-

**ITEM 1.01 Entry into a Material Definitive Agreement**

On November 22, 2005, the Board of Directors (the Board ) of Solectron Corporation (the Company ) approved a stock option grant (the Grant ) to Michael Cannon, President and CEO of the Company, for 750,000 shares of Common Stock of the Company at an exercise price of \$0.001 per share. The option was deemed exercised on the date of grant and provides for performance-based vesting whereby: (i) 1/3 of the shares will vest in a fiscal year upon attainment of certain Solectron performance targets established by the Board for that fiscal year; (ii) non-attainment of the Board established targets in two consecutive fiscal years will result in Mr. Cannon forfeiting 1/3 of the shares; and (iii) thereafter, 1/3 of the shares will be forfeited for each year of non-attainment. Reference is made to the Form 4 filed on November 23, 2005 in connection with the Grant by the Company on Mr. Cannon's behalf.

On October 11, 2006, the Board approved an amendment to the vesting provisions of the Grant so that, while 1/3 of the Grant shares may still vest in a fiscal year upon attainment of the Board established performance targets for that fiscal year, the Grant will nevertheless fully vest on the three-year anniversary of the November 22, 2005 grant date and will no longer be subject to any forfeiture for non-attainment of performance targets.

The Company has filed on Mr. Cannon's behalf an amended Form 4 concurrently with this Report on Form 8-K reflecting the amendment to the vesting provisions of the Grant.

---

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
