Item 2. Acquisition or Disposition of Assets

Dynamic Materials Corporation, ("DMC"), announced on October 8, 2003 that it has completed the sale of its Precision Machined Products Division ("PMP") to Silvertip, L.L.C. ("Silvertip"). PMP is a contract machining shop specializing in high precision, high quality, complex machined parts used in the aerospace, satellite, medical equipment and high technology industries.

Pursuant to an Asset Purchase Agreement between DMC and Silvertip dated October 7, 2003, DMC sold the assets that constitute PMP for a sales price of \$580,000. The sales price is being financed by DMC through the issuance of a promissory note payable over a 2-1/2 year period.

The sales price was determined pursuant to arms-length negotiations between DMC and Silvertip. Silvertip is a private company unaffiliated with DMC and is a majority owned subsidiary of Mistequay Group. Ltd., Saginaw, Michigan.

Copies of the Asset Purchase Agreement and of a press release relating to the disposition are attached as exhibits hereto and are incorporated by reference herein.

Item 7. Financial Statements and Exhibits

(b) Pro Forma Financial Information

DYNAMIC MATERIALS CORPORATION UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL INFORMATION

The unaudited pro forma condensed consolidated balance sheet as of June 30, 2003 gives effect to the sale of PMP as if it had occurred on June 30, 2003. The unaudited pro forma condensed consolidated statements of operations for the six months ended June 30, 2003 and the fiscal year ended December 31, 2003 give effect to the sale of PMP as if it had occurred at the beginning of each of the periods presented.

Pro forma financial statements require the presentation of earnings from continuing operations after income tax but before discontinued operations, extraordinary items, and cumulative effect of a change in accounting principle. Therefore, the cumulative effect of a change in accounting principle of \$2,318,108, net of taxes, related to goodwill impairment under SFAS 142 included in the historical consolidated statement of operations for the fiscal year ended December 31, 2002 has been omitted.

The unaudited pro forma condensed consolidated financial information has been prepared and should be read in conjunction with the historical consolidated financial statements and related notes thereto of DMC, the "Management's Discussion and Analysis of Financial Condition and

Results of Operations" included in DMC's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 and DMC's Quarterly Report on Form 10-Q as of June 30, 2003 filed with the Securities and Exchange Commission ("SEC").

Unaudited pro forma condensed financial information is presented for illustrative purposes only and is not necessarily indicative of the results that actually would have been realized had the assets been sold during these periods. Additionally, the future consolidated financial position and results of operations will differ, perhaps significantly, from the pro forma amounts reflected herein because of a variety of factors, including access to additional information and changes in values not currently identified due to post-closing adjustments and reconciliation, which could result in adjustment to, among other items, the ultimate loss in connection with the sale of PMP.

To the extent that this pro forma financial information is forward looking, it is made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The forward-looking statements reflect assumptions and involve a number of risks and uncertainties, which may be beyond the Company's control, including the risks detailed from time to time in DMC's SEC reports, including the report on Form 10-K for the fiscal year ended December 31, 2002.
