| Common Stock, no par value                                                                                                       | 30,000,000 shs.               | \$10.43                                            | \$312,900,000                                         |
| Rights to Purchase Series A Junior<br>Participating Cumulative Preferred Stock,<br>without par value, of Edison International(3) |                               |                                                    |                                                       |

- (1) In addition, pursuant to Rule 416(c) under the Securities Act of 1933, this registration covers an indeterminate amount of interests to be offered or sold pursuant to the employment described herein.
- (2) Estimated pursuant to Rules 457(c) and 457(h), solely for the purpose of calculating the fee on the basis of the average of the high and low prices of Edison International Common Stock on the consolidated reporting system as of NOVEMBER 1, 2002.
- (3) The Rights are initially carried and traded with the common stock. The value attributable to the Rights is included in the value of the common stock.

Edgar Filing: EDISON INTERNATIONAL - Form S-8

if any, is reflected in the value of the common stock.
