Inktomi Reports First Quarter Fiscal 2003 Results

FOSTER CITY, Calif., January 16, 2003 Inktomi Corp. (NASDAQ:INKT) today reported financial results for the first quarter of fiscal year 2003 ended December 31, 2002. Revenues for the fiscal quarter were \$13.9 million, excluding revenues from Inktomi's enterprise search business, which was sold to Verity in the quarter. Pro-forma net loss was \$1.4 million or a loss of \$0.01 per share.

Pro-forma amounts exclude non-recurring items including real estate and asset impairment charges, losses on asset sales, restructuring charges, enterprise search discontinued operations, rental sublease income on our Bayside corporate headquarters, and a recovery from a prior period write-off. The GAAP net loss from continuing operations for the first fiscal quarter was \$24.4 million, or a loss of \$0.15 per share. The GAAP net loss including discontinued operations was \$17.0 million, or a loss of \$0.10 per share.

In the first fiscal quarter, revenue was primarily comprised of \$10.0 million from Inktomi's Web search business. The company also reported \$3.9 million of revenue from the content networking business.

In the first fiscal quarter, Inktomi completed the sale of its enterprise search business to Verity for \$25.0 million, of which \$22.0 million in cash was paid to Inktomi in December and \$3.0 million is expected to be paid in June 2004, potentially offset by any indemnification claims that may arise during the interim period. The profit resulting from discontinued operations of the enterprise search business in the quarter was \$7.5 million, reflecting revenues of \$3.6 million, costs and expenses of \$8.5 million, and a gain of \$12.4 million on the sale of the business to Verity.

In the quarter, Inktomi completed the sale of its Bayside corporate headquarters for \$41.5 million. In addition, the company reduced its total outstanding notes payable and capitalized leases by \$28.0 during the quarter to \$3.4 million outstanding at December 31, 2002. Inktomi ended the quarter with total cash, cash equivalents and short-term investments of \$59.1 million.

On December 23, 2002 Inktomi and Yahoo! entered into a definitive agreement under which Yahoo! will acquire Inktomi for a purchase price of \$1.65 per share in cash.
