**Item 2.02 Results of Operations and Financial Condition**

**Item 7.01 Regulation FD Disclosure**

On October 6, 2005, National Fuel Gas Company (the Company) issued a press release updating its production outlook, reviewing the effect of sustained high energy prices on its operating units and revising earnings guidance. The press release includes earnings guidance for the quarter and fiscal year ended September 30, 2005. A copy of the press release is hereby incorporated by reference into these Items 2.02 and 7.01 and furnished as part of this Current Report as Exhibit 99.

**Item 2.06 Material Impairments**

On October 6, 2005, Horizon Power, Inc., a wholly owned subsidiary of the Company, concluded that a charge for impairment of its interest in a natural gas fired co-generation plant in the town of North East, Pennsylvania, in the amount of \$4.2 million (pre-tax), is required under generally accepted accounting principles applicable to the Company. The facts and circumstances leading to this conclusion are described in the paragraph under the heading "Other Nonregulated Segments" on page 8 of Exhibit 99 hereto. Such paragraph is hereby incorporated by reference into this Item 2.06 and filed as part of this Item 2.06. The impairment charge will not result in future cash expenditures.
