We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion. The financial statements of The Great Atlantic & Pacific Tea Company, Inc. Savings Plan as of December 31, 2001 were audited by other independent auditors whose report, dated June 21, 2002, expressed an unqualified opinion on those financial statements.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule H, Line 4i- Schedule of Assets (Held At End of Year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE GREAT ATLANTIC & PACIFIC TEA COMPANY, INC. SAVINGS PLAN

1. PLAN DESCRIPTION

The following description of the Great Atlantic & Pacific Tea Company, Inc. ("Company") Savings Plan ("Savings Plan") provides only general information. Participants should refer to the Savings Plan agreement for a more complete description of the Savings Plan's provisions.

The Savings Plan is a voluntary defined contribution plan of the Company. The Savings Plan was formed effective January 1, 1991 by the merger of the Savings Plans of the following affiliates of the Company:

## Edgar Filing: GREAT ATLANTIC & PACIFIC TEA CO INC - Form 11-K

The Borman's Employees' Savings Trust  
The Shopwell, Inc. Savings Plan for Non-Union Employees  
The Waldbaum's, Inc. Management Savings Plan, and  
The Waldbaum's Food Mart Management & Staff Deferred Salary Plan

The employee and Company matching contributions of the Great Atlantic & Pacific Tea Company, Inc. Retirement Savings Plan ("RSP") were transferred to the Savings Plan effective September 30, 1991.

Effective March 1, 1995, the Company merged The Great Atlantic & Pacific Tea Company, Inc. Employees' Thrift Plan (the "Thrift Plan") into the Savings Plan. As a result of the merger, Thrift Plan investment account balances were transferred to the existing Savings Plan investment accounts.

The Savings Plan was amended effective October 1, 1998, resulting in changes in the investment of contributions and changes in investment options. Effective October 1, 1998, employee and employer contributions under the Plan are invested initially as elected by the participant. All subsequent changes to the investment of such contributions shall be made in 5% multiples in one or more investment funds only once in any one month period. Participants may also change his or her investment options with regard to future contributions once in any one month period.

The Savings Plan covers employees of the Company who are not covered by a collective bargaining agreement and who were (a) participants in one of the prior merged plans, unless the collective bargaining agreement specifically states otherwise, as of December 31, 1990 (September 30, 1991 for the RSP and March 1, 1995 for the Thrift Plan), or (b) completed at least one year of service (1,000 hours in a 12-month period) if age 21 or older or five years of service if under age 21 at the time of employment.

Eligible employees have the option to contribute from 1% to 16% of their base compensation to the Savings Plan. An employee's before tax contribution may not exceed 8%, while the after tax contribution may be from 1% to 20% of base compensation. The Internal Revenue Service limits the maximum amount a participant may contribute. The Company matches 50% of employees' contributions up to 6% of their compensation.

Participants direct the investment of their contributions into the plan, as discussed in Note 3, which includes various investment options offered by the Savings Plan. Employee contributions may not be allocated to the Employer Stock Fund. Participants are always 100% vested in their contributions and become fully vested in the Company's matching contributions after five years, in accordance with the following schedule:

	Vesting Percentage
	-----
Less than 2 years	0%
2 years but less than 3 years	25%
3 years but less than 4 years	50%
4 years but less than 5 years	75%
5 years or more	100%

Participants receive the value of the vested portion of their account balance when they leave the Company for any reason other than death, in which case a beneficiary would receive the benefit. Participants may generally withdraw unmatched after-tax contributions once during any 12 month period but may withdraw unmatched before-tax contributions only in the case of "financial hardship" as defined in the Plan.

For the year ended December 31, 2002, forfeited nonvested accounts totaled

## Edgar Filing: GREAT ATLANTIC & PACIFIC TEA CO INC - Form 11-K

\$142,551. These accounts will be used to reduce future employer contributions.

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.75% to 10.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

### 2. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Savings Plan are as follows:

- o The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.
- o The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.
- o The Plan's investments are presented at fair value using quoted market prices. In instances where quoted market prices are not available, the fair value of investments is estimated primarily by banks, independent investment brokerage firms and insurance companies.
- o Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.
- o Expenses - Administrative expenses of the Plan are paid by either the Plan or the Plan's Sponsor, as provided in the Plan document.
- o Payment of Benefits - Benefit payments to participants are recorded upon distribution.
- o Risks and Uncertainties - The Plan provides for various investment options. The Plan's mutual funds invest in various securities including U.S. government securities, corporate debt instruments and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for Plan benefits.

4. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of a common collective trust and

mutual funds managed by Prudential Trust Company. Prudential Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain administrative functions are performed by the officers and employees of the Company (who may be participants in the Plan) at no cost to the Plan. These transactions are not deemed prohibited transactions because they are covered by the statutory administrative exemption from the Internal Revenue Code's and ERISA's rules on prohibited transactions.

### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, each participant would receive the value of his or her interest in the trust funds attributable to both participant and employer contributions for all years of participation.

### 6. FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated June 19, 1995 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "Code"). The Plan has been amended to reflect the provisions required by the Small Business Job Protection Act ("SBJPA"), since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.
