ANNUAL MEETING OF SHAREHOLDERS

April 26, 2007

PROXY STATEMENT

Meeting Information

Time and Place of Meeting

You are invited to attend the annual meeting of shareholders of ChoiceOne Financial Services, Inc. that will be held on Thursday, April 26, 2007, at Moss Ridge Golf Club, 13545 Apple Avenue, Ravenna, Michigan, at 11:00 a.m. local time.

This proxy statement and the enclosed proxy are being furnished to you on and after April 6, 2007, in connection with the solicitation of proxies by ChoiceOne's Board of Directors for use at the annual meeting. In this proxy statement, "we," "us," "our" and "ChoiceOne" refer to ChoiceOne Financial Services, Inc. and "you" and "your" refer to ChoiceOne shareholders.

Purpose of Meeting

The purpose of the annual meeting is to consider and vote upon the election of directors. **Your Board of Directors recommends that you vote FOR each of the nominees discussed in this proxy statement.**

How to Vote Your Shares

You may vote at the meeting if you were a shareholder of record of ChoiceOne common stock on March 1, 2007. You are entitled to one vote per share of ChoiceOne common stock that you own on each matter presented at the annual meeting.

As of March 1, 2007, there were 3,241,624 shares of ChoiceOne common stock issued and outstanding.

Your shares will be voted at the annual meeting if you properly sign and return to us the enclosed proxy. If you specify a choice, your proxy will be voted as specified. If you do not specify a choice, your shares will be voted for the election of each nominee for director named in this proxy statement. If other matters are presented at the annual meeting, the individuals named in the enclosed proxy will vote your shares on those matters in their discretion. As of the date of this proxy statement, we do not know of any other matters to be considered at the annual meeting.

You may revoke your proxy at any time before it is exercised by:

delivering written notice to the Secretary of ChoiceOne; or
attending and voting at the annual meeting.

Who Will Solicit Proxies

Directors, officers and employees of ChoiceOne and ChoiceOne Bank (referred to as the "Bank") will initially solicit proxies by mail. They also may solicit proxies in person, by telephone or by other means, but they will not receive any additional compensation for these efforts. Nominees, trustees and other fiduciaries who hold stock on behalf of beneficial owners of ChoiceOne common stock may communicate with the beneficial owners by mail or otherwise and may forward proxy materials to and solicit proxies from the beneficial owners. ChoiceOne will pay all expenses related to soliciting proxies.

Required Vote and Quorum

A plurality of the shares voting at the annual meeting is required to elect directors. This means that if there are more nominees than director positions to be filled, the nominees for whom the most votes are cast will be elected. In counting votes on the election of directors, abstentions, broker non-votes and other shares not voted will not be counted as voted, and the number of shares of which a plurality is required will be reduced by the number of shares not voted.

A majority of the shares entitled to vote at the annual meeting must be present or represented at the meeting to constitute a quorum. If you submit a proxy or attend the meeting in person, your shares will be counted towards the quorum, even if you abstain from voting on some or all of the matters introduced at the meeting. Broker non-votes also count for quorum purposes.

Election of Directors

The Board of Directors presently consists of fourteen individuals divided into three classes. Each class of directors is as nearly equal in number as possible and serves for a three-year term of office. The term of office of one class of directors expires at the annual meeting each year. An individual may not continue to serve on the Board of Directors after he or she becomes 70 years old.

The Board of Directors proposes that the following nominees be elected as directors for terms expiring at the annual meeting of shareholders to be held in 2010:

Frank Berris
Stuart Goodfellow
Gary Gust
Robert Humphreys

Each proposed nominee currently serves as a director of ChoiceOne. The persons named in the enclosed proxy intend to vote for the election of the four nominees listed. The proposed nominees are willing to be elected and serve as directors. If a nominee is unable to serve or is otherwise unavailable for election - which we do not anticipate - the incumbent Board of Directors may or may not select a substitute nominee. If a substitute nominee is selected, your proxy will be voted for the person so selected. If a substitute nominee is not selected, your proxy will be voted for the election of the remaining nominees. No proxy will be voted for a greater number of persons than the number of nominees named.

Corporate Governance

Independence

The Board of Directors has determined that the following 11 of its 14 directors meet the applicable National Association of Securities Dealers ("NASD") standards for independence (including the heightened independence criteria applicable to audit committee members under the NASD and Securities and Exchange Commission ("SEC") independence standards), have no material relationship with ChoiceOne, and therefore are independent:

Jerome B. Arends
K. Timothy Bull
William F. Cutler, Jr.
Stuart Goodfellow
Gary Gust
Robert Humphreys
Paul Johnson
Dennis Nelson
Jon E. Pike
Donald VanSingel
Andrew Zamiaara

In addition, the Board of directors has determined that Lewis Emmons and Bruce Johnson, who served on ChoiceOne's Board of Directors prior to the Merger, met the applicable NASD standards for independence while they were directors.

Mr. Berris is not considered independent because he purchased, through an affiliate, a parcel of real estate from the Bank in 2004.

In making this determination, the Board of Directors considered the performance of construction and maintenance services for the Bank by Messrs. Gust and Arends or companies in which they have interests. In all such cases, the amounts paid by the Bank were below the materiality thresholds set by NASD rules.

Committees of the Board of Directors

The Board of Directors has established the following four standing committees:

Audit Committee
Executive and Loan Review Committee
Governance and Nominating Committee
Personnel and Benefits Committee

Audit Committee. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent public accountants. The Audit Committee reviews their fees for audit and non-audit services and the scope and results of audits performed by them. The Audit Committee also reviews

ChoiceOne's internal accounting controls, the proposed form of its financial statements, the results of internal audits and compliance programs, and the results of the examinations received from regulatory authorities. The Audit Committee operates pursuant to a written charter, which was adopted by the Board of Directors. A current copy of the Audit Committee charter can be found on ChoiceOne's website at www.choiceone.com. As of the date of this proxy statement, Jon E. Pike (Chairman), William F. Cutler, Jr. and Donald VanSingel serve on the Audit Committee. ChoiceOne has designated Mr. Pike as its audit committee financial expert as defined by the SEC. All of the members of the Audit Committee are "independent" directors as defined by the rules of the SEC and the NASD. The Audit Committee met four times during 2006.

Executive and Loan Review Committee. The Executive and Loan Review Committee reviews all aspects of the Bank's loan activity, including new loans of \$25,000 or more, problem or other loans identified by examiners, loans 60 days or more past due and non-accrual loans. The Executive and Loan Review Committee also approves loan charge-offs and extensions of credit of up to 15% of the capital and surplus of the Bank. The Executive and Loan Review Committee may also act in other capacities if the Board of Directors so authorizes. As of the date of this proxy statement Richard L. Edgar (Chairman), James A. Bosserd, Jon E. Pike, Robert Humphreys, Frank Berris, Jerome Arends, Stuart Goodfellow, Donald VanSingel, and Paul Johnson serve on the Executive and Loan Review Committee. There are no requirements that members of this committee be "independent." The Executive and Loan Review Committee met 12 times during 2006.

Governance and Nominating Committee. The Governance and Nominating Committee administers the process of nominations for directorships and coordinates ChoiceOne's corporate governance initiatives and policies. The Governance and Nominating Committee operates pursuant to a written charter, which was adopted by the Board of Directors. A current copy of the Governance and Nominating Committee charter can be found on ChoiceOne's website at www.choiceone.com. As of the date of this proxy statement, Jon E. Pike (Chairman), William F. Cutler, Jr. and Robert Humphreys serve on the Governance and Nominating Committee. All of the members of the Governance and Nominating Committee are "independent" directors as defined by the rules of the NASD. The Governance and Nominating Committee met three

times during 2006.

Personnel and Benefits Committee. The Personnel and Benefits Committee performs the functions of a compensation committee. The Personnel and Benefits Committee:

- Reviews from time to time the personnel policies and programs of ChoiceOne, and submits recommendations to the Board of Directors;
- Administers the equity plans of ChoiceOne that are approved by the Board of Directors;
- Reviews the administration of and proposed changes to the retirement and welfare benefit plans of ChoiceOne that are approved by the Board of Directors;
- Makes recommendations to the Board of Directors with respect to incentive compensation plans and equity-based plans;
- Makes any determinations and approvals relating to incentive-based compensation (with the ratification of the Board of Directors) as required to comply with applicable tax laws;
- While meeting outside of the presence of the Chief Executive Officer, reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluates the performance of the Chief Executive Officer in light of those corporate goals and objectives, and determines the compensation of the Chief Executive Officer based on the evaluation; and
- While meeting outside of the presence of the Chief Executive Officer, determines the long-term incentive component of the compensation of the Chief Executive Officer, taking into consideration ChoiceOne's performance and relative shareholder return, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to the ChoiceOne's Chief Executive Officer in past years.

The Personnel and Benefits Committee operates pursuant to a written charter, which was adopted by the Board of Directors. A current copy of the Personnel and Benefits Committee charter can be found on ChoiceOne's website at www.choiceone.com. Other than Frank Berris, all of the members of the Personnel and Benefits Committee are "independent" directors as defined by the rules of the NASD. As of the date of this proxy statement, Andrew W. Zamiara (Chairman), Frank Berris, and Donald VanSingel serve on the Personnel and Benefits Committee. James A. Bosserd attends meetings but is not a member of this committee. The Personnel and Benefits Committee met three times during 2006.

Shareholder Nominations

The Governance and Nominating Committee will consider director candidates recommended by shareholders, directors, officers, third party search firms and other sources. Shareholders may recommend individual nominees for consideration by the Governance and Nominating Committee by communicating with the committee as described under the heading "Communicating with the Board of Directors." The Governance and Nominating Committee will ultimately determine whether a shareholder recommendation will result in a nomination under this process. In considering potential nominees, the committee will review all candidates in the same manner, regardless of the source of the recommendation. In evaluating the skills and characteristics required of board members, the committee considers various factors and believes that each candidate should:

- be chosen without regard to sex, race, religion or national origin;
- be an individual of the highest character and integrity and have an inquiring mind, vision and the ability to work well with others;
- be free of any conflict of interest that would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director;
- possess substantial and significant experience that would be of particular importance to ChoiceOne in the performance of the duties of a director;
- have sufficient time available to devote to the affairs of ChoiceOne in order to carry out the responsibilities of a director; and
- have the capacity and desire to represent the balanced, best interests of the shareholders as a whole.

To make a direct shareholder nomination, you must send a notice to the Secretary of ChoiceOne that sets forth with respect to each proposed nominee:

Edgar Filing: CHOICEONE FINANCIAL SERVICES INC - Form DEF 14A

the name, age, business address and residence address of the nominee;
the principal occupation or employment of the nominee;
the number of shares of common stock of ChoiceOne that the nominee beneficially owns;

a statement that the nominee is willing to be nominated and to serve; and such other information concerning the nominee as would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of the nominee.

You must send this notice to the Secretary not less than 120 days prior to the date of notice of an annual meeting and not more than seven days following the date of notice of a special meeting called for election of directors.

Board Meetings and Attendance

During 2006, the ChoiceOne Board of Directors held 12 regular meetings and four special meetings. All directors attended at least 75% of the aggregate number of meetings of the Board of Directors and meetings of committees on which they served during the year (during the periods that they served).

Annual Meeting Attendance

ChoiceOne expects all of its directors to attend the annual meeting. In 2006, all directors attended the annual meeting.

Communicating with the Board of Directors

Shareholders and interested parties may communicate with members of ChoiceOne's Board of Directors by sending correspondence addressed to the board as a whole, a specific committee, or a specific board member c/o Linda R. Pitsch, Secretary, ChoiceOne Financial Services, Inc., 109 East Division, Sparta, Michigan 49345. All correspondence will be forwarded directly to the applicable members of the Board of Directors.

Executive Compensation

Compensation Discussion and Analysis

Overview

The Personnel and Benefits Committee of ChoiceOne's Board of Directors administers benefit plans, reviews ChoiceOne's key personnel policies and programs, including individual salaries of executive officers, and submits recommendations to the Board of Directors. Directors who are also employees of ChoiceOne or the Bank may not serve as voting members of the Personnel and Benefits Committee. The Personnel and Benefits Committee receives recommendations from ChoiceOne's Chief Executive Officer regarding the compensation of senior and executive officers (other than the Chief Executive Officer). All executive and senior officers of ChoiceOne are eligible to participate in the same executive compensation plans that are available to the Chief Executive Officer, except that only the Chief Executive Officer has an employment agreement.

Philosophy and Objectives of the Company's Compensation Programs

Successful long-term financial performance and increasing shareholder value are ChoiceOne's primary corporate goals.

To achieve these goals, the Personnel and Benefits Committee believes ChoiceOne must provide competitive salaries and appropriate incentives to achieve long-term shareholder return. ChoiceOne's executive compensation policies are designed to achieve four primary objectives:

- attract and retain well-qualified executives who will lead and inspire superior performance;
- provide incentives for achievement of specific short-term individual and corporate goals and to reward attainment of goals and individual performance and achievement;
- provide incentives for achievement of long-term shareholder return; and
- align the interests of management with those of the shareholders to encourage continuing increases in shareholder value.

The Personnel and Benefits Committee aims to balance salaries with potential compensation that is performance-based commensurate with an officer's individual management responsibilities and potential for future contribution to corporate objectives. The portion of total compensation that is based on corporate performance and long-term shareholder

return increases as an executive's responsibilities increase.

Elements of Compensation

ChoiceOne's executive compensation program consists of four components:

- base salary;
- annual cash incentive bonus opportunities;
- long-term incentives through awards of stock options; and
- participation in ChoiceOne's retirement plan.

In determining the levels of some components, the Personnel and Benefits Committee considers only corporate performance. In determining the levels of other components, such as base salary and annual cash incentive bonus opportunities, the Personnel and Benefits Committee will consider a number of factors in addition to corporate performance.

Base Salary. When establishing base salary levels, the Personnel and Benefits Committee's primary goal is to be competitive. The Personnel and Benefits Committee considers each officer's performance, current compensation and responsibilities within ChoiceOne. The Personnel and Benefits Committee establishes ranges for base salaries of executive officers by comparing ChoiceOne to other more or less comparable bank holding companies. In general, salaries paid to ChoiceOne's executives have been closer to the median, rather than either the high or low end, of each range. Although the Personnel and Benefits Committee considers corporate performance when establishing base salary levels, corporate performance is not the most important factor. The Personnel and Benefits Committee also considers a discretionary assessment of job performance when establishing base salary levels. No specific weight is given to any particular factor.

Discretionary Bonus Plan. Under ChoiceOne's discretionary bonus plan, executives may earn bonuses based upon individual and corporate performance, as determined by the Personnel and Benefits Committee, in its sole discretion. Annual discretionary bonuses are based on performance at three levels:

- corporate;
- business unit; and
- individual.

The Personnel and Benefits Committee annually approves how to weigh each participant's performance at each level. The Personnel and Benefits Committee establishes target cash awards for participants in the annual discretionary bonus plan. Target awards range from 0% to 15% of base salary. For their individual performance in 2006, executive officers as a group, other than Mr. Bosserd, were awarded discretionary bonuses totaling \$70,766. Mr. Bosserd received a discretionary bonus of \$40,000 based upon a subjective evaluation of his personal performance.

Stock Options. ChoiceOne uses long-term incentives to reward executives for achieving the long-term goal of increasing shareholder value. All of ChoiceOne's long-term incentives have involved awards of stock options. Although ChoiceOne has no specific guidelines, stock ownership is considered important. Through stock ownership, the interests of executives become joined with those of the shareholders. Under ChoiceOne's Amended and Restated Executive Stock Incentive Plan, executives may be rewarded for enhancing shareholder value through the increase in the value of shares subject to options that the executives receive. Thus, compensation under this plan is completely based upon corporate performance in terms of growth in the value of ChoiceOne's common stock. The Personnel and

Benefits Committee administers all aspects of the plan and also has authority to determine the individuals to whom and the terms upon which options are granted, the number of shares subject to each option and the form of consideration payable upon the exercise of an option. The Chief Executive Officer makes recommendations of stock option grants (other than for himself), which the Personnel and Benefits Committee then considers. The Personnel and Benefits Committee takes final action on the amount, timing, price and other terms of all options granted to employees of ChoiceOne.

During 2006, the Personnel and Benefits Committee made awards of stock options to ChoiceOne's executive officers of a total of 6,700 shares of common stock. In general, stock option awards have not be made on an annual basis and are granted every several years in the discretion of the Personnel and Benefits Committee. The Personnel and Benefits Committee has no policy as to timing of awards of stock options. All stock option awards have been made at the market value of ChoiceOne's common stock on the date of grant. Stock options are generally granted for a term of 10 years. All stock options permit the exercise price to be paid by delivery of cash, and the Personnel and Benefits Committee has also approved the payment of the

exercise price by surrendering shares of common stock. Vesting of stock options may be accelerated upon certain events, including a change in control of ChoiceOne.

Determination of the size of equity-based compensation awards is based upon a subjective analysis of each officer's position within the organization, his or her individual performance and his or her growth potential within the organization. The number of equity-based compensation awards previously granted to a recipient is not a factor considered by the Personnel and Benefits Committee in the determination of the grant of a new equity-based compensation award. The Personnel and Benefits Committee has provided for the acceleration of vesting of options upon a change in control of ChoiceOne in all outstanding stock options.

Employment Contracts

As an inducement for Mr. Bosserd's agreement to serve as a director and President and Chief Executive Officer of ChoiceOne and the Bank, ChoiceOne entered into a three-year employment agreement with Mr. Bosserd in 2006 that extends each year for one additional year, unless either ChoiceOne or Mr. Bosserd provides notice of termination. Under this agreement, ChoiceOne agreed to:

- pay Mr. Bosserd a salary of \$160,000 per year as may be adjusted, less taxes and withholdings, plus possible bonuses;
- pay Mr. Bosserd the regular director's fee for attending Board meetings;
- provide Mr. Bosserd with an automobile allowance of \$600 per month;
- reimburse Mr. Bosserd for all documented business expenses;
- continue to pay Mr. Bosserd his base salary for the remainder of the term if Mr. Bosserd is terminated, without cause, or quits for "good reason" following a change in control of ChoiceOne;
- provide Mr. Bosserd with twenty-six sick and personal days per year; and
- provide Mr. Bosserd with the same health and other employee benefits provided to other executive employees of ChoiceOne and the Bank.

Mr. Bosserd agreed not to compete with ChoiceOne or the Bank during the term of his employment agreement unless his employment is terminated by the Company without cause or by Mr. Bosserd for "good reason" after a change in control.

401(k) Plan

The ChoiceOne Bank 401(k) and Employee Stock Ownership Plan is qualified under Section 401(a) of the Internal Revenue Code of 1986 (the "Code").

The purpose of the 401(k) plan is to permit Bank employees, including the named executive officers, to save for retirement on a pre-tax basis. In addition to an employee's pre-tax contributions, the Bank may contribute discretionary matching and/or employee stock ownership plan payments to the 401(k) plan. If the Bank contributes matching and/or employee stock ownership plan payments to the 401(k) plan, those contributions will become fully vested after six years of a participant's vesting service. The Bank has generally made a contribution to the 401(k) plan each year.

Each participant in the 401(k) plan has an account to record the participant's interest in the plan. Amounts contributed by or on behalf of a participant are credited to his or her account. A participant's benefit from the 401(k) plan is equal to the vested amount in the participant's account when he or she terminates employment with the Bank. The employee stock ownership plan provisions provide that the 401(k) plan, in part, is designed to invest primarily in stock of ChoiceOne.

The Impact of Accounting and Tax Treatment on Compensation

Section 162(m) of the Code provides that publicly held companies may not deduct compensation paid to certain executive officers in excess of \$1,000,000 annually, with certain exceptions for qualified "performance-based" compensation. ChoiceOne believes its compensation policies reflect due consideration of Section 162(m) due to the relatively conservative amount of annual compensation.

The Compensation Committee regularly reviews the tax and accounting implications of all of its elements of compensation, including incentive stock options. The Compensation Committee believes that ChoiceOne's compensation structure is appropriately balanced in regards to the tax and accounting implications to both ChoiceOne and the employees.

Change in Control Provisions

Mr. Bosserd's employment agreement provides that

after a "change in control" in the event that Mr. Bosserd's employment is terminated without cause or Mr. Bosserd terminates his employment for a "good reason," then Mr. Bosserd will be entitled to continuation of his salary and benefits through the term of his employment agreement. Good reason is defined in the agreement to include, among other things, a material demotion, assignment of duties inconsistent with Mr. Bosserd's status as President and Chief Executive Officer, a relocation of the Mr. Bosserd, failure of ChoiceOne to elect Mr. Bosserd as Chief Executive Officer of ChoiceOne or the Bank, or a material breach by ChoiceOne of any provision of the agreement. Under Mr. Bosserd's agreement, a change in control is deemed to have occurred as of the first day that there is a change in the ownership, the effective control, or the ownership of a substantial portion of ChoiceOne's assets. The Personnel and Benefits Committee believes the "double trigger" of requiring both a change in control and termination of employment provides an appropriate balance of protection for both ChoiceOne and Mr. Bosserd.

As mentioned above, ChoiceOne has granted certain stock options pursuant to the Executive Stock Incentive Plan that are subject to accelerated vesting upon a change in control of ChoiceOne.

ChoiceOne's Amended and Restated Executive Stock Incentive Plan provides that options to purchase shares of common stock, stock appreciation rights and stock awards may be granted to officers and other key employees of ChoiceOne and its subsidiaries. A stock option entitles the recipient to purchase shares of common stock for a stated period of time at a stated price. Subject to certain restrictions, the Personnel and Benefits Committee determines who will be granted options, the number of shares subject to each option, the form of payment for exercise of an option and other matters related to the stock incentive plan. The Personnel and Benefits Committee also determines the terms and conditions of any stock appreciation rights and stock awards granted under the stock incentive plan. The Personnel and Benefits Committee may provide that, if there is a merger or combination of ChoiceOne with another entity or a change in control of ChoiceOne:

- any vesting restrictions are accelerated;
- any restrictions are eliminated; or
- any participant may choose to receive cash in lieu of outstanding stock options.

The Personnel and Benefits Committee has provided for the acceleration of vesting of options upon a change in control of ChoiceOne in all outstanding stock options. These options vest in four equal increments over a three-year period.

On each quarterly payment date, a director participating in this plan receives a number of shares of ChoiceOne common stock (rounded to the nearest whole share) determined by dividing the dollar amount of fees payable that the director has elected to receive as ChoiceOne common stock by the market value of ChoiceOne common stock determined by a poll of ChoiceOne's market makers on the last day of the month preceding the quarterly payment date.

Audit Committee Report

The Audit Committee reviews and supervises ChoiceOne's procedures for recording and reporting the financial results of its operations on behalf of the Board of Directors. ChoiceOne's management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its supervisory duties, the Audit Committee has reviewed ChoiceOne's audited financial statements for the year ended December 31, 2006 included in the 2006 Annual Report to Shareholders and has discussed those financial statements with ChoiceOne's management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

The Audit Committee has also reviewed with ChoiceOne's independent auditors - who are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles - the judgments of the independent auditors concerning the quality, not just the acceptability, of the accounting principles and such other matters that are required under generally accepted auditing standards to be discussed with the independent auditors. In addition, the Audit Committee has received from the independent auditors the written disclosures required by the Independence Standards Board, has discussed with them their independence from ChoiceOne's management and ChoiceOne, and has considered the compatibility of nonaudit services with their independence.

After and in reliance on the reviews and discussions described above, the Audit Committee recommended to ChoiceOne's Board of Directors that the audited financial statements for the year ended December 31, 2006 be included in ChoiceOne's Annual Report on Form 10-K for the year then ended to be filed with the SEC.

Respectfully submitted,

Jon E. Pike (Chairman)
William F. Cutler, Jr.

Related Matters

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires directors and officers of ChoiceOne and persons who beneficially own more than 10% of the outstanding shares of its common stock to file reports of beneficial ownership and changes in beneficial ownership of shares of common stock with the SEC. SEC regulations require such persons to furnish ChoiceOne with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports received by us or written representations from certain reporting persons that no Forms 5 were required for those persons, we believe that, except as described below, all applicable Section 16(a) reporting and filing requirements were satisfied by such persons from January 1, 2006 through December 31, 2006. Mr. Goodfellow inadvertently filed one late report regarding his holdings of shares of Valley Ridge stock that were automatically converted into shares of ChoiceOne common stock pursuant to the Merger between ChoiceOne and Valley Ridge. Mr. Pike filed one late report concerning one transaction. These transactions were reported promptly upon discovery. Messrs. Arends and Bull each filed his respective Form 3 reporting his holdings of ChoiceOne common stock received in the Merger one day late due to the failure of the SEC to issue filing access codes prior to the deadline. Lewis Emmons, a former director of ChoiceOne, filed one late report concerning an exempt transaction that occurred in 1999.

Certain Relationships and Related Transactions

Directors, nominees for director and executive officers of ChoiceOne and members of their immediate families were customers of and had transactions with the Bank in the ordinary course of business between January 1, 2006, and December 31, 2006. We anticipate that such transactions will take place in the future in the ordinary course of business. All loans and commitments included in such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

Independent Certified Public Accountants

Plante & Moran, PLLC ("Plante Moran"), has been selected to serve as ChoiceOne's principal accountant for 2007. Plante Moran also served as ChoiceOne's principal accountant for 2006. Plante Moran replaced ChoiceOne's prior accounting firm, Crowe Chizek and Company LLC ("Crowe"), effective as of the fiscal year beginning January 1, 2006. The change in ChoiceOne's certifying independent registered public accounting firm was based on the results of a competitive bidding process. Crowe's report on ChoiceOne's financial statements for the fiscal year ended December 31, 2005 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

For the fiscal year ended December 31, 2005, there were no "disagreements" (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K issued under the Securities Exchange Act of 1934, as amended, and its related instructions) between ChoiceOne and Crowe on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Crowe, would have caused Crowe to make reference to the subject matter of the disagreement in connection with its reports.

For the fiscal year ended December 31, 2005, there were no "reportable events" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K issued under the Securities Exchange Act of 1934, as amended, and its related

instructions) between ChoiceOne and Crowe.

During the fiscal year ended December 31, 2005 (prior to engaging Plante Moran), ChoiceOne did not consult with Plante Moran regarding the application of accounting principles to a specified transaction (either completed or proposed), the type of audit opinion that might be rendered on ChoiceOne's financial statements, or any matter that was the subject of a disagreement or reportable event.

Representatives of Plante Moran are not expected to

attend the annual meeting. If a representative of Plante Moran attends the meeting, the representative will have an opportunity to make a statement if he or she desires to do so and will be expected to be available to respond to appropriate questions.

In accordance with SEC rules, ChoiceOne's Audit Committee has adopted a Pre-Approval Policy. Under the Pre-Approval Policy, all audit and non-audit services need to be pre-approved by the Audit Committee.

The Pre-Approval Policy permits the Audit Committee to delegate to one or more of its members pre-approval decisions. The member or members to whom such authority is delegated shall report, for informational purposes, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee has identified certain services that do not impair the independence of the independent auditors and granted general pre-approval for those services. All services that do not have general pre-approval must be specifically pre-approved by the Audit Committee. The Audit Committee will periodically set pre-approval fee levels for all services to be provided by the independent auditors. Any proposed services exceeding these levels require specific pre-approval by the Audit Committee.

The Pre-Approval Policy requires the independent auditors to provide detailed back-up documentation, which will be provided to the Audit Committee, regarding specific services to be provided.

Requests or applications to provide services that require separate pre-approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and the Chief Executive Officer or Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. All fees paid to Plante Moran for services performed in 2005 and 2006 were pre-approved pursuant to this policy

Audit Fees. ChoiceOne paid to Plante Moran \$43,000 during 2006 and \$0 during 2005 and to Crowe \$38,216 for 2006 and \$70,375 during 2005 for the audit of ChoiceOne's annual financial statements and review of financial statements included in ChoiceOne's quarterly reports on Form 10-Q, or services that are normally provided by the auditors in connection with statutory and regulatory filings.

Audit-Related Fees. ChoiceOne paid to Plante Moran \$37,880 during 2006 and \$0 during 2005 and to Crowe \$6,250 during 2006 and \$0 during 2005 for assurance and related services that were reasonably related to the performance of the audit or review of ChoiceOne's financial statements and are not reported under "Audit Fees" above.

Tax Fees. ChoiceOne paid to Plante Moran \$0 during 2006 and \$0 during 2005 and to Crowe \$12,625 during 2006 and \$11,500 during 2005 for tax compliance, tax advice and tax planning. Tax services included preparing ChoiceOne's federal and state tax returns.

All Other Fees. ChoiceOne paid to Plante Moran \$29,800 during 2006 and \$0 during 2005 and to Crowe \$50,080 during 2006 and \$2,320 during 2005 for services other than those services described above. In 2006 and 2005, these services included general consultations.
