### Item 5. Interests of Named Experts and Counsel.

The validity of the issuance of the shares of common stock registered under this registration statement has been passed upon for Financial Federal Corporation by Orrick, Herrington & Sutcliffe LLP. Lawrence B. Fisher, a director of the Company, is a partner of the law firm of Orrick, Herrington & Sutcliffe LLP, which has been retained by the Company in connection with certain legal matters. Mr. Fisher owns 2,500 shares of common stock of the Company.

### Item 6. Indemnification of Directors and Officers.

Section 78.7502 of the Nevada General Corporation Law permits a corporation to provide discretionary indemnification to any person against any threatened, pending or completed action, suit or proceeding, except an action by or in the right of the corporation, by reason of the fact that such person is or was a director, officer, employee or agent, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorney's fees, judgments, fines and amounts paid in settlements, if such indemnified person acted in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interest of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful.

With respect to any threatened, pending or completed action or suit by or in the right of the corporation, Section 78.7502 also permits a corporation to provide discretionary indemnification if such indemnified person acted in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the corporation; provided, however, that indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines otherwise in light of all the circumstances.

Section 78.7502 provides for mandatory indemnification against expenses, including attorney's fees, actually and reasonably incurred by such indemnified person in connection with the defense, to the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in the preceding two paragraphs, or in defense of any claim, issue or matter therein.

Section 78.751 of the Nevada General Corporation Law permits a corporation to include in its articles of incorporation, bylaws, and/or agreements between the corporation and its directors, officers, employees or agents provisions expanding the scope of indemnification beyond that specifically provided by current law, except that unless ordered by a court or for the advancement of certain expenses, indemnification may not be made to or on behalf of any director or officer if a final

adjudication establishes that such person's acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action. Section 78.752 of the Nevada General Corporation Law permits a corporation to purchase and maintain insurance or make other financial arrangements of behalf of any such indemnified persons.

2

The Ninth and Tenth Articles of Financial Federal Corporation's Restated Articles of Incorporation provides for the indemnification of directors and officers to the fullest extent permitted by the General Corporation Law of Nevada.

Article V, Section 5 of Financial Federal Corporation's Bylaws provides that the Company shall indemnify to the full extent authorized by law any person made or threatened to be made a party to an action, suit or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that such person or such person's testator or intestate is or was a director, officer, employee or agent of Financial Federal Corporation or is or was serving, at the request of the Company, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

A. (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (A) (1) (i) and (A) (1) (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration

statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report

4

pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
