Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As previously reported, on June 29, 2012, we entered into a Loan Agreement (the “Loan Agreement”) with Apollo Investment Corporation (“Apollo”), as Administrative Agent and Lender. The Loan Agreement provides for a credit facility of up to \$100 million (the “Apollo Credit Facility”) with an initial availability of \$55 million. On February 7, 2013, we entered into Waiver and Amendment No. 4 (the “Amendment”). Section 1 of the Amendment required us to request the full \$10 million of remaining availability under the Apollo Credit Facility's borrowing base by June 29, 2013 or pay a \$2 million unused fee.

On April 17, 2013, we submitted a third borrowing request to Apollo to borrow the remaining \$10 million. This request fulfills our obligation to request the remaining money and negates our obligation to pay the unused fee. We received the \$10 million from Apollo on April 25, 2013.

Immediately following this additional borrowing, the total principal amount of the loans outstanding under the Apollo Loan Facility, including capitalized interest added to that principal amount as a part of the “PIK Election” as defined in the Loan Agreement, was \$55,306,667.
