The Company received a vendor settlement of \$7.0 million during the quarter ended March 31, 2009 which positively impacted net income.

Operating revenues were \$33.3 million and \$48.2 million during the three months ended March 31, 2009 and 2008, respectively and \$53.6 million and \$70.8 million for the six months ended March 31, 2009 and 2008, respectively. For the six months ended March 31, 2009, operations produced a loss of \$2.5 million compared with a profit from operations of \$3.6 million during the six months ended March 31, 2008. The decreases in revenue and gross profits were primarily due to lower revenues and profits from agriculture operations, primarily resulting from lower citrus prices compared with the prior year.

We are continuously analyzing our core businesses in an effort to improve margins and believe that we remain postured to capitalize on the real estate market as conditions improve and our strategic initiatives begin to take effect."
