- 

**Item 8.01. Other Events.**

On June 30, 2009, we executed a loan agreement with Branch Banking and Trust Company in the amount of \$5,000,000 for the purpose of financing our ability to accommodate and fulfill pending orders from North American Stainless, a purchaser of our stainless steel inventory, and further expanding the purchase of scrap metals for our Alloys & Recycling Division due to the commencement of operations of our recently installed shredder. Together with the loan agreement we executed a promissory note, maturing September 28, 2009 at which time the principal plus accrued interest thereon is to be paid in full. The loan is a non-revolving credit facility and provides that we may borrow from time to time through the maturity date. The loan bears interest at the one month LIBOR plus 3.25% per annum, which shall be adjusted monthly on the first day of each month for each LIBOR interest period. The minimum rate of interest is 4.50%. Accrued interest is payable monthly commencing July 30, 2009 with the balance due at maturity on September 28, 2009. We have secured the loan with mortgages, related assignments of leases and rents and environmental certificates against our properties or those of our affiliates, ISA Real Estate, LLC, ISA Indiana Real Estate, LLC and 7021 Grade Lane, LLC. The locations of the properties are 3409 Campground Road, 6709, 7023, 7025, 7101, 7103 and 7110 Grade Lane in Louisville, Kentucky, 1565 East 4<sup>th</sup> Street, Seymour, Indiana, and 1607, 1617 and 1629 State Road 111 in New Albany, Indiana. In addition we have cross-collateralized this loan with our other indebtedness owed to BB&T, which include a credit facility not to exceed \$10 million dated December 22, 2006, a loan not to exceed \$12 million dated February 11, 2009 in connection with the purchase of the Venture Metal, LLC assets, a loan in the amount of \$6 million dated May 7, 2008 in connection with our new shredder, a loan in the principal amount of \$3 million dated May 7, 2008 related to our rental fleet and a BB&T Bankcard Corporation Commercial Credit Plan Agreement not to exceed \$2.5 million. As a result of this financing BB&T has reduced the available amount under the BB&T Bankcard from \$2.5 million to an amount not to exceed \$500,000 so long as this loan is outstanding. In addition to the cross-collateralization of these other financings with this loan, these loans are all cross-defaulted.

The terms of the loan agreement place certain restrictive covenants on us, including maintenance of a specified tangible net worth, debt to net worth and EBITA ratio. Consequently, these covenants restrict our ability to incur as

much additional debt as we may desire for future growth. At June 30, 2009, we were in compliance with all restrictive covenants related to our indebtedness owed to BB&T.

**Item 9.01 Financial Statements and Exhibits**
