ITEM 14. INDEMNIFICATION OF DIRECTORS AND OFFICERS

As permitted by the Delaware General Corporation Law, we have included in our Certificate of Incorporation a provision to eliminate the personal liability

Edgar Filing: NEOMEDIA TECHNOLOGIES INC - Form S-1/A

of our directors for monetary damages for breach or alleged breach of their fiduciary duties as directors, except for liability (i) for any breach of the director's duty of loyalty to NeoMedia or its stockholders, (ii) for acts or omissions not in good faith or which involved intentional misconduct or a knowing violation of law, (iii) in respect of certain unlawful dividend payments or stock redemptions or repurchases, as provided in Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. The effect of this provision is to eliminate the rights of NeoMedia and its stockholders (through stockholders' derivative suits on behalf of NeoMedia) to recover monetary damages against a director for breach of the fiduciary duty of care as a director except in the situations described in (i) through (iv) above. This provision does not limit nor eliminate the rights of NeoMedia or any stockholder to seek non-monetary relief such as an injunction or rescission in the event of a breach of a director's duty of care. These provisions will not alter the liability of directors under federal securities laws.

The certificate of incorporation and the by-laws of NeoMedia provide that we are required and permitted to indemnify our officers and directors, employees and agents under certain circumstances. In addition, if permitted by law, we are required to advance expenses to our officers and directors as incurred in connection with proceedings against them in their capacity as a director or officer for which they may be indemnified upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to indemnification. At present, we are not aware of any pending or threatened litigation or proceeding involving a director, officer, employee or agent of NeoMedia in which indemnification would be required or permitted.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers or controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

One \$250,000 note was extended until January 6, 2000, and the other was extended until February 25, 2000. These notes were secured by 375,000 shares of our common stock by placing them in an escrow account. These shares were considered issued but not outstanding for 1999. As part of obtaining the financing, 37,500 stock warrants, exercisable at \$2.00 per share, were issued to the lender. These warrants were exercised in February 2000. During 2000, both notes were repaid and the 375,000 shares securing the notes have been released from escrow and retired by us.

II-5

We relied upon the exemption provided in Section 4(2) of the Securities Act and/or Rule 506 thereunder, which cover "transactions by an issuer not involving any public offering," to issue securities discussed above without registration under the Securities Act of 1933. We made a determination in each case that the person to whom the securities were issued did not need the protection that registration would afford. The certificates representing the securities issued displayed a restrictive legend to prevent transfer except in compliance with applicable laws, and our transfer agent was instructed not to permit transfers unless directed to do so by us, after approval by our legal counsel. We believe that the investors to whom securities were issued had such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of the prospective investment. We also believe that the investors had access to the same type of information as would be contained in a registration statement.

UNDERTAKINGS

The undersigned registrant hereby undertakes:

(1) To file, during any period in which it offers or sells securities, a post-effective amendment to this registration statement to:

(i) Include any prospectus required by Sections 10(a)(3) of the Securities Act of 1933 (the "Act");

(ii) Reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) Include any additional or changed material information on the plan of distribution;

Edgar Filing: NEOMEDIA TECHNOLOGIES INC - Form S-1/A

(2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities that remain unsold at the end of the offering.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the small business issuer pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the small business issuer of expenses incurred or paid by a director, officer or controlling person of the small business issuer in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the small business issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
