There can be no assurance that the transactions contemplated by the Purchase Agreement will be consummated or as to their terms or their timing.

Purchase Agreement

On October 17, 2006, Fund Management entered into the Purchase Agreement with the Issuer pursuant to which Fund Management and/or its affiliates ("MHR") would purchase from the Issuer \$300,000,098 of two newly created series of convertible perpetual preferred stock of the Issuer.

MHR, through the Reporting Persons, currently owns, in the aggregate, 35.9% of the outstanding Shares, and three of MHR's employees or officers are directors of the Issuer's eight-member Board of Directors (the "Board"), one of whom, Dr. Rachesky, serves as the non-executive chairman of the Board. MHR also owns, according to the Issuer's Form 10-K for the fiscal year ended December 31, 2005, approximately 38.3% of the Series A 12% Non-Convertible Preferred Stock (the "Skynet Preferred Stock") and 44.6% of the 14% Senior Secured PIK Notes (the "Skynet Secured Notes") of Loral Skynet Corporation ("Skynet"), one of the Issuer's principal wholly-owned subsidiaries.

MHR, with the advice of its legal and financial advisors, negotiated the terms of the proposed transaction (the "Transaction") with a Special Committee of the Board, composed of independent directors, and its legal and financial advisors. The Issuer announced that the Transaction was unanimously approved by the disinterested members of the Board with the unanimous affirmative recommendation of the Special Committee.

Pursuant to the Purchase Agreement, MHR will purchase 136,526 shares of Series A Cumulative 7.50% Convertible Perpetual Preferred Stock (the "Series A Preferred Stock") and 858,486 shares of Series B Cumulative 7.50% Convertible Perpetual Preferred Stock (the "Series B Preferred Stock" and, together with the Series A Preferred Stock, the "Preferred Stock") for an aggregate purchase price of \$300,000,098. The shares of Series A Preferred Stock and Series B Preferred Stock each carry nominal voting rights of 1/10,000 of a share. Each share of the Series A Preferred Stock will be convertible, at the option of the holder, into ten Shares at an initial conversion price of \$30.1504 per Share. Prior to the Majority Ownership Date (as defined below), each share of the Series B Preferred Stock will be convertible, at the option of the holder, into ten shares of Class B Common Stock, par value \$.01, of the Issuer (the "Class B Common Stock"), at an initial conversion price of \$30.1504 per Share, which is not currently authorized but will be proposed as a charter amendment to the Issuer's stockholders at the Issuer's next annual meeting

of stockholders that, as announced by the Issuer, is expected in the second quarter of 2007. After the Majority Ownership Date, each share of Series B Preferred Stock will be convertible, at the option of the holder, into ten Shares at an initial conversion price of \$30.1504 per Share.

The Issuer has agreed in the Purchase Agreement to make a proposal to its stockholders at its 2007 annual shareholder meeting to amend its Restated Certificate of Incorporation to authorize the Class B Common Stock and to eliminate its prohibition on the creation of non-voting stock. If the amendment to eliminate the prohibition on non-voting stock is approved by the Issuer's stockholders, the Class B Common Stock will be non-voting. Otherwise, the Class B Common Stock will have nominal voting rights of 1/10,000 of a share, as does each share of Preferred Stock. In addition, the Issuer has announced that the Board has approved for submission to its stockholders at the next annual stockholder meeting, and, in the Purchase Agreement MHR has agreed to vote in favor of, a proposal to increase the number of authorized Shares to 60 million.

The terms of both series of Preferred Stock are designed so that, prior to the Majority Ownership Date, any Shares issuable in the aggregate to MHR upon conversion of the Preferred Stock, when taken together with MHR's current holdings of Shares, will not represent more than 39.999% of the aggregate voting power of the securities of the Issuer. The "Majority Ownership Date" means the earlier of the date that (i) MHR's beneficial ownership of Shares, not including any of the Shares issuable upon the conversion of the Preferred Stock, represents more than 50% of the Shares of the Issuer, or (ii) a third party has acquired a majority of the Shares on a fully diluted basis other than pursuant to certain prohibited transfers of the Series A Preferred Stock from MHR. After the Majority Ownership Date, this restriction will no longer apply, and all shares of Preferred Stock will be convertible into Shares.

Holders of the Preferred Stock will be entitled to PIK (payment in kind) dividends through January 2011 (assuming the Transaction is consummated by December 2006). Thereafter, if the Issuer satisfies certain financial requirements, the dividend will be payable in cash or in kind at the Issuer's option. The Issuer will be able to cause the Preferred Stock to be converted into Shares after 5.5 years from issuance if the Shares are trading above certain volume thresholds and above 125 percent of the conversion price of the Preferred Stock at that time for twenty trading days in a 30 trading day period.

Following the consummation of the Transaction, MHR will have the right to nominate one new member to the Board so that following the election of that nominee, MHR's employees, officers or other representatives will hold four of the nine seats on the Board. If the Issuer fails to make three dividend payments when required under the terms of the Preferred Stock, the holders of the Preferred Stock will have the right to elect two additional directors, but such additional directors must not be officers or employees of MHR if their appointment would result in MHR employees, officers or other representatives constituting a majority of the Board. If the additional directors would cause a majority of the Board to be appointed by the holders of the Preferred Stock, then these additional directors will be appointed when they are reasonably acceptable to the Issuer.

The Transaction is subject to customary closing conditions, including approval under the Hart-Scott-Rodino Antitrust Improvements Act of 1976.

Registration Rights Agreement

In connection with, and upon closing of the Transaction, the Issuer and Loral Skynet will enter into an Amended and Restated Registration Rights Agreement with MHR (the "Amended Registration Rights Agreement"). The Amended Registration Rights Agreement will provide that the shares of Series A Preferred Stock and Series B Preferred Stock acquired by MHR in the Transaction, as well as the Shares and Class B Common Stock into which such shares are convertible, as the case may be, will be registrable securities and entitled to registration rights under the Amended and Registration Rights Agreement. The Amended Registration Rights Agreement will also provide that the Issuer's obligation to file a shelf registration statement covering resales to the public of shares of Series A Preferred Stock, Series B Preferred Stock and Class B Common Stock, and of Shares issued upon the conversion or exchange of

any of the foregoing, held from time to time by MHR, will be deferred until seven days (subject to extension in certain events) after a request from the selling stockholders or a Board resolution that such filing be made. In addition, the Amended Registration Rights Agreement will replace the nine-month period that the Issuer was required to refrain from initiating a proposal to register or otherwise conducting an underwritten offering of equity securities for its own account following the effectiveness of the MHR shelf registration statement with a period ending on March 1, 2007, subject to extension, in the event the MHR shelf registration statement is filed during the period, by the number of days that elapse between such filing and the effectiveness of the registration statement.

Except as otherwise set forth in this Statement, none of the Reporting Persons currently has additional plans or proposals which relate to or which would result in any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to Schedule 13D. However, from time to time the Reporting Persons may evaluate the possibility of disposing of or acquiring Shares, or entering into various corporate transactions involving the Issuer. The Reporting Persons reserve the right to formulate plans or proposals regarding the Issuer or any of its securities and to carry out any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to this Schedule 13D, to the extent deemed advisable by the Reporting Persons.

From time to time each of the Reporting Persons may lend portfolio securities to brokers, banks or other financial institutions. These loans typically obligate the borrower to return the securities, or an equal amount of securities of the same class, to the lender and typically provide that the borrower is entitled to exercise voting rights and retain dividends during the term of the loan. From time to time, to the extent permitted by applicable law, each of the Reporting Persons may borrow securities, including the Shares, for the purpose of effecting, and may effect, short sale transactions, and may purchase securities for the purpose of closing out short sale positions in such securities.
