PART I EXPLANATORY NOTE

Ocean Bio-Chem, Inc. ("we," "us" or the "Company") has prepared this Registration Statement in accordance with the requirements of Form S-8 under the Securities Act of 1933, as amended (the "Act"), to register shares of Common Stock, \$.01 par value, of the Company issued to employees of the Company pursuant to the Company's 2002 Incentive Stock Option Plan and 2002 Non-qualified Stock Option Plan (the "Plans").

This Registration Statement contains two parts. The first part contains a reoffer Prospectus prepared in accordance with the requirements of Part I of Form S-3 pursuant to Section C of the General Instructions to Form S-8. The reoffer Prospectus may be used for reofferings and resales on a continuous or delayed basis in the future of "control securities" which have been or may be issued pursuant to the Plan to employees of the Company who may be considered affiliates as defined by Rule 405 under the Act.

The second part contains "Information Required in the Registration Statement" pursuant to Part II of Form S-8. Pursuant to the Note to Part I of Form S-8, the information relating to the Plan specified by Part I is not filed with the Securities and Exchange Commission (the "Commission"), but documents containing such information have been or will be sent or given to employees and directors as specified by Rule 428(b)(1). Such document(s) are not being filed with the Commission but constitute (along with the documents incorporated by reference into the Registration Statement pursuant to Item 3 of Part II hereof) a Prospectus that meets the requirements of Section 10(a) of the Act.

The selling stockholders will sell their shares pursuant to a Rule 10b5-1(c) Trading Plan. They will determine when they will sell their Shares, and in all cases they will sell their Shares at the current market price or at prices negotiated at the time of the sale. The following documents filed by us with the Securities and Exchange Commission (the "Commission") are incorporated herein by reference as of their respective dates of filing and shall be deemed to be a part hereof:

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

1. Our Annual Report on Form 10-K for the year ended December 31, 2006;
2. Our Proxy Statement for the Annual Meeting of Shareholders held on August 3, 2007.
3. Our quarterly reports on Form 10-Q for the quarters ended March 31, and June 30, 2007.
4. The description of our Common Stock contained in our Registration Statement on Form S-18 filed on March 26, 1981, including any amendments or reports filed for the purpose of updating that description.
5. All documents filed by us pursuant to Section 13(a), 13(c), 14, or 15(d) of the Securities Exchange Act of 1934, as amended (the "1934 Act") subsequent to the date of this Prospectus and before the termination of this offering shall be deemed to be incorporated by reference and a part of this Prospectus from the date on which such documents are filed.

For purposes of this Prospectus, any statement in a document incorporated or deemed incorporated by reference is modified or superseded to the extent that a statement in this Prospectus, or in any subsequently filed document which is or is deemed to be incorporated by reference, modifies or supersedes it. Any statement so modified or superseded is not, except as so modified or superseded, to constitute a part of this Prospectus.

RISK FACTORS

Before you invest in our Common Stock, you should consider carefully the following risk factors and cautionary statements, as well as other information set forth in and incorporated by reference into this prospectus. If any of the following risks actually occur, our business, financial condition or results of operation may suffer. As a result, the trading price of our Common Stock could decline, and you could lose a substantial portion of the money you paid to buy our Common Stock. The risks and uncertainties we describe below are not the only ones we face. Additional risks and uncertainties that we do not currently know or that we currently believe to be immaterial may also adversely affect our business.

1. We are engaged in a very competitive business. We have several national and regional competitors in the marine market place. The competition is based on brand recognition, price, service and the ability to deliver products on a timely basis.

2. There are many entities in the marine and automotive market places, both national and regional which compete with us. Many of these competitors are more established and have greater financial resources. We must compete on the basis of brand recognition, price, service and the ability to deliver products on a timely basis with larger and financially stronger competitors.

3. We also have competitors in the recreational vehicle appearance and maintenance market. Our competitors are national and regional and we must compete in a similar manner as our competition the marine market.

4. Our five largest customers represented approximately 59% and 43%, of consolidated gross revenues for the years ended December 31, 2006 and 2005, respectively; and 57% and 26% of consolidated accounts receivable at December 31, 2006 and 2005, respectively. We have had a longstanding relationship with each of these entities and have always collected open receivable balances. However, the loss of any of these customers could have an adverse impact on our operations.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

5. Certain aspects of the company business, primarily in the marine industry are greatly influenced by the economy and the weather. A bad economy directly impacts our sales to the recreational boating public and cold or other inclement weather either delays the start or shortens the length of the boating season and has an adverse impact on our sales.

6. We depend on the delivery of quality products on a timely basis on both our own manufactured capacity as well as our third party suppliers. If our manufacturing facilities or any of our suppliers' facilities are unable to timely meet demand, the company's sales and reputation would be damaged.

7. As manufacturers of products, we are exposed to products liability claims and lawsuits.

8. We depend upon the continued services of a small number of executives, and the loss of any of those executives could create a void in management that we are unable to fill with a person having appropriate expertise and experience with our business.

4

Item 6. Indemnification of Directors and Officers.

FLORIDA BUSINESS CORPORATION ACT. Section 607.0831 of the Florida Business Corporation Act (the "Florida Act") provides that a director is not personally liable for monetary damages to the corporation or any person for any statement, vote, decision or failure to act regarding corporate management or policy, by a director, unless: (a) the director breached or failed to perform his duties as a director; and (b) the director's breach of, or failure to perform, those duties constitutes: (i) a violation of criminal law unless the director had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful; (ii) a transaction from which the director derived an improper personal benefit, either directly or indirectly; (iii) a circumstance under which the director is liable for an improper distribution; (iv) in a proceeding by or in the right of the corporation to procure a judgment in its favor or by or in the right of a shareholder, conscious disregard for the best interests of the corporation, or willful misconduct; or (v) in a proceeding by or in the right of someone other than the corporation or a shareholder, recklessness or an act or omission which was committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety or property.

Section 607.0850 of the Florida Act provides that a corporation shall have the power to indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the corporation), by reason of the fact that he is or was a director, officer or employee or agent of the corporation against liability incurred in connection with such proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 607.0850 also provides that a corporation shall have the power to indemnify any person who was or is a party to any proceeding by, or in the right of, the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof.

8

Section 607.0850 further provides that such indemnification may be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made under this provision in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability, but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. Section 607.0850 further provides that to the extent that a director, officer, employee or agent has been successful on the merits or otherwise in defense of any of the foregoing proceedings, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith. Under Section 607.0850, any indemnification under the foregoing provisions, unless pursuant to a determination by a court, shall be made by the corporation only as authorized in

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

the specific case upon a determination that the indemnification of the director, officer, employee or agent is proper under the circumstances because he has met the applicable standard of conduct. In addition to the foregoing, Section 607.0850 permits a corporation further to indemnify such persons by other means unless a judgment or other final adjudication establishes that such person's actions or omissions which were material to the cause of action constitute (1) a crime (unless such person had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe it unlawful), (2) a transaction from which he derived an improper personal benefit, (3) a transaction in violation of Florida Statutes 607.0834 (unlawful distributions to shareholders), or (4) willful misconduct or conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder. Notwithstanding the failure of a corporation to provide indemnification, and despite any contrary determination by the corporation in a specific case, a director, officer, employee or agent of the corporation who is or was a party to a proceeding may apply for indemnification to the appropriate court and such court may order indemnification if it determines that such person is entitled to indemnification under the applicable standard.

Section 607.0850 also provides that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of Section 607.0850.

BY-LAWS. The Registrant's by-laws provide that it shall indemnify its officers and directors and former officers and directors to the full extent permitted by law.

DIRECTOR AND OFFICER LIABILITY INSURANCE. Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

(i) To include any Prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act").

(ii) To reflect in the Prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement.

(iii) To include any additional or changed material information with respect to the plan of distribution not previously disclosed in the Registration Statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of this offering.

4. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

OCEAN BIO-CHEM, INC.

2002 INCENTIVE STOCK OPTION PLAN

EFFECTIVE OCTOBER 22, 2002

1. PURPOSE

1.1 GENERAL. Ocean Bio-Chem, Inc., a Florida corporation (the "Company"), established this Incentive Stock Option Plan (the "Plan") to further the Company's growth and development by providing to officers and other key employees who are in a position to contribute materially to the prosperity of the Company, through ownership of stock of the Company, an incentive to increase their interest in the Company's welfare, to continue their services and to afford a means through which the Company can attract to its service other employees of outstanding ability.

1.2 COMPANY. For purposes of the Plan, the Company is deemed to include all wholly owned subsidiaries of the Company.

1.3 TAX TREATMENT. The Plan is adopted with the intent that it be, and continue to be, an "incentive stock option plan" entitling the holders of options to the special tax treatment provided by Section 422 of the Internal Revenue Code of 1986 (the "Code").

2. ADMINISTRATION

2.1 STOCK OPTION COMMITTEE. The Plan shall be administered by the Ocean Bio-Chem, Inc., Stock Option Plan Committee (the "Committee") which shall be composed of at least two Non-Employee directors of the Company. The Committee, to be appointed by the Board of Directors, shall have full and complete power and authority to do all things necessary and proper for the administration of the Plan, including the power to interpret and construe its terms and provisions and to determine, consistent with the terms of the Plan, the individuals selected to receive options, the times when they shall receive them, the number

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

of shares to be subject to each option, and the option price.

2.2 RULES AND REGULATIONS. The Committee, as it may deem advisable, may issue rules and regulations for the administration of the Plan. When so directed by the Committee, appropriate officers of the Company shall execute and deliver on behalf of the Company such options, agreements and other instruments as the Committee may determine necessary to the implementation of the Plan. The Committee may adopt and/or construe an appropriate form for any such options or agreements and instruments, which forms shall contain such provisions or conditions as the Committee deems necessary or advisable in carrying out the purposes of the Plan, provided, however, that no such provision or condition shall be inconsistent with the Plan.

2.3 DEFECTS OR OMISSIONS. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any option or agreement in the manner and to the extent it shall deem expedient to carry it into effect, and to meet the requirements of Section 422 of the Code, and shall be the sole and final judge of such expediency. The Committee's determination shall be conclusive.

3. STOCK SUBJECT TO THE PLAN

3.1 NUMBER OF SHARES. Shares of the Company's Common Stock, par value \$.01 per share ("Common Stock") shall be subject to the Plan. The total number of shares of Common Stock which may be sold pursuant to options granted under the Plan ("Option" or "Options") shall not exceed 400,000 shares, adjusted as provided in Section 3.2. The shares of Common Stock sold under the Plan may be either authorized and unissued shares or issued shares reacquired by the Company. Unless and until the Board of Directors shall determine to purchase shares in the market for the purpose of the Plan or to use treasury shares, the shares sold under the Plan shall be authorized and unissued shares reserved for that purpose. In the event that any Options granted under the Plan shall terminate or expire for any reason without having been exercised in full, the shares of Common Stock not purchased under those Options shall be available again for the purpose of the Plan.

3.2 ADJUSTMENTS. Notwithstanding any other provision of the Plan, in the event of any change in any shares of the outstanding Common Stock of the Company by reason of a stock dividend, recapitalization, merger, consolidation, split-up, stock split, reverse stock split, combination or exchange of shares, or action of like nature, the aggregate number and class of shares as to which Options may be granted to any individual, the number and class of shares subject to each outstanding Option and the Option prices shall be appropriately adjusted in proportion to such increases or decreases by the Committee, whose determination shall be conclusive.

3.3 REVERSION OF SHARES TO THE SHARE RESERVE. If any Stock Award shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full, the shares of Common Stock not acquired under such Stock Award shall revert to and again become available for issuance under the Plan.

3.4 SOURCE OF SHARES. The shares of Common Stock subject to the Plan may be unissued shares or reacquired shares, bought on the market or otherwise.

4. ELIGIBILITY AND PARTICIPATION

4.1 INCENTIVE STOCK OPTION \$100,000 LIMITATION. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

its Affiliates) exceeds one hundred thousand dollars (\$100,000), the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options.

4.2 OFFICERS AND CERTAIN EMPLOYEES. Options may be granted only to full-time salaried officers and key employees of the Company or any of its subsidiaries. Directors of the Company who are not also full-time salaried officers or employees of the Company will not be eligible to receive Options.

4.2 TEN PERCENT SHAREHOLDER LIMITATION. If an Option is to be granted to an individual who, at the time the Option is granted, owns Common Stock possessing more than 10 percent (10%) of the total combined voting power of all classes of stock of the Company or of its parent or subsidiary (as determined under Section 425(d) of the Code), the purchase price of the Common Stock under each Option ("Option Price") set out in the applicable portion of Article 5 hereof shall read "but shall be at least 110 percent of its Fair Market Value" and the period of exercise set out in the applicable portion of Article 6 hereof shall read "and ending not more than five (5) years after the date on which the option is granted".

5. PRICE

5.1 DETERMINATION. The Option Price shall be determined by the Committee, but shall not be less than 100 percent of its fair market value (as determined by Section 422 of the Code) ("Fair Market Value") at the time of granting of the Option, as determined in good faith by the Committee.

5.2 PAYMENT. Upon exercise of the Option, the Option Price shall be paid in full with cash or with stock of the Company or with demand promissory notes bearing the rate of interest required by the Code, as amended from time to time, at the option of the Employee.

5.3 USE OF PROCEEDS. The proceeds from the issuance of Common Stock subject to Options are to be added to the funds of the Company available for its general corporate purposes.

6. EXERCISE OF OPTION

6.1 PERIOD OF EXERCISE. Each Option granted under the Plan shall be exercisable only during such period as the Committee may determine, beginning not less than one (1) year and ending not more than ten (10) years after the date on which the Option is granted ("Expiration Date"), except as such period may be modified under the provisions or Sections 8.1 and 9.1 hereof. Within such limits each Option shall provide, as determined by the Committee, the time or times at which and the number of shares for which it may be exercised. Unless otherwise provided in the Committee's action, each Option shall be exercisable in whole at any time, or in part from time to time, during the term of the Option. The holder of an Option shall have no rights as a shareholder with respect to shares subject to the Option until such shares shall have been issued to him upon exercise of the Option. An Option may be exercised during the lifetime of the holder thereof only by such holder, and, after the holder's death, as provided in Sections 9.1 and 9.2 hereof.

6.2 CHANGE OF CONTROL. Provided however, in the event of a change in control of Company, each Option granted under this Plan shall be fully exercisable.

6.3 SALE. An individual who has acquired Common Stock upon exercise of an Option may not sell, transfer or otherwise dispose of the Common Stock so acquired within two years from the date of the granting of the Option nor within one year after the transfer of the shares to the individual.

6.4 VESTING GENERALLY. The total number of shares of Common Stock subject to an Option may, but need not, vest and therefore become exercisable in

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this Section 6(g) are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.

7. NON-TRANSFERABILITY OF OPTIONS

7.1 GENERAL. No Option granted under the Plan shall be transferable otherwise than by will or the laws of descent and distribution.

8. TERMINATION OF EMPLOYMENT

8.1 GENERAL. If employment of the holder of an Option is terminated for any reason, other than by death or disability, the holder's Option may be exercised only within three months from the date of such termination of employment, but in no event after the Expiration Date of the Option; provided, however, that if the holder is dismissed for cause, as to which the Committee shall be sole and exclusive judge, the Option shall expire immediately.

9.1 DEATH WHILE EMPLOYED. If the holder of an Option dies while employed by the Company, the Option may be exercised by the personal representative of the Option holder, for a period of six (6) months from the date of death, but in no event after the Expiration Date of the Option.

9.2 DEATH AFTER TERMINATION. If the holder of an Option dies within three months after termination of employment other than for cause, the Option may be exercised by the personal representative of the Option holder for a period of six (6) months from the date the Option holder's employment was terminated, but in no event after the Expiration Date of the Option.

9.3 DISABILITY. If the holder of an Option becomes disabled within the meaning of Section 22(e)(3) of the Code, the Option may be exercised by the Option holder within one year after his becoming disabled, but in no event after the Expiration Date of the Option.

10. AMENDMENT AND TERMINATION

10.1 TERM. Unless the Plan has been terminated as hereinafter provided, the Plan shall terminate on October 21, 2012, and no Option under it shall be granted thereafter. The Board of Directors of the Company at any time prior to that date may terminate the Plan.

10.2 AMENDMENT. The Board of Directors may also amend the Plan by making such changes and additions to it as the Board shall deem advisable; provided, however, that except as provided in Section 3.2 hereof, the Board of Directors may not, without further approval by the Shareholders of the Company, increase the maximum number of shares as to which Options may be granted or exercised; and provided further, that any such change or addition does not affect the Plan's status under Section 422 of the Code. No termination or amendment of the Plan may, without the consent of the holder of an Option then existing, terminate his Option or materially and adversely affect his rights under the Option.

11. EFFECTIVE DATE

11.1 SHAREHOLDER APPROVAL. The Plan shall become effective upon adaption by the Board of Directors of the Company, provided that it shall be approved by the vote of the holders of a majority of the shares of Common Stock of the Company outstanding and entitled to vote at a meeting of shareholders held within twelve (12) months after the Plan is adopted by the Board of Directors.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

12. TIME OF GRANTING OF OPTIONS

12.1 FORMAL GRANTING. Nothing contained in the Plan or in any resolution adopted or to be adopted by the Board of Directors or the shareholders of the Company shall constitute the granting of an Option hereunder. The granting of an Option pursuant to the Plan and the acquisition of any rights as an Option holder shall take place only when the Committee authorizes the issuance of an Option, and a formal written and executed Option agreement is executed by the holder of the Option.

12.2 TEN YEAR LIMIT. Subject to the provisions of Article 10, Options may be granted under the Plan within ten (10) years from the date the Plan is adopted by the Board of Directors of the Company or the date the Plan is approved by the Shareholders, whichever is earlier.

13. MISCELLANEOUS PROVISIONS

13.1 OPTION DATE. An Option shall have been deemed to have been granted on the date fixed in the resolution of the Committee authorizing the granting of such Option, provided such date shall not be prior to the date of the adoption of such resolution. If no date is fixed by such resolution, the Option shall be deemed to have been granted on the date of adoption of the resolution, provided that the agreement relating to the Option shall be executed and delivered within thirty (30) days therefrom; otherwise the Option shall be deemed to have been granted on the date of delivery of such agreement to the optionee.

13.2 INDEMNIFICATION OF COMMITTEE. Without limiting any other rights of indemnification, the members of the Committee shall be indemnified by the Company against the reasonable expenses (including attorney's fees, judgments, fines, and amounts paid in settlement) actually incurred as a result of any action, suit or proceeding, or any appeal therein ("Claim"), to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, and against all amounts paid by them in settlement of such Claim, to the full extent permissible under Florida Law; provided that within sixty (60) days after institution of any such Claim, the Committee member involved offers the Company in writing the opportunity, at its Own expense, to handle and defend the same.

13.3 JURISDICTION AND VENUE. This Agreement shall be governed by the laws of the state of Florida and any litigation with respect to this Agreement shall be in the state or Federal courts situated in Broward County, Florida

Exhibit 4(a)(2)

2002 NON-QUALIFIED STOCK OPTION PLAN
ADOPTED BY THE BOARD OF DIRECTORS
ON OCTOBER 22, 2002,
EFFECTIVE AS OF OCTOBER 22, 2002

1. PURPOSE.

(a) The purpose of the Ocean Bio-Chem, Inc. 2002 Non-Qualified Stock Option Plan (the "2002 Non-Qualified Plan") is to strengthen Ocean Bio-Chem, Inc. (the "Company") and its subsidiary corporation, within the meaning of Section 425 of the Internal Revenue Code of 1986, as amended (the "Code"), by providing directors who are not full-time salaried employees (the "Non-Employee Directors") and consultants, such as, for example, but without limitation, legal or financial service providers or software, hardware, or other product designers

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

("Consultants") added incentives for high levels of performance and to encourage stock ownership in the Company. The 2002 Non-Qualified Plan seeks to accomplish these goals by providing a means whereby such Non-Employee Directors and Consultants of the Company and its subsidiaries may be given an opportunity to purchase (by way of an option) common stock of the Company.

(b) The Company, by means of the 2002 Non-Qualified Plan, seeks to secure and retain the services of such Non-Employee Directors and Consultants of the Company or its subsidiaries and to provide incentives for such persons to exert maximum efforts for the success of the Company and its subsidiaries.

(c) The Company intends that the options issued under the 2002 Non-Qualified Plan shall be options which do not qualify as incentive stock options ("non-qualified stock options").

2. ADMINISTRATION.

(a) The 2002 Non-Qualified Plan has been adopted and shall be administered by a compensation committee ("Committee"), composed of not fewer than two (2) members of the Board of Directors (the "Board"). All members of the Committee must be "outside directors" within the meaning of Section 162(m) of the Code. It is recommended, and the Board of Directors shall endeavor, to select at least three (3) members of the Board who qualify as "outside directors" to serve on the Committee. Members of the Committee shall serve at the pleasure of the Board and the Board may from time to time remove members from, or add members to, the Committee. All of the members of the Committee also shall be "Non Employee Directors" as provided in Rule 16b-3(i) promulgated pursuant to the Securities Exchange Act of 1934, as amended ("1934 Act").

(b) The Committee shall have the power, in connection with the administration of the 2002 Non-Qualified Plan, subject to and within the limitations of the express provisions of the 2002 Non-Qualified Plan:

(i) To determine from time to time which of the persons eligible under the 2002 Non-Qualified Plan shall be granted an option; when and how the option shall be granted; the provisions of each option granted (which need not be identical), including, without limitation, the time or times during the term of each option within which all or portions of such option may be exercised; and the number of shares for which an option shall be granted to each such person;

(ii) To determine any conditions or restrictions imposed on stock acquired pursuant to the exercise of an option (including, but not limited to, repurchase rights, forfeiture restrictions and restrictions on transferability);

(iii) To construe and interpret the 2002 Non-Qualified Plan and the options granted under it, to construe and interpret any conditions or restrictions imposed on stock acquired pursuant to the exercise of an option, to define the terms used herein, and to establish, amend and revoke rules and regulations for its administration. The Committee, in the exercise of this power, may correct any defect, omission or inconsistency in the 2002 Non-Qualified Plan or in any option agreement in a manner and to the extent it shall deem necessary or expedient to make the 2002 Non-Qualified Plan fully effective;

(iv) To cancel, at any time and from time to time, with the consent of the affected optionee or optionees, any or all outstanding options granted under the 2002 Non-Qualified Plan and the grant and substitution therefore of new options under the 2002 Non-Qualified Plan (subject to limitations hereof) covering the same or different number of shares of stock at an option price per share in all events not less than the fair market value on the new grant date; and

(v) Generally, to exercise such powers and to perform such acts as it deems necessary or expedient to promote the best interests of the Company.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

(c) The Committee shall comply with the provisions of Rule 16b-3, promulgated pursuant to the 1934 Act as in effect from time to time, to the extent applicable to the 2002 Non-Qualified Plan.

(d) Any action of the Committee with respect to administration of the 2002 Non-Qualified Plan shall be taken pursuant to a majority vote or to the unanimous written consent of its members. In the event that the Committee is composed of two members, and one member abstains from a vote on a matter, issue or item for decision, the remaining member may vote and his or her vote shall be

considered a majority vote of the Committee. A vote of the Committee shall be reported to the full Board of Directors, which may elect to accept such vote or reconsider the matter and cast a contrary or differing vote, which shall control. Any member of the Committee who is eligible for an award under this Plan shall abstain from consideration of such award by the Committee.

(e) The determinations of the Committee on matters referred to in this paragraph 2 shall be final and conclusive.

3. SHARES SUBJECT TO THE 2002 NON-QUALIFIED PLAN.

Subject to the provisions of paragraph 9 relating to adjustments upon changes in stock, the stock that may be offered pursuant to options granted under the 2002 Non-Qualified Plan shall not exceed the aggregate of 200,000 shares of the Company's common stock. If any option granted under the 2002 Non-Qualified Plan shall for any reason expire, be canceled or otherwise terminate without having been exercised in full, the stock not purchased under such option shall again become available for the 2002 Non-Qualified Plan.

4. ELIGIBILITY.

(a) Non-Employee Directors and Consultants of the Company or its subsidiaries shall be eligible to receive non-qualified stock options.

(b) Notwithstanding anything to the contrary contained in this Plan, no person may be granted an option under this Plan if such person at the time of grant holds options to purchase more than 10% of the outstanding shares of common stock of the Company. In addition, no person may be granted (in any calendar year) options to purchase more than 100,000 shares of common stock, subject to adjustment pursuant to paragraph 9.

5. OPTION PROVISIONS.

Each option shall be in such form and shall contain such terms and conditions as the Committee shall deem appropriate. The provisions of separate options need not be identical, but each option shall include (through incorporation of provisions hereof by reference in the option or otherwise) the substance of each of the following provisions:

(a) Each option granted and all rights or obligations thereunder by its terms shall expire on such date as the Committee may determine as set forth in such stock option agreement, but not later than ten (10) years from the date the option was granted and shall be subject to earlier termination as provided elsewhere in the 2002 Non-Qualified Plan. For purposes of the 2002 Non-Qualified Plan, the date of grant of an option shall be the date on which the Committee takes final action approving the award of the option, notwithstanding the date the optionee accepts the option, the date of execution of the option agreement, or any other date with respect to such option.

(b) The exercise price of each option shall be determined by the Committee

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

and shall be not less than one hundred percent (100%) of the "fair market value" of the stock subject to the option on the date the option is granted, as such term in quotations is defined below; provided, however, that the purchase price of common stock subject to an incentive stock option may not be less than one hundred ten percent (110%) of such fair market value where the optionee owns (or is deemed to own pursuant to Section 424(d) of the Code) stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company. The fair market value of such stock shall be determined by the Committee in accordance with any reasonable valuation method.

(c) The purchase price of stock acquired pursuant to an option shall be paid at the time the option is exercised (i) in cash, check payable to the order of the Company, or (ii) shares of common stock of the Company with a fair market value equal to the option price for the shares being purchased; or (iii) having shares withheld from the total number of shares of Common Stock to be delivered upon exercise; or (iv) delivering a properly executed notice, together with irrevocable instructions to a broker, to promptly deliver to the Company the amount of sale or loan proceeds to pay the exercise price. If a person other than the optionee exercises an option, such person must furnish the Company appropriate documentation evidencing that such person or persons have the full legal right and power to exercise the option on behalf of and for the optionee.

(d) An option by its terms may only be transferred by will or by the laws of descent and distribution upon the death of the optionee or by a qualified domestic relations order, as such term is defined in the Internal Revenue Code of 1986, as amended, and shall not be transferable during the optionee's lifetime (unless by a qualified domestic relations order), and shall be exercisable during the lifetime of the person to whom the option is granted only by such person (unless by a qualified domestic relations order).

(e) Subject to subparagraph 5(f) and except as provided in paragraph 10, each option shall be exercisable in such installments, which need not be equal, and upon such contingencies as the Committee shall determine. In addition, the Committee shall have the power to accelerate the time (other than, except as provided in paragraph 10, the expiration date) during which an option may be exercised, notwithstanding the provisions in the option stating the time during which it may be exercised.

(f) From time to time during each of such installment periods, the option may be exercised with respect to some or all of the shares allotted to that period, and/or with respect to some or all of the shares allotted to any prior period as to which the option was not fully exercised. During the remainder of the term of the option (if its term extends beyond the end of the installment periods), the option may be exercised from time to time with respect to any shares then remaining subject to the option. The provisions of this subparagraph 5(f) are subject to any option provisions governing the minimum number of shares as to which an option may be exercised.

(g) The Company may require any optionee, or any person to whom an option is transferred under subparagraph 5(d), as a condition of exercising any such option, to give written assurances satisfactory to the Company stating that such person is acquiring the stock subject to the option for such person's own account and not with any present intention of selling or otherwise distributing the stock. The requirement of providing written assurances, and any assurances given pursuant to the requirement, shall be inoperative if (i) the shares to be issued upon the exercise of the option have been registered under a then currently effective registration statement under the Securities Act of 1933, as amended (the "Securities Act"), or (ii) a determination is made by counsel for the Company that such written assurances are not required in the circumstances under the then applicable federal or state securities laws.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

(i) The stock option agreement may, but need not, provide that such option may be exercised at any specified time up to one (1) year following the death of the optionee by the person or persons to whom the optionee's rights under such option pass by will or by the laws of descent and distribution, but only to the extent that the optionee was entitled to exercise said option immediately prior to death.

(ii) The options may be canceled for "cause", whereupon the option terminates immediately as to all unexercised options. Cause shall include termination for malfeasance or gross misfeasance in the performance of duties, or conviction of illegal activity in connection therewith, conviction for a felony, or any significant conduct detrimental to the interests of the Company or any of its subsidiaries, and the determination of the Committee with respect thereto shall be final and conclusive.

(h) Options may be exercised by ten (10) days' written notice delivered to the Company stating the number of shares with respect to which the option is being exercised, together with payment for such shares. Not less than one hundred (100) shares may be purchased at any one time unless the number purchased is the total number of shares which may be purchased under the option.

(i) Any option granted hereunder shall provide as determined by the Committee for appropriate arrangements for the satisfaction by the Company or its subsidiaries and the optionee of all federal, state, local or other income, excise or employment taxes or tax withholding requirements applicable to the exercise of the option or the later disposition of the shares of stock thereby acquired. Such arrangements shall include, without limitation, the right of the Company or any subsidiary thereof to deduct or withhold, if permitted by law, shares of stock from any transfer or payment to an optionee or, if permitted by law, to receive transfers of shares of stock or other property from the optionee, in such amount or amounts deemed required or appropriate by the Committee in its discretion. Any shares of stock issued pursuant to the exercise of any option and transferred by the optionee to the Company for purposes of satisfying any withholding obligations shall not again be available for purposes of the 2002 Non-Qualified Plan.

6. COVENANTS OF THE COMPANY.

(a) During the terms of the options granted under the 2002 Non-Qualified Plan, the Company shall keep available at all times the number of shares of stock required to satisfy such options.

(b) The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the 2002 Non-Qualified Plan or the Company such authority as may be required to issue and sell shares of stock upon exercise of the options granted under the 2002 Non-Qualified Plan; provided, however, that this undertaking shall not require the Company to register under the Securities Act either the 2002 Non-Qualified Plan, any option granted under the 2002 Non-Qualified Plan, or any stock issued or issuable pursuant to any such option or grant. If the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of stock under the 2002 Non-Qualified Plan, the Company shall be relieved from any liability for failure to issue and sell stock upon grant or upon exercise of such options unless and until such authority is obtained.

(c) The Company shall indemnify and hold harmless the members of the Committee in any action brought against any member in connection with the administration of the 2002 Non-Qualified Plan to the maximum extent permitted by then applicable law.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

7. USE OF PROCEEDS FROM STOCK.

Proceeds from the sale of stock pursuant to options granted under the 2002 Non-Qualified Plan shall constitute general funds of the Company.

8. MISCELLANEOUS.

(a) Neither an optionee nor any person to whom an option is transferred under subparagraph 5(d) shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares subject to such option unless and until such person has satisfied all requirements for exercise of the option pursuant to its terms.

(b) Nothing contained in the 2002 Non-Qualified Plan, or in any option granted pursuant to the 2002 Non-Qualified Plan, shall obligate the Company or any of its subsidiaries to employ any employee for any period or interfere in any way with the right of the Company or any of its subsidiaries to reduce the compensation of any employee.

9. ADJUSTMENTS UPON CHANGES IN STOCK.

If the outstanding shares of the stock of the Company are increased, decreased, or changed into, or exchanged for a different number or kind of shares or securities of the Company, without receipt of consideration by the Company, through reorganization, merger, recapitalization, reclassification, stock split, stock dividend, stock consolidation, or otherwise, an appropriate and proportionate adjustment shall be made in the number and kind of shares as to which options may be granted. A corresponding adjustment changing the number or kind of shares and the exercise price per share allocated to unexercised options, or portions thereof, which shall have been granted prior to any such change shall likewise be made. Any such adjustment, however, in an outstanding option shall be made without change in the total price applicable to the unexercised portion of the option but with a corresponding adjustment in the price for each share subject to the option. Adjustments under this section shall be made by the Committee, whose determination as to what adjustments shall be made, and the extent thereof, shall be final and conclusive. No fractional shares of stock shall be issued under the 2002 Non-Qualified Plan on account of any such adjustment.

10. TERMINATING EVENT.

Not less than thirty (30) days prior to the dissolution or liquidation of the Company, or a reorganization, merger or consolidation of the Company with one or more corporations as a result of which the Company will not be the surviving or resulting corporation, or a sale of substantially all the assets of the Company to another person, or a reverse merger in which the Company is the surviving corporation but the shares of the Company's stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, or in the event of any other capital reorganization or in which shares of stock of the Company possessing more than fifty percent (50%) of the voting power of the Company are exchanged (a "Terminating Event"), the Committee shall notify each optionee of the pendency of the Terminating Event. Upon delivery of said notice, any option granted prior to the Terminating Event shall be, notwithstanding the provisions of paragraph 5 hereof, exercisable in full and not only as to those shares with respect to which installments, if any, have then accrued, subject, however, to earlier expiration or termination as provided elsewhere in the 2002 Non-Qualified Plan. Upon the date thirty (30) days after delivery of said notice, any option or portion thereof not exercised shall terminate, and upon the effective date of the Terminating Event, the 2002 Non-Qualified Plan shall terminate, unless provision is made in connection with the Terminating Event for assumption of options theretofore granted, or

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

substitution for such options of new options covering stock of a successor employer corporation, or a parent or subsidiary corporation thereof, solely at the option of such successor corporation or parent or subsidiary corporation, with appropriate adjustments as to number and kind of shares and prices. Formation of a holding company for the Company in which the shareholders of the holding company after its formation are substantially the same as for the Company prior to the holding company formation shall not be a Terminating Event.

11. AMENDMENT OF THE 2002 NON-QUALIFIED PLAN.

(a) The Committee at any time, and from time to time, may amend the 2002 Non-Qualified Plan, PROVIDED, HOWEVER, that the provisions of paragraph 12 shall not be amended more than once every three (3) months, other than to comport with changes in the Internal Revenue Code, the Employee Retirement Income Security Act or the rules thereunder. Except as provided in paragraph 9 relating to adjustments upon changes in stock, no amendment shall be effective unless within twelve (12) months before or after the adoption of the amendment, by the vote of a majority of the shares of the company represented and voting at a shareholders meeting or by the written consent of a majority of the outstanding shares of the Company where the amendment will:

(i) Increase the number of shares reserved for options under the 2002 Non-Qualified Plan;

(ii) Materially modify the requirements as to eligibility for participation in the 2002 Non-Qualified Plan; or

(iii) Materially increase the benefits accruing to participants under the 2002 Non-Qualified Plan.

(b) Rights and obligations under any option granted pursuant to the 2002 Non-Qualified Plan shall not be altered or impaired by amendment of the 2002 Non-Qualified Plan, except with the consent of the person to whom the stock or option was granted.

12. TERMINATION, SUSPENSION AND LIMITATIONS OF THE 2002 NON-QUALIFIED PLAN.

(a) The Committee may suspend or terminate the 2002 Non-Qualified Plan at any time. Unless sooner terminated, the 2002 Non-Qualified Plan shall terminate ten years from the effective date of the 2002 Non-Qualified Plan. No options may be granted under the 2002 Non-Qualified Plan while the 2002 Non-Qualified Plan is suspended or after it is terminated.

(b) Rights and obligations under any option granted pursuant to the 2002 Non-Qualified Plan while the 2002 Non-Qualified Plan is in effect shall not be altered or impaired by suspension or termination of the 2002 Non-Qualified Plan.

(c) Notwithstanding any other provision of this Plan, no option may be granted hereunder that by its terms may be exercised beyond the time that is ten (10) years from its date of grant by the Company.

13. EFFECTIVE DATE OF PLAN.

The 2002 Non-Qualified Plan shall become effective as of October 22, 2002.

Raymond James's obligation to sell Stock on such Sale Day pursuant to this Sales Plan shall be deemed to have been satisfied. Nevertheless, if any such shortfall exists after the close of trading on the last Trading Day of the Plan Sales Period, Raymond James's authority to sell such shares for the account of Seller under this Sales Plan shall terminate.

(f) The Daily Sale Amount and the Minimum Sale Price, if applicable, shall be adjusted automatically on a proportionate basis to take into account any stock split, reverse stock split or stock dividend with respect to the Stock or any change in capitalization with respect to the Issuer that occurs during the Plan Sales Period.

(iv) Raymond James has received notice from Seller to terminate the plan in accordance with paragraph C.1 below.

5. (a) Seller has delivered the Stock to be sold pursuant to this Sales Plan (with the amount to be estimated by Seller in good faith, if the Daily Sale Amount is designated as an aggregate dollar amount) (the "Plan Shares") into an account at Raymond James in the name of and for the benefit of Seller (the "Plan Account").

(b) Raymond James shall withdraw Stock from the Plan Account in order to effect sales of Stock under this Sales Plan. If at any time during the Plan Sales Period the number of shares of Stock in the Plan Account is less than the number of Plan Shares remaining to be sold pursuant to this Sales Plan, Raymond James shall have no further obligation to effect sales of Shares under this Sales Plan.

(c) To the extent that any Stock remains in the Plan Account after the end of the Plan Sales Period or upon termination of this Sales Plan, Raymond James agrees to return such Stock promptly to the Seller.

6. Raymond James shall in no event effect any sale under this Sales Plan if the Stock to be sold is not in the Plan Account.

7. Raymond James may sell Stock on any national securities exchange, in the over-the-counter market, on an automated trading system or otherwise.

B. Seller's Representations, Warranties and Covenants. Seller hereby represents, warrants and covenants that:

1. Seller is not aware of any material nonpublic information concerning the Issuer or its securities. Seller is entering into this Sales Plan in good faith and not as part of a plan or scheme to evade compliance with the federal securities laws.

2. The securities to be sold under this Sales Plan are owned free and clear by Seller [(subject, in the case of shares underlying Options, only to the compliance by Seller with the exercise provisions of such Options)] and are not subject to any liens, security interests or other encumbrances or limitations on disposition other than those imposed by Rules 144 or 145 under the Securities Act of 1933, as amended (the "Securities Act").

3. While this Sales Plan is in effect, Seller agrees not to enter into or alter any corresponding or hedging transaction or position with respect to the securities covered by this Sales Plan and agrees, except as expressly permitted herein, not to alter or deviate from the terms of this Sales Plan.

4. (a) Seller has provided Raymond James with a certificate dated as of the date hereof signed by the Issuer substantially in the form of Exhibit A hereto.

(b) Seller agrees to notify Raymond James's credit department by telephone at the number set forth in paragraph F.5 below as soon as practicable

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

if Seller becomes aware of the occurrence of any event contemplated by paragraph 3 of the certificate set forth as Exhibit A hereto. Such notice shall indicate the anticipated duration of the restriction, but shall not include any other information about the nature of the restriction or its applicability to Seller and shall not in any way communicate any material nonpublic information about the Issuer or its securities to Raymond James. Such notice shall be in addition to the notice required to be given to Raymond James by the Issuer pursuant to the certificate set forth as Exhibit A hereto.

5. The execution and delivery of this Sales Plan by Seller and the transactions contemplated by this Sales Plan will not contravene any provision of applicable law or any agreement or other instrument binding on Seller or any of Seller's affiliates or any judgment, order or decree of any governmental body, agency or court having jurisdiction over Seller or Seller's affiliates.

6. Seller agrees that until this Sales Plan has been terminated as permitted herein Seller shall not (i) enter into a binding contract with respect to the purchase or sale of Stock with another broker, dealer, financial institution or other party (each, a "Financial Institution"), (ii) instruct another Financial Institution to purchase or sell Stock or (iii) adopt a plan for trading with respect to Stock other than this Sales Plan.

7. Seller agrees that it shall not, directly or indirectly, communicate any material nonpublic information relating to the Stock or the Issuer to any employee of Raymond James or its affiliates who is involved, directly or indirectly, in executing this Sales Plan at any time while this Sales Plan is in effect.

8. Seller agrees that Seller shall at all times during the Plan Sales Period (as defined below), in connection with the performance of this Sales Plan, comply with all applicable laws, including, without limitation, Section 16 of the Exchange Act and the rules and regulations promulgated thereunder, and make all filings, if any, required under Sections 13(d), 13(g) and 16 of the Exchange Act in a timely manner, to the extent any such filings are applicable to Seller.

9. (a) Seller represents and warrants that the Stock to be sold pursuant to this Sales Plan is currently eligible for sale under Rule 144 or 145.

(b) Seller agrees not to take, and agrees to cause any person or entity with which Seller would be required to aggregate sales of Stock pursuant to paragraph (a)(2) or (e) of Rule 144 not to take, any action that would cause the sales hereunder not to meet all applicable requirements of Rule 144.

(c) Seller agrees to complete, execute and deliver to Raymond James Forms 144 for the sales to be effected under this Sales Plan at such times and in such numbers as Raymond James shall request, and Raymond James agrees to file such Forms 144 on behalf of Seller as required by applicable law. Seller understands and agrees that Raymond James shall make one Form 144 filing at the beginning of each three-month period commencing upon the first Sale Day under this Sales Plan.

(d) Seller hereby grants Raymond James a power of attorney to complete and/or file on behalf of Seller any required Forms 144. Notwithstanding such power of attorney, Seller acknowledges that Raymond James shall have no obligation to complete or file Forms 144 on behalf of Seller except as set forth in subparagraph (c).

(e) Raymond James agrees to conduct all sales pursuant to this Sales Plan in accordance with the manner of sale requirement of Rule 144 of the Securities Act and in no event shall Raymond James effect any sale if such sale would exceed the then-applicable amount limitation under Rule 144, assuming Raymond

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

James's sales pursuant to this Sales Plan are the only sales subject to that limitation.](3)

10. Seller acknowledges and agrees that Seller does not have, and shall not attempt to exercise, any influence over how, when or whether to effect sales of Stock pursuant to this Sales Plan.

11. Raymond James may sell Stock on any national securities exchange, in the over the counter market, on an automated trading system or otherwise. Raymond James or one of its affiliates may make a market in the Stock and may act as principal in executing sales under the Trading Plan. To the extent that Raymond James administers other trading plans relating to Issuer's securities, Raymond James may aggregate orders for Seller with orders under other sellers' trading plans for execution in a block and allocate each execution on a pro rata basis to each seller. In the event of partial execution of block orders, Raymond James shall allocate the proceeds of all Stock actually sold on a particular day pursuant to all Rule 10b5-1 trading plans concerning issuer's securities that Raymond James manages pro rata based on the ratio of (x) the number of shares to be sold pursuant to the order instructions of each Trading Plan to (y) the total number of shares to be sold under all Trading Plans having the same type of order instructions.

C. Termination

1. This Sales Plan may not be terminated prior to the end of the Plan Sales Period, except that:

(i) it may be terminated at any time by written notice from Seller received by Raymond James's credit department at the address or fax number set forth in paragraph F.5 below for any reason as long as such termination is made in good faith and not as part of a plan or scheme to evade the insider trading rules and Seller represents that to Raymond James in such notice; with reasons for a permitted termination including where legal or regulatory restrictions applicable to Seller or Seller's affiliates (other than any such restrictions relating to Seller's possession or alleged possession of material nonpublic information about the Issuer or the Stock) would prevent Raymond James from selling Stock for Seller's account during the Plan Sales Period, and

(ii) it may be suspended or, at Raymond James's option, terminated if Raymond James has received notice from the Issuer of the occurrence of any event contemplated by paragraph 3 of the certificate set forth as Exhibit A hereto.

D. Indemnification; Limitation of Liability

1.(a) Seller agrees to indemnify and hold harmless Raymond James and its directors, officers, employees and affiliates from and against all claims, losses, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) arising out of or attributable to Raymond James's actions taken or not taken in compliance with this Sales Plan or arising out of or attributable to any breach by Seller of this Sales Plan (including Seller's representations and warranties hereunder) or any violation by Seller of applicable laws or regulations. This indemnification shall survive termination of this Sales Plan.

(b) Notwithstanding any other provision hereof, Raymond James shall not be liable to Seller for:

(i) special, indirect, punitive, exemplary or consequential damages, or incidental losses or damages of any kind, even if advised of the possibility of

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

(c) Notwithstanding any other provision hereof, Raymond James shall not be liable to Seller for

(i) the exercise of discretionary authority or discretionary control under this Trading Plan, if any, or

(ii) any failure to effect a sale required by paragraph A, except for failures to effect sales as a result of the gross negligence or willful misconduct of Raymond James.

2. Seller has consulted with Seller's own advisors as to the legal, tax, business, financial and related aspects of, and has not relied upon Raymond James or any person affiliated with Raymond James in connection with, Seller's adoption and implementation of this Sales Plan.

3. Seller acknowledges and agrees that in performing Seller's obligations hereunder neither Raymond James nor any of its affiliates nor any of their respective officers, employees or other representatives is exercising any discretionary authority or discretionary control respecting management of Seller's assets, or exercising any authority or control respecting management or disposition of Seller's assets, or otherwise acting as a fiduciary (within the meaning of Section 3(21) of the Employee Retirement Income Security Act of 1974, as amended, or Section 2510.3-21 of the Regulations promulgated by the United States Department of Labor) with respect to Seller or Seller's assets. Without limiting the foregoing, Seller further acknowledges and agrees that neither Raymond James nor any of its affiliates nor any of their respective officers, employees or other representatives has provided any "investment advice" within the meaning of such provisions, and that no views expressed by any such person will serve as a primary basis for investment decisions with respect to Seller's assets.

E. Agreement to Arbitrate The arbitration provisions of the Raymond James Client Agreement are incorporated by reference.
