Section 1 – Registrant’s Business and Operations

Item 1.01. Entry into a Material Definitive Agreement

On February 26, 2010, El Dorado Chemical Company (“EDCC”), a wholly-owned subsidiary of LSB Industries, Inc. (the “Company”), and Orica International PTE LTD. (“Orica”) entered into a new Ammonium Nitrate Supply Agreement (the “Supply Agreement”). The Supply Agreement is effective as of January 1, 2010, and provides that EDCC will manufacture for Orica 250,000 tons of industrial grade ammonium nitrate (“AN”) per year. The Supply Agreement requires Orica to pay certain amounts to EDCC if Orica does not purchase the required annual minimum. The Supply Agreement also provides that Orica will be the sole marketer (a) to the commercial explosive industries of AN and AN solution manufactured at the EDCC facility in El Dorado, Arkansas, and (b) of agricultural grade ammonium nitrate manufactured at the EDCC facility and destined for use in the commercial explosives industry in North America. The Supply Agreement replaces EDCC’s previous agreement to supply Orica USA Inc. (“Orica USA”) with 210,000 tons of AN product per year. Subject to certain limitations, Orica USA guarantees Orica’s obligations under the new Supply Agreement.

On February 23, 2010, EDCC, entered into a Second Amendment (the “Amendment”) to the Anhydrous Ammonia Sales Agreement, dated December 3, 2008 (the “Sales Agreement”), with KOCH Nitrogen International Sàrl (“Koch”). The Amendment extends the term of the Sales Agreement to December 31, 2012. The Sales Agreement, as amended, describes the terms and conditions under which Koch provides certain of EDCC’s anhydrous ammonia required for processing at EDCC’s El Dorado, Arkansas, chemical processing facility. Anhydrous ammonia is the primary raw material for the chemical products manufactured and sold by EDCC.

Item 1.02. Termination of a Material Definitive Agreement

On February 26, 2010, EDCC and Orica USA terminated the AN Supply Agreement, dated November 1, 2001, as amended. The termination is effective as of January 1, 2010. The terminated agreement was replaced by the new Supply Agreement described in Item 1.01 above, which disclosure is incorporated by reference into this Item 1.02.
