Item 2.02 - Results of Operations and Financial Condition.

On July 25, 2016, Park National Corporation (“Park”) issued a news release (the “Financial Results News Release”) announcing financial results for the three and six months ended June 30, 2016. A copy of the Financial Results News Release is included as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

Park's management uses certain non-GAAP (generally accepted accounting principles) financial measures to evaluate Park's performance. Specifically, management reviews return on average tangible equity, return on average tangible assets, tangible equity to tangible assets and tangible book value per share. Management has included in the Financial Results News Release information relating to the annualized return on average tangible equity, annualized return on average tangible assets, tangible equity to tangible assets and tangible book value per share for the three and six months ended June 30, 2016, March 31, 2016 and June 30, 2015. For purposes of calculating the annualized return on average tangible equity, a non-GAAP financial measure, net income for each period is divided by average tangible equity during the period. Average tangible equity equals average shareholders' equity during the applicable period less average goodwill during the applicable period. For the purpose of calculating the annualized return on average tangible assets, a non-GAAP financial measure, net income for each period is divided by average tangible assets during the period. Average tangible assets equals average assets during the applicable period less average goodwill during the applicable period. For the purpose of calculating tangible equity to tangible assets, a non-GAAP financial measure, tangible equity is divided by tangible assets. Tangible equity equals shareholders' equity less goodwill, in each case at period end. Tangible assets equals total assets less goodwill, in each case at period end. For the purpose of calculating tangible book value per share, a non-GAAP financial measure, tangible equity is divided by common shares outstanding at period end. Management believes that the disclosure of return on average tangible equity, return on average tangible assets, tangible equity to tangible assets and tangible book value per share presents additional information to the reader of the consolidated financial statements, which, when read in conjunction with the consolidated financial statements prepared in accordance with GAAP, assists in analyzing Park's operating performance, ensures comparability of operating performance from period to period, and facilitates comparisons with the performance of Park's peer financial holding companies and bank holding companies, while eliminating certain non-operational effects of acquisitions. In the Financial Results News Release, Park has provided a reconciliation of average tangible equity to average shareholders' equity, average tangible assets to average assets, tangible equity to shareholders' equity and tangible assets to total assets solely for the purpose of complying with SEC Regulation G and not as an indication that return on average tangible equity, return on average tangible assets, tangible equity to tangible assets and tangible book value per share are substitutes for return on average equity, return on average assets, shareholders' equity to total assets and book value per share, respectively, as determined by GAAP.

The Park National Bank (PNB)

The table below reflects PNB's net income for the first and second quarters of 2016, for the first half of 2016 and 2015, and for the fiscal years ended December 31, 2015 and 2014.

Net income	\$21,078	\$21,744	\$42,822	\$40,492	\$84,345	\$82,907

Net interest income of \$113.2 million for the six months ended June 30, 2016 represented a \$4.6 million, or 4.2%, increase, compared to \$108.6 million for the six months ended June 30, 2015. The increase was due to a \$235 million, or 4.9%, increase in average loans from \$4.8 billion for the six months ended June 30, 2015, to \$5.0 billion for the six months ended June 30, 2016. Included in interest income for the three months ended March 31, 2016 and June 30, 2016 was \$561,000 and \$88,000, respectively, in income related to PNB participations in legacy Vision Bank ("Vision") assets, compared to an aggregate amount of \$128,000 for the six months ended June 30, 2015.

The provision for loan losses of \$2.9 million for the six months ended June 30, 2016 represented a decrease of \$1.8 million, compared to \$4.7 million for the same period in 2015. Refer to the “Credit Metrics and Provision for (Recovery of) Loan Losses” section for additional details regarding the level of the provision for loan losses recognized in each period presented above.

Other income of \$35.7 million for the six months ended June 30, 2016 represented a \$1.0 million, or 2.7%, decrease, compared to \$36.7 million for the same period in 2015. The \$1.0 million decrease was primarily due to income of \$791,000 related to proceeds from the death benefits paid from a bank owned life insurance policy in 2015 and a decrease of \$937,000 in gain on

sale of OREO, net and other OREO income. These items were offset by a \$455,000 increase in other service income primarily related to mortgage loan originations, a \$385,000 increase in checkcard income, and a \$430,000 increase in income from fiduciary activities.

Other expense of \$84.1 million for the six months ended June 30, 2016 represented an increase of \$2.6 million, or 3.2%, compared to \$81.5 million for the same period in 2015. The \$2.6 million increase was primarily related to a \$677,000 increase in salaries expense, an \$1.2 million increase in furniture and equipment expense, an \$879,000 increase in professional fees and services and a \$444,000 increase in miscellaneous expense, offset by a decrease of \$1.1 million related to employee benefits expense. The \$444,000 increase in miscellaneous expense was primarily due to a \$1.5 million contribution in the second quarter of 2016 partially offset by \$1.1 million of expenses related to a prepayment penalty and a contract termination fee in the first half of 2015 that did not reoccur in 2016.

PNB's results for the six months ended June 30, 2016 and 2015, and for the fiscal year ended December 31, 2015, included income and expense related to participations in legacy Vision assets. The impact of these participations on particular items within PNB's income and expense is detailed in the table below:
