RULE 13E-3 TRANSACTION STATEMENT

 This Amendment No. 3 to the Rule 13e-3 Transaction Statement on Schedule 13E-3 is filed by Sturgis Bancorp, Inc. (the "Company") and SB Merger Company ("SB Merger Co.") on September 29, 2004, as amended on November 24, 2004, and December 17, 2004, is filed by the Company and SB Merger Co. in connection with the proposed merger of the Company and SB Merger Co., a wholly owned subsidiary of the Company, in which the Company will be the surviving corporation. Upon approval of an Agreement and Plan of Merger (the "Plan of Merger") by the Company's shareholders, it is expected that the merger will be effected by the filing of a certificate of merger with the Michigan Department of Labor and Economic Growth.

 Pursuant to the Plan of Merger, SB Merger Co. will merge with and into the Company. Each shareholder of the Company holding of record fewer than 500 shares of Common Stock immediately before the effective time of the merger will receive \$16.00 per share in cash, without interest, and each shareholder of the Company holding of record 500 or more shares immediately before the effective time of the merger will continue to hold the same number of shares after the merger and will not receive any cash. If the merger is completed, it is expected that the Company will have fewer than 300 shareholders of its Common Stock and will terminate the registration of its Common Stock under the Securities Exchange Act of 1934 (the "Exchange Act").

 Filed as Exhibits (a)(1) and (a)(2), respectively, are a Notice of Special Meeting of Shareholders and Proxy Statement (the "Proxy Statement") and a form of Proxy that will accompany the Proxy Statement. The Proxy Statement will be distributed to the Company's shareholders in connection with a Special Meeting of Shareholders to be held on February 22, 2005, for the purpose of voting on a proposal to approve the Plan of Merger and a proposal to amend the Company's articles of incorporation.

 The Company has securities registered under the Exchange Act and consequently is subject to Regulation 14A of the Exchange Act. The Company is filing this Schedule 13E-3 with the Securities and Exchange Commission contemporaneously with a definitive proxy statement filed by the Company pursuant to Regulation 14A of the Exchange Act.

 In accordance with General Instruction F to Schedule 13E-3, the information set forth in the Proxy Statement (including the appendices thereto) is here incorporated by reference in response to Items 1-14 of Schedule 13E-3, in the manner and to the extent specified below. In addition, the Company has incorporated by reference certain financial information contained in its Annual Report on Form 10-K and Quarterly Report on Form 10-Q as specified below. SB Merger Co. was organized exclusively for the purposes of the merger. It is controlled entirely by the Company and its directors and officers are directors and officers of the Company. It has engaged in no independent analysis of the merger. SB Merger Co. expressly adopts the disclosures, conclusions and analyses of the Company.

This Schedule 13E-3 contains forward-looking statements. The forward-looking statements are based on management's beliefs, assumptions, current expectations, estimates and projections about the Plan of Merger, the merger, the Company itself, the economy and the banking industry itself. Words such as "anticipates," "believes," "estimates," "expects," "forecasts," "intends," "is likely," "plans,"

"predicts," "projects," variations of such words and similar expressions (whether contained in this Schedule 13E-3 or incorporated into this schedule by reference) are intended to identify such forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions ("risk factors") that are difficult to predict with regard to timing, extent, likelihood, and degree of occurrence. Actual results and outcomes may materially differ from what may be expressed or forecasted. Risk factors include, but are not limited to, changes in banking laws and regulations; changes in securities and tax laws; changes in governmental and regulatory policy; changes in the national and local economy; changes in costs and other assumptions used in forecasting management's expectations concerning the costs and cost savings associated with the merger; the ability of the Company to implement effectively the merger; and the ability to and speed with which the Company may achieve all cost savings anticipated from the merger. These are representative of the risk factors that could cause a difference between an ultimate actual outcome and a forward-looking statement.
