PRESS RELEASE

FOR IMMEDIATE PUBLICATION

CGI selected by Industrial Alliance for five-year contract renewal

Edgar Filing: CGI GROUP INC - Form 6-K

Quebec City, Quebec, October 15, 2002 - CGI Group Inc. (CGI) (TSX: GIB.A; NYSE: GIB) today announced the signing of a five-year outsourcing contract renewal valued at CDN\$25 million with Canadian personal insurance giant, Industrial Alliance Insurance and Financial Services (TSX: IAG). As part of the agreement, CGI will host their mainframes and AS 400 as well as provide technical support from CGI's data centers. CGI's services will be used for the client's activities in Quebec City, Toronto and Western Canada.

"There are two main reasons why we have renewed with CGI. First, we were very satisfied with the quality of services offered, the vastness of their technical expertise and the level of understanding of our environment. And secondly, the CGI team was always present to learn of our needs and was never short of ideas to effectively respond to them," said Jacques Martin, senior IT director, Industrial Alliance.

Michael Roach, president and chief operating officer for CGI added: "We are very proud of our long-term partnership, one that spans over 20 years. As Industrial Alliance has grown both organically and through acquisitions, we have leveraged and expanded our services to meet the needs of our client's evolving operations. The field of insurance is one that we know well and look forward to further growth and being the IT partner of choice for insurance companies."

About the Industrial Alliance Group
