INTRODUCTION

This Amendment No. 5 to the Rule 13e-3 Transaction Statement on Schedule 13E-3 (this Amended Schedule 13E-3) amends and supplements the Rule 13e-3 Transaction Statement on Schedule 13E-3 originally filed on January 19, 2005, as amended by Amendment No. 1 to the Rule 13e-3 Transaction Statement on Schedule 13E-3 filed on February 4, 2005, as further amended by Amendment No. 2 to the Rule 13e-3 Transaction Statement on Schedule 13E-3 filed on February 10, 2005, as further amended by Amendment No. 3 to the Rule 13e-3 Transaction Statement on Schedule 13E-3 filed on March 4, 2005 (Amendment No. 3) and as further amended by Amendment No. 4 to the Rule 13e-3 Transaction Statement on Schedule 13E-3 filed on March 24, 2005, and is being filed with the Securities and Exchange Commission (the SEC) by (1) Masonite International Corporation, an Ontario corporation (Masonite), (2) Stile Acquisition Corp., an Ontario corporation (Stile), (3) Stile Consolidated Corp., a Canadian federal corporation that owns 100% of the equity securities of Stile (Stile Consolidated), (4) Stile Holding Corp., a Canadian federal corporation that owns 100% of the equity securities of Stile Consolidated (Stile Holding), (5) KKR Millennium Fund (Overseas), Limited Partnership, an Alberta limited partnership that owns 100% of the equity securities of Stile Holding (KKR Millennium, and together with Stile, Stile Consolidated and Stile Holding, the Stile Affiliates), (6) Philip S. Orsino, (7) John F. Ambruz, (8) James U. Morrison and (9) Lawrence P. Repar.

This Amended Schedule 13E-3 relates to the Combination Agreement, dated December 22, 2004, as amended and restated on January 16, 2005 and as further amended and restated on February 17, 2005, between Masonite and Stile (the Combination Agreement), which provides for the acquisition of all the outstanding common shares of Masonite (the Common Shares) by Stile pursuant to a plan of arrangement (the Arrangement). If the Arrangement is approved by the Superior Court of Justice (Ontario) and by Masonite's shareholders, and the other conditions to the closing of the Arrangement set forth in the Combination Agreement are satisfied or waived, each outstanding Common Share of Masonite will be acquired by Stile for cash consideration of C\$42.25 (other than certain Common Shares held by certain employees and officers of Masonite (such Common Shares, the Employee Rollover Shares), which will be exchanged for common shares of Stile Holding). Concurrently with the closing of the Arrangement, Philip S. Orsino, John F. Ambruz, James U. Morrison and Lawrence P. Repar (collectively, the Management Investors) have agreed to invest an aggregate of at least US\$19.5 million in equity securities of Stile Holding, contingent on the Management Investors reaching satisfactory investment terms with Stile Holding. Following the completion of the Arrangement and the exchange of the Employee Rollover Shares for common shares of Stile Holding, Masonite will be a direct wholly owned subsidiary of Stile and an indirect wholly owned subsidiary of Stile Consolidated and Stile Holding.

Concurrently with the filing of Amendment No. 3, Masonite filed with the Ontario Securities Commission a notice of application and notice and management proxy circular (the Circular) relating to the special meeting of Masonite shareholders to consider and vote on a resolution approving the Arrangement. The Circular is attached as Exhibit (a)(5) to this Schedule 13E-3. The information in the Circular, including all appendices thereto, is hereby expressly incorporated by reference into this Amended Schedule 13E-3, and the responses to each item are qualified in their entirety by the provisions of the Circular and the appendices thereto. Capitalized terms used but not defined in this Amended Schedule 13E-3 shall have the meanings given to such terms in the Circular.

Similarly, the information contained in this Amended Schedule 13E-3 and/or the Circular concerning each filing person other than Masonite was supplied by each such filing person.

The Stile Affiliates do not believe that they are affiliates of Masonite at this time and, thus, believe they are not required to file this Amended Schedule 13E-3. They have filed this Amended Schedule 13E-3 solely in light of their relationship with the Management Investors and the fact that they have noticed that in several instances involving similar transactions, persons similarly situated to them have filed a Schedule 13E-3.

The information set forth in the Circular under the caption Background to and Fairness of the Arrangement Opinion of Merrill Lynch is hereby amended and supplemented by deleting the last paragraph on page 23 of the Circular in its entirety and inserting in place thereof the following paragraph:

On February 17, 2005 Merrill Lynch delivered to the Special Committee an oral opinion, subsequently confirmed in writing as of the same date, that, as of that date, and based upon and subject to the various factors, assumptions and limitations set forth in the Merrill Opinion, the consideration of C\$42.25 per Common Share to be received by the Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Shareholders other than Senior Management. In connection with its February 17, 2005 opinion, Merrill Lynch reviewed the assumptions used in, and the appropriateness of its reliance on, the analyses used to render its earlier opinion on December 22, 2004, as well as the factors considered in connection with its earlier opinion. Merrill Lynch also performed procedures to update certain of its analyses to give effect to updated market prices and analysts' estimates, Masonite's December 31, 2004 actual results and the increased consideration to be received by the Shareholders. Except as specifically noted in this section, Merrill Lynch applied the same methodologies and performed the same procedures and analyses as it did in connection with rendering its earlier opinion on December 22, 2004.

As a result, the following description of the Merrill Opinion and analyses is substantially the same as the description of the earlier opinion rendered on December 22, 2004 and the analyses performed in connection therewith, except for the following differences:
