Item 1.01 Entry into a Material Definitive Agreement.

Indenture for 5.375% Senior Notes Due 2024

On May 30, 2017, FirstCash, Inc. (the “Company”) closed its previously announced private offering of \$300,000,000 of 5.375% senior notes due 2024 (the “Notes”). The Notes were sold in a private placement in reliance on Rule 144A and Regulation S under the Securities Act of 1933, as amended, pursuant to a purchase agreement between the Company, certain domestic subsidiaries of the Company and Credit Suisse Securities (USA) LLC, as representative of the initial purchasers.

The Notes were issued pursuant to an Indenture (the “Indenture”), dated as of May 30, 2017, by and among the Company, the guarantors listed therein and BOKF, NA, as trustee. The Indenture provides that interest on the Notes will accrue from May 30, 2017 and is payable semiannually in arrears on June 1 and December 1 of each year, beginning on December 1, 2017, and the Notes mature on June 1, 2024.

The Company may redeem some or all of the Notes at any time on or after June 1, 2020, at the redemption prices set forth in the Indenture, plus accrued and unpaid interest up to, but not including, the redemption date. Prior to June 1, 2020, the Company may redeem some or all of the Notes at a price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, plus the “make-whole” premium set forth in the Indenture. The Company may redeem up to 35% of the Notes on or prior to June 1, 2020 with the proceeds of certain equity offerings at the redemption prices set forth in the Indenture. If the Company sells certain assets or consummates certain change in control transactions, the Company will be required to make an offer to repurchase the Notes.

The Indenture contains certain covenants that, among other things, limit the Company’s ability and the ability of its restricted subsidiaries to incur additional indebtedness, make certain dividends, repurchase Company stock or make other distributions, make certain investments, create liens, transfer or sell assets, merge or consolidate, and enter into transactions with the Company’s affiliates. Such covenants are subject to a number of important exceptions and qualifications set forth in the Indenture. The Indenture also contains certain customary events of default, including failure to make payments in respect of the principal amount of the Notes, failure to make payments of interest on the Notes when due and payable, failure to comply with certain covenants and agreements and certain events of bankruptcy or insolvency.

Supplemental Indenture for 6.75% Senior Notes Due 2021

The Company completed the early settlement of its previously announced tender offer and consent solicitation for any and all of its outstanding 6.75% senior notes due 2021 (the “2021 Notes”), which was commenced on May 15, 2017. Having received the requisite consents from the holders of the 2021 Notes in the tender offer and consent solicitation, on May 30, 2017, the Company and the trustee executed a supplemental indenture (the “Supplemental Indenture”) to amend the indenture governing the 2021 Notes. The provisions of the Supplemental Indenture eliminate substantially all of the restrictive covenants and substantially all of the events of default (other than for failure to make payments and certain bankruptcy or insolvency events).

The preceding descriptions of the Indenture, the Notes and the Supplemental Indenture are summaries and are qualified in their entirety by the Indenture and the form of Notes, filed as Exhibit 4.1 hereto, and the Supplemental Indenture, filed as Exhibit 4.2 hereto, which are incorporated by reference herein.

## Unsecured Credit Facility

On May 30, 2017, the Company entered into the First Amendment to Amended and Restated Credit Agreement and Waiver to amend and extend its existing unsecured bank credit facility (the "Credit Facility"). The term of the Credit Facility was extended through September 2, 2022 and the financial covenants in the facility were amended to provide greater flexibility for making future share repurchases. In addition, the lenders agreed to waive a recent technical event of default due to the failure of certain subsidiaries to maintain good standing in their state of incorporation for a short period of time as a result of a delay by the state in processing a tax filing made timely by the Company.

The Credit Facility continues to bear interest, at the Company's option, at either (i) the prevailing London Interbank Offered Rate ("LIBOR") (with interest periods of 1, 2, 3 or 6 months at the Company's option) plus a fixed spread of 2.5% or (ii) the prevailing prime or base rate plus a fixed spread of 1.5%.

The preceding description of the First Amendment to Amended and Restated Credit Agreement and Waiver does not purport to be complete and is qualified in its entirety by the terms and conditions of the First Amendment to Amended and Restated Credit Agreement and Waiver, which is filed as Exhibit 10.1 hereto, and incorporated into this report by reference.
