Item 1.01. Entry into a Material Definitive Agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

On August 13, 2012, the Company entered into a Tolling and Forbearance Agreement dated that date (the “Agreement”) with the Pension Benefit Guaranty Corporation (the “PBGC”). The PBGC is the agency of the United States government that administers the insurance program established under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), to protect private-sector defined benefit pension plans, including the Company’s Retirement Plan for Employees (the “Plan”).

The Agreement deals with the Company’s \$11,688,437 accelerated funding liability to the Plan that arose under Section 4062(e) of ERISA as a result of the Company’s closing of certain of its facilities in connection with the consolidation of its Subscription Fulfillment Services business and the associated work force reduction.

In the Agreement, the PBGC has agreed to forbear from asserting certain rights to obtain payment of the aforesaid accelerated funding liability granted to it by ERISA, and the Company has agreed (a) to pay \$3,000,000 of the liability not later than August 23, 2012, and (b) if it has not paid the remaining liability or adequately secured it with collateral acceptable to the PBGC before August 13, 2013, then either (i) to provide a letter of credit in an amount equal to 110% of the remaining liability or establish a cash escrow with an independent escrow agent in an amount equal to 100% of the remaining liability, to be maintained for five years or until the remaining liability is discharged, if sooner, or (ii) to provide security for the remaining liability acceptable to the PBGC and discharge the liability in quarterly installments over a five year period.

As previously indicated in the Company’s Annual Report to the Securities and Exchange Commission for the fiscal year ended April 30, 2012 on Form 10-K filed July 26, 2012, the Company is unable to offer any assurance that it will be able to discharge the remaining liability before August 13, 2013 or meet the PBGC’s requirements for securing and paying it, nor can it offer any assurance that, in the event of such inability, it will be able to negotiate with the PBGC to obtain further relief.

A copy of the Agreement is included as Exhibit 10.1 to this Current Report. Such Exhibit is incorporated into these Items 1.01 and 2.03 by reference and the description of the Agreement in these Items is qualified by such reference.
