Item 2.02. Results of Operations and Financial Condition

On October 27, 2008, the Registrant issued a press release reporting its financial results for the quarter and nine months ended September 30, 2008.

A copy of the press release is attached as Exhibit 99.1 and is hereby incorporated herein by reference.

Item 5.02. Departure of Directors or Certain Officers.

Joseph F. Fisher, a member of the Board of Directors and Audit Committee of the Registrant, has accepted the position of Chief Financial Officer of an insurance company. Effective October 24, 2008, Mr. Fisher resigned from the Board of Directors of the Registrant as a result of his new position. Mr. Fisher's resignation is not the result of any disagreement with or issue concerning the Registrant.

Item 8.01 Other Events

American Safety Insurance Services, Inc., a wholly-owned subsidiary of the Registrant and the Registrant's U.S. program development and management company (the "Company"), has renewed the core casualty reinsurance agreement effective as of September 1, 2008, with a term of one year, on behalf of American Safety Indemnity Company and American Safety Casualty Insurance Company, the Registrant's U.S. insurance subsidiaries, and American Safety Risk Retention Group, Inc., the Registrant's non-subsiary affiliate. The reinsurance agreement entered into last year simplified the reinsurance structure, reduced the number of reinsurance agreements, allowed the program business line to write new programs without having to enter the reinsurance market to purchase reinsurance for each program and allowed for ease of placement for new casualty products falling within the treaty guidelines. The agreement also provided protection from the impact of multiple and clash events. The reinsurers party to the agreement are: AXIS (US); The Faraday Syndicate; Folksamerica Reinsurance Company; Liberty Mutual Syndicate; Max Re Ltd.; Munich Reinsurance America, Inc.; Partner Reinsurance Company; QBE Reinsurance Corporation and Swiss Re Underwriters, with participations varying from 5% to 25% depending on the reinsurer and the area of coverage. The cost of the reinsurance provided by the renewal varies based on premium and the area of coverage and will be adjusted after the end of the renewal term.

The Company chose to non-renew the \$250,000 excess of \$250,000 layer applicable to the specialty program line in which 50% of the risk was ceded to reinsurers in the original agreement as experience indicated that ceding that layer was not cost-effective. The renewal provides four areas of coverage on essentially an as expiring basis, summarized as follows:

Casualty Lines – \$4.5 million excess of \$500,000, with 92.5% of the risk ceded to the reinsurers and covering all casualty lines other than surety, commercial umbrella and excess, including construction, products, specialty programs, and the casualty portion of package business.

Edgar Filing: AMERICAN SAFETY INSURANCE HOLDINGS LTD - Form 8-K

Environmental - \$4.5 million excess of \$500,000, with 62.5% of the risk ceded to the reinsurers. Premium on this layer for environmental is structured as a swing rate plan, which adjusts up or down subject to a minimum and maximum premium based on losses to the layer.

Casualty Lines - \$6.0 million excess of \$5.0 million atop the environmental lines layer (above), with 100% of the risk ceded to the reinsurers and covering the environmental line and limits in excess of \$5.0 million written in the umbrella and excess lines.

Umbrella and Excess - \$5 million quota share placed on a cessions basis for umbrella and excess business with 87.75% of the risk ceded to reinsurers on policies written over our primary general liability policies and with 78% of the risk ceded on policies written over other insurers' policies.
