addition to the benefits listed under the headings “Payments Made Upon Termination” and “Payments Made Upon Retirement” above, the NEO would also receive benefits under Peoples’ disability plan or payments under the Peoples Bancorp Group Term Life Insurance Plan, as applicable.

Payments Made Upon a Change in Control

In the event of a change in control where the surviving entity is not Peoples and the surviving entity (the “acquiror”) does not assume or substitute equivalent awards for outstanding grants of options, SARs, restricted common shares, restricted performance stock, or performance units, all such outstanding options and SARs would become immediately and fully exercisable and, in the case of restricted common shares (other than restricted performance stock), all outstanding awards would become immediately and fully vested. In the case of restricted performance stock and performance units, all outstanding awards will be deemed to have been fully earned based on the target level of performance being attained as of the effective date of the change in control. Additionally, the Board or its designee may, in its sole discretion, provide for a cash payment to be made to each participant for the outstanding restricted common shares, restricted performance stock, or performance units upon the consummation of the change in control, determined on the basis of the fair market value that would be received in such change in control by the holders of Peoples’ common shares underlying such awards.

In the event of a change in control where Peoples is the surviving entity, or the acquiror assumes the outstanding options, SARs, restricted common shares, restricted performance stock or performance units, or substitutes equivalent equity awards relating to the securities of such acquiror or its affiliates, then all such awards or substitutes would remain outstanding and be governed by their respective terms and the provisions of the 2006 Plan. In such a change in control scenario:

If an NEO is terminated without cause or terminates his or her employment with Peoples and its subsidiaries for good reason within 24 months following the change in control, and Peoples is the surviving corporation or the acquiror has assumed the outstanding awards, then all of the NEO’s outstanding options and SARs would become immediately and fully exercisable and, in the case of restricted common shares (other than restricted performance stock), all outstanding awards would become immediately and fully vested. In the case of restricted performance stock and performance units, all of the NEO’s outstanding awards would be deemed to have been fully earned based on the target level of performance being attained. In the case of outstanding options or SARs, the NEO may exercise these options or SARs at any time within one year after such termination, except that an option or SAR would not be exercisable on any date beyond the expiration date of such option or SAR. If the NEO dies after such termination, the exercisability of all outstanding options or SARs would be treated in the same manner as that provided for a termination due to retirement; and

If an NEO’s employment is terminated for cause within 24 months following such change in control and Peoples is the surviving corporation or the acquiror has assumed the outstanding awards, then any options or SARs of such individual would expire, any non-vested restricted common shares, restricted performance stock, or performance units would be forfeited, and all rights under such awards would terminate immediately.

We have entered into change in control agreements with the NEOs currently serving with Peoples. Mr. Sloane’s change in control agreement expired upon his resignation. Under the change in control agreements, a change in control occurs when one or more of the following events take place:

- a “person” or “group” (as defined in Section 409A of the Internal Revenue Code) acquires ownership of shares of Peoples that, together with shares held by such person or group, constitutes more than 50% of the total fair market value or total voting power of the shares of Peoples;
- any person or group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or group) ownership of shares of Peoples possessing 35% or more of the total voting power of the shares of Peoples;
- a majority of the members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date that such appointments or elections are made; or
-

any person or group acquires (or has acquired), during the 12-month period ending on the date of the most recent acquisition by such person or group, assets from Peoples that have a total gross fair market value equal to or more than 40% of the total gross fair market value of all of the assets of Peoples immediately prior to such acquisition or acquisitions.

Generally, the agreements provide for severance compensation to the NEOs if their employment is terminated by Peoples or its successor for any reason other than cause (defined as gross negligence or gross neglect of duties; commission of a

Table of Contents

felony or a gross misdemeanor involving moral turpitude in connection with their employment with Peoples; fraud, disloyalty, dishonesty or willful violation of any law or significant policy of Peoples committed in connection with their employment with Peoples; or issuance of an order by the banking regulators of Peoples for removal of the NEO) within six months prior to or 24 months after a defined change in control occurs. In addition, compensation will be paid if the NEO voluntarily terminates employment during the same periods because of: (i) the assignment to the NEO of any material duties or responsibilities inconsistent with the NEO's position(s), or a change in the NEO's reporting responsibilities, title(s), or office(s), or any removal of the NEO from or any failure to re-elect the NEO to any such position(s), except in connection with the NEO's termination of employment for cause, disability, retirement, or as a result of the NEO's death; (ii) a reduction in the NEO's base salary; (iii) the taking of any action by Peoples or its successor which would adversely affect the NEO's participation in or materially reduce the NEO's benefits under any benefit plans; (iv) any failure of Peoples to obtain the assumption of the agreement by any successor; or (v) geographic relocation of the NEO to an office location more than 50 miles from the NEO's then current location without the NEO's consent or without reimbursement of reasonable moving expenses incurred by the NEO relating to a change of the NEO's principal residence in connection with relocation.

The NEO's base annual compensation for purposes of his or her respective agreement would be calculated as the average annualized compensation paid by Peoples which was includable in gross income, prior to any reductions for deferred arrangements, during the most recent five taxable years ending before the date of the change in control, subject to certain adjustments in the event that Section 280G of the Internal Revenue Code is triggered. For NEOs that have worked for Peoples for less than five years, the average annualized compensation paid by Peoples would be calculated for the number of years employed by Peoples.

Under the agreements, severance provisions include: (i) a lump-sum cash payment of two times base annual compensation for Mr. Rogers, Mr. McGill, Mr. Kirtley and Ms. Schneeberger, and two and one-half times base annual compensation for Mr. Sulerzyski, in each case payable within 30 days following the NEO's termination date with such payment delayed until the first business day of the seventh month following the NEO's termination date if the NEO is a "specified employee" for purposes of Section 409A of the Internal Revenue Code; (ii) continuing participation in life, medical, and dental insurance for 12 months (15 months in the case of Mr. Sulerzyski) substantially in the same form and expense to the NEO as that received on the date of termination; (iii) the NEO agreeing not to disclose to others any confidential information; and (iv) the NEO entering into a non-compete agreement for 12 months (15 months for Mr. Sulerzyski) immediately following the date of termination. The non-compete provision prohibits the NEO from directly or indirectly engaging in any business in which Peoples directly or indirectly engages within Peoples' geographic market during the term of the NEO's agreement.

The following table summarizes payments which would have been made to the NEOs if a termination event had occurred on December 31, 2015. In the case of Mr. Sloane, the following table shows the approximate payments that have been made and will be made as a result of his resignation. Actual amounts to be paid out can only be determined at the time of an NEO's actual separation from service with Peoples.

(1) Ms. Schneeberger met the definition of early retirement according to the terms of the restricted common shares award granted in 2013, and would have received accelerated vesting for this award had she elected early retirement on December 31, 2015. The awards granted in 2014 and 2015 do not allow for accelerated vesting upon early retirement, and so vesting of those awards would not have accelerated if she had elected early retirement on

December 31, 2015.

(2) Under the terms of the change in control agreements, the NEOs continue to participate in life, medical, and dental insurance during the term of their respective non-compete agreements -- 15 months for Mr. Sulerzyski, and 12 months for the other officers.

(3) In the event any payments to the NEOs would exceed the amount that could be received without the imposition of an excise tax under Section 4999 of the Internal Revenue Code, the payments would be reduced to the extent necessary to ensure that such payments would be limited to the greater of (i) the dollar amount which could be paid to the NEO without triggering an excise tax under Section 4999 of the Internal Revenue Code, or (ii) the greatest after-tax amount payable to the executive after taking into account any excise tax imposed under Section 4999 of the Internal Revenue Code on the total payments.

Table of Contents

Mr. Sulerzyski would have been the only NEO as to whom payments would have triggered an excise tax under Section 4999 in the hypothetical situation described in the preceding paragraph. In this case, option (i) as described in the preceding paragraph would have resulted in the greatest after-tax amount and, as such, his payment would have been reduced in order to avoid triggering the excise tax. The amount shown is the amount by which his payment would have been reduced.

DIRECTOR COMPENSATION

Peoples uses a combination of cash and equity-based compensation to attract and retain qualified directors to serve on the Board. Director compensation elements are designed to:

- Ensure alignment with long-term shareholder interests;
- Ensure Peoples can attract and retain outstanding director candidates;
- Recognize the substantial time commitments necessary to oversee the affairs of Peoples; and
- Support the independence of thought and action expected of directors.

Compensation Paid to Board Members

2015 Fiscal Year

The Compensation Committee believes the combination of cash and equity-based compensation (in the form of common shares) in its director compensation model promotes independent decision-making on the part of directors as the common shares have immediate value, unlike stock options or similar forms of equity-based awards. In 2015, the directors, other than Mr. Sulerzyski, received a quarterly fee of \$3,800 for their services, paid in the form of the number of common shares with an equivalent fair market value at the time of payment. In addition, directors, other than Mr. Sulerzyski, received compensation of \$1,250 for each in-person Board meeting attended, paid \$750 in cash and \$500 in the form of the number of common shares with equivalent fair market value at the time of payment, with the common share payment being paid quarterly. The Compensation Committee believes these fees were appropriate to maintain the caliber of directors necessary to promote long-term shareholder value based upon periodic review of director compensation data from the Peer Group described in the section captioned “EXECUTIVE COMPENSATION: COMPENSATION DISCUSSION AND ANALYSIS”.

Directors were also compensated for each Board committee meeting they attended: (i) the fee paid to members of the Governance and Nominating Committee was \$300 for each committee meeting attended; and (ii) the fee paid to members of the Audit Committee, members of the Compensation Committee, and members of the Risk Committee was \$600 for each committee meeting attended. In addition to the per meeting fees, the chair of the Audit Committee, the chair of the Compensation Committee, and the chair of the Risk Committee each received a quarterly cash fee of \$1,250. On March 26, 2015, the Compensation Committee recommended and the Board approved a quarterly cash fee of \$1,250 to the chair of the Governance and Nominating Committee. This change became effective on March 26, 2015, retroactive to January 1, 2015 and is reflected in the “DIRECTOR COMPENSATION FOR 2015” table found on page 57 of this Proxy Statement. The Chairman of the Board received a quarterly cash fee of \$5,000. The Compensation Committee believes that these fees are appropriate and commensurate with the overall level of responsibility and accountability of each committee chair, as well as the Chairman of the Board. Likewise, the Compensation Committee believes the fees are necessary to attract and retain a Board chair and committee chairs with the talents and skills the Compensation Committee believes are necessary to promote shareholder value.

All directors of Peoples are also directors of Peoples Bank. Directors receive compensation for their service as Peoples Bank directors in addition to the compensation received for their service as directors of Peoples. Each director of Peoples received the following cash compensation for his or her service as a director of Peoples Bank: (i) a \$500 fee paid for each regular meeting attended; (ii) a \$300 fee paid to members of the Information Technology Committee, members of the Asset Liability Management and Investment Committee, and members of the Executive Committee for each committee meeting attended; (iii) a \$600 fee paid to members of the Loan Committee for each committee meeting attended; and (iv) a \$300 quarterly retainer paid to members of the Trust Committee.

Mr. Sulerzyski received no compensation as a director of Peoples or Peoples Bank during 2015.

Directors who travel a distance of 50 miles or more to attend a Board or Board committee meeting of Peoples or Peoples Bank receive a \$150 travel fee. A single travel fee of \$150 is paid for multiple meetings occurring on the same day. Directors who travel a distance of 500 miles or more (round trip) to attend a Board or committee meeting

will be reimbursed for the actual cost of reasonable travel expenses including coach class airfare, car rental, and other usual and customary travel expense in lieu of the \$150 fee. Directors who stay overnight to attend a meeting are reimbursed for the actual cost of their overnight accommodations. Peoples believes these fees and reimbursements are reasonable and partially offset travel expenses

incurred by those directors living outside the Marietta, Ohio area, where Board and Board committee meetings are typically held.

Additionally, the Board recognizes the need for director compensation sufficient to attract and retain capable and engaged directors for Peoples. Each of the Peoples' directors, other than Mr. Sulerzyski, received a grant of 300 restricted common shares on May 4, 2015. The restricted common shares had a time-based vesting requirement and vested six months after the grant date, as each of the individuals continued to serve as a director of Peoples. The restricted common shares granted on May 4, 2015 are reported in the "Stock Awards" column of the "DIRECTOR COMPENSATION FOR 2015" table found on page 57 of this Proxy Statement. Any future grants of restricted common shares to non-employee directors will be at the discretion of the full Board.

2016 Fiscal Year

The Board has not made any changes to director compensation arrangements for the 2016 fiscal year but has not yet determined whether a grant of time-vested restricted common shares (not constituting part of the quarterly or meeting fees) will be made to the non-employee directors as was done in 2015. Any future grants of restricted common shares to non-employee directors recommended by the Compensation Committee will be reviewed by the full Board, and disclosed to shareholders in all appropriate public disclosures, including the Proxy Statement for the 2017 Annual Meeting of Shareholders, as appropriate.

Other Information Regarding Equity-Based Compensation

The full Board approves all equity-based awards made to non-employee directors of Peoples; while the Compensation Committee approves all equity-based awards made to non-employee directors of Peoples' subsidiaries other than Peoples Bank. The grant date for equity-based awards made to non-employee directors of Peoples is the date of the approval by the Board, the date of election or appointment, or the second business day following the date on which any material information has been publicly disclosed, whichever is the latest. The price by which the value of equity-based awards is measured is the closing price of Peoples' common shares on The NASDAQ Global Select Market® on the grant date.

The following summarizes what the impact of various termination of service events would have been on the restricted common shares granted to the non-employee directors in the 2015 fiscal year, if any such event had occurred prior to the vesting date:

Termination of service as a director of Peoples due to death, disability, or retirement: The restrictions on the restricted common shares would have lapsed, and the restricted common shares would have become fully vested on the termination date.

Termination of service as a director of Peoples for cause or any reason other than retirement, death or disability: Any non-vested restricted common shares would have been forfeited on the termination date.

Deferred Compensation Plan for Directors

Since 1991, we have maintained the Directors' Deferred Compensation Plan. Voluntary participation in the Directors' Deferred Compensation Plan allows a non-employee director of Peoples, or any of our subsidiaries, to defer all or part of the compensation (including compensation in the form of common shares), and the federal income tax thereon, received for services provided as a director of Peoples or one of its subsidiaries. Since 1998, directors participating in the Directors' Deferred Compensation Plan have been permitted to allocate their deferrals within their respective bookkeeping accounts under the Directors' Deferred Compensation Plan between a cash account and a stock account. Deferrals with respect to compensation in the form of common shares are automatically deferred to the stock account. The cash account earns interest equal to Peoples Bank's three-year certificate of deposit interest rate. The stock account receives allocations to a bookkeeping account of Peoples' common shares on the first business day of each calendar quarter based upon the cash portion of amounts deferred during the previous calendar quarter and the fair market value of Peoples' common shares and is credited with subsequent cash dividends on the common shares previously allocated to the stock account (which will be similarly credited in the bookkeeping account as Peoples' common shares). If a participant fails to make an election, 100% of the participant's deferrals will be allocated to the cash account. The only right a participant in the Directors' Deferred Compensation Plan has with respect to his or her cash and/or stock account is to receive distributions upon termination of service as a director. Distribution of the deferred amounts is made in a lump sum or substantially equal annual installments over a period of up to five years, at the election of the

director beginning (i) on the first business day of the calendar month following the date of the director's termination of service due to resignation, retirement, death or otherwise for the portion of the account, if any, that was earned and vested before January 1, 2005, and any additions attributable to such portion of the account; and (ii) on the first business day of the calendar month following the earlier of the director's death or separation from service as a director for the remaining portion of the account in the first year in which the person is no longer a director. For a director who is also a "specified employee" for purpose of Section 409A of the Internal Revenue Code on the date of the director's separation from service, the distribution of the portion of the account that was earned and vested on or after January 1, 2005, will be delayed

Table of Contents

until the first business day of the seventh month following the date of separation of service. The stock account is distributed only in common shares of Peoples, and the cash account is distributed only in cash.

All Other Compensation

The non-employee directors are eligible, at their own cost, to participate in the medical and dental insurance plans maintained by Peoples for employees. In addition, the non-employee directors automatically receive a group term life insurance benefit, the premiums for which are paid by Peoples. This benefit is also provided for directors after their retirement from Peoples. The maximum benefit under the group term life insurance is \$50,000 for directors age 65 or younger. The maximum benefit decreases by a percentage for each year beyond age 65 until it reaches a maximum payout of \$5,000 at age 90.

Stock Ownership Guidelines

Peoples' Corporate Governance Guidelines require that directors establish a financial stake in Peoples by developing a meaningful ownership position in Peoples over time as is appropriate given the director's personal financial circumstances; provided, however, that within five years after the date of his or her election to the Board, or by December 31, 2015, whichever is later, each director must own at least 5,000 common shares of Peoples or common shares having a market value of \$100,000, whichever is less. In addition, directors are prohibited from holding Peoples' securities in a margin account or otherwise pledging Peoples' securities as collateral for a loan or other financial obligations, with the exception of pledges of Peoples' securities that occurred prior to February 28, 2013. Directors are also prohibited from engaging in hedging or monetization transactions involving Peoples' securities through the use of financial instruments such as prepaid variable forward contracts, equity swaps, collars and exchange funds.

Charles W. Sulerzyski, who serves as President and Chief Executive Officer of Peoples and Peoples Bank, is not included in this table. Mr. Sulerzyski receives no compensation in his capacity as a director of Peoples and Peoples (1)Bank. The compensation received by Mr. Sulerzyski as an executive officer of Peoples and Peoples Bank is shown in the table under the section captioned "SUMMARY COMPENSATION TABLE FOR 2015" beginning on page 43 of this Proxy Statement.

(2)S. Craig Beam and Brooke W. James became directors of Peoples and Peoples Bank on March 26, 2015.

(3)Amounts reported represent the aggregate cash quarterly and meeting fees (including travel fees paid or payable to each director). Included in these amounts are voluntary elective deferrals of fees made pursuant to the Directors'

Deferred Compensation Plan. Deferrals of these fees for 2015 were: \$24,550 for Ms. Abraham; \$56,250 for Mr. Dierker; \$29,950

for Dr. Jones; \$46,750 for Mr. Huggins; and \$8,688 for Mr. Mead. All other amounts representing the cash portion paid for quarterly fees, meeting fees, and travel fees for 2015 are included in this table. Pursuant to the 2015 compensation structure for directors, the portion of quarterly fees and meeting fees paid in stock awards is detailed in column (c). All directors identified in this table are non-employee directors of both Peoples and Peoples Bank and were compensated through retainer fees, Board meeting attendance fees, and Board committee meeting attendance fees, as appropriate, for their service to both boards.

Amounts reported represent the equivalent fair market value of common shares at the time of payment, with the common share payments being made quarterly, to the directors as the equity portion of the quarterly and meeting fees for services rendered as a director of Peoples, computed in accordance with FASB ASC Topic 718. This column also includes the grant date fair value related to the issuance of 300 restricted common shares to each of the non-employee directors listed in the table above. The grant date fair value related to each issuance of common shares represented the closing price of Peoples' common shares on The NASDAQ Global Select Market® on the date of issuance times the number of common shares issued. The restricted common shares had a time-based vesting requirement and vested six months after the grant date, as each individual continued to serve as a director of Peoples for that period of time. As a result, there were no unvested stock awards outstanding at December 31, 2015.

The aggregate number of common shares underlying unexercised non-qualified stock options outstanding at December 31, 2015 were: (i) Tara M. Abraham - none; (ii) Carl L. Baker, Jr. - 1,200; (iii) S. Craig Beam - none; (iv) George W. Broughton - 1,200; (v) David F. Dierker - none; (vi) Richard Ferguson - 1,200; (vii) James Huggins - none; (viii) Brooke W. James - none; (ix) Dr. Brenda F. Jones - 600; (x) David L. Mead - 600; (xi) Susan D. Rector - none; and (xii) Thomas J. Wolf - 1,200. All of these outstanding non-qualified stock options had vested prior to January 1, 2008.

Amounts reported represent 2015 earnings on each participating director's bookkeeping account under the Directors' Deferred Compensation Plan.

Amounts reported represent the amount of Peoples' 2015 annual premium payment for group term life insurance covering each of the directors.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Each of Carl L. Baker, Jr., George W. Broughton, David F. Dierker and Susan D. Rector served as a member of the Compensation Committee of the Board throughout the 2015 fiscal year and continues to so serve. David L. Mead served as a member of the Compensation Committee in 2015 through April 22, 2015. S. Craig Beam became a member of the Compensation Committee on November 19, 2015. None of these individuals has been an officer or employee of Peoples or any of our subsidiaries, with the exception of Mr. Mead, who served as interim President and Chief Executive Officer of Peoples and Peoples Bank from August 2, 2010 to April 4, 2011, and from August 6, 2010 to April 4, 2011, respectively. Mr. Mead, as well as each of the current members of the Compensation Committee, qualified as an independent director under the applicable NASDAQ rules while each individual served on the Compensation Committee during the 2015 fiscal year and each of the current members of the Compensation Committee continues to so qualify. During the 2015 fiscal year, Peoples Bank entered into lending relationships with certain members of the Compensation Committee, with members of their respective families and with corporations and organizations as to which they serve as executive officers or beneficially own more than 10% of the equity securities. All such loans (i) were made in the ordinary course of business, (ii) were made on substantially the same terms, including interest rates charged and collateral required, as those prevailing at the time for comparable loans with persons not related to Peoples or Peoples Bank, and (iii) did not involve more than the normal risk of collectability or present other unfavorable features to Peoples or Peoples Bank. During the 2015 fiscal year, no executive officer of Peoples served on the board or compensation committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served on the Board of Peoples or the Compensation Committee.

AUDIT COMMITTEE REPORT

FOR THE FISCAL YEAR ENDED DECEMBER 31, 2015

Management has represented to the Audit Committee that Peoples' audited consolidated financial statements as of and for the fiscal year ended December 31, 2015, were prepared in accordance with GAAP in the United States and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management. In addition, the Audit Committee has discussed and reviewed with EY, Peoples' independent registered public accounting firm, all communications and other matters required to be discussed by auditing standards generally accepted in the United States, including those described in Public Company Accounting Oversight Board (United States) (the "PCAOB") Auditing Standard No. 16 and by SEC rules, as well as significant current accounting developments and issues. Committee has also reviewed and discussed the audited consolidated financial statements as of and for the fiscal year ended December 31, 2015 with EY.

The Audit Committee has received from EY the written disclosures and the letter required by applicable requirements of the PCAOB regarding EY's communications with the Audit Committee concerning independence, and has discussed with EY the independence of EY. The Audit Committee has discussed with EY any relationships with or services to Peoples or our subsidiaries that may impact EY's independence and objectivity, including the non-audit services rendered by EY, and the Audit Committee has satisfied itself as to EY's independence.

Based on the Audit Committee's reviews and discussions with management and EY, and the Audit Committee's review of the report of EY to the Audit Committee, the Audit Committee recommended to the Board that Peoples' audited consolidated financial statements be included in Peoples' Annual Report on Form 10 K for the fiscal year ended December 31, 2015 for filing with the SEC.

Submitted by the Audit Committee of the Board:

Thomas J. Wolf (Chair), Tara M. Abraham, Carl L. Baker, Jr., David F. Dierker, Richard Ferguson, Brooke W. James, Dr. Brenda F. Jones and David L. Mead.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On February 25, 2016, the Audit Committee appointed EY as Peoples' independent registered public accounting firm for the fiscal year ending December 31, 2016. EY has served as Peoples' independent auditors/independent registered public accounting firm since 1995.

Fees

Fees for services rendered by EY for each of the 2015 fiscal year and the 2014 fiscal year were:

	2015	2014
Audit Fees (1)	\$789,286	\$844,760
Tax Fees (2)	54,575	43,080
All Other Fees (3)	103,957	87,851
Total	\$947,818	\$975,691

Audit Fees pertain to professional services rendered in connection with the audit of Peoples' annual consolidated (1) financial statements and review of the consolidated financial statements included in Peoples' Quarterly Reports on Form 10-Q, as well as internal control testing for compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

(2) Tax Fees pertain to services rendered for tax planning and advice, tax compliance, and assistance with tax audits and appeals.

(3) All Other Fees pertain to federal and state income tax preparation services for trust accounts with Peoples Bank. Peoples Bank offsets this expense by charging each trust account with a tax preparation fee.

EY did not render any other services to Peoples or any of our subsidiaries during the 2015 fiscal year or the 2014 fiscal year. All of the services described under "Audit Fees," "Tax Fees" and "All Other Fees" above were pre-approved by the Audit Committee.

Pre-Approval Policy

The Audit Committee has adopted, and the Board has ratified, an Audit and Non-Audit Services Pre-Approval Policy (the "Pre-Approval Policy"), which sets forth the procedures and conditions pursuant to which services proposed to be performed by the independent registered public accounting firm may be pre-approved. Proposed services may either be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval"), or be subject to the requirement that the specific pre-approval of the Audit Committee be obtained ("specific pre-approval"). Appendices to the Pre-Approval Policy describe the Audit, Audit-Related, Tax and All Other services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee states otherwise. The Audit Committee annually reviews and pre-approves the services that may be provided by the independent registered public accounting firm without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add to or subtract from the list of general pre-approved services from time to time, based on subsequent reviews and determinations.

Table of Contents

The Pre-Approval Policy does not delegate to management the Audit Committee's responsibilities to pre-approve services performed by the independent registered public accounting firm. The Audit Committee, however, may delegate pre-approval authority to one or more of its members. The member(s) to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at that committee's next scheduled meeting. The Audit Committee has delegated both types of pre-approval authority to the Chair of the Audit Committee.

All requests or applications for services to be provided by the independent registered public accounting firm are to be submitted to the Chief Financial Officer of Peoples, and must include a detailed description of the services to be rendered. The Chief Financial Officer and the independent registered public accounting firm must determine jointly whether, in their view, the request or application is consistent with the SEC's and the PCAOB's rules on auditor independence and is an appropriate service. If so, the Chief Financial Officer will request specific pre-approval from the Audit Committee (or its designee) as appropriate. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

The Audit Committee has designated the Director of Risk Management of Peoples to monitor the performance of all services provided by the independent registered public accounting firm and to determine whether such services are in compliance with the Pre-Approval Policy. The Director of Risk Management reports to the Audit Committee on a periodic basis as to the results of such monitoring. Both the Director of Risk Management and the management of Peoples are to immediately report to the Chair of the Audit Committee any breach of the Pre-Approval Policy that comes to the attention of the Director of Risk Management or any member of management.

PROPOSAL NUMBER 3:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed EY to serve as Peoples' independent registered public accounting firm for the fiscal year ending December 31, 2016, and recommends that Peoples' shareholders vote for the ratification of that appointment. EY audited Peoples' consolidated financial statements as of and for the fiscal year ended December 31, 2015, and the effectiveness of Peoples' internal control over financial reporting as of December 31, 2015. Representatives of EY are expected to be present at the Annual Meeting and will be given the opportunity to make a statement if they so desire and to respond to appropriate questions.

The appointment of Peoples' independent registered public accounting firm is made annually by the Audit Committee. Peoples has determined to submit the appointment of the independent registered public accounting firm to the shareholders for ratification because of such firm's role in reviewing the quality and integrity of Peoples' consolidated financial statements and internal control over financial reporting. Before appointing EY, the Audit Committee carefully considered that firm's qualifications as Peoples' independent registered public accounting firm and the audit scope.

Recommendation and Vote

THE AUDIT COMMITTEE AND THE BOARD UNANIMOUSLY RECOMMEND THAT PEOPLES' SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF EY.

The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of EY as Peoples' independent registered public accounting firm for the fiscal year ending December 31, 2016. The effect of an abstention is the same as a vote "AGAINST." Even if the appointment of EY is ratified by the shareholders, the Audit Committee, in its discretion, could decide to terminate the engagement of EY and to engage another firm if the Audit Committee determines such action is necessary or desirable. If the appointment of EY is not ratified, the Audit Committee will reconsider (but may decide to maintain) the appointment.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

The SEC has implemented rules regarding the delivery of proxy materials to households. This method of delivery, often referred to as "householding," would permit Peoples to send a single annual report, Proxy Statement or Notice of Internet Availability of Proxy Materials, as applicable, to any household at which two or more different shareholders reside if Peoples reasonably believes such shareholders are members of the same family or otherwise share the same address or that one shareholder has multiple accounts. In each case, the shareholder(s) must consent to the

householding process, and may at any time request that Peoples promptly deliver to such shareholder(s) a separate copy of the proxy materials subject to householding. Each shareholder would continue to receive a separate notice of meeting of shareholders and proxy card or form of voting instructions. The householding procedure is intended to reduce the volume of duplicate information shareholders receive and reduce Peoples' expenses. Peoples does not currently practice householding, but may institute householding in the

future and will notify registered shareholders affected by householding at that time. Registered shareholders sharing an address may request delivery of a single copy of annual reports to shareholders, Proxy Statements and Notices of Internet Availability of Proxy Materials by contacting the Corporate Secretary of Peoples at Peoples Bancorp Inc., 138 Putnam Street, P.O. Box 738, Marietta, Ohio 45750-0738, Attention: Corporate Secretary.

Many brokers, financial institutions and other holders of record have instituted householding. If your family has one or more "street name" accounts under which you beneficially own common shares of Peoples, you may have received householding information from your broker, financial institution or other nominee in the past. Please contact the holder of record directly if you have questions, require additional copies of this Proxy Statement or Peoples' 2015 Annual Report, or if you wish to revoke your decision to household and thereby receive multiple copies of Peoples' proxy materials (including annual reports to shareholders). You should also contact the holder of record if you wish to institute householding.

OTHER MATTERS

As of the date of this Proxy Statement, the Board knows of no matter that will be presented for action by the shareholders at the Annual Meeting other than those matters discussed in this Proxy Statement. However, if any other matter requiring a vote of the shareholders is properly presented at the Annual Meeting, the individuals acting under the proxies solicited by the Board will vote and act according to their best judgment in light of the conditions then prevailing, to the extent permitted under applicable law.

It is important that your common shares be represented. Whether or not you plan to attend the Annual Meeting in person, please complete, sign and return the accompanying proxy card in the enclosed envelope furnished herewith, or transmit your voting instructions electronically via the Internet or by telephone by following the instructions on the proxy card.
